

POLICY

1999

5620

Non-Instructional/Business
Operations

SUBJECT: INVENTORIES

The Superintendent or his/her designee shall be responsible for maintaining a continuous and accurate inventory of equipment owned by the District in accordance with "The Uniform System of Accounts for School Districts".

All supplies and equipment purchased and received by the School District shall be checked, logged, and stored through an established procedure.

Uniform System of Accounts for School
Districts (Fiscal Section)

Adopted: 6/16/99
