Dear Parent/Guardian,

I am writing in compliance with a provision called “parents’ right-to-know,” Section 1112(e)(1)(A) of the Every Student Succeeds Act, Pub. L. No. 114-95 to inform you that, because your child’s school receives Title I federal funding, you have the right to request information regarding the professional qualifications of your child’s classroom teacher(s). Specifically, included is your right to know the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- The baccalaureate degree of the teacher and any other graduate certification or degree held by the teacher and field of discipline of the certification or degree; and
- Whether your child is provided services by paraprofessionals and if so, their qualification.

Should you wish to exercise your right to obtain the above information about your child’s teacher, please contact the Office of Instruction and Curriculum, in writing, at the following address to make your request.

Dr. Joseph Centamore  
Deputy Superintendent – Office of Instruction, Curriculum, and Assessment  
South Huntington Union Free School District  
60 Weston Street  
Huntington Station, NY 11756

If you have any questions concerning the contents of this letter, then please do not hesitate to call 631-812-3100.

Sincerely,

John Murphy  
Principal
