Hi Mr. DiGiacomo! Welcome to Faculty Feature Friday! Tell me your positions at South Huntington school 🤔

I have been a physical education teacher at Stimson for 23 years....

I was split for a few years... teaching 1 period at Whitman

Nice! Do you coach any sports

I've been the varsity soccer coach for the last 20 years... I also have been the Varsity bowling coach for the last 5. I've coached basketball and baseball as well, early in my career here.

Wow! Impressed. How has V soccer season been this spring? Any proud highlights you can share?

We had a great season especially under the circumstances surrounding COVID, making the playoffs for the 9th consecutive

We had a great season especially under the circumstances surrounding COVID, making the playoffs for the 9th consecutive year. I was a testament to the hard work of the kids in the soccer program. They sacrificed a lot to play for us.

Congratulations !

Thank you

What's one school event you look forward to every year

Would the last day of school count?? LOL... sorry... joking!!!

I enjoy the volleyball tournament that we usually run in classes.... it's a competitive thing that the kids really get into.
