Good Morning ! Welcome to Faculty Feature Friday!

What did you have for breakfast today ? 🤔

Good morning!!  
I have been trying to start my day a little healthier in the past few weeks....new year and all that! It's proving to be hard because I am always on the run in the morning. If you asked me yesterday, I would have said scrambled eggs, yogurt and fresh berries BUT you asked today....Frosted Flakes container from 7-11!!! Yikes 🤯 😬 🤔

Yum!

Tell me about the positions you hold in South Huntington

Mrs. Buhse &gt;

I currently have 2 positions.

Purchasing Agent which holds the responsibility of making all purchases for the district. Everything from pencils and computers to school furniture. This year we had the added job of providing the district with all COVID items required to open our schools. temperature check machines to student masks 🤒 🤒 .

My second job is the School Nutrition Director. There are 8 kitchens throughout the district that provide meals to our 5800 children. The Nutrition program is its own business within the school district. We do not use the school budget funds to operate. We have to earn our own money to operate. This proves to be a huge challenge because we want to provide our kids with a nutritious and creative menu and stay within a reasonable budget. Always a challenge but one I love. 🍏 🥦 🥬 🍌 🍇 🌶️

Wow! So incredible! We are so lucky to have you!

Tell me about this moment

This was taken at the 2019 Miles for Micheal event. SHEF started this run 7 years ago in partnership with SHUFSD. The proceeds support the Arts, Dance and Music programs for the district. It has turned into a wonderful community event. It gets more and more popular each year. I am the Director of the event and in 2019 we added a new category- Challenged Athlete- this is Geoff Turner with me at the awards ceremony. He has been a wonderful edition to our MFM committee! This year we are having the event virtually and are well into our planning.

This years student winner for our MFM 21 event. We have a contest every year that involves our district art students. The chosen design goes on all of the "swag" for the event.
