Hi Kelly! Welcome to Faculty Feature Friday! 🥰

How long have you been teaching English at Silas Wood ?

Hi! I have been teaching in South Huntington for the last 22 years with the last four at Silas. 😊

Wow!! Amazing!

What's your favorite book/lesson to teach your 6th graders?

That's a tough one. I love all of the novel studies that we do together. I would have to say that Bud, Not Buddy and The Giver are tied for my favorite.

Who is your personal favorite author?

I am a big Nelson DeMile fan. Plum Island is my all time favorite book. I read it in one day.

Impressive! I heard his book The Deserter was great!

Love this !!

How has it been working with technology during hybrid learning !

Better than I had imagined. It's been tons of work to covert everything to digital, but in the end, worth the time and effort. The kids have been amazing about logging in and participating. I have to say that I am really impressed with how well this all played out.

That is so great to hear and you're doing a fantastic job
