Hi Ryan! Welcome to Faculty Feature! Tell me about your position at South Huntington

I am a business education teacher here at Walt Whitman high school. Working here over the last two years has been very rewarding both inside and outside the classroom. I couldn't ask for a better community to be apart of.

Love that! What's your favorite part about coming to work everyday ?

I would say my favorite part about coming to work everyday is being here for the students. Having the opportunity to teach students something new everyday that they might not learn in other classes is very rewarding.

What inspired you to work in education ?
