PUBLIC NOTICE

May 6, 2021

At the Special Board of Education meeting that took place last evening, May 5, 2021, the Board of Education passed a resolution that removed Proposition No. 4 from the May 18, 2021, ballot. Proposition No. 4 was for the sale of the Central Softball Field, which required voter approval in order to proceed. Issues discovered during the mandatory title search revealed matters that require correction before moving further with the sale.

The original contract of sale provided for voter approval with the May 18th budget vote. While the purchaser has communicated interest with continuing with the sale, an amendment to the contract was also approved accordingly.

It is anticipated that there will be a public vote on the sale of the property at a date to be determined in the future. The public will be made known at the appropriate time.
