

SOUTH HUNTINGTON UNION FREE SCHOOL DISTRICT

NOTICE OF PUBLIC HEARING AND REGULAR BUSINESS MEETING

A Public Hearing of the Board of Education will be held on Wednesday, March 23, 2022, at 7:30 p.m. in the Leadership Conference Room of the James Kaden Administrative Offices, 60 Weston Street, Huntington Station, for the purpose of hearing all interested parties and citizens regarding the Smart Schools Investment Plan. Assistance gained through the Smart Schools Investment Plan in our next phase will enable the district to provide our students and staff with increased security on our campuses. The previous submission for electronic security systems provided the district with updated and increased access to cameras throughout the district.

The next phase will require updating the public address systems and door access controls so that in an emergency, students, staff, and visitors can be notified, and doors can be controlled and monitored. These additional funds will enable our security professionals and district administrators the tools to integrate our systems for the management of preventative functions to maintain a learning environment that is safe for our students/staff.

A regular business meeting will immediately follow the Public Hearing.
