Food for Thought

"The time is always right to do what is right."

Superintendent's Corner

It is hard to believe that we are quickly approaching the close of the first semester. As I reflect on the first half of the school year, we are extremely proud of all of our students and staff for their steadfast efforts during these challenging times. Together, we are erasing the COVID gaps and continue our students' rise to excellence. While we are moving forward with our Academic Recovery Program, we will always keep the safety and well-being of our students and staff a top priority.

News from Deputy Superintendent/Business Dr. Joseph Centamore

News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy & Dr. Gayle Steele

i-Ready Testing

Students in Grades K-8 will be taking the i-Ready Reading and Math Diagnostic Assessments beginning this week. The testing window is January 10th - February 4th. All schools will designate times for each class to take the diagnostic during the assigned testing window. The data received from this diagnostic assessment provides teachers with valuable information regarding each student's academic progress, which is used to influence and individualize instruction. Student performance on this assessment will dictate their lessons and learning while using the My Path Individualized Instructional tool. This along with classroom assignments and other benchmark assessments provide us with data from various resources that help to create an informative and well-rounded curricular path for each child.

Kindergarten Letter

Due to the recent rise in COVID cases, we will be postponing our Kindergarten Information Night originally scheduled for January 25, 2022. In order to provide the best experience possible for our entering parents and students, allowing for all to feel comfortable, we would like to return to hosting this evening as an in-person event, therefore it will be rescheduled for a later date. We will now be holding the Kindergarten Information Night at Countrywood Primary center on March 14th at 6:30pm. This will be an informative meeting for families with children who live in the district, entering kindergarten. An array of district and building administrators will be present to share information on what our district has to offer in order to meet the academic, social and emotional needs of our students. If you have any questions regarding this night, or Kindergarten in general, please contact the Office of Curriculum and Instruction at 631- 812-3110.

AP Night WWHS

On **Thursday, January 13, 2022, at 7:00 PM** Walt Whitman High School will be conducting an Advanced Placement Information Night for interested students and parents where the district will discuss the many options and pathways that your child can participate in, depending upon their academic interests. The Assistant Superintendent for Curriculum & Instruction, parent within the community, and former Walt Whitman High School Principal, Dr. John Murphy will be our guest speaker for the evening, discussing the benefits and obstacles associated with Advanced Placement courses. We encourage all to attend!

COVID Case Form on Website

In an effort to expedite the Covid-19 contact tracing process, as well as gather information from parents and staff members, South Huntington School District has recently created a Google survey that allows individuals or families infected with the Covid-19 virus to provide updated information of a positive result of a student/staff member in a quick and easy manner.

Please see the link below, or visit the district website's main page, to input any information of a positive Covid case. This form does not replace a parent's ability to communicate directly with their child's principal or for a staff member to communicate directly with their supervisor.

Winter Fun

Giving our younger students something fun and crafty to do during breaks from school is a wonderful way to spend time together. This past holiday break our South Huntington Nutrition Services Program provided Oakwood PTA with **cookie kits** for their students. The theme for our first kit was "Wintertime Fun." Each kit included 4 cookies and all the ingredients necessary to decorate them in a fun, creative manner. It was a huge success for everyone. Stay tuned for our next cookie kit adventure!

News from Mr. Eddie Smith, Principal of Stimson Middle School

I hope everyone is staying warm during this very chilly second week of January.

This Friday all of our students will be participating in a NYS Mathematics Assessment Simulation. This provides us with an opportunity for our students to practice navigating the Computer Based Testing interface and ensures our infrastructure can handle the web traffic. We will be utilizing our Extended Homeroom Schedule which slightly impacts our typical bell schedule. Similar to the iReady assessments, students will remain in their homerooms.

On a separate note I would like to congratulate our Teacher of the Year, English teacher Ms. Jennifer Hohner. She is so deserving of this recognition. Congratulations Ms. Hohner!

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

I have the audacity to believe that peoples everywhere can have three meals a day for their bodies; education, and culture for their mind; and dignity, equality, and freedom for their spirits. – Dr. Martin Luther King, Jr.

What's new at Silas Wood? Among other things, our exciting, state-of-the-art MakerSpace! For those to whom this is an unfamiliar term, MakerSpace has been described as collaborative work space inside a facility for making, learning, exploring, and sharing that uses high-tech to no-tech tools! These spaces have a variety of maker equipment including 3D printers, laser cutters, cnc machines, and other fascinating apparatus. Under the direction of Ms. Jacklyn Patino and Ms. Sarah Wyhowanec, the Silas Wood MakerSpace (housed along with our library collection in its beautiful, bright and sunny second-floor location) offers Silas students the opportunity to use and gain experience with some of the latest in robotic technologies and design crafts. We are all very grateful for, excited and proud about this new Silas Wood addition!

It's time to take the plunge! Please join the Silas Wood family as we raise money for the Make-A-Wish Foundation by taking part in our 3rd Annual Silas Wood Polar Bear Plunge on Sunday, February 6, 2022. If you are interested in joining our Silas Superstar team please fill out form (hard copy will be backpacked home), and sign up using the link below.

News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

Our Winter concert has been rescheduled to Thursday, February 3rd. More information to follow.

The Musical Theater performance has been rescheduled to February 12th at 12:00

Please have your children prepared for outdoor recess and outside classroom time by bringing jackets, gloves, and hats with them to school every day. We will go outside whenever the temperature is above 32 degrees. It is also helpful to have all items labeled with your child's name so we can return any items that get misplaced.

If you have not returned your child's Emergency Dismissal Form, please do so as soon as possible. It is important that in case of an emergency early dismissal the bus driver knows who can take your child off the bus if you are unable to make it to the bus stop. If we do not have a form and you are not at the stop, your child will come back to Birchwood to wait until you can pick them up.

News from Mr. William Hender, Principal of Maplewood Intermediate School

As the temperature continues to drop, the activities continue to heat up here at Maplewood Intermediate School. This week our third and fourth graders met with Suffolk County Police Officer Levy who presented the Police Smart program. Our third graders learned about the roles and responsibilities of a police officer, and our fourth graders discussed ways to be safe when navigating the internet. We thank Mr. Levy for his words of wisdom and look forward to seeing him on a yearly basis.

The PTA here at Maplewood has been quite busy. Remember to mark your calendars because on Friday, January 21st, they will be hosting a virtual Family Fun Night involving trivia. It will surely be a night of fun for all those who participate! The Maplewood Online Spirit Store is up and running again, with orders due by Friday, January 14th. Be sure to visit <https://maplewood22.itemorder.com/> to purchase your Maplewood Spiritwear.

Lastly, our Student Council would like to let everyone know that our Crazy Hair Day which was postponed due to snow, has been rescheduled for Friday, January 21st. Don't forget to wear your crazy hair.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We are keeping warm and busy in Oakwood this week!

The Oakwood PTA is hosting our very own Virtual Bingo Night this Friday, January 14th at 6pm. Please check Parent Square and the flyer that was sent home for more details.

Our Student Council continues to recognize two outstanding members of the Oakwood Family. This week, the Student Council "Gratitude Board" has recognized Ms. Torres-Banegas, one of Oakwood's ENL Teachers and Ms. Finkel, Oakwood's interim Behavior Specialist! We thank them for always supporting the Oakwood Family!

As mentioned previously, our students will be bringing their Chromebooks back and forth until this Tuesday, January 18th. We ask that the Chromebook chargers stay at home and be used to charge the Chromebook each evening so it is charged and ready for the next day in school. Students should return the chargers and devices on Tuesday.

Oakwood is wrapping up the week with our Reading and Math i-Ready Winter Diagnostic on Thursday and Friday. This curriculum tool allows our teachers to note student strengths and their next steps for learning. Please send your child to school with a fully charged Chromebook each day!

We are excited to announce that the Oakwood PTA is hosting a Winter Book Fair during the week of January 24th! More information will be coming soon on this special week!

Our Oakwood students are continuing to earn paper pom-poms for exhibiting positive character traits. Our classes have visited the Kindness Store to redeem their pom poms before the break! Please continue to encourage your child to continue to be safe, respectful and responsible in school as we will be going back to the store in February.

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us please see the information below:

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We hope all of our students, and their families, enjoyed last week's snow day and had a chance to get outside and enjoy sledding and other fun snowy adventures. Thank you to all of our families for their patience and cooperation as we have navigated the latest uptick in COVID numbers as well as the ever changing quarantine guidelines from the state and department of health. Please be reminded that if you ever have any questions to please reach out to the school via phone or to email me and I will be happy to provide you with the latest guidance and information.

Thank you to everyone who attended our PTA meeting Tuesday night, both in person as well as virtually. School Board Notes – A Message from the Board of Education

Our first Board of Education meeting for 2022 will take place this evening, January 12th, at 7:30 p.m. in the Leadership Conference Room of the James Kaden Administrative Offices.

We are pleased and proud to start our meeting with an Eagle Scout project proposal before we move into the business portion of the meeting.

While the meeting will be in-person, we do wish to remind our residents and staff that our board meetings can be viewed live using the link that will be posted in the early afternoon.
