### Superintendent's Corner

I hope this new year finds you well as we return to some normalcy and look forward to better days ahead. We realize that people are struggling and want very much to celebrate the accomplishments of our students and staff, while also respecting the challenges that face our district's families.

It is important that we remain vigilant in protecting our learning family, while simultaneously accentuating the great things taking place in our classrooms and schools. We promise to maintain that balance, keep the culture of achievement at the forefront and use every tool to protect students and staff alike. We have come a very long way since last March, and need to hang tough just a little longer as there are brighter moments on the horizon.

### News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Happy and healthy New Year to everyone!

January is a very busy month in our schools. For grades K-8, i-Ready diagnostics are being administered. Building principals will communicate this schedule to parents.

At Countrywood, a School Comprehensive Education Plan targeting ELA and Math growth, especially for our students with disabilities, is being implemented. We thank the team of administrators, teachers, and parents who worked diligently on the implementation plan, as well as the staff and parents who provided feedback through the State created survey.

The end of this month also marks the end of the second marking quarter and first semester. For all grades K-12, report cards will be placed on the Parent Portal. Parents may contact the school to request a digital or hard copy. For information on how to create an account in the Parent Portal, please visit the district's website under the parent link.

Due to the State cancelling the January Regents, there will not be

CHICHESTER PROPERTY FOR SALE

In an effort to generate revenue to assist the District with needed upgrades and projects, the District has some properties for sale. One is a parcel of land that is on the north side of Chichester Road, just west of Wheatley Avenue. We wanted to assure the residents that the sale will not impact the JKAO sledding hill that has been enjoyed by so many through the years. Please see the graphic below which indicates the lot for sale.

**Some Thoughts from Assistant Superintendent for Student Services April Poprilo**

Our South Huntington Team utilizes a variety of tools to share important information as well as good news about the members of our learning family. These aforementioned communication processes include a vibrant Facebook (<https://www.facebook.com/southhuntingtonufsd/>), Instagram (<https://www.instagram.com/southhuntingtonschools/>), and website ([www.shufsd.org](http://www.shufsd.org)), which are regularly updated, include information ranging from pre-K to 12th grade level. Please visit these sites and feel free to share stories with our district administrators and staff so we can accentuate the good news online.

**News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation**

We are set to begin contests this week for Bowling, Swimming, Fencing, and Track. It has been a tough 10 months without kids competing, but that all changes now. While there are no spectators permitted at these contests, we will be streaming the games via the NFHS Network for Fencing and Track, and Swimming and Bowling will live stream via Instagram, Twitter, or Facebook Live. All videos will be uploaded to HUDL, our sports video platform, so please see your coach for further details.

Walt Whitman High School would like to congratulate Mr. Keith Goldman as Whitman's Teacher of the year. Mr. Goldman embodies all the qualities of a phenomenal teacher, showing the dedication and empathy necessary to make all within his classroom successful. Over the course of his 17 year career, Mr. Goldman has dedicated himself to helping all students in need, no matter their struggle. He has not only helped those students within the ENL program, providing them opportunities for success but is currently teaching within the inclusion setting, reaching students with disabilities to find avenues of success within the Earth Science curriculum. Throughout his 17-year career, Mr. Goldman has been a model teacher, inspiring a love for Science and learning within all his students. Mr. Goldman prides himself on continually improving his instructional practices to instill that same love he has for not only Science but learning. The energy he commits every day to his students is not only inspiring but infectious. Mr. Goldman is a prime example that teachers do make a difference in their students' lives and those interactions can have a lasting effect, shaping their future for the better.

Walt Whitman High School is asking all seniors to visit the Senior Class website to fill out the class survey; the form will close on Friday. Go to the Walt Whitman page on the District site and click on Clubs, and then Senior Class. This information allows us to review and assess current programs and procedures to better suit the needs of our students and ensure continued district success.

As we quickly approach 2021, it is important for our junior class students to prepare themselves for any upcoming SAT and ACT testing as they start the college process. To help with this, Walt Whitman High School has teamed up with Scope and Kaplan to provide our students the ability for in-person and virtual SAT/ACT preparatory courses.

Please see the flyers attached below, and if you have any questions, please contact the Walt Whitman High School Main Office at any time.

As many of you know, we recently held our 8th Grade Parent Orientation on Thursday, January 7th, here at Walt Whitman High School. This event was the first of a series of programs we offer to our incoming students and their families, culminating in the student's entrance into the halls of Walt Whitman High School in September 2021, as a member of the Whitman Class of 2025! For those who were unable to attend this event, or view it virtually, we have recorded the proceedings for you to view at your leisure. The video follows the program format as it was presented that evening, including three important 20 minute sessions:

- 1) Academics and 9th Grade planning with Mr. Murphy and the Academic Department Chairs
- 2) A discussion/question & answer session with a special panel of

## News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Happy New Year everyone! We hope you all enjoyed a great holiday season.

We want to thank you all for your cooperation during our virtual learning week. Things went well and we are happy to return to in-person learning for some of our students.

We are excited to announce Maplewood's Teacher of the Year, Ms. Susan Teeter! Susan Teeter has been a Library Media Specialist in the South Huntington School District for 16 years. Although she is highly respected as a specialist in her area, she is revered by her students and colleagues as a support for so much more. We are so proud that she has been chosen as Maplewood's Teacher of the Year.

Sue understands the importance of providing students with a variety of book choices from various cultural backgrounds. She knows that in order to engage students you need to make personal connections, and then expand who they are as readers. Sue also has a passion for technology. She incorporates current learning platforms into her curriculum that support both virtual and in-person instruction. She has been integral in supporting her colleagues with the use of technology, especially when we moved to distance learning in the Spring of 2020. As part of the well-rounded curriculum she provides for her students, Sue develops STREAM activities to teach our students about researching and coding. Sue is also an active member of her professional organizations, and regularly attends meetings and training sessions to continually improve her craft.

Aside from her professional contributions, it is Sue's genuine concern for people that is her greatest attribute. She is one of the "go to" people among the staff for personal support, whether it's for a colleague, student or one of our South Huntington families. Sue approaches every situation with compassion and sensitivity. She is very humble and does not feel she is deserving of any accolades. This is even more evidence that she works from her heart and has a true love for what she does. Her kind spirit and smile can brighten anyone's day. Susan Teeter is a true gem among the Maplewood staff.

Before the holiday break, all classes enjoyed the Jester Jim assembly. Students enjoyed his comedy and juggling routines from their classrooms during this virtual show. Thank you to the PTA for offering this popular assembly.

Also, our PTA organized a virtual glow party last Friday in conjunction with The United Skates of America. Students and their families were able to dance to the music provided by a DJ and hosted by an MC from their homes. The PTA provided students with glow items that were used while they danced the night away! Everyone had a great time.

For our fifth grade parents, we are in the process of planning our Goldlocks trials. This will be a virtual event this year. The details will be provided soon.

### News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We wish all of our Oakwood Families a Happy New Year!!

Our Oakwood students were happy to see their friends and teachers again after the Winter break! We hope that all of our families enjoyed the holidays and found time to get some deserved rest.

We are so excited to announce Oakwood's Teacher of the Year, Ms. Erica Perez-Flowers! Ms. Perez-Flowers is a dedicated and well-loved Speech and Language Therapist serving our Oakwood students with her love, care and expertise. Please join us at the virtual Board of Education Meeting on Wednesday, January 27th, as we honor and congratulate Ms. Perez-Flowers and all of the South Huntington Teachers of the Year on their well-deserved recognition.

We would like to extend our sincerest **THANK YOU** to all of our families who donated gift cards or monetarily to families in our school community who were in need. Your generosity and kindness is certainly appreciated and made a difference in the lives of our students. Thank you for your thoughtfulness! A special thank you to our School Social Worker, Mr. Toledo, for all of his efforts to make this happen!

Additionally, Oakwood showcased their festive spirit by decorating their classroom doors. Every door at Oakwood was decorated for the winter season starting a new tradition! Because of the efforts given to put this tradition in place, an extra recess period was awarded to all of our students for their creativity and for showcasing their winter spirit. Our Remote learners will also be rewarded with a special participation surprise! If you haven't had a chance to see the wonderful decorations, be sure to check Instagram!

Our next Family Reflection Night will be scheduled for the Week of January 19th in conjunction with our Birchwood Family. Look for details that will be sent home in your child's backpack or that are posted on Google Classroom.

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us, please see the information below:

social and emotional needs that are both typical and atypical due to the current pandemic.

We would like to congratulate Ms. Allison Clancy, Countrywood's Teacher of the Year. In a "normal year" Ms. Clancy is one of our AIS reading teachers, but this year she has eagerly and willingly taken on the job of teaching the 1st grade fully virtual class. Parents and students alike have had nothing but wonderful things to say about Ms. Clancy as both a reading teacher, and this year as a virtual classroom teacher. Ms. Clancy has a gift for writing and is being awarded various grants which have enriched her reading program as well as her classroom. She also spent countless hours designing, creating, and installing not one, but two sensory paths at Countrywood. Congratulations to Ms. Clancy on this well-deserved award.

Our Cultural Arts arm of our PTA has been hard at work finding virtual, age-appropriate programs to bring in for our students, both during the school day, as well as evenings. Upcoming events include; The Diversity Circus, Family Fun Night, and Virtual Paint Night, by special guest artist Ms. Whitney, Countrywood's wonderful art teacher. More details to follow on these and other upcoming events from the PTA.

If your schedule allows, please join us this Thursday, at 9:45 am for our monthly virtual Countrywood PTA Meeting. The PTA will be providing the link. We hope to see you there. As always, please continue to check out Countrywood on Facebook, Instagram, and Twitter. Wishing you a healthy, safe week ahead.

**A Message from the Board of Education**

Happy New Year to the South Huntington learning family from your Board of Education! May 2021 bring an end to this devastating pandemic and bring back a new normal, one that allows our humanity to shine with gatherings, embraces and a return to our social world.

We encourage our residents and staff to join us tonight at 7:30 p.m. using the link that will be available on our website—[www.shufsd.org](http://www.shufsd.org).
