Superintendent's Corner

As hard as it is to believe, we are already halfway through the month of January. The days seem to be flying by as academic and co-curricular activities abound, and schedules are filled from dawn to dusk. The new year seems to have brought renewed energy, and we are proud of the way 2020 is unfolding. There is a special feeling in the air throughout the district, and we look forward to following the continued accomplishments of students and staff alike. With this in mind, we welcome you to log on to the district website (shufsd.org), or visit Facebook (facebook.com/southhuntingtonufsd), or Instagram (instagram.com/southhuntingtonschools/), for the latest Wildcat news.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

At our January 8th Board of Education meeting, the building principals offered a presentation which showcased outstanding academic progress throughout the district. It was inspiring to see and hear statistics that accentuated the quality of our scholastic mission, and we invite you to find the full presentation at shufsd.org.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

It is no secret that technology is an incredible blessing that must also be monitored to ensure safe and appropriate use. With this in mind, our district team will occasionally share information that is circulating relative to a specific program or application. On December 16th, 2019, Mr. Ciccarelli shared a letter relative to an application known as Tik Tok, and we wanted to offer the entire school community a chance to view the correspondence by clicking [here](#).

Again, this communication is not the result of a particular issue, but instead a "heads up" for parents regarding a popular preteen and teen platform.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The Holiday Food Drive and Giving Tree were a great success this year. The collection, packaging, and distribution were accomplished by the combined efforts of faculty members at the various schools, as well as school clubs, students, religious organizations, PTA and the SHTA. We were able to provide Thanksgiving baskets to 160 families in need; 189 district families received holiday presents through the generosity of teachers, parents, students, administrators, and staff members. Again, we are very grateful for the many caring and generous people who live and work in our school district and who make it possible to continue to help families in need.

During last week's Board of Education meeting, the students that participated in the 2019 Teen Workforce Program were acknowledged for their achievement, for not only completing the program, but gaining employability skills that will help them in the future. The summer youth employment program organized by Suffolk County employs a select group of students within the Town of Huntington; some of our high school students were fortunate to participate. Ms. Gerry Maurice, Transition Coordinator, distributed certificates to those who at-

**News from Mr. Steve Toto,
Principal of Silas Wood Sixth-Grade School**

"Music is a more potent instrument than any other for education, because rhythm and harmony find their way into the inward places of the soul." – Plato

After days, weeks, and months of practice, Silas Wood eagerly anticipates our first musical concert of the year this Wednesday, featuring our talented Chorus and our fantastic Band. With Chorus members asked to arrive in our Chorus room at 7 pm, and Band call at 7:15 pm in the cafeteria, the concert will begin at 7:30 pm. Our wonderful Orchestra concert will follow on Tuesday, January 21st, at 7:30 pm, with participating students to arrive in the cafeteria at 7 pm. Let the music play!

Paulie was an active, loving, happy three-year old boy who dreamed of growing up to become an ocean lifeguard. He was a passionate little guy who loved fun and never missed an opportunity to perfect his skills by riding his boogie board in the waves. Paulie passed away on November 16, 1997. He was just four years old. Patti and Mike Bradley had been searching for a fitting memorial for their son that would keep his loving heart and generous spirit alive for everyone. What if the annual Long Beach Polar Bear Swim were to be a fundraiser for Make-A-Wish of Metro New York?

The Long Beach Polar Bears swim in Paulie's memory. The Long Beach Polar Bear Swim is very special in that it helps fulfill the wishes of other children living with life-threatening diseases. Annually, an ever-growing community of family and friends joins together to help make children's dreams come true through their support of the Make-A-Wish® Foundation of Metro New York.

We have invited our students and their families to join Silas Wood as we raise money for the Make-A-Wish Foundation by taking part in our 2nd Annual Silas Wood Polar Bear Plunge (Non-swimming Cheerleaders also welcome!): THE LONG BEACH POLAR BEAR CLUB, Long Beach Super Bowl Splash, 12:30 pm on Sunday, February 2nd, 2020, Riverside Blvd. Boardwalk, Long Beach, NY. Students will bring home a calendar with individual and family activities, including Book Character Day and reading by flashlight. This is sure to be a very busy two-week program that will inspire everyone to READ, READ, READ!

Have a great week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Thank you to our wonderful PTA for last Friday's enjoyable and well attended Family Fun Night. Students and their parents enjoyed a magic show, and also participated in a live quiz game show where they were the stars. A great time was had by all. A reminder that our next PTA event will be our PARP Kick-Off Paint Night on Thursday, January 30th. Please be sure to RSVP in advance so that enough supplies are ordered to accommodate everyone.

Starting last week and running into next week, all students will be taking the i-Ready on-line diagnostic for the second time this year. Teachers will be sharing results with our families in the near future. Please contact your child's classroom teacher directly should you have any questions or concerns.

This Thursday, our second-grade teachers are going to an exciting training on how to use a new program called Book Creator. This fun and educational program has been used with much success at the intermediate schools, and we are looking forward to bringing it to our 2nd-grade students.

Looking forward to next week; a reminder that we are closed on Monday, January 20th in observance of Martin Luther King Jr. Day. Wishing you and your family a wonderful week ahead!

were wheeled down the halls moments before the students entered the school ensuring the meal offered was at the correct temperature for optimal enjoyment.

The classroom teacher is responsible for documenting which children partake in the meal and distribute all of the necessary components to each student. The breakfast meal will always include the fruit and whole grain component, as well as a protein. A cold milk choice is always readily available.

The first week went very smoothly, and this was in a huge part to the cooperation and enthusiasm of the Maplewood Staff. Having a successful Nutrition program must be important to all involved. The number of students participating in the program has increased dramatically and the best news of all? Our children are in their classrooms beginning their academic day more quickly than before, and the evidence is in the quiet hallways. A winning combination for us all!

School Board Notes – A Message from the Board of Education

The Board of Education hosted a Press Conference this morning at 9 a.m., and we thank Nassau-Suffolk School Boards Association Executive Director Lorraine Deller, Commack Superintendent Dr. James, and SHTA President Dennis Callahan who spoke to the media, and our District administration, staff, PTA representatives, and parents who attended with Board of Education members. The Press Conference was scheduled to bring attention to our NYS elected officials of the dire need for additional state aid – the video of the entire press conference can be viewed on our website, www.shufsd.org.
