i-Ready Testing

Students in Grades K-8 are continuing with the i-Ready Reading and Math Diagnostic Assessments. The testing window will close on February 4th. All schools will designate times for each class to take the diagnostic during the assigned testing window. The data received from this diagnostic assessment provides teachers with valuable information regarding each student's academic progress, which is used to influence and individualize instruction. Student performance on this assessment will dictate their lessons and learning while using the My Path Individualized Instructional tool. This along with classroom assignments and other benchmark assessments provide us with data from various resources that help to create an informative and well-rounded curricular path for each child.

Reminder to Return Student Chromebooks and Chargers

This is a reminder for all parents with students, grades kindergarten to 5th grade, to please return their Chromebooks and Charger to your child's teacher. Given that many of our students utilize these Chromebooks during their instructional class time throughout the day, it is important that we are able to provide this technology in the classroom. If there are any issues or concerns regarding returning the equipment mentioned above, such as a lost or stolen item, please contact the technology department at 631-812-3666.

Advanced Placement Informational Night WWHHS

Last Tuesday, Walt Whitman High School held an Advanced Placement Information Night for interested students and parents to discuss the many options and pathways that their child can participate in relating to AP courses. The Assistant Superintendent for Curriculum & Instruction, parent within the community, and former Walt Whitman High School Principal, Dr. John Murphy spoke about the importance of APs and how they relate to the college process as well as the benefits and obstacles associated with Advanced Placement courses. In addition, the Walt Whitman High School PTA was also on hand to provide parent resources and information to those present. With 70 parents present, and over 130 parents attending virtually, the night was a tremendous success.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

An exhibition, titled, *ArtABILITY: an Inclusive Exhibition Celebrating Artists with Special Needs*, is currently open at the world-famous Agora Gallery, a contemporary fine art gallery located in the heart of Chelsea's Arts District. The opening reception occurred last Thursday, January 11, 2022, wherein current and former South Huntington students' artwork was introduced as a part of the exhibit. The following individuals were hand-selected by Agora Gallery and the Spirit of Huntington Art Center to represent the creative talents from within our South Huntington school community:

Current WWHS students: **Devin French** and **Timothy Gudaitis**
WWHS Graduates: **Erika Lopez**, **Danny Sgaraglio**, and **Edward C. Nitkewitz**

We are so proud of these students' talents and for being selected to be a part of this special exhibition! The exhibition will be on view from now until January 22, 2022, at Agora Gallery. Accompanying this exhibition is a selection of work from the Spirit of Huntington Art Center's private collection. Proceeds from the sales of both ArtABILITY and the private collection will go directly back to the Art Center and its partner organizations in an effort to support the enrollment of more participants and to create similar opportunities for members of the special needs community. For more information about ArtABILITY or to view, purchase select works, please visit, <https://www.artability.spiritofhuntington.com/>.

bo and one of our Teaching Assistants, Ms. Blanco. We thank them for always supporting the Oakwood Family!

Please be reminded that it is important that all emergency information is updated at Oakwood. If you have not returned your child's Emergency dismissal form, please do so as soon as possible. If you need a new form, please contact the school at 812-3500 so we may supply you with one. In the case of an emergency early dismissal, the bus driver will need to know who is permitted to pick up your child at the bus stop. Without this important information, the bus driver will bring your child back to Oakwood to be picked up.

Once again Oakwood has signed up to participate in the annual Great Kindness Challenge! Kindness is an important part of Oakwood and we are looking forward to celebrating during the week of 1/24-1/28 as we display random acts of kindness and a spirit week to add to the fun! Please be on the lookout for activities that will be sent home this week. [Spirit Week Schedule 1/24-1/28](#)

We are excited to announce that the Oakwood PTA is hosting a Winter Book Fair during the week of January 24th. More information will be coming soon on this special week!

Our Oakwood students are continuing to earn paper pom-poms for exhibiting positive character traits. Our classes have visited the Kindness Store to redeem their pom-poms before the break. Please continue to encourage your child to continue to be safe, respectful and responsible in school as we will be going back to the store in February.

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us, please see the information below:

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We hope everyone is having a wonderful week thus far. Please be reminded that if your child tests positive for COVID or is found to be a close contact to someone who is, we ask that you please reach out to the school immediately. The form to share all of the necessary information can be found directly on the district website. As always, should you have any questions pertaining to COVID or anything else, please feel free to reach out to us at the school.

It is hard to believe that we are quickly approaching the midpoint of the school year. With that, last Thursday and Friday our students took their winter i-Ready Diagnostic. This week staff are analyzing these results, in conjunction with our other student data. If changes in tier are noted and/or if students are recommended to receive / or be dropped from our AIS services our staff will be reaching out to you shortly to discuss these recommendations. As always, should you have any questions or concerns about your child's progress please reach out to your child's classroom teacher, AIS provider, or building administration. We are here to partner with you and provide for your child's academic, as well as social and emotional needs.

Students are in for a wonderful treat this week, thanks to our fabulous PTA. Math Magic, by Brian Richards is providing socially distanced

Take Your Child to the Library Day

Introduce your child to the wonders of the public library! Stop by the Children's Department on February 5th for a special scavenger hunt (all day), I Spy challenge (all day) and Valentine's Day crafts (10 a.m. – 3 p.m.). If you don't have a library card, get one while you're here! Fill out an application for a free card for you and everyone in your family.

Winter Reading Challenge

Reading challenges aren't just for summer! Kids, teens, and adults can join "Chill Out and Read," SHPL's winter reading challenge. Sign up via Beanstack, read, and earn prizes from now until February 26. Visit www.shpl.info/wrc for more information.

100 Books Before Graduation

Speaking of reading challenges: we've got a new one just for young adults. Teens in grades 6 – 12 are invited to sign up for "100 Books Before Graduation." Use Beanstack to track your progress. You'll earn prizes for every 20 books you read, and when you finish, you'll receive a portable power bank and your name on a star in the Young Adult room! Visit the [YA Blog](#) for details.

Library Survey

We want to hear from you! We are particularly interested in how the library meets – or does not meet – the needs of you and your family. We invite you to complete a brief Library Usage Survey. The survey is available online at www.shpl.info/survey or in the library.
