Superintendent's Corner

On Wednesday, January 13, 2021, the Board of Education announced that Dr. Vito D'Elia will be the next Superintendent of these South Huntington Schools.

Dr. D'Elia is a talented educator who literally "bleeds maroon and white" and genuine passion for public education will serve our students, staff, and parents well in the exciting years to come. My family joins in congratulating Dr. D'Elia, and look forward to following his years of stewardship and care in this great community.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Walt Whitman High School counselors are currently meeting with students on an individual basis regarding course scheduling for 2021-2022. This is a wonderful opportunity for students to take advantage of Whitman's rich selection of Advanced Placement (AP) college-level courses. These courses prepare students for the rigor of college while also providing the opportunity for them to earn college credit.

To learn more about the extensive AP program course offerings, as well as the pre-requisite requirements, please visit the Course Offerings book, available through the High School and Counseling Center websites. A Virtual AP Informational video has also been created that will provide more detail on the expectations of both the student and school when dealing with AP coursework. Please see the link below to access the video. This video can be accessed on the Counseling Center's webpage.

If you have any questions or would like additional information, please email or call your child's counselor, or call the Counseling Center at 812-3820. Students can directly communicate their desire to enroll in an Advanced Placement course when meeting with their counselor.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

On Monday, (January 11), Governor Cuomo held his State-of-the-State address, which typically contains the first prediction of school district aid runs. This is a critical step in each district's budget development because the state aid and local property tax levy comprise almost the entire district revenue base.

With that said, this year's State-of-the-State really didn't even include a hint of our potential aid, as the Governor is waiting to gauge both the federal stimulus package and regional tax revenues. While we understand the State's financial predicament, our obligation is to move forward and begin the budgeting process so we meet all required statutory deadlines. Therefore, our Board of Education meetings and planning sessions will soon turn to development of the 2021-2022 Budget, and we invite you to tune in and be part of the process.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The members of our Student Services Department join in thanking the community for their tremendous generosity during this holiday season. We understand that human need does not end at the conclusion of the holidays, and encourage the members of our learning family to reach out if they know someone who might benefit from a little extra support during this challenging time.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

It is nice to finally have athletic information to report in our Weekly Newsletter, as our Fencers, Bowlers, Runners, and Swimmers are finally competing in their winter season. While things look a bit different, and we are still waiting to welcome all of our other sports to the arena, it is great to see action returning as it gives us hope that normal days are approaching on the horizon.

News from School Nutrition Services

VIRTUAL/REMOTE MEALS

The School Nutrition Program introduced two additional meal service programs this school year, which have proven to be very successful.

Our *Virtual* food service provides breakfast and lunch meals to our students that are learning virtually from home for the current semester. Families register online and meals are prepared/ready for pick up at Stimson Middle School each school day between 11a.m.- 12 Noon.

The **Remote** food service allows our children to enjoy school breakfast and lunch meals during the longer holiday breaks throughout the school year while all of our students are at home. Meals are prepared and packaged in a multi-day format and picked up in the same manner as our Virtual program. Menus with warming instructions are provided along with tips on how to store the provided foods until they are enjoyed by our students. Parents/Guardians are enjoying this new service format because it relieves them from the daily drive to Stimson to pick up their child's meals. This is extremely helpful for our busy daily schedules.

If you wish to participate in either of these programs, please go to our website: www.shufsd.org "quick links" or call our office at 631-812-3040.

News from Mr. John Murphy,
Principal of Walt Whitman High School

As we come off of a weekend honoring the life and legacy of Dr. Martin Luther King, Jr., we are reminded of a quote often attributed to him: **"If I cannot do great things, I can do small things in a great way."**

Dr. King, of course, did both. In actions great and small, he helped to change the course of American society. His works have left an indelible mark on places such as Whitman, where diversity and equity are not just words but a way of life.

Walt Whitman High School would like to remind everyone that PS I Love You Day is February 12th. This is the day we celebrate kindness and improve our awareness of mental health and suicide prevention. Natural Helpers and SADD are asking you to wear purple on February 12th, and buy a pair of purple PS I Love You socks. Socks are \$15 and can be purchased from a Natural Helper or a SADD Club member. The Main Office is also selling the socks. Place money in an envelope with your name at time of purchase. Be part of this great day of love, kindness and awareness!

It is with great pleasure that Walt Whitman's Literary Club, Xanadu, and The Collective, will be hosting their winter concert virtually in March, 2021. If your child is interested in performing, please have them reach out to Mr. Pipolo or Mr. Monti with interest as soon as possible.

Walt Whitman's DECA team will meet this week for those students wanting to compete at the New York State Competition. Please use the Google Meet link on DECA's Google Classroom to join at 4 pm this Thursday, January 21st. If you have question, contact Mrs. Morga.

The Freshman Class is selling lawn signs for Valentines' Day! Surprise your friends or loved ones. We offer free delivery or you can pick one up here at Whitman! You can add chocolate to the surprise too! Please have your child go to the Wildcat Den and order today!

News from Mr. Eddie Smith, Principal of Stimson Middle School

I truly cannot believe we are close to ending the second quarter, marking the halfway point of the school year. It goes without saying that this school year has presented itself with so many challenges. I just want to take a moment to thank our parents, students, and staff for their continued support. My own household has drastically changed as we adjusted to the new normal of hybrid schooling. As the State continues to roll out vaccines, there is a renewed sense of hope that "this too shall pass." I know we all long for days filled with hugs, sporting events, and 5-day schooling. These days are right around the corner.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

This week, in which our Nation celebrates the birthday of the Reverend Dr. Martin Luther King, Jr., offers us a golden opportunity for positive reflection. The words of Dr. King provide as always inspiration for these days:

I have the audacity to believe that people everywhere can have three meals a day for their bodies, education, and culture for their minds, and dignity, equality, and freedom for their spirits. – Dr. Martin Luther King, Jr.

Silas Wood is proud to acknowledge our REFLECTIONS Contest entrants and our winners for this school year: **Abigail Andreoni, Maeve O'Connor, Sophia Sharpe, Olivia Tintera, and Katy Valle**. Thanks to all who entered on your creativity; congratulations to our winners!

Family Reflection Night

Thursday, January 21st, will be our third celebration of Family Reflection Night. The discussion topic will be, "What's your one word?" The flyer was sent home with the children and is also on the BW Google Site that you can access through the district website.

As the cooler weather arrives, please label all jackets, sweatshirts, hats, etc., so we can return them to your child if they get misplaced. We will be going outside as often as possible for recess and Physical Education Classes. Please remind your children to come to school in the proper attire.

To continue to ensure the safety of our staff, students and, their families, we continue to follow the state guidelines of keeping windows open in the classrooms to provide for ventilation. We are asking students to be prepared with sweatshirts and other attire they may want just in case they feel chilly in the classroom.

DISMISSAL REMINDER FOR STUDENTS GETTING PICKED UP

Please make sure whoever is picking up your child at dismissal is carrying the yellow pass we provided to you. This will speed up the dismissal process. If you do not have your pass you will need to sign out with one of the secretaries. If you need a yellow pass, please reach out to your child's teacher, or ask a secretary at the dismissal area.

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

We hope you all had a wonderful three day weekend and had some time to reflect on the powerful words and actions of Dr. Martin Luther King, Jr. His message of peace and unity continues to resonate throughout society, even so many years after his untimely death.

Our students will be participating in iReady testing for the next couple of weeks. Teachers will continue to use this valuable data to help guide instruction.

Our PTA is planning a Valentine's Day Flower Fundraiser. Families will have the opportunity to purchase carnations or roses that will be delivered to your home in time for Valentine's Day. Look for the flyer with additional information that will be sent home soon!

Please remember to send your child to school dressed appropriately for the cold weather. We have been lucky that the weather has been relatively nice enough for outdoor recess, and would like to continue to give our students opportunities to get some fresh air during the day.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We hope everyone is having a great week! Our Oakwood students and staff are keeping the classrooms filled with learning and laughter!

This week our students will be engaged in their iReady Reading and Math Winter Diagnostic assessments. These student-friendly assessments provide quality information to identify areas where our students are excelling and areas to further support. Teachers use this important

Wishing all of our families a fantastic week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

It is hard to believe that we are already more than half-way through January. A reminder that as long as the weather cooperates, we will be sending our students out for both recess and physical education classes, as such, please send your children with appropriate footwear and winter wear (including jackets, hats, and gloves) based on the forecast for the day.

This week our students, both in-person and remote, have been taking the winter i-Ready Diagnostic on their Chromebooks. Teachers will be sharing the results of these assessments with our families in the near future. While only a snapshot of a given moment in time, these results help inform future instruction and allow us to differentiate our classroom instruction to each child's instructional level. As always, please reach out to your child's classroom teacher, Ms. Njenga, or I, with any questions.

On Thursday, our wonderful PTA has brought in a virtual assembly, entitled "The Diversity Circus" for all students (both remote and in-person). The assembly is a circus-themed, elementary character education program teaching that we are all different and we are all the same. This virtual assembly will take place in each classroom throughout the day.

**School Board Notes –
A Message from the Board of Education**

The following announcement was provided by the Board President at the Board of Education meeting on January 13, 2021:

“At the start of this school year, the Board of Education began the difficult process of trying to find a worthy successor to Dr. David Bennardo. Dr. Bennardo’s transformative leadership, gregarious nature, and relentless work ethic over the past nine years brought South Huntington to new heights and raised the bar for future superintendents in South Huntington. The Board of Education understood that the next hire must be someone who could identify areas to improve upon and demonstrate the necessary work ethic, passion, and vision to continue South Huntington’s upward trajectory. The Board of Education fully appreciated the weight of this decision and committed itself to a comprehensive process that mirrored the process that resulted in the hiring of Dr. Bennardo. The decision was as important and stressful, as any that I have made in my 16-plus years as a trustee.

The process included the review of nearly two dozen resumes and three rounds of interviews. The Board of Education evaluated the candidates’ writing abilities, requested a one-year entry plan from the three finalists, and questioned each interviewee regarding countless topics.

At the end of the process, a candidate emerged that possessed the budgetary experience, curriculum knowledge, work ethic, moral compass and vision to meet the innumerable challenges that we face today and to build upon the substantial success of Dr. Bennardo. **Though we looked near and far, the successful candidate is one of our own, Dr. Vito D’Elia.** Dr. D’Elia has been with us 15 years, 13 years as Maplewood Principal, and currently as our Assistant Superintendent for Business and District Operations. As principal, Dr. D’Elia revitalized Maplewood and provided sorely lacking stability. As Assistant Superintendent for Business and District Operations, Dr. D’Elia has been a quick study and developed a mastery of the budget codes and has overseen the sale of various district properties. Dr. D’Elia brings strong leadership qualities, an unmatched knowledge of elementary curriculum, and an innate calmness that is absolutely essential to handle the challenges faced by a superintendent on a day-to-day basis.

While the retirement of Dr. Bennardo may leave us a bit melancholy, it is comforting to know that our District will be in such capable hands. And, fortunately, Dr. D'Elia will be aided by an outstanding central office team and the finest group of building principals during my tenure on the Board of Education.

Please join me in congratulating our next superintendent, Dr. Vito D'Elia."

Dr. D'Elia will begin in his capacity of Superintendent of Schools on July 1, 2021.
