“Hope lies in dreams, in imagination, and in the courage of those who dare to make dreams into reality.”

~ Jonas Salk

Superintendent’s Corner

The members of our school district team remain keenly aware of the need to keep positive and hopeful during these difficult times. While we would never minimize the challenges our community is navigating, we do remain cognizant of the countless accomplishments that are taking place in our classrooms and schools each and every day. With this in mind, we continue to celebrate the great work of our students and staff and encourage parents and community members to forward us “good news” stories that we can share on social media and the district website. There are still so many reasons to smile in our wonderful learning community, and there are definitely brighter days ahead on the horizon.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Later this evening, our Board of Education and administration will honor the 2020-2021 Teachers of the Year from each of our seven schools. From this select group, one will be announced as South Huntington’s Teacher of the Year.

The Teacher of the Year ceremony is a proud and deeply rooted tradition in South Huntington, and it is our annual opportunity to highlight our finest educators; those who have been identified by their respective schools, as possessing exceptional instructional skills, as well as a dedication to fostering the learning and growth of our students. We would like to thank the district’s Teacher of the Year selection committee members, Ms. Padilla as well as our public relations team.

Congratulations to all of the honorees!

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

The new year signals important things for education, as local school districts begin developing the spending plans that will be presented to the voters for approval in May. The extensive budgeting process kicks off each year with the Governor's Executive Spending proposal, which serves as a bottom line number in each district's revenue allocations. Typically, the Executive Budget is revealed in January, and line-by-line district allocations are examined before local legislatures advocate bringing more funds home to their specific districts. Of course, the budget development process shifts accordingly as the state-aid allocations are adjusted, and a final package is developed to fund operations. We are guardedly optimistic with the first Executive Proposal, as the number seems to increase our district's aid by approximately 5%. Of course, the NYS funding is critically important this year, given the millions of dollars of COVID spending and historically low anticipated tax. Of course, we will now embark upon a "full court advocacy press," and work to make sure that maximum available resources are directed to our South Huntington District.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

We just wanted to provide a gentle reminder for parents and staff to copy the school administrations on any evening or weekend reports of positive COVID infections. Copying the building team increases the likelihood that the alert will be quickly noticed regardless of the late hour and swift and accurate precautionary action can be taken.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Late Friday afternoon, the Governor announced that Interscholastic Athletics will be allowed to proceed in New York State, provided that local health departments are comfortable with the regional plans. While there are still a great deal of details and specifics to be arranged, we are excited by the news, and will make sure that our student athletes and coaches are fully prepared when the games begin. Stay tuned to our district website, emails, and social media for additional information.

News from Mr. John Murphy, Principal of Walt Whitman High School

The senior class is trying to continue many of the activities and traditions associated with senior year, one of them being Senior Follies. It is our hope that all senior students realize the importance of traditions such as these and commit to participating in them. Senior Follies information is now available on the Senior Class website. Go to the District web page and then to schools. Click on Walt Whitman. Look to the left and click on clubs, and then the Senior Class link awaits your script submission. All ideas are due by February 12th, before the Winter Break. Let's get started!

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

"A single act of kindness throws out roots in all directions, and the roots spring up and make new trees." - Amelia Earhart

As we end our first semester/second quarter this week, Silas Wood students are happily involved in one of our most treasured and fulfilling projects: The Great Kindness Challenge! Along with schools across the entire nation, students and staff dedicate the entire week to embracing Kindness! Each student has been given a GKC checklist of 50 kind acts; everyone is challenged to complete as many acts of kindness as possible. All that is needed is a kind thought, some creativity, and hope of doing good! Kindness Stations are set up in our building so that students may use recess periods to try to complete all 50 Kindness Challenges. For more information, please access www.thegreatkindnesschallenge.com. Part of the celebration this week is, "Dress Like Your Favorite Literary Character," on Monday, Jan. 25th, followed by "Crazy Hair and Mismatch Day," on Tuesday, Jan. 26th, wearing a "Motivational T-shirt" on Wednesday, a relaxing "Pajama Day" Thursday, and finishing the week with the ever-popular "Wildcat Spirit Day" (wear Maroon and White) on Friday, Jan. 29th.

Also enjoyed at Silas on Monday and Tuesday of this week was a program of introduction by Michael Rivera of Huntington Sanctuary, part of the Huntington Youth Bureau, discussing a series of youth building opportunities for our students: Mindfulness - Is a program introducing kids to different coping skills having to do with mindfulness, Getting Organized - Is trying to make getting organized fun for example a bullet journaling session., Bridging Gaps - Is a character-building program having to do with games and activities to strengthen self-esteem and social skills, Comics with counselors - Is a book club with graphic novels, and we discuss the book after usually once a month. No Te Manches - is a group made for Spanish kids who are having trouble adjusting who have recently moved here from other countries, but not exclusive to new arrivals.

Everyone at Silas Wood is excited about attending our virtual Board of Ed meeting on Wednesday evening, when we will tune in to celebrate those being honored as Teachers of the Year by our District and, in particular for the Silas Family, our own Teacher of the Year, Kevin Connolly! Congratulations to Kevin and his entire family and to all our honorees!

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Renee Schumm, a fourth-grade teacher at Maplewood, recently shared a story with her students about a friend of hers that sponsors the "Huntington Hospital Meals" program. Volunteers with this program raise money to purchase meals from local restaurants, and have them delivered to health care workers at Huntington Hospital in support of their efforts in the community throughout this pandemic. Our students were moved by the story and wanted to play a part in showing support for those on the front-lines. They, along with students from all of our classes, have decided to create Valentine's Day cards that will be delivered to the health care workers at Huntington Hospital the week of February 8th, along with the meals provided by the program. We are so proud of our children for their thoughtfulness and willingness to lift the spirits of those who have given so much of themselves during this time of need. Please contact Mrs. Schumm if you would like any additional information about the program.

Our PTA has arranged for a virtual Book Trivia Night this Saturday, January 30th, at 7 p.m. This will be our kick off to a great week of PARP activities. Our theme this year is "Reading is Out of the World!" Some of our activities are, cozy up with a good book on pajama day, read a shirt day, daily trivia, and guest readers. Wednesday will be World Read Aloud Day, and we will have story time with an astronaut! We will wrap up the week with a virtual assembly called Space: The Cosmos for Kids Dance Party. Please refer to the PTA flyer for more information.

Virtual lessons for the Goldilocks trials have started this week. Each of our fifth grade classes will learn about the workings of our judicial system. The final trials will take place virtually at the end of February. A schedule will be shared when times have been finalized. Thank you to our PTA for allowing this tradition to continue.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

This week, we are excited to honor our very own Ms. Perez-Flowers as Oakwood's Teacher of the Year at the virtual Board of Education Meeting on Wednesday, January 27th. We look forward to celebrating Ms. Perez-Flowers and all of the South Huntington Teachers of the Year! Congratulations to all of our honorees!

The Oakwood PTA has been busy planning our upcoming Parents as Reading Partners (PARP) Week, and the Book Fair runs through February 7th. Please consider purchasing literature from the site bit.ly/owbookfair, and feel free to ask for suggestions from your child's teachers. All books will be shipped home and delivery is free for book orders over \$25. Thank you in advance for helping to make this fundraiser a success!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Last week at Countrywood, thanks to our PTA, students enjoyed a virtual presentation from the "Diversity Circus." The assembly was a circus-themed, elementary character education program teaching that we are all different, and we are all the same. Wednesday night, at 7:30 p.m., our Teacher of the Year, Ms. Clancy, will be recognized, along with all of the other Teachers of the Year during the Board of Education meeting. The link to the board meeting will be available on the district website, and if your schedule allows, please log on for this exciting evening.

The action continues on Thursday evening, at 6 p.m., as our PTA, along with our art teacher, Ms. Whitney, kick off our PARP week with a virtual paint night. For the last several years Paint Night has been a huge hit, and this year thanks to the hard work of our PTA and Ms. Whitney we are still able to bring you this crowd favorite event, just in a virtual format. Paint Night is the perfect lead into next week's PARP events. A flyer from our PTA, with some fun, exciting and engaging PARP activities will be sent home in the next few days; please be on the lookout. We will, of course, have a digital copy available for our fully virtual families. If you have any questions, please reach out directly to our PTA, and we hope to see many of our families on line, this Thursday, starting at 6 p.m.

While we look forward to the day that we can re-open our physical doors to our families for various activities and celebrations, we remind you that we continue to post pictures of our various classroom events and activities on Countrywood's social media pages. We wish you a wonderful week ahead.

A Message from the Board of Education

The highlight of tonight's Board of Education meeting will be the Teacher of the Year Recognition. While in previous years this recognition has been held in a fully-packed Performing Arts Center at the high school with K-12 students, parents and staff members anxiously awaiting the moment to applaud for their school building's Teacher of the Year, this year it will be different. The recognition, due to COVID restrictions, will be virtual, but rest assured, no less significant or noteworthy. We urge our students, parents, staff members, and residents to join our virtual Board of Education meeting using the link that will be provided on our website. The meeting begins at 7:30 p.m. It will be a meaningful presentation and having a large virtual audience will only add to the festivities.

The virtual presentation will take place directly after the Pledge of Allegiance, and if you tune in, you will be very pleased you did so.
