Food for Thought

"It seems like everything sleeps in winter, but it's really a time of renewal and reflection."

Elizabeth Camden

Superintendent's Corner

As we work together through the current spike in Covid cases, the district will be providing a summarized Covid report that will indicate the number of staff, as well as, student cases in each school and location. With the vast majority of close contacts being family/household members, only close contacts directly from the classroom, other school settings, bus or office will be indicated.

News from Deputy Superintendent/Business Dr. Joseph Centamore

I hope the start of the New Year finds you and yours safe and healthy.

Due to the current spike in Covid cases, the district is moving the January winter concerts and theater productions into February. We are hopeful that these few extra weeks will provide additional time for conditions to become more conducive.

News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy & Dr. Gayle Steele
I-Ready Testing

Students in Grades K-8 will be taking the i-Ready Reading and Math Diagnostic Assessments starting next week. All schools will designate times for each class to take the diagnostic during the assigned testing window. The data received from this diagnostic assessment provides teachers with valuable information regarding each student's academic progress, which is used to influence and individualize instruction. Student performance on this assessment will dictate their lessons and learning while using the My Path Individualized Instructional tool. This along with classroom assignments and other benchmark assessments provide us with data from various resources that help to create an informative and well-rounded curricular path for each child.

AP Informational Night

On **Thursday, January 13, 2022, at 7:00 PM** Walt Whitman High School will be conducting an Advanced Placement Information Night for interested students and parents where the district will discuss the many options and pathways that your child can participate in, depending upon their academic interests. The Assistant Superintendent for Curriculum & Instruction, parent within the community, and former Walt Whitman High School Principal, Dr. John Murphy will be our guest speaker for the evening, discussing the benefits and obstacles associated with Advanced Placement courses. We encourage all to attend!

COVID Case Form on Website

In an effort to expedite the Covid-19 contact tracing process, as well as gather information from parents and staff members, South Huntington School District has recently created a Google survey that allows individuals or families infected with the Covid-19 virus to provide updated information of a positive result of a student/staff member in a quick and easy manner.

Please see the link below, or visit the district website's main page, to input any information of a positive Covid case. This form does not replace a parent's ability to communicate directly with their child's principal or for a staff member to communicate directly with their supervisor.

On behalf of the staff at Walt Whitman High School, we wish you and your family a happy holiday season and a happy and healthy New Year!

News from Mr. Eddie Smith, Principal of Stimson Middle School

The entire Stimson family would like to wish the South Huntington community a Happy New Year. As I reflect on 2021 I am so proud of the amazing work and dedication of our students and staff. Just before the holiday break our students took the stage in the Performing Arts Center and North Gym for two amazing concert performances. I am so thankful to be part of such an amazing and supportive community. Every year, I, like many of you, make a few resolutions. I promise this year not to get distracted by the daily grind and to continually recognize how special my life is because of my family (my Smith one and my South Huntington one). I know that 2022 is off to a rocky start but that will not distract us from all the wonderful opportunities that await us. Happy 2022 South Huntington!

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

“Year’s end is neither an end nor a beginning but a going on, with all the wisdom that experience can instill in us.” – American Author/Journalist/Naturalist Hal Borland

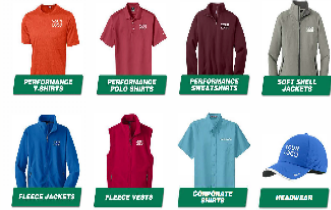

Happy New Year to One and All – let’s make 2022 a fantastic year!

We are awed and more appreciative than we can say to everyone who so generously donated to our Holiday Giving Tree. Your kindness helped bring the true holiday spirit to many in need. Our humble thanks to one and all who contributed.

Drumroll please! The winners of the 2021 Silas Wood Gingerbread Decorating contest are: Fabulous First Place goes to Giovanni Gariglio; Super Second Place Award was won by Jackson King and Thrilling Third Place was awarded to Emma Solimeno. I hope all participants enjoyed decorating their houses as much as the Toto family did!

News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

Later in January, our Birchwood students will be taking their i-Ready Winter Diagnostic.

Our Winter concert has been rescheduled to Thursday, February 3rd. More information to follow.

The Musical Theater performance has been rescheduled to Saturday, February 12th.

Please have your children prepared for outdoor recess and outside classroom time by bringing jackets, gloves, and hats with them to school every day. We will go outside whenever the temperature is above 32 degrees. It is also helpful to have all items labeled with your child's name so we can return any items that get misplaced.

If you have not returned your child's Emergency Dismissal Form, please do so as soon as possible. It is important that in case of an emergency early dismissal the bus driver knows who can take your child off the bus if you are unable to make it to the bus stop. If we do not have a form and you are not at the stop, your child will come back to Birchwood to wait until you can pick them up

As we enter 2022, we are all excited for what the new year has to bring here at Maplewood Intermediate School. Students and staff have been discussing their New Year's Resolutions and setting goals within their classrooms. To add a little excitement to the week, our Student Council is pleased to announce that this Friday, January 7th will be Crazy Hair Day!

Next week the fun continues in the area of technology, as our 4th graders will begin our before-school Coding Club. Fourth Graders will also have the opportunity to begin their "Lego We Do" unit with Mrs. D'Elia. In the area of mathematics, our Third Graders are working on perfecting those multiplication skills as our Fifth Graders continue their work with fractions. As you can see, everyone is very busy learning at Maplewood.

Stay tuned for next week's news as we discuss the exciting virtual family fun events the Maplewood PTA has planned.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Happy New Year to our Oakwood Family!

Oakwood would like to welcome all of our students, staff and families back after the Winter break! We are so excited to see our students and staff back at Oakwood! We hope everyone had an enjoyable and restful break. We are looking forward to all the wonderful things 2022 has in store for Oakwood!

Our Student Council continues to recognize two outstanding members of the Oakwood Family. This week, the Student Council "Gratitude Board" has recognized Ms. Gardner, one of Oakwood's paraprofessionals and Ms. Meade, one of Oakwood's Grandparent volunteers! We thank them for always supporting the Oakwood Family!

We would like to thank the School Nutrition Services Department for their amazing work on the Cookie Decorating Kits in collaboration with the Oakwood PTA! This special project helped create a new fundraiser that was a real gift before the holidays!

As mentioned previously, our students will be bringing their Chromebooks back and forth over the next two weeks. We ask that the Chromebook chargers stay at home for these two weeks and be used to charge the Chromebook each evening so it is charged and ready for the next day in school. Our plan is to have students return the chargers on January 18th. If anything changes with our plan; we will communicate this as the date gets closer.

We are excited to announce that the Oakwood PTA is hosting a Winter Book Fair during the week of January 24th! More information will be coming soon on this special week!

Our Oakwood students are continuing to earn paper pom-poms for exhibiting positive character traits. Our classes have visited the Kindness Store to redeem their pom poms before the break! Please continue to encourage your child to continue to be safe, respectful and responsible in school.

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Happy New Year to all of our Countrywood families, faculty and friends. We hope that 2022 brings nothing but health, safety, and happiness to everyone. While I am sure that many of the festivities were muted this year, we hope that the holiday break offered everyone some time to spend with family and friends (both virtually and in person).

As we work together to weather the uptick in COVID cases we wanted to remind everyone of the importance of keeping your children home if s/he is not feeling well and also reporting both positive cases as well as quarantine situations to the school via the links that I shared out via Parent Square on Sunday night. As always, if you have any questions or need assistance please reach out to us at the school.

A reminder that this Friday's PTA family event has been postponed, we will be rescheduling for a later date and will of course communicate this with our families as soon as a new date has been solidified. While we are taking any/all safety precautions possible it seemed prudent to delay this event for now.

In order to allow our students as much fresh air as possible, please be reminded that, whenever possible, students will be going outside for recess. With this in mind, please send your children dressed for the weather of the day. If it is too cold, or wet, we will obviously shift to an indoor recess program. Please be sure to label hats, coats, and gloves so that they can be easily returned should they be misplaced during the school day.

We realize that these are challenging times for us all, both personally and professionally and we never take for granted the wonderful home/school partnership that exists here in South Huntington and at Countrywood. We thank you for your support and cooperation as we work collectively to keep our students, staff and families safe.

Wishing everyone a wonderful week ahead. Again, Happy & Healthy New Year to all!
