### Food for Thought

Traditions, big or small, create anchors of stability, especially in rough seas.

~ Fred Rogers

### Superintendent's Corner

I hope you all enjoyed the holiday weekend and had a chance to catch up a bit with family and friends. The fall festivals and pumpkin patch visits add a nice touch of "small-town America" to the season, and make for some warm, wonderful memories for elementary-age children. Our teachers work very hard to build upon the season's positive energy going in their classrooms as home-to-school partnerships pay great dividends both inside and outside the traditional classroom walls. Fortunately, our district calendar is packed with wonderful activities over these next few weeks, and we welcome you to immerse your family to join in the special spirit that characterizes our school community. There is no question that our district success is built upon nearly a century of rich traditions, and we will be adding our own chapter to that legacy in the weeks and months to come.

### News from Deputy Superintendent/Business Dr. Joseph Centamore

The Collective, Whitman's own recording studio club and a student favorite is off to a blazing start this year. The program, which is second to none when compared to other districts across Long Island, is still teeming with students from all musical genres eager to write and record their own music.

Co-advised by Vito Monti and Matt Hoffman, the program is entering its sixth year, and is still pushing the boundaries of what's possible in song-writing, recording, and audio-engineering. One of South Huntington's most creative, prolific and popular music outlets for students this year, the club will record and produce its sixth record to date.

Want to listen to South Huntington's most talented student musicians? Records from Whitman's Collective Recording Studio Club can be found on all streaming platforms, or you can simply click the link below and gain immediate access to all five albums:

**News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy & Dr. Gayle Steele**  
**IReady Testing Grades 3-8: Why is it Important...**

As part of our academic recovery plan, we continue to analyze students' academic data to help identify the specific learning needs of each student. Now that i-Ready testing is complete, it is important for us to take a close look at the results and use this data to influence classroom instruction. In support of this effort, administrators and teachers have been participating in professional development that will aid in our ability to effectively engage students in meaningful conversations about data. This will help guide teachers on the best path for supporting their students' progress. In addition, students will play an active part in planning their learning experiences.

K-5 teachers continue to participate in professional development with i-Ready Mathematics as well. We are currently in the second year of the implementation of this program. This continued support will help enhance instruction that is designed to deepen students' understanding of mathematics.

**Infinite Campus Parent Portal**

As we close out the first few weeks of school, we wanted to remind all parents about the importance of utilizing the parent portal to keep track of your child's grades and current academic status. At the secondary level, parents can look at their child's progress by simply logging on and reviewing the grades for each one of their classes. In addition to this, parents can also review attendance and lateness data to ensure that their son or daughter is arriving to school on time. The importance of keeping track of this information allows you to address situations before they become problematic. If you are unaware of the portal, or do not know how to access your username and password, I ask that you please contact your child's principal at your earliest convenience.

**Parent Portal Logon Page**

**Parent Workshops on Technology**

In an effort to provide our parents with the best possible information with regards to technology, South Huntington School District is creating a series of parent/guardian workshops designed to engage and inform parents/guardians about the changes in current technology in the district. Information via virtual sessions on such items as ParentSquare, Infinite Campus Parent Portal, Classlink, and Google Classroom will be provided to parents, as well as how to effectively utilize these services to better understand what your child is doing in school. Please see the schedule below, outlining what topics will be covered in the next few weeks:

- October 20, 2021- ParentSquare 101 (English/Spanish)- 7 PM
- October 25, 2021- Infinite Campus Portal (English/Spanish)- 7 PM
- November 3, 2021- Chromebook 101- (English/Spanish)- 7 PM
- November 8, 2021- ClassLink 101- (English/Spanish)- 7PM

We will be sending a link out to all parents/guardians in the coming weeks to register for each session. As always, if you have any questions, please feel free to contact the Office of Curriculum and Instruction at (631) 812-3100.

## News from David Barth, Supervisor of Physical Education, Health, Athletics & Recreation

Our Girls Varsity Swim Team was honored at Huntington Town Hall for participating in the seventh annual "Swim Across America" fundraiser to help fight cancer. The team, combined with Huntington High School and Harborfields High School, raised over \$3,000. Our boys' and girls' JV and Varsity Volleyball teams hosted the 1st Annual Dezy Day Fundraiser last Thursday and Friday. The teams were able to raise over \$3,100 for the DezyStrong Foundation.

As the fall regular season starts to wrap-up for our varsity teams, we wish them the best of luck, as they compete for a position in their respective playoffs. Good luck to **Chelsea Carino** as she qualified to compete in the division championship on Friday, October 15th, and to our six golfers, **Jonathan Holleran, Colin Murphy, Owen Connolly, Chris Bonilla, Nick Abrescia, and William Schiller**, who will be competing in the league qualifiers on Monday, October 18th, at Spring Lake Golf Club. Congratulations to **Venus Stewart** who became the first Walt Whitman diver to compete in an 11-dive competition!

Though it may be hard to believe, the winter sports season is almost upon us. Registration on Final Forms (<https://southhuntington-ny.final-forms.com/>) for Stimson Middle School Early Winter is currently open, and it opens for Walt Whitman High School on October 15th, 2021.

Visit our Athletic website for updated scores, sports offered, coach's contact information, and more. All events taking place in the Walt Whitman North Gym, South Gym, and on the Turf Field will be live-streamed on the NFHS Network ([www.NFHSNetwork.com](http://www.NFHSNetwork.com)). Visit [www.SectionXI.org](http://www.SectionXI.org) for game schedules and make sure to follow the Athletics department on both Twitter and Instagram (@WaltWhitmanAD) for updates and highlights from the season. Go Wildcats!

### News from Mr. Eddie Smith, Principal of Stimson Middle School

As the leaves begin to fall, and it certainly gets darker a lot earlier, we are reminded that October is upon us. Each year in October Stimson Middle School participates in a “Pink and Denim Day” to raise money and awareness for Breast Cancer Research. Please encourage your child to wear pink this Friday, and donate \$2 during homeroom. All proceeds will be donated to “Stand Up for Suzanne.” Stand Up for Suzanne has donated \$50,000 since December, 2018, to support the research of Cold Spring Harbor Laboratory (CSHL) Assistant Professor Camila dos Santos, and Assistant Professor Mikala Egablad. The group has donated nearly \$85,000 to CSHL since 2014.

## News from Mr. William Hender, Principal of Maplewood Intermediate School

Here at Maplewood our students have been working hard on their personal narratives and "how to" writing assignments that will soon be published and displayed around the school for everyone to enjoy. Students have been making good choices around the school, and have received tickets when caught doing so, that can be entered into our weekly prize raffle.

Our before-school orchestra and band practices have now begun, and next week our 5th grade code-sters will also begin. Please mark your calendars, as our next PTA meeting is scheduled for Tuesday, October 19th, at 7pm, where once again you can attend in person at Maplewood or virtually via Google Meets.

We are all looking forward to next week and all our Homecoming festivities. Don't forget to join us at the Carnival and Bonfire on Friday, October 22nd. In addition, all families are encouraged to take part in our Homecoming Parade at 4pm on Saturday, October 23rd. We will be marching behind our new Maplewood banner!

Lastly, as the weather begins to get cooler, please remember to label your child's jacket and any other belongings they may bring to school, as it will certainly help in returning them.

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Oakwood is celebrating Fall with many fun upcoming fun activities! Our students and staff are excited to share these special times with each other!

Oakwood's annual Pumpkin Hunt is scheduled for October 20th, where all of our students will have the opportunity to visit the back field of Oakwood to pick their perfect pumpkin! We are expecting over 700 pumpkins to be delivered by one of Long Island's Pumpkin farms. In addition, on October 29th, we are also planning for our annual outdoor Halloween Parade.

Our SBM team is partnering up with our PTA to host Oakwood's 2nd Annual Trunk or Treat event on Saturday, October 29th, from 11am-1pm, in Oakwood's parking lot. The day is sure to be packed with fun. Come see Willie the Wildcat, Trick or Treat safely, and listen to festive tunes by our DJ!

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Our short holiday week is still packed with excitement here at Countrywood. It has been wonderful to see our students smiling, for real, as Tuesday and Wednesday brought our annual school photos. In order to follow safety protocols and guidelines, we have decided to hold off on class and group photos until the Spring, in the hopes that things have improved by that time. As always, should you have any questions pertaining to photos, please reach out to our wonderful PTA @ [CountrywoodPTA@gmail.com](mailto:CountrywoodPTA@gmail.com).

Friday then brings our after-school, in-person, book fair. Please be sure to sign up for a timeslot so that we can work together to keep everyone safe and socially distanced. Students will also have an opportunity to visit the book fair the following week with their class. We thank the PTA for all of their hard work in bringing this book fair to our students. Unfortunately, this year we will not be able to welcome our families inside during the "school day" book fair, but we will have staff here to assist as needed. Friday night then brings our ever-popular Halloween party. This year, in order to accommodate all of our students and families, the event will take place outdoors (currently the weather looks good, but we do have a rain date of Monday, October 18th, just in case). Sign-ups and a nominal fee are required for this event, as it does include dinner, as well as a DJ and fun activities. We hope to see you at this fun-filled event.

Looking ahead to next week, we stick with our Halloween theme with our ever-popular Halloween Pumpkin Hunt on Thursday, October 21st. We will turn our upper field into a huge pumpkin patch with well over 700 pumpkins scattered. Each class will then have an opportunity to "pick their perfect pumpkin." This is always a highlight of the year. We round out the month of October with the return of our Halloween Parade. This year we are excited to share, assuming the weather cooperates and the parade takes place outdoors, that we will be inviting our families to view it. Unfortunately, if we have to move the parade indoors, we will not be able to accommodate any guests. Either way, indoors or out, we are working with our technology department to livestream the event for our families and friends; details on this will be forthcoming as we get closer to the end of the month. Additionally, we will not be able to invite families and guests into the building after the parade. Celebrations and parties will only be for the students and their teachers. We thank you in advance for your understanding and cooperation, as we balance a return to normalcy, while also working to keep all of
