### Food for Thought

"Permanence, perseverance and persistence in spite of all obstacles, discouragements, and impossibilities: It is this that in all things distinguishes the strong soul from the weak."

~ Thomas Carlyle

### Superintendent's Corner

Here we are more than midway through the month of October with Homecoming and the host of year starting activities comfortably and proudly behind us. We are entering an exciting time of year when Halloween morphs quickly into Thanksgiving, before fading joyfully into the Christmas and Hanukkah season. The late fall and early winter always bring activities, and there will be positive energy pulsating powerfully throughout the school community. Our classrooms will undoubtedly be filled with quality instruction, and we will applaud the accomplishments of students and staff alike. We will also cheer the season ending work and playoff runs of our athletic teams and marching band, while enjoying the beautiful concerts and arts shows that celebrate the holiday season. The days ahead promise great things, and we look forward to sharing the Wildcat energy with students, staff, and parents alike.

### News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Please be reminded that our middle and high school progress reports have been mailed and should be arriving home. Please feel free to reach out with any questions, as it is our hope that these communications serve as a springboard to your child's continued growth.

### News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

We join in congratulating our Board of Education President, Nicholas Ciappetta, who has been selected by the Suffolk County Martin Luther King Commission as the recipient of their Public Service Award. This is a fitting tribute to the hard work and dedication that Mr. Ciappetta contributes to the students, staff, and residents of our community. We look forward to joining him at the Radisson Hotel in Hauppauge, at 11 AM, on Friday, January 10, 2020, when Mr. Ciappetta is recognized for his special efforts.

### Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Our district team understands that childhood can be a confusing and challenging time and try to incorporate life lessons and social-emotional educa-

Walt Whitman High School. Our Walt Whitman Marching Band Director Greg Modelewski, and the Walt Whitman Marching Band, cordially invites you to share in an afternoon of electric music and choreography. Our Marching Band's show for this year is entitled Mozart...Remixed. It is a mix of music from the classical time of Mozart with a touch of sound effects from today!

Come share this very special event and support our Walt Whitman Marching Band students who have worked so hard to present this outstanding show of music, color, motion and precision.....

### News from Sheila's Food Corner

Many questions arise when discussing the School Nutrition Program because it is unlike any other district service that keeps South Huntington running smoothly each school day! The questions are important, and I felt it worthwhile on a monthly basis to tackle one commonly asked question at a time.

#### How is the District's School Nutrition Program (SNP) financed?

The SNP is not financed through the general school budget that is voted upon each May. The May school budget vote is for the General Fund (G Fund). The nutrition program runs from a separate Fund (C Fund). Monies are not received from the yearly school budget vote. The SNP is its own "small business," with four main sources of income. They are comprised of: Federal Reimbursement, State Reimbursement, monies from students buying lunch with cash and adult/student catering events. In order to receive Federal or State Reimbursements, our program must follow the National School Lunch Program, which was established in 1946 by President Truman. The main focus of the act is to provide a nutritionally-balanced, low cost or free lunch to our children each school day.

There are many financial restrictions when following this program which makes our days challenging and yet rewarding.

\*The Federal/State reimbursement monies we receive are % amounts derived for each child that participates in our program. The % amount is set each year by the government.

\*If our program ends up with a profit at the end of a school year, we are restricted to "holding" no more than 3-months profit from one school year to the next without written documentation to the State. This documentation must provide reasoning for how the excess money will be spent (i.e., kitchen equipment).

\*The program cannot lose money on a continuous basis.

\*The daily student lunch prices are regulated by NYS. If we raise the

cost from year-to-year, it is because NYS feels we cannot be solvent otherwise.

\*The foods we serve our children must be nutritious and appealing to purchase (as parents know, nutritious items tend to be the most expensive, i.e., produce).

It is a challenge to not lose money, but also not to make too much money! A balancing act we work through carefully each school year.

Each of the guidelines listed brings up additional questions, which will be answered as the school year unfolds. Feel free to reach out to me with any questions you may have by calling 631-812-3018 or e-mail [sbuhse@shufsd.org](mailto:sbuhse@shufsd.org).

**News from Mr. Eddie Smith,  
 Principal of Stimson Middle School**

The Stimson educational family hopes the entire South Huntington community enjoyed a wonderful Columbus Day Weekend. It is hard to believe that we are halfway through October, Quarter 1 Progress Reports have been mailed and posted, and Halloween is right around the corner. Speaking of Halloween, please mark your calendars for Stimson's first dance of the year, which is on Friday, October 25th. The Halloween Dance is always the most popular dance of the year, with many of our students choosing to dress up. The dance begins at 7 PM and ends promptly at 9 PM. Please drive carefully when picking up your children in the front of the building and beware of administrators directing traffic.

October is Breast Cancer Awareness Month! Stimson's GO is organizing a Stimson Goes Pink event on Friday, October 25th. All students are encouraged to wear as much pink as possible and donate a dollar. All proceeds will go to Stand Up for Suzanne. Stand Up for Suzanne is a 501(c)(3) all volunteer organization that raises funds to advance metastatic breast cancer research at Cold Spring Harbor Laboratory (CSHL). 100% of the proceeds raised goes directly to breast cancer research.

Stand Up For Suzanne (SUFS) was started in memory of Suzanne Shea, a South Huntington mother who fought a brave and long battle with breast cancer. Her sons are recent WW graduates, Classes of 2017 and 2018. It was her wish to give back to the breast cancer community while also keeping her memory alive. This is accomplished through SUFS. We honor Suzanne's memory by supporting cutting-edge research at CSHL.

Additional information can be found at their website: [standupforsuzanne.org](http://standupforsuzanne.org). We are looking for 100%!!!! Homerooms that have 100% participation will be entered into a drawing for their choice of a pancake breakfast or in-school field trip to watch a movie of their choice.

Please talk this up with your children. Cancer has affected many of our lives. Breast cancer, specifically, has affected many of the people we work with. Let's work together to find a cure!!

**News from Mr. Steve Toto,  
Principal of Silas Wood Sixth-Grade School**

Reading certainly is fun-damental, and everyone at Silas Wood thanks our hard-working PTA for running our fantastic Book Fair this week! After perusing titles old and new, our students and staff can be found with their noses buried between the covers of their newly-purchased treasures! Thank you, PTA members, for all your hard work.

“Look after your laundry, and your soul will look after itself.” ~ W. Somerset Maugham

Members of the Silas Wood family are ready to roll up their sleeves (literally!), and get down to the business of helping others with their laundry! First joining with the NYCFC Soccer Club and Current Initiatives in a laundry-supply-items collection that will run from October 21st through November 1st, a group of Silas students, families, and staff will participate in a hands-on event to be held at a Laundromat in the Bronx. On December 7th, along with the Soccer Club and Current Initiatives, we will help those in need washing/drying/folding their clothing and other washable possessions. We are very excited about participating in this worthwhile event which is much-anticipated by all involved.

Tickets are now on sale, during our lunch periods, for the Silas Wood Halloween Dinner Dance to be held on Friday, October 25th, from 6:30 to 8 PM. Sales are as brisk as the autumn weather, as our students look forward to dining, dancing, and a monstrously-good time!

**News from Mr. Anthony Ciccarelli,  
Principal of Birchwood Intermediate School**

As the cooler weather arrives, please label all jackets, sweatshirts, hats etc., so we can return them to your child if they get misplaced.

If your child stays for any of our after school programs, please make sure you send in a note, or call the main office if they are not staying on a specific day. Please do not rely solely on an email to a teacher.

Parent vs. Staff Volleyball Game will be held on Wednesday, November 6th, at Walt Whitman High School. Be on the lookout for the flyer!!

**News from Dr. Gayle Steele,  
Principal of Maplewood Intermediate School**

Maplewood students came to school with smiles, ready for their fall photos. Students and staff looked great as they marked another school memory. Thank you to the PTA for organizing picture day.

There is a PTA meeting on Thursday, October 17th at 7 PM. All are welcome to attend.

Thank you to Mrs. Hatton, Mrs. Shapiro, Mrs. Garafalo, and Mrs. Lettieri for having their classes participate in a pumpkin decorating contest sponsored by Gellerman Orthodontics. After the contest, pumpkins will be donated to

We are happy to share that our assistant principal, Mrs. Michelle Davis, is the 2019 New York State English Council Fellow Award Winner. NYSEC promotes professional development for educators across New York State and supports the development of best practices in English Language Arts. Mrs. Davis is a member of the council's board and provides feedback to the New York State Education Department. She will be acknowledged this weekend at the annual conference in Albany. Congratulations, we are proud to have her!

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Oakwood Primary Center is sending a special thank you to the PTA for all of their help last week with organizing our school photos and making these days very exciting for our students!

On Thursday, October 17th, we welcome performers Beth and Scott to share their special Character Education assembly with all of our learners! We are excited to sing their special songs that promote quality character and making friends. That evening, come join us as we discuss upcoming activities at our PTA meeting beginning at 7:30 PM.

The exciting energy continues into next week! On October 22nd, Oakwood students will search for their pumpkin in the annual Pumpkin Hunt! We thank all of our wonderful staff in advance who have volunteered to help scatter over 600 pumpkins on the back field of Oakwood in preparation for the perfect Pumpkin Hunt for our students!

Please send in any gently used Halloween costumes, as we are collecting them in a decorated box for those in need for the Halloween parade! Please send in costume donations by October 28th!

A reminder to our families, join us for Oakwood's annual outdoor Halloween Parade at 9:30 AM on October 31st! Should the weather be inclement, we will hold the parade indoors only for students.

Wishing you all a wonderful week ahead!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

This week at Countrywood has been a busy one as we have to get a full week of activities packed into just four days. We started on Tuesday with our first lockdown drill of the year. While we never want to dwell on various emergencies that can arise, we always want to be as prepared as possible. I am happy to report that our first lockdown drill of the year went very well. Staff and students alike remembered how to conduct themselves and await further instructions, and we are very proud of everyone. We will continue to practice various drills throughout the school year.

Wednesday morning brought one of the most popular days of the year – the Countrywood Pumpkin Hunt. Thank you to the many parent and staff volunteers who arrived bright and early to assist us in scattering 600+ pumpkins and creating a wonderful "Countrywood Pumpkin Patch." Earlier this morning all of our kindergarten students, and their teachers, posed for the

annual Kindergarten Photo – The class of 2032. The photo will be displayed in our main hallway, as well as at the district office in the very near future. Wednesday's Pumpkin Hunt got everyone in the Halloween spirit and we will build on that energy this Friday night with our annual Book Fair kickoff along with dinner (catered by our very own South Huntington Nutrition Services) and Halloween Dance. This is always a popular and well-attended event, and the children and adults alike all have a blast. If you have not already done so, please be sure to RSVP to our wonderful PTA, so we are sure to have enough food and activities for all who want to participate.

**News from the Board of Education**

As District Clerk for the South Huntington School District, I would like to invite the staff and community members of our South Huntington School District to the "Board Recognition" at our Board Meeting scheduled for Wednesday, October 23, 2019, at 7:30 PM in the Birchwood Intermediate School's cafeteria.

Our community is so very fortunate to have seven dedicated individuals working on behalf of all students in our District. A Board member's position is one of tremendous responsibility—not only are board members involved directly with District business at public board meetings, they also are involved in various committees—the Facilities Committee, the Audit Committee, the Policy Review Committee and the Curriculum Committee Council—that meet at various times each and every month. Include those commitments with the never-ending school building meetings and ceremonies that Board members attend, and there are very few days of the week unspoken for. Board members are not compensated financially—they are strictly volunteers serving our wonderful South Huntington School District—however, if you were to ask any one of our members, they would tell you that their commitment and obligation to service provides them with enormous satisfaction.

I urge you to attend our Board Recognition evening where students, staff and District organizations provide their appreciation to seven awe-inspiring members of our learning family.
