Food for Thought

Sponsored by Hidden Smiles Orthodontics

"The greatest glory in living lies not in never falling, but in rising every time we fall." -Nelson Mandela

Superintendent's Corner

First and foremost, we would like to wish a very happy Custodial Workers day to all of the dedicated men and women who keep our students and staff safe, warm, and secure each and every day. We are incredibly fortunate to have such special people caring for the members of our learning family.

It's hard to believe that September is behind us, and we are already into our second month of school. It certainly wasn't a traditional opening, but we made it through and instruction is up and running in each school. We are incredibly grateful for all of your cooperation and patience and are receiving largely positive feedback regarding our safety protocols and instructional models. We realize that there are many who are hoping that students, especially at the elementary level, can return in increasing numbers. As promised, we are evaluating everything, from the town's positive testing numbers, to our square footage, transportation availability and space possibilities. We are also conferencing with any neighboring districts that are planning to increase elementary attendance in an effort to provide a data-driven recommendation at the close of the marking period. We also realize that there is a myriad of very, very different opinions and positions relative to anything and everything associated with COVID, and we plan on distributing a survey this week, which will ask parents for their potential family choices relative to attendance, transportation, etc. This information request is really important to us because the feedback and our subsequent options change considerably depending upon those numbers, as well as the age of children at each level. However, we are committed to investigating the potential for enhanced instruction, and equally committed to doing this correctly with methodical thinking and careful planning, as we did with the September opening. So the next several weeks will be dedicated to planning, and in order to do this correctly, we ask that you respond to any of our e-mail information requests in a timely manner.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Thank you to all of the parents who attended our Virtual Curriculum Nights. Special thanks, as well, to the faculty and staff members who are working to make these evenings so beneficial. The reality is that this Virtual Curriculum Night world is new to all of us, and we are working hard not to allow circumstances beyond our control to hinder the critically important school-to-home connection. To this end, we invite you to follow up on any Curriculum Night questions with the teachers and building administration so we can work col-

laboratively in the best interest of our students during this challenging time.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

At last week's meeting, the Board of Education appointed Ms. Laura Brothers as our new Transportation Director. Ms. Brothers replaces Mr. Mike Trelfa, who retired after decades in transportation services, and we wish Mike the very best in his future endeavors. We also welcome Ms. Brothers to our Wildcat family, and look forward to welcoming her on her first day on October 19th, 2020.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

In recognition of Mental Health Awareness Week, October 4th through 10th, 2020, the Association for Mental Health and Wellness (MHAW) will be offering a free presentation to parents, students, and staff to learn about mental health, recovery and how to support someone with a **Mental Health & Wellness 101 Presentation**. This is being shared with our school community because we want to help raise awareness of mental illness, mental wellness and recovery, especially during these challenging times. Goals of the training include increased basic knowledge of mental health to help reduce stigma; understand Mental Health as a continuum of wellness that defines us every day; and promote wellness, treatment-seeking behavior, recovery and self-care.

The presentation will be held virtually via ZOOM and offered twice:

Wednesday, October 7th, from 11 a.m. - 12:30 p.m. ([click here](#) to RSVP for October 7th), or Thursday, October 8th, from 1 p.m. - 2:30 p.m. ([click here](#) to RSVP for October 8th)

The content presented will be the same for both dates, so choose one date that works with your schedule. For more information about MHAW, please visit their website. <http://mhaw.org/>

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

As the news has been reporting, we still don't have definitive dates on fall, winter, or spring athletic seasons in Suffolk County. Nevertheless, our athletes and their coaches continue to train, and we encourage team members to keep working and remain as sharp as possible for the moment we get the green light to begin.

News from Your Nutrition Department

WELCOME BACK!!

The 2020-2021 school year has begun with many changes! Our children have different options in how/where they learn....in-person classroom learning or virtually from home. This new format gives the Nutrition Department different options in how/where we feed our children, as well.

What do we need to remember about School Nutrition in times such as this?

Food safety is our top priority. The Centers for Disease Control and Prevention (CDC), the Food and Drug Administration (FDA) and the World Health Organization (WHO) all stress that there is no evidence COVID-19 spreads via food or food packaging. Whether meals are served in school or at a grab-and-go pick-up location, school meal preparation is conducted in strict adherence with federal, state and local food safety regulations. In addition, CDC and FDA procedures are in place to protect school nutrition staff and the students they serve, including the use of Personal Protective Equipment, additional cleaning of food preparation and service areas, regular training on proper hygiene practices and food safety measures.

Healthy food fuels students with learning. This is why school meals continue to meet strict federal nutrition standards during the pandemic. It is our job to develop delicious meals that meet federal regulations that are safely served to students whether they are dining in the cafeteria, or picking up their meals to eat at home.

How are we feeding our children during these different times?

Our youngest children are being provided "room service" to their individual classrooms. Both breakfast and lunch meals are brought to the child's classroom in individually wrapped portions. This new method of serving, although not as "socially fun" for our children, does provide the safety that we, as coordinators of the program, feel necessary. In addition, all utensils, condiments, etc., are pre-wrapped to ensure proper safety measures have been taken.

Our middle and high school students are being served following a few different methods. Some are served in the traditional serving lines, while others at our "grab and go" kiosks. Each option is designed to keep social distancing in place.

Our Hybrid children are also given the opportunity to take food home to enjoy on the days that they are learning remotely. Our virtual students are able to pick up meals from Stimson every day at a designated location. This option has turned out to be more successful than we had originally planned!

This year every meal serving option has the same theme, "We bring the food to the kids instead of them coming to us." We will do whatever is necessary to make sure that our children have the opportunity to enjoy breakfast and lunch with us regardless the teaching format!

As always, make sure to keep up to date with our program by following our **Facebook** and **Instagram** pages and be sure to check out our new Nutrition website page on the SHUFSD website.

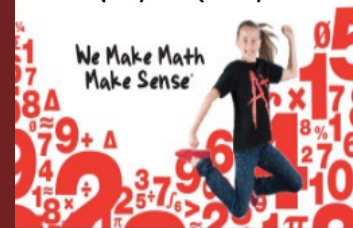

News from Mr. John Murphy, Principal of Walt Whitman High School

Congratulations to Walt Whitman students **Valeria Brussel**, **Yasly Velasquez**, **Stephanie Lopez Galdamez** and **John Rodriguez** for receiving an award from the Town of Huntington as part of Hispanic Heritage Month, showcasing their leadership skills within the high school.

Congratulations to **Bina Joseph**, **Jacob Veeder**, **Dalton Marzigliano**, and **Grace Buckshaw** for being selected by National Merit Scholarship as a commended student. Also, congratulations to Aidan Garemani for moving on as a semifinalist within the National Merit selection process.

Counseling Center News

The following Colleges and Universities have scheduled to meet with Walt Whitman Students virtually. We ask that students please log onto your Naviance account daily to see the College virtual dates. We have listed some upcoming dates below, as well as the steps to view and sign up for a virtual visit. In addition to checking your Naviance account, we will be making daily announcements and posting college visits to the district's weekly newsletter. All meetings will be hosted at 2:30 p.m. on the day designated. College Virtual Visit Instructions

1. Log onto your Naviance account.
2. Scroll down to "What's New"
3. Click on "More Info"
4. Click on "Register"
5. Once you have registered, you will receive a zoom link to the meeting sent to your SHUFSD email account by Ms. Genovese.

College/ University	Representative	Date	Time
Wagner College	Danny Scaramella	Thu October 8, 2020	2:30 PM
University of Wisconsin-Madison	Keira Vollandt	Thu October 8, 2020	2:30 PM
Brandeis University	Stephanie Squire	Fri October 9, 2020	2:30 PM

University of California-Santa Cruz	Sarah Kochin	Tue October 13, 2020	2:30 PM
The College of New Jersey	Kristina Fasulo	Tue October 13, 2020	2:30 PM

Our Walt Whitman High School PTA is holding their membership drive for the 2020-2021 school year. The PTA is an amazing organization that allows us to provide activities and events for all our students. Walt Whitman HS PTA uses MemberHub to bring you into our school community and keep you informed and engaged with what is happening. Within our MemberHub site, you will find newsletters, sign-up sheets, shared calendar events, files, photos, reminders, and much more all in one place!

Link for PTA Membership

<https://waltwhitmanhs.memberhub.store/shopping/categories/622>

Walt Whitman High School is proud to announce that we will be starting our after school activities and clubs both virtually and in person. These clubs are a crucial part of the high school atmosphere, allowing students the ability to learn about new interests and activities that could potentially motivate their post-secondary plans. A calendar of events and activities will be provided on the high school Google site listed below. Please have your child also listen for the morning announcements club information and schedules.

WWHS Clubs/Activities

<https://sites.google.com/shufsd.org/wwhs/clubsactivities?authuser=0>

In an effort to keep parents informed, we have attached the Walt Whitman High School Google site page that outlines all hybrid and virtual information. One of the most important items is that of the school calendar. Within this calendar you will be able to see what groups are supposed to be in school, as well as if your child is supposed to go to their day one or day two class. As always, if you have questions about the schedule or anything with regards to our hybrid learning model, please let me know at any time.

**News from Mr. Eddie Smith,
Principal of Stimson Middle School**

The Stimson family would like to thank our entire school community for attending the virtual Curriculum Night last week. We hope you found it informative and engaging. If you have further questions please do not hesitate to contact your child's teacher.

Please be reminded that Stimson Middle School is no longer distributing Progress Reports. All student grades are available, and able to be viewed on the Parent Portal. This would be a great time to check your child's grades and review each class with them. Also, checking your child's attendance regularly is strongly recommended. This is particularly important for our students that are learning at home virtually each day. The expectation is that our students are logging on to each Google Meet with their teachers as soon as the class begins. Our teachers will take attendance and then provide further instruction from there.

Have a wonderful week. Please be reminded that schools are closed on Monday, October 12th for Columbus Day. We return on Tuesday, October 13th, with our Group A students joining us in person on a Day 1.

**News from Mr. Steve Toto,
Principal of Silas Wood Sixth-Grade School**

Last Friday was National Custodial Workers Day. The amazing work and dedication of the Silas Wood Custodial Team headed by Mr. Chris Stevens and most-ably supported by Mr. Tom Mauro, Mr. Frank Zgrablic and Mr. Curt Steinert has been, in this challenging school-year opening, nothing less than heroic. We send gratitude for a superlative job, more than well done!

In tandem with the myriad of Covid-prevention measures that have been put in place at Silas Wood, we continue to maintain a safety-first mindset for all aspects of our day-to-day life here at school! To that end, Group A and Group B students and staff recently participated in our first fire drills of the school year. I am proud to say that our students' behavior and their cooperation were absolutely perfect! Coming up on October 8th and 9th, we will hold Emergency Evacuation Drills, wherein we will practice reacting to an emergency that would necessitate leaving the Silas Wood building. On

October 13th and 14th, we will hold Lockdown Drills to ensure safety procedures while maintaining our presence within the building. Such practice drills offer our students the comfort of seeing up close and personal how being well prepared for the unexpected provides a sense of safety and security. We urge our virtual students and their families, along with those of our hybrid students, to take a moment to review your in-home fire and emergency

procedures -- remember, an ounce of prevention is worth a pound of cure!

Over the past week, our students have enjoyed working on a school-wide Goal Setting project. This project offers the opportunity for contemplation and reflection of areas in which students may seek to grow, learn, and improve. Students envision what they hope to achieve in life, the challenges that may be faced in reaching such goals and steps that can be taken towards making those goals a reality. Colorful banners illustrating these aspirations will soon fill our hallways; we all look forward to seeing our students' hopes and dreams proudly displayed throughout Silas Wood.

On Friday, October 9th, and on Tuesday, October 13th, students and staff are asked to show their Wildcat Pride by wearing our school colors: maroon and white! On the topic of school spirit, in response to many requests, the Silas-Stimson PTA has graciously reopened their Spirit Wear store where you can shop until October 11th: <https://silasstimsonfall2020.itemorder.com/sale>.

Speaking of bright, colorful, and inspirational, I am happy to share our front-lobby display case, recently redecorated with creative expertise by one of our artists-in-residence, Mrs. Anne Heavey, part of our wonderful group of Teachers' Assistants. We are pleased and proud to showcase the beauty of the diversity that makes up the Silas Wood family -- as printed in the hearts along the ceiling of the display case, we take pride in the Community, Respect, Family, Equality, and Culture treasured by everyone at Silas Wood!

If you have not returned your child's Emergency Dismissal Form, please do so as soon as possible. It is important that in case of an emergency early dismissal the bus driver knows who can take your child off the bus, if you are unable to make it to the bus stop. If we do not have a form and you are not at the stop, your child will come back to Birchwood to wait until you can pick them up

As the cooler weather arrives, please label all jackets, sweatshirts, hats, etc. so we can return them to your child if they get misplaced.

Participate in the PTA by clicking on the link: <https://birchwood.memberhub.store/>

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

School continues to move along in a positive fashion. Our students and staff have been wonderful in following our safety guidelines and remain focused on valuable instruction. Keep up the great work everyone!

Thank you to all that attended our fourth and fifth grade curriculum nights. We were happy to be able to offer these events virtually. Both evenings were well attended by our families, and we appreciate your support.

School picture days have been scheduled for October 14th and 15th. Parents of students that are full remote learners can schedule a photo session for after school on these dates. Please visit the PTA Facebook page to schedule a time if you have not already done so.

The PTA has also supplied our students and staff with great facemask lanyards. Yet, another way to show our Wildcat pride! We appreciate this thoughtful gift.

Our book fair will be virtual this year. The dates are October 26th - November 8th. Please look for more information that will be sent home and posted in Google Classrooms.

Spirit Wear is now available as well. Please visit <https://maplewoodfall2020.itemorder.com> to make your purchases.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Greetings from Oakwood Primary Center!

This week was full of excitement as our Oakwood students participated in Picture Day on October 6th and October 7th! The students' smiles were the perfect recipe to our fall photos! These special days are filled with our young children's smiles and happiness. Thank you to our PTA for organizing and supporting the students on these special days.

A special thank you to our families for participating in our first virtual Curriculum Nights! We truly enjoyed sharing time with our Oakwood families, and our teachers and staff were delighted to meet and discuss their grade-level curriculum as well!

We will continue with practicing our safety and fire drills over the next couple of weeks. Our students and staff have been doing an incredible job making these transitions fluid and seamless.

Oakwood is planning our tradition of the annual Pumpkin Hunt later this month. More details about this fall favorite will be sent home to all students soon!

Stay connected and follow Oakwood at:

Instagram: oakwood_primary_center
and

Twitter: Oakwood_PC

Have an excellent week ahead!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

It is hard to believe that we are already into October, and we once again thank everyone for their flexibility and patience as we continue to navigate all of our new challenges and changes. We thank all of our families who joined us for last week's virtual Curriculum Night events. We trust that you walked away at the end of the night with a better understanding of the year ahead and how our hard-working and dedicated faculty and staff plan to tackle the curriculum this year. As always, we stand here, ready to partner with you and invite you to reach out with any questions or concerns.

Last week, and continuing this week, our hybrid students are taking their fall i-Ready Diagnostic. This online test is given three times a year (winter and spring), and gives us a baseline from which to work from. We are hoping to have all of our Chromebooks in, in the next several weeks, and plan to then administer the diagnostic to our virtual students at that time. As soon as we have a definitive time frame for this plan we will reach out with the details.

We are happy to confirm that we were able to secure the necessary pumpkins to hold our Annual Pumpkin Hunt this year. This year's edition will take us longer than in the past so that we can maintain social distancing throughout the event. Due to our Hybrid model, we will be holding the Pumpkin Hunt on Tuesday, October 20th for our A Group, and Wednesday, October 21st for our B Group. We will be reaching out to our fully virtual students who will be invited to participate on the afternoon of Tuesday, October 20th, after school hours, should you so desire. A letter explaining the details of this event will be coming home in the next few days.

We wish everyone a safe, healthy, and enjoyable week ahead!

News from the Board of Education

While there has never been an opening such as this one in 2020, with September behind us, a new routine has been established. Our Board of Education is beyond grateful for the professionalism, dedication and concern displayed every single day by all the employees of our South Huntington learning family for the care of our precious students, especially during this period of time.

It is with this understanding that we salute and applaud your efforts. Our community is better with each of you working on its behalf—and together, we will be stronger because of your energy and strength.

News from South Huntington Educational Foundation, SHEF

In honor of Do Something Nice Day and World Teacher's Day, SHEF is sponsoring a virtual platform for South Huntington community [SHOUT-OUTS](#). Click to check out the many compliments shared and add some of your own!
