## Superintendent's Corner

This last week before Thanksgiving provides the perfect opportunity to offer my heartfelt gratitude to the members of the School District community. Eight years ago you welcomed my family into your South Huntington family, and the subsequent journey has been filled with the most rewarding personal relationships and professional work I have ever encountered. Jill and I thank the South Huntington students, staff, and parents from the bottom of our hearts and wish you all a warm, wonderful Thanksgiving holiday.

## News from Deputy Superintendent

### Dr. Joseph Centamore in the Curriculum Office

Please mark your calendars to join us at the Winter Wonderland Photo Day, Tree Lighting, and Menorah recognition on Saturday, November 30th, from 2-4 PM, at the James Kaden Administrative Offices at 60 Weston Street in Huntington Station.

Our school community is presenting our second annual Holiday Winter Wonderland where district children of all ages will have the opportunity to sing songs, create holiday crafts, and enjoy sweet treats in honor of this special season. We will have a Winter Wonderland room designed for pictures with Santa, Dreidels, or a winter-themed background. We have timed our Winter Wonderland to coincide with the return of our alumni from college and the kick-off to the holiday season. There are no reservations necessary for this FREE event, and we invite you to join us anytime between 2 and 4 PM.

Our Varsity Dance Team will be marching in the Main Street Holiday Parade in Huntington Village later that day, at approximately 5 PM.

## News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

Earlier this week we had the opportunity to celebrate School Related Professionals day. This special occasion provides us the opportunity to recognize the fine work of our bus drivers, security guards, food service workers, custodians, maintenance and grounds crew, paraprofessionals and teacher assistants, who care for our students each and every day. School Related Professionals are a critical part of our South Huntington family and their tireless work plays a valuable role in the District's resounding success. We thank these dedicated men and women for their service, and salute them for all of their contributions.

## Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Please join in congratulating our very own Board of Education trustee Mr. Ed Nitkewicz, who is being honored as a "Man of Distinction" by The Voice of Autism foundation. Mr. Nitkewicz, who is an advocate for all South Huntington students, works tirelessly on behalf of the special needs community, giving selflessly of his time and expertise to the important cause. We are thrilled to hear of this special honor, and look forward to celebrating with Mr. Nitkewicz and the Voice of Autism community at their ceremony in the Château Briand.

## News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

The Walt Whitman High School Mainstage Drama Productions is proud to present their upcoming theatrical rendition of "Clue." Was it Ms. Scarlett, Professor Plum or Ms. White? Come and see who committed the crime with a very funny cast. The antics and slapstick humor will have you dying of laughter. Performances are Friday, November 22nd, at 7:30 PM and Saturday, November 23rd, at 2 and 7:30 PM. We look forward to sharing in some laughter and fun-filled mystery.

### News from Mr. Eddie Smith, Principal of Stimson Middle School

Thank you to all the parents that attended last night's Parent Teacher Conferences. Our next evening conference will be held on Wednesday, December 4th, from 6-8 PM.

Yesterday, the entire Stimson 8th grade attended the WWHS production of **Clue**. The show was hysterical and entertaining. Thank you to Ms. Radin for inviting us to the high school. It was wonderful to see the talent on display in our school community. Great job to the entire cast and crew!

Please be reminded that next Tuesday, November 26th, we will hold our Emergency Management 15 minute early release. Busses will depart Stimson 15 minutes earlier than usual.

The entire Stimson family wishes the South Huntington community a Happy Thanksgiving.

### News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

I am grateful for what I am and have. My thanksgiving is perpetual.  
~Henry David Thoreau

In relatively low-gear with the approach of Thanksgiving break, the Silas Wood family first eagerly anticipates Parent Teacher Conferences from noon to 3 PM, following early dismissal at 10:45, on Friday, November 22nd, with evening conferences to be available from 5 to 8 PM on Monday, November 25th. After a few more student teams enjoying their turn at our United Skates America field trip, one and all will enjoy our long Thanksgiving Holiday break, along with the much-anticipated district Winter Wonderland on November 30th, at the James Kaden Administrative Offices.

Upon our return in December, we will begin the month with our annual Ryan's Story Assembly, focusing on raising student awareness on bullying and cyber-bullying, to take place on December 3rd. Mr. John Halligan will relay his own tragic experiences as a dad when his 13-year-old son took his own life after incessant bullying by peers that began in the 5th grade, both in school and on-line. His riveting, powerful story will remind students that there is a face, a person, a heart, on the other end of the computer screen.

When it comes to vaping, as opposed to cigarette smoking, it is most important to note that safer is not the same as safe. On Thursday December 5th, students and staff will once again gather in the Silas Wood gymnasium, this time for an assembly on Vaping Awareness/Prevention, which will focus on

### News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Oakwood had a busy week full of learning and activities! Our after school Coding, Musical Theater, and Friendship Project programs are underway! The students truly enjoy extending the day in these fun and engaging activities.

Beginning this Friday, and continuing on to next Monday, November 25th, and Tuesday November 26th, we are looking forward to our special Pow Wow presentations by our Kindergarten classes. We thank Ms. Pinelli, our wonderful Music educator, for all of her hard work in preparing for this special event. Families are invited to join us as our Kindergarten students present songs and poems in their Pow Wow performance. Please take note of the specific days for your child's scheduled date as notices have been sent home with the students.

Our PTA meeting this week gave the opportunity to review the many events that we have had at Oakwood this fall. We also had time to share and prepare for the many upcoming events that will continue for the rest of the year. Please mark your calendar and consider joining us for our next PTA meeting on January 30th. Look for details soon about our special meeting!

Please be aware that there will be a 15 minute early dismissal on **Tuesday, November 26th**. Be sure to meet your child's bus at its regular stop 15 minutes earlier than usual. Additionally, there will be no school on November 27th-29th for the Thanksgiving holiday.

Oakwood has generated a tremendous collection of food for our Thanksgiving baskets! We are so thankful for our Student Council students who helped the PTA, and Mr. Toledo, our Social Worker, to collect, prepare, and give these generous baskets to families in need.

Finally, we wanted to share that students have been continuing to discuss and write about the many reasons they are grateful during our Oakwood's Project Happiness. Some students mentioned that they are grateful for specific family members, pets, teachers and friends. Even more Oakwood students mentioned that they are thankful that they are able to go to school, their health, and even chapter books that their parent gets from the library. During this time, it is so remarkable to hear how insightful and appreciative our students are.

Please take the time to enjoy your children during this Thanksgiving, because we are so very thankful for them and all you do for them.

Have a wonderful Thanksgiving filled with love, warmth, family, and friends!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We would once again like to thank our PTA for the countless hours spent organizing another very successful "Countrywood Night Out" fundraiser. This event brings in a tremendous amount of money that supports the monthly Cultural Arts assemblies that our students are fortunate enough to receive month after month and year after year. Thank you to everyone who came out in support of this worthwhile event, a great time was had by all. Our after school programs are now in full swing and students are enjoying theater, coding, homework help and friendship club. A friendly reminder, whenever possible, students will continue to go outside for recess. Please be sure to send your child ready for an outdoor recess, including a warm jacket, and, when appropriate a hat and gloves. It is important for the children to have a chance to enjoy the fresh air and get in some exercise. Yesterday saw the first of our two early dismissal days for parent-teacher conferences with the next one scheduled for Wednesday, December 11th.

Please be reminded that next Tuesday, November 26th, we will hold our Emergency Management 15 minute early release. Busses will depart Countrywood 15 minutes earlier than usual. We will then be closed for the Thanksgiving holiday starting on Wednesday, November 27th, and will return to school on Monday, December 2nd. From all of us at Countrywood we would like to wish you a Happy Thanksgiving filled with fun, family, and friends, and of course FOOD!

Whenever a new program is introduced into the District, regardless of the subject, it takes more than one set of hands to make it a success. Such was the case of South Huntington Nutrition Program's recently added **Breakfast in the Classroom** initiative last month in the Silas Wood 6th Grade Center.

After much research, it has been found that with progression from the elementary grades, student participation in the breakfast program declines dramatically. With the school day beginning earlier, there isn't enough time for the all-important breakfast meal—just one of the reasons for this decline.

**Breakfast in the Classroom** is an innovative way that the National School Lunch Programs throughout the country have been addressing this dilemma. This fall South Huntington decided to give it a try beginning at Silas Wood. Rather than our students going to the cafeteria for the breakfast meal, the nutrition staff brings the meal directly to the students' homerooms. Our children are able to enjoy a breakfast meal, while their homeroom teacher begins the school day without skipping a beat.

The mechanics and success of this program would never have been possible without the commitment from the Silas Wood Staff and Administration. From the initial program introduction and its first phase of the launch to where we stand today, every staff member has been positive and willing to ensure the program's success. Constructive ideas/adjustments to the roll out were presented and made. The staff came on board in all aspects to ensure the children were given the meal provided and paperwork was handled.

The SHNS department chose to initiate this pilot for Silas Wood because of the building size itself. Through this process we learned the true gift of beginning with Silas Wood was its staff members!

The Silas Wood staff put the children first with this initiative ..... and I thank them for doing just that!

Now onto other schools! Happy Thanksgiving to all!

**School Board Notes – A Message from the Board of Education**

Happy Thanksgiving to all of our South Huntington learning family members . . . we hope you enjoy this special time with your family and friends.

Please keep in mind that the Saturday right after Thanksgiving is the Winter Wonderland celebration where the James Kaden Administrative Offices will be transformed into a magical Winter Wonderland, providing the youngest members of our District a chance to create various holiday crafts, enjoy special sweets and tasty hot chocolate topped with marshmallows and candy canes, thanks to SEPTA! The festivities will begin at 2 PM, and at 4:15 PM we will have our second-annual tree lighting and Menorah recognition, as Hanukkah begins the evening of Sunday, December 22nd.

We welcome everyone to join us in this warm celebration of the season!

**News from SEPTA – Maureen Basedow**

We hope to see you at the Winter Wonderland on November 30th. See SEPTA with Hot Chocolate and snacks. Happy Thanksgiving! See you on January 30th for our next SEPTA meeting.
