Food for Thought

Sponsored by Hidden Smiles Orthodontics

"Great works are performed not by strength but by perseverance."

~ Samuel Johnson

Superintendent's Corner

As hard as it is to believe, we are concluding our final week of the first marking period. While the opening months of school have been anything but typical, we have managed to settle into a rhythm, and our incredible students and staff are making the very best of a challenging situation. The good news is that contact tracing is working as designed in the schools, and we were able to contain most situations with targeted quarantines. As a result, instruction has flowed at a steady pace, and we are in a solid position to manage the months to come. With that said we remain keenly aware of the need for vigilance and understand that caution and careful thought will need to craft the cornerstones of our efforts. While we don't have a crystal ball, we do plan to approach each day with communication, trust, and partnership. With those tools and a great community at the ready, our South Huntington family will endure.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Each year, the members of our South Huntington family join forces to brighten the holidays for community members in need. As with most things these days, the process will look a bit different in 2020, and we will be accepting monetary donations so families can purchase gift cards to various food stores. Families can donate to *Givebutter* which can be accessed through the District Website (SHUFSD.org) or by scanning the QR code. Please see flyer below.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

While there are still many unknowns relative to this year's athletic seasons, our Wildcats remain committed to being fully prepared should the opportunity to compete in an interscholastic schedule materialize. To this end, we have been conducting regular workouts and plan to continue those modified sessions in the weeks to come. We remind any students who might be interested in a winter sport to sign up online with "final forms" so you are all ready to go.

OUR MEALS COME TO YOU!!
 Creative new ways to serve our children!

Visuals are often a good way to show our families how the School Nutrition Program works to make our children's meals more accessible. New school procedures led to new ways to serve our students. Each building has found a way to bring meals to the children in a safe, secure way. Our youngest are being served in the classrooms from rolling carts that contain their hot and cold meal items. Bright blue/red bags are rolled into each classroom containing designated children's meals. The thermal bags keep the foods at correct temperatures during the transport.

As the students get older, we have created Kiosks in different locations throughout the buildings to keep the amount of student clustering to a minimum. Our remote learners have been given new/different options for enjoying our meals. We have started using Bento boxes!

We continue to introduce new/different ideas that allow our students with great meals to enjoy.

With Free Meals for all students in place for the 2020-2021 school year What better time to give SHNS a try!

News from Mr. John Murphy,
Principal of Walt Whitman High School

Walt Whitman High School is hosting Red Ribbon Week through the SADD Club. Red Ribbon Week is a national program designed to remind students of the dangers of drug use and that many students choose to be drug-free.

Today's drug awareness fact: 50% of all suicides and over 50% of all violent crimes are caused by alcohol and/or drugs. We hope everyone will wear red on Friday to support Red Ribbon week.

Walt Whitman Student Services and GSO are looking for your help with the Thanksgiving Food Drive. If you are able to make a donation (either monetary or a supermarket gift card) it would be greatly appreciated. Any donations can be dropped off in Student Services (Room 214) or to any Leadership room. Any amount is appreciated!

Do you want to save some time by having your child take their Permit Test right here at WWHS? Please have them come down to the Main Office and get an application form from our forms rack. News from Mr. Eddie Smith, Principal of Stimson Middle School

Attention all students! The Student Portal on Infinite Campus has been opened so you can view your grades. To login into your account, please follow the steps below and follow this link <https://shufsd.infinitecampus.org/campus/portal/students/southhuntington.jsp>.

username will be the 9-digit student ID, plus first initial, last initial (lower case)

password will be the 6-digit student birthday, plus first initial, last initial (lower case)

the student will be prompted to change their password the first time they log in.

Please be reminded that Stimson Middle School is no longer distributing Progress Reports. All student grades are available and able to be viewed on the Parent Portal. This would be a great time to check your child's grades and review each class with them. Also, checking your child's attendance regularly is strongly recommended. This is particularly important for our students that are learning at home virtually each day. The expectation is that our students are logging on to each Google Meet with their teachers as soon as the class begins. Our teachers will take attendance and then provide further instruction from there. Also, if your child is not attending school on a hybrid day, and chooses to join virtually, you must contact the attendance office at Stimson.

Thank you to all the students and staff that wore pink last week and donated to *Stand Up For Suzanne*, an organization that partnered with Cold Spring Harbor Laboratories to fund Breast Cancer Research.

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We hope that everyone had a safe and enjoyable Halloween this past weekend. It is hard to believe that we have changed our clocks, and flipped our calendar to November. A friendly reminder, with the approaching colder weather, we will still be doing our best to get the students outside for both recess and Physical Education classes whenever the weather permits. With that in mind, please be sure that you are sending your son/daughter dressed for the colder weather.

On Monday, and continuing on Wednesday, our students and families were very excited to receive their district Chromebooks. If you weren't able to come during your child's scheduled pick up time, please reach out to the school and we will, of course, work with you to get you your child's device. If you are still in possession of a previously borrowed device, please be sure to return them to us at Countrywood. We are excited to have this wonderful piece of technology in everyone's hands and look forward to all that can be accomplished with them.

A huge thank you to Ms. Escalante-Rodriguez, our Social Worker, and Ms. Chandler, our Behavior Specialist, for providing our students with a wonderful Social Skills lesson this week focused on the "Mood Meter" and how they are feeling. As we have previously communicated, they will be pushing into the classrooms several times over the next 5 weeks with additional lessons. As always, should you have any questions, or wish to speak directly with one of them, please feel free to reach out to the school.

Wednesday, at 7 p.m., our wonderful PTA will hold their November meeting. This will be a virtual event and the PTA will share the link shortly. If your schedule allows, please join us to get an update on all of the wonderful things that the PTA has planned for Countrywood. We wish you a wonderful week ahead.

School Board Notes – A Message from the Board of Education

Despite not having an in-person Board of Education Recognition on October 28th, the video prepared for the occasion was a beautiful, heart-warming testimony to all that is good in our South Huntington Schools. We are so very grateful to the Countrywood students who read letters—**Arielly Pichardo Chacon, Sienna Perillo and Sofia Carter**—and the Oakwood students—**Kate Christy, Desmond Ewen, Nicholas Campuzano and Arielle Julien**—who made us all very proud and appreciated. Each student read with enthusiasm and excitement that truly made us thankful for the opportunity to serve this wonderful learning community.

We also thank the leadership of our administrators, teachers, teacher assistants/paras, office staff and security, as well as the leadership of the PTA Council, SEPTA and SHEF, and elected officials Senator Gaughran, Assemblyman Stern and Town Supervisor Lupinacci, for adding to the board recognition in such a unique manner.

Especially during this difficult time, having such a sincere expression of appreciation of public service was truly beyond words, and we thank everyone involved in making the evening one to remember!
