Food for Thought

“Always act as if what you do makes a difference.”

~ William James

Superintendent's Corner

I hope you had a wonderful holiday and enjoyed precious time with family and friends. Thanksgiving recess offers the perfect opportunity to recharge our batteries and store some much-needed energy for the holiday rush to come. December is always an exciting time of year in our schools, as we work to harness the positive energy and build upon the season's natural enthusiasm. Of course, we were blessed this past weekend to enjoy a perfect kick-off event, as our Winter Wonderland treated hundreds of grateful families to holiday fun.

We thank everyone who organized and supervised this wonderful activity, and look forward to more warm, small-town memories to come.

News from Deputy Superintendent/Business Dr. Joseph Centamore

This past holiday weekend the Whitman Varsity Dance Team was very busy. They had an outstanding performance at the Long Island Football Championship half-time show in Hofstra's Shuart Stadium, followed by a march onto Main Street as part of the Town of Huntington Red, White & Blue Holiday Parade. The team will next be performing at various Varsity Basketball games throughout the month of December.

The holiday season is upon us, and with it brings our music department's exciting winter concert series. To ensure an enjoyable, as well as, safe and healthy concert experience, the performing groups will be spaced over multiple venues, dates, and times.

The December winter concert schedule is as follows:

Stimson Middle School

December 7th – Orchestra - Walt Whitman HS PAC at 7:30 pm

December 9th – Chorus - Walt Whitman HS PAC at 6:30 pm
Jazz Band & Band, Walt Whitman HS North Gym at 7:30 pm

Walt Whitman High School

December 13th – Concert Band & Wind Ensemble - Walt Whitman HS North Gym at 7:30 pm

If you have any questions, please contact your child's guidance counselor at your earliest convenience.

Balanced Literacy Training

This week, teachers in Birchwood and Maplewood will continue with the second phase of this year's Balanced Literacy Professional Development. Teachers have been collecting student performance data from various literacy assessments throughout the school year. Our consultant, Mrs. Enid Martinez, will facilitate training on how to best utilize this information to enhance our instructional strategies. Teachers will engage in analyzing data as well as observe a model lesson lead by Mrs. Martinez. Thank you to our literacy coach, Mrs. Patricia Wilkinson, for her continued work in organizing these valuable sessions.

Winter Wonderland

Thank you to all of our teachers and staff that volunteered to read a holiday book at our Winter Wonderland. We appreciate you taking the time to provide the enjoyment of reading a good book to the children in our community. And special thanks to Dr. Michaelian, principal at Oakwood Primary School, for organizing the schedule for our teachers. It was great to see our staff and community come together to ensure this event was enjoyed by all!

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Please join a virtual workshop hosted by SEPTA, *Preventing Parent Burnout: Stress Management for Parents of Children with Special Needs*, on Wednesday, December 1st, at 7:30 pm. Extraordinary parenting responsibilities create extraordinary pressures on parents. At the same time, parenting a child with special needs requires energy, focus, and enthusiasm to be effective in a caregiving role. Ms. Dodie Daniels, Regional Coordinator, from Parent to Parent of NYS will be presenting. Registration is still open, <https://attendee.gotowebinar.com/register/8651313047185438992>. This webinar was coordinated by SH SEPTA with Parent to Parent of NYS exclusively for SHUFSD families. After registering, you will receive a confirmation email containing information about joining the webinar.

News from David Barth, Supervisor of Physical Education, Health, Athletics & Recreation

The Fall athletic season officially came to a close this past weekend. Congratulations to all of our coaches, student-athletes, and teams on a phenomenal season that saw over 600 students participate and 12 varsity programs represented in postseason play.

Winter sports are now in full swing, with gameplay already starting. Good Luck to all of our student-athletes and coaches as they embark on the new season. Visit SectionXI.org for the most up-to-date schedules. Spectators are welcomed at all home events, and away contests vary based on the school. Please reach out to your child's coach with specific questions. Currently, spectators are not permitted at Suffolk Community College for indoor track meets.

Visit our Athletics website for updated scores, sports offered coach's contact information, and more. All events taking place in the Walt Whitman North Gym, South Gym, and on the Turf Field will be live-streamed on the NFHS Network (www.NFHSNetwork.com).

It is holidays such as this that truly demonstrates the care and sense of community that we try and instill in our students. A special thank you for those who organized our food pantry, our students service and counseling departments, and the various clubs and individuals that put in the time and effort to host food collection sites. Your efforts and care do not go unnoticed, thank you!

Upcoming Events:

- Winter Concerts for the WWHS Orchestra and Band: Monday, December 13, 2021 in the North Gym at 7:30 pm

"Be curious, not judgmental." ~ Walt Whitman

News from Mr. Eddie Smith, Principal of Stimson Middle School

The Winter Wonderland celebration this past Sunday was a phenomenal start to the holiday season. It was so nice to see so many families in our community enjoy the different crafts and activities that both students and staff of South Huntington organized. An extra special thank you to the art teachers and the students of the Walt Whitman Art Honor Society for turning the hallways of Stimson into a magical winter wonderland.

It's that time of year where we get to hear the sounds of holiday cheer and watch Stimson Middle School's winter concerts. Tuesday, December 7th, Orchestra 7 and Orchestra 8 will be at 7:30 pm in the Walt Whitman PAC, and Thursday, December 9th, will be for our Chorus 7 and Chorus 8 at 6:30 pm in the PAC. The Band 7 and Band 8 concert will begin at 7:30 pm in the Walt Whitman North Gym. ***Please note the time and location differs from the school calendar.** All of the hard work and dedication by the students makes these concerts an enjoyable evening. I look forward to seeing everyone.

Please have your children prepared for outdoor recess and outside classroom time by bringing jackets, gloves, and hats with them to school every day. News from Mr. William Hender, Principal of Maplewood Intermediate School

We hope everyone had a wonderful Thanksgiving break with family and friends. An amazing time was had by all who attended our Annual Winter Wonderland, and it was great to see so many Maplewood faces amongst the crowd. Things here at Maplewood continue to be busy, as we head into the holiday season.

This week our PTA is hosting the Holiday Boutique where all students have the opportunity to purchase items ranging from \$.50 - \$12. We would like to thank all those who have volunteered to set-up, decorate, and assist students with their shopping. Without you, this event would not be such a huge success. Our Parent/Teacher Conferences wrap up this week, and our students are working hard on all the new skills to be worked on during the second quarter.

Next week, our students will participate in an "Hour of Code" where they will work with high school students, their teachers, and Mrs. D'Elia on various coding projects. Don't forget after-school Intramurals begin on Monday, starting with our 3rd graders, and continue on Tuesdays with our 4th graders, and Thursdays with our 5th graders. We look forward to all the excitement that December will bring.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Oakwood's halls were filled with smiles and excitement, as our students entered the building refreshed and recharged from the Thanksgiving holiday. Our young learners were eager to get back into the classrooms and begin a new week of learning at Oakwood.

Our Student Council Advisors, Mr. Toledo and Ms. Savitz, have coordinated some wonderful leadership activities in which our Student Council Representatives will assist in completing. This week, the Student Council "Gratitude Board" has recognized Ms. Mayra Natale, one of Oakwood's wonderful Teaching Assistants, and Ms. Schubert, our Pre-K SHIP teacher. We thank them for being a special part of the Oakwood Family.

Thank you to all of our staff, students, and families who joined the Winter Wonderland festivities! We know the children enjoyed all of the winter-themed activities. A special thank you to our amazing District for organizing such an incredible event.

Please take note that this Friday, Dec. 3rd, Oakwood is scheduled for Photo-Retake day. If you are having your child re-take their photo, please be sure to also inform your child's teacher.

Kindness continues at Oakwood and our students are loving our program. As explained at a recent assembly, students will get paper pom-poms for exhibiting positive character traits at school. Pom-poms are given to students while entering and leaving the building, in the hallways, at recess and lunch, and of course, in

Our first shopping day is coming soon, so please encourage your child to continue to be safe, respectful and responsible, it's the Oakwood Way!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We hope everyone had a wonderful Thanksgiving filled with family, friends, and food. For those who celebrate, we hope you are enjoying your Hanukkah celebrations as well. It is hard to believe that we are already turning the calendar to December as we prepare for all of the upcoming holidays and celebrations.

We would like to thank all of our families who joined us for our Fall Parent Teacher Conferences. We truly value your support and the strong home / school connection that we have here at Countrywood. Please be reminded that we are always here to support our families, and that if you have any questions or concerns, please reach out immediately.

Even though we still have several weeks left of after-school coding for our 2nd graders, earlier this week we opened up signups for our next session, which will be for our 1st graders. Registration is available via Parent Square on a first come, first served basis, and once the session is full we will start a wait list. We are also putting the finishing touches on our after school Theater program and hope to have signups for that wonderful program out very shortly.

Next week, Countrywood, along with the entire district, will be participating in the "Hour of Code." Students across our district will have an opportunity to learn Computer Science. Ms. Hall, our technology integration coach, along with WWHS student volunteers, will be on hand to assist our students and teachers as we complete various activities. Please check your Parent Square for important information and spirit activities for next week's coding.

Please mark your calendars for the PTA's Friday Night Holiday Sing-A-Long, which is scheduled for Friday, December 17th. This year, in order to keep our group sizes limited, we will be holding three, abbreviated sessions with capacity limits. Please be on the lookout for a flyer from our PTA with the details. Thank you to Mr. Slawitsky for partnering with the PTA for this wonderful event.

Please be reminded that whenever possible, we are going to continue to go outdoors for recess, as well as utilize the tent for lunch. We realize that there may be days when it is too cold to go outside for lunch, but still warm enough for recess. We

News from SEPTA – Maureen Basedow

SEPTA would like to thank our South Huntington Teacher for the Deaf, Ms. Lang. She presented an amazing virtual “Sign Along Holiday Program”. All of our families and students were very excited to learn holiday songs and greetings through sign language, and share with their families over the holiday weekend.

Our Holiday Raffle Fundraiser is ON! Buy a raffle for a chance to win a TD Bank \$500 gift card. Also, please join us on Wednesday December 1st, with Parent-2-Parent Agency webinar. Booster Club
Wildcat Chalk Talk Forum by The Booster Club

The Wildcat Booster Club is excited to introduce another membership perk this year! Our "Chalk Talk Forum" provides our South Huntington parents with a community specific forum to engage with other athlete families. Be it, general discussions, community talk, Stimson or Whitman athletics; the questions and conversations are yours. The forum is officially live and available to all booster club members. We hope our Wildcat families will take advantage of this new member exclusive resource. If you are not a member of the Booster Club, you can join online today at www.wildcatbc.org.

Wildcat Booster Club Membership

Did you know that the Booster Club makes money available to every sports program in the South Huntington UFSD. Coaches each year are able to take advantage of monies set aside for their program. This can be used for whatever they need. Some offset extra programs, while others may put towards purchases for their teams or program. The Booster Club does this in addition to the donations it makes to the district overall. This includes items like the Stimson scoreboard, the Volleyball team stanchions and much more. We are able to do this through money raised in membership, and the events the booster club holds throughout the year. The Booster Club benefits all of our students and community. You don't have to be the family of an athlete to join, but if you have an athlete in the South Huntington school district, you certainly should consider becoming a member, to help support the program that supports them. Join the booster club online at www.wildcatbc.org.

Annual Booster Club Raffle

Tickets for the Annual Booster Club Raffle are available for purchase online, at the Booster Club Concession, and from our student athletes. The drawing will take place live at the Murph-A-Thon on May 30, 2022. This year's raffle prizes are a Macbook Air and Air Pods donated by Carma Auto Concierge. The second prize is a 65" Smart TV donated by the Booster Club. Tickets are \$10 each. Don't miss out on your chance. Get your tickets today.
