Superintendent's Corner

As we continue our rapid march to the holiday season, I can't help but reflect on the charitable works taking place in our district. While our calendar is filled with the traditional holiday celebrations that we all enjoy, it is the countless acts of generosity that truly sets South Huntington apart. Whether they are donating books, toys, food, clothing, or time, our students, parents, and staff demonstrate a genuine commitment to those in need. There is a special level of care and empathy inherent in our learning community, and we could not be more proud of the kindness that characterizes our district family.

School Board Notes – A Message from the Board of Education

At tonight's Board of Education meeting the recognition of the 95th anniversary of the establishment of the South Huntington School District will take place as first item on the agenda. We are excited to share this moment and urge our residents, staff and students to attend. A celebratory cake will be shared with all. After the recognition we will be treated to a musical presentation by our Maplewood students, and directly thereafter will move into the business portion of the meeting. Please consider joining us – the meeting is at Maplewood Intermediate School and begins at 7:30 PM.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

The South Huntington Educational Foundation invites you to join them for a Wildcat screening of the movie "Home Alone" on Saturday, December 14th, at 11AM in the Cinema Arts Centre. Tickets are only \$10, and can be purchased at SHEFINC.ORG. This special screening offers a perfect chance to enjoy a warm holiday tradition, while supporting one of our district's premier support organizations.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

We would like to thank the numerous community members who have been participating in the various district career presentations, mock interview programs, and enterprise simulations. Your time and expertise adds practical application to our students' instruction, and provides priceless "real-world" connections for their classroom work. We are fortunate to have a wealth of professional talent in our community, and thank all those who give so selflessly to our schools.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The Student Services Department would like to take a moment to thank our Social Workers for all of their efforts during this holiday season. These are the unsung heroes who coordinate the countless charitable endeavors and tirelessly advocate for those in need. We are blessed to have this empathetic team in our district, and salute them for their "above and beyond work" in the community.

Student Health and Weight Status Reporting Survey - January 2020: Each year, the New York State Department of Health (NYSDOH) notifies a sample of public school districts to report the student weight status category and health conditions of children attending schools, i.e. Body Mass Index (BMI). BMI is a part of the required school health examination and is referenced to assess the prevalence of childhood obesity. This school year, South Huntington School District was selected to collect this information in grade levels Pre-K, K, 1, 3, 5, 7, 9, and 11 from the previous school year (2018). This information will be submitted to the NYSDOH by **January 30, 2020**. No personal identifying information about individual students will be included in this survey. **Parents/guardians, if you want your child's information to be excluded from the survey, then contact the school nurse by January 2, 2020.** For more information about this reporting requirement, please visit www.shufsd.org>Community>Health Information and Safety Alerts.

ALL PROJECTS WILL BE TURNED INTO THE FORUM DURING HOMEROOM

**News from Mr. Steve Toto,
 Principal of Silas Wood Sixth-Grade School**

All at Silas Wood are enthusiastically participating in the week-long “Hour of Code.” During “The Hour of Code” week, we celebrate with various events and activities. At the beginning of the week, we enjoyed a kick-off assembly to celebrate Code with a guest speaker in the field of computer science. Students are coding in wheel classes as well as in study hall and science classes. At the end of the week, the entire school will be coding. Lastly, we would like to spread the word about coding and show our coding spirit, with a variety of school-spirited themes, all week long!

Our annual “Giving Tree” has once again taken its place of honor at Silas Wood. Faculty, staff, students and families graciously support our “Giving Tree” by selecting “tags” offered on the tree specifying hoped-for items to be provided to local individuals and families-in-need to help make the holiday season as joyful as possible for one and all. Non-specified new (or very gently used) items are also welcome. We invite anyone who might wish to participate to stop by and “pick a tag” or make a drop off. Deliveries should be made to Silas Wood to the attention of Mr. Shaka Williams any time before our holiday break. Many heartfelt thanks to those who participate.

One and all at Silas Wood are “burst-our-buttons” proud of the energetic group of students, families, and staff who joined with members of NYCFC Soccer and Current Initiatives on The Laundry Project on Saturday, December 7th, traveling to help those in need washing/drying/folding their clothing and other washable possessions at a Laundromat in the Bronx. Not only did these individuals bring a vast amount of laundry supplies so kindly donated over the last six weeks, they also gave freely of their time and energy, bringing tons of heart and soul, making friends and connections (as featured on News12BX) with those whom they assisted. Thanks to one and all.

Speaking of energy, Kerboom Kidz, a fitness program designed for children of all ages to educate students on a healthy lifestyle in an upbeat way, will be held at Silas Wood on Wednesday and Thursday.

Looking forward to next week STEAM projects using Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking. Due dates and initial packet will be explained in detail to all Silas Wood students on Monday, December 16th.

If you have not returned your child's Emergency Dismissal Form, please do so as soon as possible. It is important that in case of an emergency early dismissal the bus driver knows who can take your child off the bus, if you are unable to make it to the bus stop. If we do not have a form and you are not at the stop, your child will come back to Birchwood to wait until you can pick them up.

Birchwood is proud to announce that Mrs. Barbara Wright has been chosen as Birchwood's Teacher of The Year for 2019-2020.

We would like to thank our wonderful PTA for hosting the Holiday Boutique. We appreciate the hard work and effort it takes to set up and run this activity for our students.

A Special Fundraiser

Mr. Keogh and Mr. Ciccarelli are offering a special fundraiser to the students of Birchwood. Mr. Keogh and Mr. Ciccarelli are raffling off tickets to a dinner for a student and a friend of a choice with us at Cheesecake Factory. If you are interested in participating in this raffle, please use the form that was sent home. The raffle is for all students at Birchwood, but the proceeds will go towards the New York City Field Trip.

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Our student council is now hosting their annual Toy Drive. They will be collecting donations throughout this week. Members of the Huntington Manor Fire Department will visit our school on Friday afternoon to pick up the toys. They will be distributed to some of our families in the community. We are so proud of our students for organizing this charitable event.

Mrs. Brendel and Mr. Dwyer, two of our fourth grade teachers, are hosting Mystery Reader sessions in their classroom. Parents, teachers and administrators have signed up and volunteered to participate in this activity. The students are very excited, and we appreciate all the volunteers who help get our students excited about reading!

Our fifth grade students are just about ready for the Goldilocks Trials which will be held in our school gymnasium. The trials will take place on December 16th, 17th and 18th. Please refer to the letter sent home by your child's teacher for information on when your child's class will attend. Parents are invited to join us.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We would like to thank our dedicated PTA for the special Teacher Appreciation Dinner organized for our staff last Thursday evening! The teachers enjoyed the company of their colleagues as they dined on Italian delights at beautifully decorated tables here at Oakwood! It means so much to our staff to have a PTA who cares so much about our Oakwood family!

On Friday, we welcome our Walt Whitman students who are volunteering their time to help support our Oakwood coders. Coding is a great learning experience for all!

Finally, please note the upcoming Family Reflection Night is scheduled for Tuesday, December 17th, and the topic is Acts of Kindness. A letter was sent home this week outlining various ideas to have a discussion with your child about ways to help others through Acts of Kindness. As a reminder, there will be no additional homework to ensure time for quality discussion and togetherness.

Wishing everyone a terrific week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

December is a busy month for us at Countrywood. Yesterday many of our classes participated in our second bi-annual Writer's Workshop Museum, where they had a chance not only to display a piece of their published writing, but also had an opportunity to look at pieces of work from their schoolmates. This event has quickly become a favorite amongst staff and students. This week we are also participating in the "Hour of Code." All classes are coding using iPads, Chrome books, Colby Robots and other technological devices. This Friday, our wonderful PTA, under the musical direction of music teacher, Mr. Slawitsky, will be hosting our Holiday Sing-A-Long and Craft starting at 6 PM here at Countrywood. Please RSVP to the PTA for this enjoyable event. Looking ahead to next week, many of our classes have special class events, please be on the lookout for specific information from your child's classroom teacher. Wishing you a wonderful Holiday Season!

News from Jackie's Arts Corner

Get ready for a sensational line-up of Holiday Winter Concerts! Come and share in beautiful music of this festive season by our very own South Huntington musicians. Thank you to Stimson for Monday evening's amazing musical presentation. BRAVO to ALL! Please check the district calendar for all scheduled concerts.

On Friday, December 6th, several Walt Whitman High School Art and World Language Honor Society students were given the opportunity to view the exhibit, Pierre Cardin: Future Fashion, which is the first New York retrospective in forty years to focus on the legendary couturier. Some of Pierre Cardin's most iconic work was inspired by space exploration and Math! Students viewed works that featured the designer's interest in geometric shapes (predominantly circles), parabolas and "Kinetic" Fashion designs in this exhibit. World Language teacher, Fiona Cardillo, and Art Teacher, Gina Tinucci, accompanied students on this

exciting trip to the Brooklyn Museum of Art.

The New York All-State Conference is one of the most prestigious music events of the year. This year we are proud to announce we had four of our students chosen to participate. They are as follows:

- Josh Muellers** – Mixed Chorus
- Juliana Sgaraglio** – Mixed Chorus
- Rena Shapiro** – Mixed Chorus
- Logan Slansky** – Symphonic Band

Josh Muellers was selected as the male soloist for the song “You Will Be Found” from Dear Evan Hansen. This is a huge accomplishment considering over 100 students auditioned for this solo. Congratulations go out to Josh and ALL our New York All-State musicians. BRAVO!!!

Justin Schuman, former Walt Whitman graduate, is performing now on Broadway in the **Tina Turner** Production. Justin starred in Walt Whitman’s *Guys and Dolls* and *Into the Woods*. After graduation Justin went on to Northwestern to study musical theatre. The Tina Turner Production is his Broadway Debut! Our congratulations to our Walt Whitman Alumni!
