Food for Thought

Sponsored by Hidden Smiles Orthodontics

"My own experience is use the tools that are out there. Use the digital world. But never lose sight of the need to reach out and talk to other people who don't share your view. Listen to them and see if you can find a way to compromise."

~Colin Powell

Superintendent's Corner

There is no question that 2020 is a year of firsts, and while we certainly didn't ask for many of the changes that have come our way, we have learned that if nothing else, life is incredibly unpredictable. Therefore, we find ourselves on the precipice of a major snowstorm, with the New York State Education Department offering the option of virtual learning in lieu of a typical snow day.

This pilot program could provide a tremendous amount of flexibility in terms of future calendar development. With that said, we do know that opinions are quite diverse relative to this issue, and as with almost every other issue these days, we are receiving almost exactly 50-50 input. We have people who are absolutely supportive of the modified, remote learning day for this Thursday, and others who are absolutely against any alternative to the traditional snow-day schedule. As with most things, we are going to try to strike a balance down the middle, respect all opinions, and do the best we can to account for all the variables. As a result, Thursday's school schedule will include a pilot-test modified, remote school day, which will run from 10 AM to 2PM in each and every one of our district buildings. That truncated schedule will provide our kids and parents a slower morning schedule for the purpose of digging out the house. Additionally, there is plenty of time for sleigh riding and snow-day activity any time after 2PM--so we tried to strike a balance.

The Silas, Stimson, and Whitman buildings will run from 10AM to 2PM, with 28-minute periods and 2 minutes for passing time. We recognize the unique nature of this situation and have provided teachers and students with a great deal of flexibility to employ both real time and independent assignments, Google meets, discussions, etc., based upon the age and circumstances of a particular course. While attendance needs to be taken for the day to count, we are allowing teachers the flexibility to work with their students in terms of assignment time and rigor, while remembering the energy associated with a snowstorm.

Similarly, at the elementary level we will also be going from 10 AM to 2 PM and taking a 30-minute lunch break from 12 to 12:30 with a "special" (such

optimum
by altice

as art or music) sometime towards the end of that 10AM - 2PM timeframe. Again, there will be a great deal of assignments, Google meets, and independent activities, and we will not under any circumstance expect a child or teacher to be tethered to their screen for hours upon hours.

Again, we have a four-hour remote school day window for Thursday. The process is a little different at the elementary and secondary level. However, teachers will be using combinations of real-time and independent learning in a manner that fits the individual class structure and dynamics.

The bottom line is that much like everything else this year, the dynamics are all very new to us. We are trying this virtual snow-day pilot with the expectation that our staff and students will rise to the occasion, as they have done in the past and carve a new path for our learning family.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Please be reminded that Thursday, December 17th, will be a modified virtual instruction day in response to the impending snowstorm. All schools will be operating from 10 AM to 2 PM with elementary students logging on as per their teacher's directives and high school students adhering to the modified bell schedule, but understanding that teachers will establish the parameters for work within those time periods.

Two years ago, after an extensive pilot program, the Curriculum Council and the Board of Education adopted the Amplify Elementary Science program for implementation in Grades K-5. The recommendation was for a phased-in approach over 4 years, allowing teachers at each grade level to receive professional development and master units at a pace that would prepare our students to take the Next Generation Elementary Science Assessment in spring of 2023. We are now in year two of the phase-in with all grades teaching a combination of two Amplify Units and two home-developed units, with the ratio of Amplify units to home-developed units increasing each year. The new program is a hands-on program focused on science phenomena, and COVID has created unique challenges for elementary science learning both in the in-person and remote environments. Fortunately, a unique strength of the Amplify elementary program is its emphasis on science literature (created by the Lawrence Hall of Science); this, plus a rich library of videos and simulations created especially to assist in teaching science under the current conditions, has allowed us to continue a rich elementary science program. We look forward to a complete phase-in of the complete Amplify program over the next two years.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

As the district's Covid-19 officer, I want to provide students, staff, and parents, a general reminder that the number of quarantines, remote restrictions, etc., increases considerably in the absence of masks. We know that everyone is experiencing a bit of "Covid fatigue," but do want to remind you all that masks, especially during meals (which can certainly be a challenge), are one of the keys to staying healthy.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

We are down to our final full week before the holiday break, and the level of generosity remains unprecedented in our schools. There is still time to give, and we encourage you to reach out to your school building's social worker if you have some good fortune that you like to share with a Wildcat in need.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Thank you to those that Zoomed in Monday for our parent/athlete meeting. While the news was not what we had hoped, the word postponed pertaining to Basketball, Wrestling, and Cheer keeps a small glimmer of light visible in the distance. In the meantime, we are a full go for Boys Swimming, Indoor (Outdoor) Track, Fencing, and Bowling. Please make sure you have up-to-date physicals for ALL sports this Winter just in case the Governor shifts positions. Unfortunately, the word postponed applies to Stimson, as well. If the Governor does not make a decision this week, we will OPEN the Final Forms portal for registration to stay ahead of the press releases.

Finally, please come by the North Gym garage this Saturday, as the coaches run their final FOOD DRIVE for the season. The St. Hugh's pantry needs our help, so let's see if we can't get 10 truckloads this week. It is the Season of Giving after all.

Stay safe and Happy Holidays to all the 'Cats.

News from Mr. John Murphy, Principal of Walt Whitman High School

To help spread some holiday cheer, the Walt Whitman High School student government would like for all students and families to participate in the first ever **Holiday Car Parade** at Walt Whitman High School. The car parade will take place on **Friday, December 18th, at 4:30 p.m.** In addition to the students participating, faculty and staff members will be here to support and cheer for the students and their creativity. WWHS GSO has also created prizes for those cars that show the most spirit, having the teachers on-site judge them. Please watch the attached video from our Student Government (ESGO) Officers about the upcoming event. We look forward to seeing you there.

WWHS HOLIDAY CAR PARADE

<https://www.wevideo.com/view/1963705397>

As we head into this holiday season, we are continuing our annual tradition of the Ugly Sweater contest. We ask that your child please support by adorning their ugliest sweater. It is our goal to help motivate and inspire students to participate to show their school spirit. We look forward to seeing the ugliest sweaters on December 21st and 22nd. Please take a look at the video from our junior class officers describing the event. Thank you and have a great day.

Announcement- Ugly Sweater

The Walt Whitman Giving Tree is back! If you are interested, please come to the Main Office and sign out a mitten to adopt a family. You can contribute by making a donation via eGifter, purchase a gift card, or donate any amount in cash. The last day of collection at the Main Office is Wednesday. Gift cards will be delivered on Friday. Please contribute and support our Walt Whitman students and their families.

What can you do to spread a little cheer this holiday season? Donate a toy to a needy family in the Huntington area. Over 660 families are registered with Huntington's Tri-CYA Project Toy. Let's make it our goal

to collect 660 toys and get one to each child in need in Huntington. Drop off a toy by Thursday. Students who donate will receive an hour of community service. This effort is being brought to you by the students in Child Development, class officers, leadership students, and all the clubs here at Whitman. Together we can make a difference! Collection boxes are in the Main Office, Rooms 213, 215 and 510.

While Walt Whitman High School may be a virtual unknown to our freshman, we would like to remedy that and alleviate any concerns you may have for your child's freshman year. As such, I'd like to formally invite you to join us on **Thursday, January 7th, at 7 p.m.**, to learn more about the high school, in a very responsible and socially- distant manner. While this meeting will also be done virtually, I believe that meetings such as these are very important and want to provide parents a physical opportunity to visit the high school and speak to us in person. During the evening's events, we will hold three sessions designed to introduce you to the various programs and activities offered, while limiting the number of individuals in each group. In each session, it is hoped that you will see the wonderful things Whitman has to offer as well as learn that everyone here at Whitman is looking out for your child's best interests. In order to assess how many parents are interested in physically coming to the high school for this meeting, I ask that you please contact the Walt Whitman Main Office at (631) 812-3804 to provide us with your name and your child's name.

Is your child having difficulty studying for tests? Are there certain subjects that make them worry? Tutorcats can help. We can set you up with a student tutor. Please email Mrs. Grady to sign up for help or stop by Room 517 to fill out a tutor request form.

News from Mr. Eddie Smith, Principal of Stimson Middle School

Stimson's **Restock the Pantry** Update: Today is Day 6 of our 10-day competition. We have made it past the halfway point, and our totals continue to be impressive. One of the fears the competition committee had was the idea that a 10-day competition would be too long. We wondered if kids would get bored and worried that donations would lag in the second half of the competition.

Once again, the Stimson families did not disappoint. Today's pasta donation was our biggest food item donation so far. In all, Stimson families donated 249 boxes of pasta. That's a lot of macaroni!

Four teams led the way with donations of more than 20 boxes of pasta each. Team 314 (Sciulli) made a strong statement with 43 boxes. Team 411 (Poller), trying to maintain first place, donated 41 boxes. Team 216 (Daniello) added 30 boxes, and Team 001 (Schmitt/Voorhees) added 21 boxes.

Team 411 extended its lead by 200 points; finishing Day 6 with 4,905 points. Team 216 is trying to keep pace and maintained 2nd place with 4,090 points. Team 311 moved from 5th to 3rd with 2,495 points, while Team 107 dropped from 3rd to 4th with 2,205 points.

For some strange reason, we still have 8 teams who have yet to make a move. Hopefully, they have something big planned as we move into the final days of the competition.

As if there wasn't enough drama in 2020, a snowstorm is threatening to derail our competition. Right now it looks like Thursday (12/17) which is an A

Group day is the day we need to be concerned about. Thursday and Friday are reserved for canned tuna, canned chicken, chicken soup, and canned beans. Group A students can drop off their items on Wednesday or Friday, if they would like. We will make sure they get delivered to your homeroom. However, it seems more logical to extend the competition 1 day. The final day would be Tuesday (12/22) which is also a Group A day. If we do extend the competition, Thursday's canned items collection will simply be moved to Tuesday. All the other days will follow the original schedule.

Again, thank you to all our Stimson Families for showing once again what makes South Huntington such a special place. I want to wish our entire South Huntington community a wonderful holiday break! Please take this time to relax, unwind, and stay safe. 2021 is sure to be better!

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

As our District is aware, Silas Wood has been dealing with a handful of positive Covid cases, which resulted in our entire school going on Virtual study from Wednesday to Friday last week. I am more proud than I can say of the manner in which the entire Silas family, students, and staff alike, rose to this occasion. One and all have demonstrated an awesome dedication to education, from the manner in which our students, our superstars, have persisted in their desire to learn, to our teachers' dedication to the craft of being educators, and, to the pitch-in-and-get-the-job-done spirit brought to Silas Wood by our staff members. While none of us will forget the challenges this difficult time of pandemic has presented to us, it is my sincere hope that we will always equally remember how much is brought to bear by a spirit of hard work, dedication, and cooperation! While we have now returned, through Tuesday, December 22 (our last day before Winter Break), to full-Hybrid mode with our building once again open to hybrid study, we join the rest of the District in planning for a fully-Virtual week (post Winter Break) from January 4 to January 8, 2021. We look forward to the reopening of the Silas building on Monday, January 11, with a B1 Day. Our January schedule is provided here for your convenience.

JANUARY 2021

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	A Day 1	A Day 1	B Day 1	A Day 1	B Day 1	
	B Day 1	A Day 1	A Day 1	B Day 1	A Day 1	B Day 1
		A Day 1	B Day 1	A Day 1	B Day 1	
	A Day 1	A Day 1	B Day 1	A Day 1	B Day 1	

Silas Wood is bringing the joy of the season to our building via our annual Holiday Door Decorations, some of which we look forward to sharing next week. In the meantime, staff broke out their construction paper and crayons, glitter and glue, to decorate a Silas Wood family of Gingerbread Folk to march down our main hallway; and here it is presented for your viewing pleasure - - and yes, that is a proudly-attired NYCFC Gingerbread Mr. Toto leading the parade!

Our entire staff joins me in wishing a happy Holiday Season to one and all. My guess is that we all look forward to wishing a hearty farewell to the year 2020! Let's all look forward to the return of health, well-being, and "normal times" for one and all in 2021!

Principal of Birchwood Intermediate School DISMISSAL REMINDER FOR STUDENTS GETTING PICKED UP

Please make sure whoever is picking up your child at dismissal is carrying the yellow pass we provided to you. This will speed up the dismissal process. If you do not have your pass you will need to sign out with one of the secretaries. If you need a yellow pass, please reach out to your child's teacher or ask a secretary at the dismissal area.

As the cooler weather arrives, please label all jackets, sweatshirts, hats, etc., so we can return them to your child if they get misplaced. We will be going outside as often as possible for recess and Physical Education Classes. Please remind your children to come to school in the proper attire.

To continue to ensure the safety of our staff, students and, their families we continue to follow the state guidelines of keeping windows open in the classrooms to provide for ventilation. We are asking students to be prepared with sweatshirts and other attire they may want just in case they feel chilly in the classroom.

Participate in the PTA by clicking on the link: <https://birchwood.memberhub.store/>

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

On Friday, December 18th, all students will be participating in the Jester Jim virtual assembly. Students will enjoy his comedy and juggling routines from their classrooms. Thank you to the PTA for providing us with this fun opportunity.

Also, look for the flyer shared by our PTA for a Virtual Glow Party that will take place on January 8, 2021. Parents should register for this event by Friday, December 18, 2020 using this link: https://docs.google.com/forms/d/1TCYfN-viDRPBMxOEilr6RHrl-8QtfD-E_AReP6cHEhx0/edit?usp=drive_web.

Please reach out to our PTA with any questions at maplewoodPTA345@gmail.com.

Our next scheduled Meet and Greets will take place on the following days:

Friday, December 18th – Mrs. Vargas/Mrs. Joyce

Ms. Cristine/Mrs. Carsten

Monday, December 21st – Mrs. Shadler/Ms. Pessonni/Ms. Nicosia

All times have been posted in the teachers' Google Classrooms.

We are happy to share that our third-grade students have received their Chromebooks. Virtual third-grade students will receive their Chromebooks during their Meet and Greets. Thank you for your patience and cooperation with waiting for these devices to arrive.

We would like to wish our Maplewood community a healthy and happy holiday season, and best wishes for the New Year! Enjoy the time with your family.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

A special thank you to all of our families who participated in our Parent Teacher Conferences. It was wonderful to see all of the families who participated in the virtual conferences. We value our partnership with you, and it is crucial to your child's success here and in the years that follow.

Oakwood's festive spirit is loud and proud as our classrooms are all decked out for the winter season! Be sure to check out our Instagram to see all of our festive doors! Remember share your holiday spirit by emailing us a picture of your front door by emailing mcolon@shufsd.org. We would love to showcase your family's door on our social-media accounts! Two classes per grade level will receive an extra recess period for their creativity and for showcasing their spirit. We will share Oakwood decorations this week and can't wait to see your holiday imagination come alive!

We continue our holiday donation collection with \$25 gift cards to local stores for the Giving Tree. Please contact Mr. Toledo, Oakwood's Social Worker by email: rtoledo@shufsd.org, or call Oakwood for more information! We thank you in advance for your kind generosity as we know your involvement in this heartfelt initiative will create a lasting appreciation from our families.

Also, upcoming for our Oakwood students will have the opportunity to view a special holiday treat! We registered Oakwood for a virtual field trip to view the Nutcracker performance brought to us by the company Poway on Stage! We are so excited for our students to participate in this classic story!

Also, as a reminder, if you are dropping off your child at arrival, please be sure your child is ready to exit the car with his or her mask on. We appreciate all of your help so we can swiftly move the cars out of the circle and start the day!

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us, please see the information below:

Instagram: [oakwood_primary_center](#)
Twitter: [@Oakwood_PC](#)

We would like to take this opportunity to wish all of our students and their families a very happy and healthy holiday season and a healthy new year ahead! We hope the holiday break allows you to spend time with loved ones, and we look forward to seeing everyone in 2021!

Wishing all of our families love, safety, and care!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

It has been another busy week at Countrywood as the staff and students prepare for the upcoming holidays. Thank you to Mr. Slawitsky and the PTA for a fun and festive "virtual" holiday sing-a-long last Friday night. A great time was had by all. Thank you to our students and staff for all of their creativity in celebrating the season in a COVID safe fashion. It is wonderful to see some semblance of normalcy during these challenging times.

As you are all already aware, the week of January 4th has been designated a remote learning week and our staff are in the process of sending home all necessary supplies and materials for virtual instruction. We apologize for the heavy backpacks this week, but wanted to be prepared for the impending weather, as well as our future virtual learning. Please continue to send your children properly dressed for the day's weather, as we are, whenever possible, still trying to get the students outside for recess and PE classes.

We miss seeing our families in our school building, especially around the holidays, and look forward to the day we can reopen our doors for parties

and other special events, until then, please continue to check out Countrywood's Facebook, Instagram, and Twitter pages for glimpses into a day in the life of a Countrywood student.

On behalf of myself and the entire Countrywood staff – we wish you a happy and HEALTHY holiday season and only wonderful things ahead in 2021!

Holiday Greetings from the Board of Education

This holiday season is one like no other that we, as a society, have ever experienced. COVID restrictions prevent the warm interactions, the holiday parties and social gatherings where we embrace the joy and fellowship that this time of year signifies. Yet we don't have to look far to see holiday activity taking place in our schools that benefit those in need. The food drives mean more this year than any other, and our South Huntington learning community has stepped up to meet this need. Our Board of Education is thankful for our staff who have endured and given so much for our students, and are so appreciative of our students' parents who have, with their children's best interests at heart, selected a learning platform and have worked successfully with the District during the ins and outs of what has been the most unusual school year. From the reopening plan and the purchase of massive protective equipment for students and staff, the year has progressed; and it does appear that with the vaccine being introduced, there may very well be a light at the end of this very long tunnel. With that hope said, every member of our Board of Education wishes each of our South Huntington families and our wonderful, caring staff, a most wonderful and meaningful holiday season with nothing but good will and good health for all.

News from South Huntington Educational Foundation, SHEF

🎁 Last year SHEF was happy to host a Wildcat screening of HOME ALONE and hear the squeals of delight from all ages... This year, bring the same magic into your home just like you see it here: [HOME ALONE with DISNEY+](#) and even try their new "group watch" feature for the holidays!

🛒 Get your [SHEF RAFFLE tickets](#) for a fabulous "Stay Cozy" gift basket that includes a beautiful set of cozy pillows and warm blankets, new mixing bowls with cookie and hot chocolate mixes, plus a 12-month subscription to Disney+ for new members.

*Winner will be announced on Wednesday, December 23rd, so be sure to follow SHEF on [Facebook](#) and [Instagram](#)
