Food for Thought

Sponsored by Hidden Smiles Orthodontics

“Courage doesn’t always roar. Sometimes courage is the quiet voice at the end of the day saying I will try again tomorrow.”

--Mary Anne Radmacher, American author and artist

Superintendent’s Corner

I hope you had a wonderful Thanksgiving and want to thank everyone for their extensive cooperation before, during, and after the holiday. There is no question that your enhanced communication relative to testing, visitations, etc., helped make a very challenging situation as manageable as possible. The bottom line is that the mutual trust that characterizes our district family has resulted in a genuine team approach to this really challenging and “kind of crummy” situation. While we can’t control or alter so many details of this pandemic, we have proven that a difficult situation can bring out the best in good people, and we thank you for all your partnership during this tough time.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

We live in a world surrounded by technology. We know that whatever field our students choose to go into as adults, their ability to succeed will increasingly hinge on understanding how technology works. But only a tiny fraction of us are learning computer science, and fewer students are studying it than a decade ago.

That’s why classrooms across our district will be joining our 6th Annual Coding Celebration, “The Hour of Code,” during Computer Science Week, which is December 7th – 11th. Over 100 million students worldwide have tried “The Hour of Code,” and this year your child’s class will participate too! Implementing “The Hour of Code” is a statement that South Huntington Schools are teaching foundational 21st Century skills and incorporating programming activities for our students. Bringing computer science activities to our students engages them in computational thinking, collaboration, and problem solving.

South Huntington’s “Hour of Code” activities were developed and organized by the district’s Technology Integration Coach, Mrs. D’Elia. All students in **Grades K-6**, both in-person and remote, will be able to participate in these interactive activities via their Chromebooks.

Additionally, this special week will also incorporate a Coding Spirit Week. Here are the daily themes:

The South Huntington School District is using Chromebooks this school year, K-12. To help keep your child safer and more scholarly online, we have adopted online services provided by **GoGuardian**.

How are we using GoGuardian?

We have chosen GoGuardian Admin and GoGuardian Teacher services to:

- Help protect students against harmful and inappropriate online material;
- Help students stay scholarly and more focused when learning online;
- Help assess students' progress towards class assignments;
- Facilitate communication (could be a chat feature or a Chrome book audio call) between teachers and students during in-person class time, as well as remote learning

When and how does GoGuardian operate?

GoGuardian's web-based services operate on our school's managed Google Suite for Education Chrome accounts (i.e., when a student is logged into Chrome or a Chromebook with his/her SHUFSD.org email address).

South Huntington School District helps protect your child during in-person class time, as well as remote learning. To that end, when a student is logged into Chrome or a District issued Chromebook with his/her SHUFSD.org email address, all digital activity is filtered and monitored 24/7. Any suspicious activity including explicit and/or self-harm searches/sites will send alerts to administration.

South Huntington School District enables teachers to use GoGuardian Teacher with students in their in-person classes and/or remote classes only during school hours from 7 a.m. to 4 p.m., Monday through Friday.

What are the school's responsibilities?

The South Huntington School District selected GoGuardian services to help our students stay safer and more scholarly online. We will work with students during class time to help teach them digital responsibility and safety. Additionally, we are in the process of training all instructional staff on how to operate GoGuardian and about our policies and procedures to help protect student privacy.

What are my parental/guardian and child's responsibilities?

We ask that students use their school-managed SHUFSD Google accounts and school-managed devices for educational purposes within the boundaries of The South Huntington School District [Internet Acceptable Use Policy](#). For more information, visit our Instructional Technology page, on The South Huntington School District website, located under the "District" tab.

When a student is off-campus, parents are responsible for supervising internet access and usage. We encourage you to discuss rules for appropriate internet usage with your child, and reinforce lessons of digital citizenship and safety with him or her. [Common Sense Media](#) is for parents/guardians and provides "digital citizenship" resources for family engagement. We also highly encourage you to report any potential cyber-bullying or other sensitive issues to your child's building administration.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

Thank you for all your patience as we adjusted bus routes to accommodate the full return of K-5 students for families who chose that format. It appears that things are operating efficiently relative to this transportation, and we encourage you to continue communicating if there are issues that need to be considered and addressed.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The members of the student services department would like to thank all of the staff, students, and community members who contributed so much to our "Thanksgiving outreach" endeavors. The generosity of this community was absolutely overwhelming, as empathy, kindness, and quiet strength have most certainly become a signature of our South Huntington family.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

The majority of our K-5 students are back in the classroom this week, and the sound of their in-person laughter is wonderful.

News from Mr. Eddie Smith, Principal of Stimson Middle School

I hope the entire South Huntington community enjoyed their Thanksgiving.

I want to share information about an event, **Natalie Symons**, a Stimson 7th Grader is organizing this weekend on Saturday. It is a food drive with a twist. Instead of the typical food collection, she is encouraging participants to actually ride/walk around the community on Saturday morning to purchase the food locally for donations to Huntington Station's Helping Hand Rescue Mission. Just a fun way to explore our great community while helping our neighbors.

Just a friendly reminder that Stimson will be holding its last Virtual Parent-Teacher Conferences on Wednesday, December 2nd, from 6-8 p.m. Once again, we strongly encourage that you log into your child's district issued Chromebook for the Google Meet. Please do not hesitate to contact our teachers if you have any questions.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Students, faculty, and staff arrived back at Silas after a long Thanksgiving break that was filled with relaxing time spent with loved ones. Even in this somewhat confusing year, we find ourselves beginning that most wonderful time of the year--Holiday Time at Silas Wood! The Holiday season offers a time to reflect on the year gone by. Most certainly we all are aware of the stresses that have come to us in 2020. Let's use this special season to remember all that we have to be thankful for; our wonderful South Huntington School District family and all the successes that we have worked so hard to navigate this year, plus our homes, our families, and our friends. We are grateful for each and every one of you.

Enjoying their change to second-quarter "Curriculum Wheel" classes, our

DISMISSAL REMINDER FOR STUDENTS GETTING PICKED UP

Please make sure whoever is picking up your child at dismissal is carrying the yellow pass we provided to you. This will speed up the dismissal process. If you do not have your pass, you will need to sign out with one of the secretaries. If you need a yellow pass, please reach out to your child's teacher or ask a secretary at the dismissal area.

Parent-Teacher Conferences

Birchwood will be holding their final virtual parent-teacher conferences on, Wednesday, December 9th. This will be a half-day of school for all our students.

As the cooler weather arrives, please label all jackets, sweatshirts, hats, etc., so we can return them to your child if they get misplaced. We will be going outside as often as possible for recess and Physical Education Classes. Please remind your children to come to school in the proper attire.

To continue to ensure the safety of our staff, students and, their families we continue to follow the state guidelines of keeping windows open in the classrooms to provide for ventilation. We are asking students to be prepared with sweatshirts and other attire they may want just in case they feel chilly in the classroom.

In these tough times, we have to do our best to focus on the good.

Welcome back to our third, fourth and fifth grade students who are attending school in-person five days a week! It has been a smooth transition and we are happy to see all the smiling faces. We celebrated with a "Maplewood Welcome Back Spirit Week."

Tuesday: Crazy Hat Day
Wednesday: Jersey/Sport Team Day
Thursday: Cartoon Character Day
Friday: Maplewood Spirit Wear

Follow us on our Instagram page, Maplewood_shufsd, to see some great photos of students showing off their school spirit.

Gentle Reminder...December 9th - EARLY DISMISSAL begins at 11:15 a.m.!

Have a warm and fantastic week everyone!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We hope everyone had a happy, healthy, and safe Thanksgiving. It is hard to believe that it's already December and we thank Mother Nature for cooperating with us, thus far, allowing our students to get outside for recess and PE Classes. A friendly reminder, students will be going outside whenever possible, so please send your children dressed appropriately for the day's weather.

It is so nice to have all of our kindergarten, first- and second-grade, in-person students back in school, and I know that they are enjoying interacting with their friends and teachers from a safe, social distance. Thank you to everyone for your patience as we continue to fine-tune our arrival and dismissal procedures in order to accommodate the additional car traffic. Please remember to have your gold pick-up passes displayed in the passenger window, and to pull up as close to the car in front of you as possible to allow us to get as many cars onto our property as possible.

Please be reminded that next Tuesday, December 8th, (6-8 p.m.) and next Wednesday, December 9th (early dismissal 11:15 a.m.), we will be holding

our last two virtual parent-teacher conferences. If you have any questions about your appointment time, please reach out directly to your child's classroom teacher.

In order to get everyone in the holiday spirit, our wonderful PTA, along with our fabulous music teacher, Mr. Slawitsky, will be hosting a virtual "Holiday Sing-A-Long" on Friday evening, December 11th. Please be on the lookout for more detailed information from our PTA in the near future.

It is very strange not to be inviting our families into our physical school building this year for our various holiday celebrations, and we can't wait for the day when we can safely reopen our building to our families and special guests. In the meantime, we remind you to check us out on social-media, where we are constantly posting pictures from the various classroom activities taking place on a regular basis.

A Message from the Board of Education

As a reminder to our residents, the board meeting of December 9th will be virtual for the public. The meeting will be live-streamed and a link will be available on our website—www.shufsd.org—that will enable you to watch the meeting from the comfort of home. Should you wish to address the Board with a question or concern, you will have the ability to do so through the Zoom platform.

We look forward and encourage our residents to participate in this manner. The meeting will begin at 7:30 p.m.
