### News from South Huntington Educational Foundation

You could hear the squeals of delight from the kids who were seeing **HOME ALONE** on the big screen for the first time this weekend and it was a great way to get in the festive spirit together! Many thanks to the Cinema Arts Centre in Huntington, to Pomodorino for their "Filthy Animal" inspired pizza certificates, and Einstein's Attic Toy Store in Northport Village, who donated certificates for every kid in attendance! We also very much appreciate those who purchased tickets and donated them back to the cause so fellow members of our community would enjoy this festive film!

❄️ From us and ours, to you and yours, the South Huntington Educational Foundation shares wishes for health and happiness for all in the new year!

## Superintendent's Corner

I want to wish the members of our South Huntington community a very Merry Christmas and Happy Hanukkah. I thank you for your genuine partnership throughout the year, and look forward to continued teamwork in 2020.

## News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Please join in congratulating Ms. Cheryl Irizzary, who has been named an Educator of Excellence by the Association of School Supervisors of Education Technology. Ms. Irizzary is an incredibly talented teacher who shares her many intellectual gifts with our school community and works tirelessly on behalf of students and colleagues alike.

The members of our Curriculum and Instruction office would like to wish our students, parents, and staff a joyous Holiday, and Happy, Healthy New Year.

## News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

Immediately upon return from the holiday break, our district team will begin advocating for a fair and equitable share of New York State Aid. It is no secret that our 2019-2020 aid appropriation represented the smallest increase in nearly a decade and necessitated considerable withdrawals from our savings. While we were fortunate to be in a position to close the state revenue gap, this current level of financing is unsustainable over an extended period of time. Our hope is to reach out to New York officials and ensure that South Huntington is on the radar during state budget development time.

The Business Office team joins in wishing a Merry Christmas, Happy Hanukkah, and a wonderful New Year to the South Huntington community.

## Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Our Student Services Department joins in thanking all of our faculty and staff members, as well as countless parents and residents for their tremendous generosity during this holiday season. We are blessed with a community that is rich and generous, and full of human compassion. Our student services family wishes you the very brightest of holiday seasons and New Year filled with good health and happiness.

See you in 2020!

**News from Mr. Anthony Ciccarelli,  
Principal of Birchwood Intermediate School**  
The Birchwood School Family would like to wish everyone a very Happy Holiday and a Happy New Year!

We are very proud of our entire Birchwood School Family and the gifts of giving they did for Project Hope. It was wonderful to see our entire school participate in this selfless activity that gave to the needy in our community. It was a true team effort to make a difference in the lives of others. Our staff and students should feel very special for the work they did.

During the last two weeks of school in December, Birchwood staff and students teamed up with Project HOPE (Helping Other People Eat). Each of our grades participated in a different activity. Third-graders decorated brown paper bags with colorful illustrations. Fourth-graders wrote notes of kindness and encouragement. Fifth-graders packed bags with food into the decorated bags and delivered to needy community members. This was a special activity that focused our students on giving to others. Our Birchwood Staff worked after school to create hot meals that went to feed many people in the South Huntington Community.

**Where in the world have you been?** As vacation approaches, I would like to remind you that we are collecting photos of our students on vacation wearing their Birchwood shirts or school colors (blue/gray) in front of a landmark or sign. Have your children write a brief description of their location on a 3 x 5 index card and send it in with the picture.

**News from Dr. Gayle Steele,  
Principal of Maplewood Intermediate School**  
Our Maplewood singers sounded wonderful at the Board of Education meeting. They were dressed to impress and performed songs in the spirit of the holidays. A special thank you to our music teacher, Mrs. Melillo, for preparing our students, and to all parents who were able to join us.

Our Goldilocks trials were fabulous. All students did a great job playing their part and demonstrated a solid understanding of our legal process. Thank you to all of our fifth grade teachers for their continued support of this partnership with Hofstra University and to all parents, friends and family members for attending.

This week will end with our annual Snowflake Dance. All classes will attend the dance on Friday, December 20th in our gym, and our teachers will participate in an ugly sweater contest. Looking forward to a fun time!

The holiday season is upon us and along with it comes a special feeling that people often say they wish would last all year long. The spirit of giving is prevalent, and it does not always have to present itself in the form of a gift. A kind word, gesture, or act of kindness, can make a difference in someone else's life as well as our own. These are the things that can leave life-long impressions and keep that spirit alive.

On behalf of the entire Maplewood staff, I would like to wish everyone a wonderful holiday season and much happiness in the New Year.

### News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

At Oakwood we have been enjoying the holiday season! The hallways have been filled with holiday smiles and excitement! Many parents, teachers, and students are creating beautiful Gingerbread Houses in class this week!

On Tuesday night, Oakwood families participated in the second Family Reflection Night for this year! The topic focused on Acts of Kindness, and was followed up by a conversation in the classroom the next day by teachers and students. This is the perfect time of year to focus on this topic as we all embrace these good deeds.

Our second-grade sing-a-long began on Wednesday and continued today. We truly enjoyed this special event at Oakwood, and we thank our music educator, Mrs. Pinelli, for all of her hard work and dedication to make the Sing-a-long a success! Finally, on Friday the entire staff will wear Holiday festive sweaters to celebrate the season!

We would like to take this opportunity to wish all of our students and their families a very happy and healthy holiday season and a healthy new year ahead! We hope the holiday break allows you to spend time with family and friends, and we look forward to seeing everyone in 2020!

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We hope that everyone has been enjoying the various holiday parties, shows and classroom activities that have been taking place throughout the week. We are sure that these festivities have helped to put everyone in the holiday spirit. A very special thank you to Ms. Layer, Ms. Workman, Ms. Van Tassell, Mr. Slawitsky, and Ms. Whitney, who serenaded our students during arrivals yesterday, and will do so again on Friday. By the size of the group that surrounded them, this is clearly a highlight of the holiday season. We would also like to thank our art teacher, Ms. Whitney, for transforming the outside of our main office into a Gingerbread House; it certainly adds a festive touch to the building.

We look forward to great things ahead for our Countrywood learning family in 2020 and beyond. We hope you enjoy the time off with family and friends, and we look forward to seeing you on Thursday, January 2nd when school reopens.

**School Board Notes –  
A Message from the Board of Education**

From the entire Board of Education, please accept our best wishes for a very Merry Christmas and a wonderful Hanukkah – no matter how you celebrate the season, may it be in the embrace of those that love you, and may you cherish the time together.

We will see you in 2020 and look forward to all the exciting happenings with our South Huntington learning family.

**News from Sheila's Food Corner**

As we say goodbye to 2019, the South Huntington Nutrition Services Program is taking time to reflect on the new ideas, foods and lessons we introduced and learned over the course of this past year. Our clients (students) are very discerning critics and definitely keep us “on our toes.”

We are looking ahead to 2020 and what is on the horizon for trends that encourage our students to join our program, at least on occasion. Keeping ahead of the curve is crucial to our success!

We love to hear from you, so please feel free to contact our office to chat and follow us on Instagram, FB and Twitter.

Happy Holidays to all. Rest, relax and most importantly--enjoy your families.
