"The two most powerful weapons in the world are patience and time."

Superintendent's Corner

There is no denying that this "all COVID all the time" existence is certainly dominating our time and thoughts. It is so very easy to get caught up in the urgent nature of this pandemic and forget about everything that is not related to viral containment. Nevertheless, there are certain dates that transcend place and time and truly beckon us to remember. December 7, 1941, originally coined "the day that will live in infamy" by FDR, is one of those critical moments in time that forever changed the fabric of our nation. At that fateful moment, a sleeping giant was roused, and the men and women of the Greatest Generation were called to service. We thank all those families who sacrificed so much for liberty and will always remember the sacrifices that fought back the oppression of dictatorship.

News from Deputy Superintendent

Dr. Joseph Centamore in the Curriculum Office

Over the past two years, the South Huntington K-5 elementary math committee met to discuss how to best support our elementary students in learning mathematics. After researching many math programs, visiting other school districts, listening to presentations from different companies, and doing an extensive pilot, the committee ultimately recommended Ready Classroom Mathematics (RCM). With support from the district's Curriculum Council and Board of Education, the district adopted this research-based program that promotes students to become independent thinkers and is aligned to the iReady diagnostic assessment that all our students take three times each year.

In May, our teachers received professional development focused on implementing RCM. Throughout this school year, our teachers and administrators continue to receive coaching from trained professionals focused on using RCM to support our students both remotely and in-person effectively. We will continue to receive professional development over the next few years to ensure our students are independent thinkers and have a solid foundation for success in their mathematical education.

trict (although they look a bit different at times) and really want to celebrate student and staff accomplishments. Please feel free to forward your building principal or our district office those items that might raise spirits and remind the members of our learning family that there are still reasons to smile despite challenging winter months.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

A special acknowledgment and thank you to the local Girl Scouts for coordinating this year's toy drive. Over the past several years, the Girl Scouts have coordinated collection efforts so that our district's social workers could distribute them to our young elementary students during the holiday season. Our building-level social workers are also in the process of collecting donations for the "Giving Tree." For additional details regarding what you can donate and how, please contact your child's school.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Final Forms for the High School Winter Sports season is open for the following sports - Boys/Girls Fencing, Boys/Girls Winter Track, Bowling, and Boys Swimming. You must bring your up-to-date sports physical to the school nurse's office as soon as possible. Make sure to complete your Health History paperwork in Final Forms. Parent and student must sign the forms electronically.

News from Mr. John Murphy, Principal of Walt Whitman High School

**News from Mr. Eddie Smith,
 Principal of Stimson Middle School**

It is no surprise that the Coronavirus has affected almost every aspect of our lives. Local food pantries have done an incredible job keeping up with the growing need for food during these uncertain times. Over the years, Stimson students, through our annual Penny Wars competition, have generously donated thousands of food items to the food pantry at St. Hugh's. However, because of current social-distancing guidelines, this year's competition had to be cancelled.

So, to try to help our community while having a little fun, Stimson will run a two-week "Restock the Shelves" homeroom competition. The competition is simple, bring in the correct food items on the assigned days and earn points for your homeroom. At the end of the competition, the homeroom with the most points will be treated to an in-school field trip in January where they will have the opportunity to relax, watch a movie, eat popcorn, and sip on hot chocolate.

What about Mondays? One of our 8th graders, **Harpreet Rattu**, is collecting items for the men and women serving in our military. Monday (December 14th), and Monday (December 21st) will be Military Mondays. Students will be asked to bring in items for our service men and women to earn additional points for their homerooms. More information on Military Mondays will follow in the days to come.

As in years past, we will be presenting our traditional *Silas Wood Giving Tree* which is up in our main lobby. This year, our Giving Tree, with tags indicating gifts requested, will be available to all staff.

For our Silas Wood families, if you would like to donate monetarily (not via a gift card), you can use the Group Gift link for *Egifter* which provides an alternative that is as effective and secure as donating via a physical gift. The distribution of monetary donations will be overseen by Mr. Williams, Mr. Toto, and staff at the South Huntington UFSD District Office.

We invite you to share the link with your family and friends.

News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

Social Emotional Learning in Homes & Communities

Social and emotional learning starts at home. Parents and families are critical partners in helping their children develop social and emotional know-how. They can model the kinds of skills, attitudes, and behaviors we want all students to master. This week, members of our Social Emotional building team began visiting classrooms and reading to the children. Classrooms discussions centered on the theme of emotional regulation using the book, *Ish*, by Peter H. Reynolds. Our SEL Team will collaborate with the entire Birchwood staff so that we can continue to focus on the emotional well-being of our students and help them manage these challenging times. The following is a list of resources that focus on the role of parents and parenting in social and emotional learning (SEL).

Websites:

- Parentingchangemakers.org: Offers resources with a focus on building four skills in family life: empathy, teamwork, new leadership, and change-making. The process helps parent's problem-solve for them and leads families and communities in addressing the issues that are most pressing to them.
- Commonsensemedia.org: Reviews movies, apps, video games, and other media available to children. Each movie, for example, lists a parent-level age rating, along with a kid's perspective of the appropriate age level.
- Confidentparentsconfidentkids.org: The only site for parents that focuses explicitly on actively promoting kids' social, emotional, and ethical development.
- Greatschools.org: A community resource to find and share information about schools. You can type in any school, city, or zip code and get demo-

DISMISSAL REMINDER FOR STUDENTS GETTING PICKED UP

Please make sure whoever is picking up your child at dismissal is carrying the yellow pass we provided to you. This will speed up the dismissal process. If you do not have your pass you will need to sign out with one of the secretaries. If you need a yellow pass, please reach out to your child's teacher or ask a secretary at the dismissal area.

As the cooler weather arrives, please label all jackets, sweatshirts, hats, etc., so we can return them to your child if they get misplaced. We will be going outside as often as possible for recess and Physical Education classes. Please remind your children to come to school in the proper attire.

To continue to ensure the safety of our staff, students, and their families, we continue to follow the state guidelines of keeping windows open in the classrooms to provide for ventilation. We are asking students to be prepared with sweatshirts and other attire they may want just in case they feel chilly in the classroom.

different ways we participated!

Our virtual classes are planning additional meet and greet opportunities for this month. Your child's teacher will have specific information posted in their Google Classrooms.

Please remember to send your child to school with proper clothing for the colder weather. We continue to do our best to get our students outside for recess and physical education classes as much possible, so please make sure they are dressed appropriately and come to school with warm jackets.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

The month of December is delightful at Oakwood as we head into another exciting month!

We continue with our Parent Teacher Conferences and look forward to engaging in conversations about your child's academic progress. Our upcoming *EARLY DISMISSAL* for Parent Teacher Conferences is on Wednesday, December 9th. For students getting picked up from Oakwood, we will start dismissal at 11:15 a.m. for our 2nd Graders, 11:25 a.m. for First Graders, and 11:30 a.m. for our Kindergarten students.

Our teachers are decking the halls with winter spirit! This month, Oakwood is extra festive with our First Annual Door Decorating event! Two classes per grade level will receive an extra recess period for their creativity and for showcasing their spirit. All families are also welcome to join in the fun by decorating their doors at home and emailing your photos and names to mco-lon@shufsd.org for us to post on our social media. We will share Oakwood decorations and can't wait to see your winter imagination come alive!

We continue our holiday donation collection with \$25 gift cards to local stores for the Giving Tree. Please contact Mr. Toledo, Oakwood's Social Worker, by email: toledo@shufsd.org or call Oakwood for more information! We thank you in advance for your kind generosity, as we know your involvement in this heartfelt initiative will create a lasting appreciation from our families.

Also, as a reminder, if you are dropping off your child at arrival, please be sure your child is ready to exit the car with his or her mask on. We appreciate all of your help so we can swiftly move the cars out of the circle and start the day!

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us please see the information below:

day's temperatures. In addition, in order to allow fresh air to circulate in our classrooms, our staff are keeping windows open. Please be sure that your child has a sweater or sweatshirt in the event that the room is a bit cooler than usual.

This week several of our classes have been celebrating the "Hour of Code," learning various ways to practice code using their Chromebooks. Thank you to Ms. D'Elia and our technology coaches for assisting us in this worthwhile endeavor.

On Tuesday we held our photo re-take day, thank you to our PTA for organizing the day. Tuesday evening, we held our evening, virtual parent-teacher conferences, and Wednesday we will have an early release, with busses departing Countrywood at 11:30 a.m. for the last of our virtual Parent-Teacher Conferences. If you have any questions about your conference time, please reach out directly to your child's classroom teacher.

Looking ahead to this Friday, our PTA, along with Mr. Slawitsky, will be holding a virtual Holiday Sing-A-Long. Please check out the flyer for more details on this fun event. Thank you to Mr. Slawitsky and our PTA for coming up with a fun, COVID friendly way of celebrating the season.

We wish you a wonderful, HEALTHY week ahead!

A Message from the Board of Education

As a reminder to our residents, the board meeting of December 9th will be virtual for the public. There will be a virtual Holiday Presentation with our Birchwood students – wonderful expressions of the holiday season!

The meeting will be live-streamed and a link will be available on our website—www.shufsd.org—that will enable you to watch the meeting from the comfort of home. Should you wish to address the Board with a question or concern, you will have the ability to do so through the Zoom platform.

We look forward and encourage our residents to participate in this manner. The meeting will begin at 7:30 p.m.

News from School Nutrition Services

MEALS DURING HOLIDAY BREAK

Our School Nutrition program wishes to make sure that any of our district families in need will have the opportunity for healthy meals during their time at home for our upcoming holiday break. For this reason, SHNS will be providing breakfast and lunch meals to our students which may be picked up on December 22nd at Stimson Middle School. Each student will be provided a breakfast and lunch meal in bulk-kit fashion for a maximum of 7 days of meal servings. The package will include the week's menu component suggestion, as well as the heating instructions, if necessary.

All families interested in participating in this service must sign up beforehand. **The registration is online on our District website/School Nutrition/Quick Links.** The deadline for early sign up is Wednesday, December 16th. It is necessary to register beforehand to ensure we have enough

Even the Grinch celebrates the hour of code... and he's so, you know, *grinchy!*

Fun Fact: Coding jobs are growing faster than the actual job market and coding becomes more relevant and popular with each year!

SHEF fundraises year-round to enhance opportunities for Wildcats K-12 supporting our young learners in all areas including technology. Next week, Wildcats will be participating in coding activities to celebrate too!
