“Act as if what you do makes a difference because it does.”

- William James

The South Huntington School District is pleased to announce that Huntington **Medicenter** (<https://www.medicenterny.com>), under the direction of Robert E. Scully MD, FACP, has made a generous donation in support of district-wide student events and programs.

Superintendent's Corner

I want to take this moment to wish our community a very happy holiday weekend. I hope the week off provides the members of our school community a chance to dial back the pace a bit and recharge your batteries for the springtime journey to come.

News from South Huntington Educational Foundation, SHEF

 SHEF recently awarded five faculty members with Public Information and Education mini-grants that will have immediate impact on students district-wide, from early childhood speech services, to diversifying young reader library choices , to middle school intramurals gaming , and supporting greater personal fitness concepts in high school with lifetime fitness activities.  The foundation works year-round to fundraise in an effort to support such initiatives for our faculty and ultimately our students.

✨ The South Huntington Educational Foundation invites you to become a member and join us in supporting your Wildcat through all their years. We welcome your ideas and talents to join us at our monthly meeting as we grow our network throughout the community. For more information, visit SHEF.ORG and we look forward to meeting you! ✨

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

Our South Huntington Team continues to advocate for a fair and equitable portion of New York State School Aid. To this end, our team has been studying the aid distribution throughout Long Island and compiling data, which clearly demonstrates that South Huntington is not receiving a share of New York State funding commensurate with either our need or outstanding results. You can view the most recent advocacy letter to our New York State lawmakers by [clicking on this link](#) or visiting our district website.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The New York State Education Department has issued a Coronavirus informational letter which provides some general information about the disease. Fortunately, the virus is not active in our region, but we posted the letter on our district website simply for informational purposes.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Congratulations to the following outstanding wrestlers who qualified for the County Championship Meet. These fine athletes performed with distinction at last weekend's League Championships, and will undoubtedly continue to make us proud.

Girls Track State Qualifier Results

Congratulations to the Girls Winter Track Team on another stellar performance at Monday night's Section XI Track and Field State Qualifier Meet. The team was led by **Aniyah Walters**, who placed 1st in the 55m hurdles in a personal best time of 8:20 which qualifies her for States!

Grace Weigle knocked 21 seconds off her best time in the 3000m, and finished in 4th place and qualified for All County.

Gianna Paul placed 1st in the 300m dash and has also qualified for States!

The 4x200m Relay team (**Pommells, Walters, Schreiber, Doddo, Paul**) placed third, and will now prepare for Winter Nationals.

News from Mr. John Murphy, Principal of Walt Whitman High School

Walt Whitman High School would like to congratulate all the performers at last Friday night's Xanadu Benefit Concert. The talent and energy on stage was absolutely incredible to witness. Special thanks to Mr. Pipolo and the Xanadu staff for organizing such a great community event!

perience our PTA-provided, fascinating, and enlightening assembly *Mummy Makers!* Ancient Egyptian embalmers (aka museum educators) prepared "Mr. Ulysses Penn" for his journey to the afterlife! Using fabricated mummies, students explored the process of mummification as they witnessed each step of this ancient art with *Mummy Makers* incorporating math and science along with studies of ancient history.

On Tuesday evening, Silas Wood Orchestra students were thrilled to have a taste of what their musical future holds when they had the opportunity to participate in the Black History Month Presentation in the PAC at Walt Whitman His School. A delightful evening of music was provided by all participating in this inspiring event!

Silas Wood staff and students look forward to joining the rest of our SHFSD family in wearing purple on Valentine's Day-Friday in encouragement of Mental Health Awareness. Way back in September, Silas Wood was challenged to do its best to surpass our Stimson Middle School buddies in staff-PTA sign ups! Coming in at a whopping 98 percent, we won the challenge, and on Friday, February 14th, much to our delight, we look forward to being treated to a pancake breakfast cooked and served by none other than Stimson's own Mr. Ed Smith! I, in particular of all our staff, look forward to having breakfast prepared by Mr. S., and he can be sure everyone at Silas will arrive with appetites intact! Thanks, Ed!

Speaking of Valentine's Day, a sweet surprise awaits all Silas Wood students when they will be treated to complimentary holiday-themed ice cream sundaes personally served up by Mr. Toto and friends! Each lunch period promises to be a luscious event with whipped-cream topped delectable, scrumptious, ice cream confections for one and all!

Looking forward to Winter Break next week, keep in mind this Japanese Proverb: "One kind word can warm three winter months." Wish- ing a safe and happy break to all.

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School
Our student council officers - **Jack O'Connor, Logan Walker, Sydney Henkel, Alexa Kuenstler and Ella Brenner** - did a wonderful job reciting poetry and other original pieces at the Black History Celebration at WWHS. We are so proud of our students and for all that participated in recognizing our diverse backgrounds. It's great to see our youth honor the legacy left behind by those that fought for us to be comfortable with who we are as individuals, and take advantage of the opportunity to work together to make a difference for many.

Thank you to our PTA for facilitating a great PARP week! Each day was filled with activities and prizes that were enjoyed by all of our students. Congratulations to our winning classes for reading the most minutes:

- 3rd Grade- Mrs. Dulberg/Mrs. Rubino
- 4th Grade- Mr. O'Connor
- 5th Grade – Mr. Fauci/Ms. Rasdall

And congratulations to all the students that guessed our mystery book- Charlie and The Chocolate Factory by Raold Dahl. Great job everyone!

All third grade classes participated in a Matterbox Science activity this week. The students were engaged in a video conference with a scientist from Dayton, Ohio. They were able to conduct an experiment on the changing states of matter. Thank you to Mrs. Rubino for organizing this for our classes. This was a wonderful learning opportunity for our students where they became scientists for a day!

We look forward to the Jump Rope for Heart activities that will begin in our physical education classes when we return from break.

Have a wonderful Winter Recess!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

This week at Countrywood we have been participating in the P.S. I Love You – Kindness Challenge. Each day, students have been working to earn hearts on our building Kindness Tree. A very special thank you to Ms. Farmer and Ms. Kushner for all of their hard work in bringing this program to our Countrywood Family. A friendly reminder to wear purple on Friday in support of this wonderful program, supporting mental health, and standing up against bullying. On Tuesday evening, in honor of Black History Month, we were treated to a wonderful musical presentation from Ms. Cariello's class, under the musical direction of Mr. Slawitsky, and accompanied by Ms. Workman and Ms. Cariello. Students did a beautiful job singing "It Don't Mean a Thing" by Duke Ellington. Wednesday night SEPTA (Special Education PTA) held their annual transition meeting at Birchwood where we got to meet and welcome some of our incoming Kindergarten families and answer questions about the various special education programs that we offer here at Countrywood. Special thanks to Dr. Lecci, our school psychologist, and Ms. Tizzano, our behavior specialist for coming out in support of this worthwhile event.

Today was a very special day in a primary school building – the 100th Day of School. Several classes celebrated with various ways of making 100. Please be sure to check out Countrywood on Social Media, as we are always posting pictures of all of the fun, educational, and creative events taking place. Kindergarten registration is right around the corner. If you have a child who will be entering Kindergarten in September, or know of any family or friends, please
