## **News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy & Dr. Gayle Steele**

### Kindergarten Information Night

Flyers with details about our Kindergarten Information Night have been shared with our local preschools and posted on our District Website. The event will take place on **Monday, March 14, 2022, from 6:30 p.m. - 8:00 p.m. in the Performing Arts Center at Walt Whitman High School.** We are excited to welcome a new group of families and young learners to our South Huntington School Community for the 2022-2023 school year. Although the district kindergarten registration has already opened, we want to ensure that families experience a seamless transition into our schools. Please share this information with any families in our community that may benefit from attending this informational evening regarding our kindergarten program.

### Elementary Theater

Great job to all of the performers at the Birchwood and Maplewood musical presentation of Jukebox Time Machine. The students were fabulous! Thank you to Mr. Slawitsky and team for their hard work and dedication to giving our elementary students an opportunity to show their talents. As always, we thank their parents and members of the community for their continued support in ensuring that the Arts remain an important part of our educational environment.

### i-Ready Winter Diagnostic is Complete

South Huntington would like to announce that the second round of i-Ready diagnostic testing is complete. Parents will have an opportunity in the coming week to be able to access these scores through the use of Infinite Campus Parent Portal backpack. These scores allow the teachers to change and adapt current instructional techniques to better fit the needs of students, with the goal of having them reach academic benchmarks at the end of the year. As always, if you have any questions about the diagnostic testing, we ask that you please contact the Office of Curriculum and Instruction or your child's principal at any time.

### Quarter 2 grades are posted on Parent Portal

We wanted to inform all parents and community members that your child's 2nd marking quarter grades have recently been posted on the Infinite Campus Parent Portal. We encourage you to take a look and see how your child is progressing academically.

## News from Mr. Kenneth Costa, Principal of Walt Whitman High School

• WWHS Celebrates Black History Month and Mindfulness:

This week's lessons of Black History and Mindfulness is centered on gratitude. "Gratitude is a warm feeling of thankfulness towards the world, or towards specific individuals." We would like to recognize our student leaders who created a series of PSA's and posters that were hung throughout the building on "gratitude."

• On February 17, 2022, South Huntington School District will celebrate Black History during the Black History Program at Walt Whitman High School. Presenters, speakers, and dancers from around the district will highlight and celebrate Black History. Thank you, in advance, to Ms. Johnson and all of those who participated in this wonderful event.

• Today, we were fortunate to have James Orrigo come to Walt Whitman for his *Lad in a Battle* presentation for our freshman and sophomores. James Orrigo is a Social Entrepreneur & Motivational Entertainer who uses original music to entertain as well as personal stories to inspire. When he was in high school, he suffered a severe brain injury. During his recovery, he discovered a passion for using music to help others, especially his mother battling terminal cancer. His life is a testament to the power of never giving up & living purposefully through service to others. This topic is always very important but is even more critical now in the times of Covid, when so many of our students are struggling with so many issues. This assembly was also in line with our mission for the month of February to address the social-emotional needs of all of our students.

• Some special congratulations to Ms. Bouchard and Mr. Ferraco for being named a New York State Master Teacher in Science!

• Walt Whitman is leading the way on Long Island for our use of the 3D virtual lab/dissection tables. Congratulations to Ms. Roche and Ms. Abbondandolo who showcased our Anatomage Virtual Dissection Tables for a team of administrators and teachers from other school districts.

• Special thank you to Ms. Zamow and all of the Seniors for this year's Senior Follies. The show was one for the record books with nearly 400 people in attendance. Thank you for all of your hard work and dedication in making this a special event for so many students and staff.

• Teacher for a Day is a really fun event with a rich tradition at Stimson and now it's coming to Whitman. Our sophomore class government is bringing it to Whitman this year with a little bit of help from the faculty. On Friday, March 18th, those teachers who are participating will take a student under their wing for the day and allow the student to take the helm in teaching for a day. This is a great opportunity to hang out with one of our teacher or administrators for a whole day. Raffles will be sold in the cafeterias over the course of

### News from Mr. Michael Duggan, Principal of Stimson Middle School

A heart-felt thank you goes out to the entire South Huntington community for the warm welcome I've received this week. Joining Stimson as principal is an honor and I am so appreciative of the staff and students for welcoming me with open arms. It is important to share how respectful, thoughtful and friendly your children have been. They are showing me each day what it means to be a Wildcat!

A big thank you must go out to Mr. Smith. It is evident that he had a huge positive impact on Stimson middle school and I'm excited to continue some of the great work he started. Mr. Smith is a collaborative leader and I'm so thankful that I will be able to work with him in his new role at the District Office.

The second quarter report cards were posted last week, so this is a perfect opportunity to review grades and work with your children to create goals. Take advantage of our homework help program after school on Tuesdays, Wednesdays and Thursdays. Staff and peer tutors are there to help answer questions and provide support. Please contact Mr. Kellerman with any questions.

Finally, I hope that everyone has a restful and enjoyable mid-winter recess. The days are starting to get a little longer and hopefully warmer when we return.

### News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Something different and super exciting at Silas Wood is our new Makerspace Green-Screen Room. Students and staff are having a ball creating and viewing the results of this fabulous green-screen technology as can be seen [here](#). Great work, Silas Superstars, with a special shout out to Ms. Patino and Ms. Wyhowanec for their time and expertise in getting this new project off the ground!

EVERY CHAMPION STARTS IN A KART

We were gratified to receive this lovely acknowledgement of our student and staff contributions to the annual Heavenly Hats fund raiser. Their letter sums it up beautifully! Thanks, again, to all who contributed.

Please be sure to review my Feb. 7 post on Parent Square for all information and important dates on our upcoming STEAM FAIR!

A relatively "light" activity week offers an opportunity to look forward and mark our calendars for just a few of the exciting events upcoming through the remainder of the school year. Coming on March 18, 19 & 20 on stage at Stimson Middle School: the musical *Frozen* featuring the talents of Stimson and Silas students; Thursday, April 7 promises an exciting and informative Spring Career Day, when family and friends of SW students/staff will be welcomed to discuss their careers—the who, what, why, when and how of their selected professions; also watch for more information to come on the annual SW field trip to Adventureland (in Farmingdale) on May 23; our End-of-the-Year Luau Party on Friday, June 3, and SW Field Day on June 9.

After a snowy February featuring blizzards, wind, and ice with the groundhog seeing his shadow (meaning six more weeks of winter--oh no!), the Silas Wood family joins the rest of South Huntington looking forward to our mid-Winter Recess and a chance to rest and recharge! We will return on Monday, February 28 (a SW Day 2); in the meantime, remember: *To appreciate the beauty of a snowflake it is necessary to stand out in the cold.* ~Aristotle

We are so excited that SHUFSD will be offering STREAM Saturday to our K-5 families on April 9th at Maplewood from 9-12pm. This is a free event and all are encouraged to register! Registration is open until March 9th

**News from Mr. William Hender,  
Principal of Maplewood Intermediate School**

Our kindness week at Maplewood Intermediate School is off to a great start as our students have enjoyed dressing up each day and discussing ways in which they can be kind citizens. The team building exercises and presentations have reinforced these important concepts and we hope our students will continue to perform acts of kindness.

This week we had Whitman students from the National Business Honor Society here at Maplewood to present the Junior Achievement "More Than Money" program to our 5th grade students. Students were introduced to financial literacy and entrepreneurship as they learned key concepts to money and running your own successful business. A special Maplewood "Thank you" to club advisor Mrs. Stueber for all her efforts in bringing the program here.

Lastly, on Saturday, February 12th the students of Maplewood put on a wonderful performance of *Jukebox Time Machine*. It was amazing to see how talented our Maplewood students are!!! A special "Thank you" to Mr. Slawitsky and his crew for all their hard work in creating such a memorable day.

**News from Dr. Annie Michaelian,  
Principal of Oakwood Primary Center**

Washington, The Tuskegee Airmen, Harriet Tubman and Louis Armstrong, and Jackie Robinson. On Thursday evening, at Walt Whitman High School, please join us as the District celebrates Black History Month with a beautiful program beginning at 7pm. We thank Ms. Morabito and our students for all of their hard work for their performance. We can't wait to see you perform!

Students exchanged their earned Kindness pompoms for exciting new incentives such as erasers, fidget spinners, pencil grippers, and much, much more! Our students are enjoying being rewarded for positive acts and displaying safe, respectful and responsible behaviors.

Our Student Council continues to recognize two outstanding members of the Oakwood Family. This week, the Student Council "Gratitude Board" has recognized one of Oakwood's secretaries, Ms. Stiles and one of Oakwood's Speech Pathologists, Ms. Cavalieri. We thank them for always supporting the Oakwood Family! If you would like to send in donations for this program, the Student Council is collecting \$10 gift cards to distribute each week.

Next week brings winter break. Please be reminded that there is no school next week, February 21-25. Our doors will reopen on Monday, February 28th. We hope everyone has a restful and warm winter break.

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us, please see the information below:

**News from Mr. Mitchell Levy,  
Principal of Countrywood Primary Center**

It is hard to believe that we are only a few days away from the February, Mid-Winter Recess. We wanted to wish everyone a wonderful week. For those of you traveling, have a wonderful time with family and friends. A reminder that last week report cards were posted to the Infinite Campus Backpack (Parent Portal). If you need assistance in setting up an account the following link will provide you with the necessary information: <https://www.shufsd.org/parents/parent-portal-information>.

Thank you to everyone who attended our PTA meeting on Tuesday evening. As always we invite our families to join us, either in person, or virtually, and get involved in all of the wonderful events and activities that our PTA has planned for our students and staff for the remainder of the year. They are always looking for new members. They can be reached at [countrywoodpta@gmail.com](mailto:countrywoodpta@gmail.com) should you have any questions or want to get in touch with them.

Last week many of our classes had a blast celebrating the 100th day of school. This past Monday our classes celebrated Valentine's Day. It has been wonderful seeing so many of our Countrywood traditions able to return for the first time in a few years and we look forward to continuing to continue to reinstate many more as the year continues to progress. It is hard to believe we are more than 1/2 way through the academic school year, this school year is really flying by. Please continue to check us out on Facebook and Instagram where we post pictures from many of our fun, as well as academic school events and activities.

### School Board Notes – A Message from the Board of Education

Our February board meeting will be held Wednesday, February 16th, at the JKAO starting at 7:30 p.m. Our agenda will begin with our Black History Recognition, that highlights a “Jazz Jam Ensemble” with the legendary “C Jam Blues” composed and conducted by the one and only Duke Ellington and his orchestra--this wonderful treat is brought to us by WWS Band Director Matt Hoffman with Music teachers Shannon Zaykoski and Greg Modelewski along with students from the high school, middle school, Birchwood!

Directly after we will hear the Suffolk County Behavioral Health Center Presentation, and then on to the 2022/2023 Budget Overview--the official start of our public budget development process. We urge our residents and staff members to attend in person or view the meeting using the link that is provided on the District's website. The evening will be entertaining and very informative!
