Food for Thought

"Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma – which is living with the results of other people's thinking." -Steve Jobs

Superintendent's Corner

It gives us great pleasure to report that Dr. Joseph Centamore has been named Administrator of the Year by the Western Suffolk Board of Cooperative Educational Services. Dr. Centamore's uncompromising dedication to public education distinguished him from the talented field, and the selection committee was in awe of our remarkable Deputy Superintendent. It is no secret that Dr. Centamore has given selflessly to our community, and his contributions have provided the very foundation of our district's success. We take immense pride in seeing our colleague and friend honored by the academic community, and look forward to following his years of continued success.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Continuing with its annual tradition, our Walt Whitman HS, in collaboration with all of South Huntington's schools and students from across the grade levels, has posted a wonderful tribute to culminate the Celebration of Black History Month. The celebration is highlighted by outstanding student performances, as well as moving poetry readings. You can access the celebration at the link below:

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

At tonight's Board of Education meeting, our district team will offer a presentation, which outlines the budget process, as well as some early revenue and spending projections. The meeting link can be found at <https://youtu.be/P6mFPbFHcs> and the full presentation will be available on the website (shufsd.org) by Thursday afternoon.

Please tune in and feel free to reach out to the members of our administrative team.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

On Tuesday, February 23rd, Special Education PTA (SEPTA) held a virtual transition meeting wherein K-12 district and building-level leadership were available to meet with parents of students with special needs to respond to questions or gather information about programs and services. Mrs. Base-dow, SEPTA President, and Dr. Matt Krivoshey, Supervisor of Special Education, have coordinated this event over the past few years to help ease parent concerns and give administrators an opportunity to talk about the staff and programs available as their child(ren) transition to a new building. Thank you SEPTA for organizing this event. If a parent has a question regarding special education programs or services, please contact Dr. Krivoshey (grades 6-12), mkrivoshey@shufsd.org, or Ms. Cynthia Quinlan, Assistant Supervisor for Special Education (grades pre-K, K-5), cquinlan@shufsd.org.

Kindergarten registration for the 2021-22 school year is underway! Due to the large volume of registration applications being processed, for any online registration issues or questions, the best communication is via email, registration@shufsd.org. In order to provide targeted assistance, please be sure to include the application number in the email. Parents can also schedule an appointment for registration assistance during select dates and times starting March 1; the direct link to the scheduling platform is <https://dwut6.youcanbook.me/>.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Congratulations to our Wildcats on a successful winter season. It was inspiring to see our athletes and coaches rise above the "COVID haze" and throw the totality of their energies into healthy competition. We thank our parents, students, and staff for their cooperation, and look forward to following the seasons to come.

This month the School Nutrition Program added a few special treats to our youngest students' daily routine. The first week of February all of our K-5 students enjoyed Parents as Reading Partners (PARP) week. Each building chose a theme to focus on as our staff encouraged the wonderful world of reading. Each day of the week our children were presented with a new, fun reading activity. Our School Nutrition Program joined in the fun by presenting fun treats at lunch time that coordinated with the book of the day.

Valentine's Day gave SHNS an opportunity to once again show our children how special they are. Each child received a special "hug" love treat, and the kids loved it. Keep a look out as the months move from winter to spring, and we enjoy the warmer weather. We hope to continue to provide our children with special surprises.

News from Mr. John Murphy,
Principal of Walt Whitman High School

The 2021-2022 Whitman election process has begun! If your child is planning on running for an officer position, please have them check the bulletin board outside of room 519. Students have to join the Google Classroom by entering the code: cmx5bo3. You can also find this code on Ms. Rice's or Ms. Ahren's Google Site, under the GSO tab. Due dates are quickly approaching, so please join the Classroom as soon as possible!

The Walt Whitman High School Future Wildcat Club is looking for students to participate in virtual activities with Oakwood and Countrywood Kindergarteners. If you like teaching, come participate with students at the kindergarten level, on activities such as scavenger hunts, art projects and other fun virtual events. The Future Wildcat Club meets every Tuesday from 3 to 4 pm. If you would like to be a part of the fun, please contact Mrs. Zamow, the club's advisor, at dlanghorstzamow@shufsd.org.

Attention Marvel Fans! Enjoying WandaVision? So are we! Star Wars Club will be hosting a Marvel discussion and all are welcome! Join us every Tuesday to discuss the latest episodes and all of your theories. Please visit the website for more information!

News from Mr. Eddie Smith, Principal of Stimson Middle School

The Stimson family hopes our South Huntington community had a great Winter Recess. It is hard to believe that Monday is the first day in March. The other day I heard birds chirping, which means spring is getting closer, even if the snow is still piled at the end of our driveways. As the snow begins to recede, we look forward to welcoming back all of our Fall Sports on March 22nd. If you have a child that is interested in playing soccer, football, field hockey, cross country, girls' tennis, or cheerleading, please complete all the information in Final Forms on the district website by following the Athletics Link.

On March 3rd and 4th, all 7th graders will attend the Katie's Secret Workshop during their Health Class. The focus of this workshop is to teach teens and pre-teens the importance of intervention, and stresses the need to keep telling until they get help. It also educates them about their own power choices, the need to take action, and the resources available to help. It addresses the needs and concerns of both teenage boys and girls.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

The Silas Wood family returned from our snow-filled mid-Winter break ready to wrap up February with energy and enthusiasm!

In February, we were pleased to begin our after-school Homework Help sessions, which will run from 2:10 to 3:10 pm, on Tuesdays for our Group A students, same time on Wednesdays for our Group B students. This

is a great opportunity to obtain homework help, and an excellent way for students to obtain assistance on any classroom subject they may wish to work on. Permission slips (which can be provided by Homeroom teachers) are to be completed before participating.

Silas students are closing out our February Black History Month observations by each completing, in homage to Dr. Martin Luther King's *I Have A Dream* speech, their own "I have a dream..." hearts which will be proudly displayed throughout the hallways of Silas Wood!

March is Women's History Month, which we welcome with this appropriate

Lip Sing Battle- BW Style

Here are the first two clues about Birchwood's mystery performers...

Clue #1

BW has two performers! How exciting is that? Put on your detective hats. Here is the first clue to help you figure out who they are. These two performers are out of this world! When they were your age they imagined swinging through the streets of Manhattan like Spider-man, and traveling to galaxies far, far away just like in Star Wars.

Clue #2

It's time for another mystery performer clue. Get your thinking caps on! Both of our school's mystery performers have a lot of school spirit! One of them looks forward to the Homecoming Football game every year, while the other never misses an opportunity to dress up for the holidays.

Can you guess who they are?

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We hope that all of our Oakwood families had a wonderful and restful break last week. Our students came back refreshed, recharged, and ready to learn!

Oakwood is taking up a new initiative....**KINDNESS!** As you know, our Book of the Year is *Tomorrow, I'll Be Kind* by Jessica Hische. Now, we have extended our Kindness throughout the year. This week was our Kindness Kickoff Week! Students wore animal prints on Monday, because we are **Wild About Kindness**. On Tuesday, students will dress as their favorite superhero, because we are **Powered By Kindness**. Wednesday brings **Love and Kindness** with tie-dye, peace signs and bright colors. On Thursday, we **Dream of Kindness** in our pajamas, and to wrap up the week, **Kindness is the Oakwood Way**, with all of our Oakwood family joining in wearing spiritwear! We look forward to sharing the many other activities and discussions that will come in the coming weeks.

Oakwood is wrapping up the World Kindness Challenge this week! The *Kindness Unites PaperChain Campaign* continues to be a huge success with all of our students, as they designed and created paper chains which will be linked together to make a long paper chain of kindness and love. Look for pictures on Social Media of our students making the chains during class!

Oakwood is bubbling with joy as we celebrate the 100th Day of School on Wednesday, February 24! We are happy to have 100 days of learning and sharing as we continue to make our way in the 2020-2021 school year. We thank our Oakwood students, staff and families for their continued support for our students' education!

This week our Oakwood students are participating in a Lunar New Year Program sponsored by Oakwood PTA. This program, presented by The Long Island Childrens' Museum, educates our students about the History and Culture of the Chinese Lunar New Year and concludes with students making their own Lion Dance Mask. Our students who are learning remotely are reminded that Lion Dance Masks were available for pickup on Tuesday, 2/23, and also on Thursday, 2/25, from 11am- 1:30pm. We are sure all of our students will enjoy participating in this Arts in Education Program. Thank you to our PTA for bringing this program to our students!

We continue our Coding/Design Program for our Second Grade after school coders! Devices will be sent home on Tuesdays for our coders to use during the program. We are all so proud of our students' coding skills and can't wait to see their new coding strategies as they develop over the next few weeks.

Welcome back. We hope that everyone had a safe, restful, and enjoyable week both in person and virtually with family and friends. This Thursday, February, 25th, starting at 7 pm, the district will be holding a virtual "Countdown to Kindergarten" event. The presentation will be pre-recorded, followed by a live Q&A with building and district administration. If you have an incoming Kindergarten student for the 2021/22 school year, and would like to join, please register on the district homepage. If you know of any family or friends who have an incoming Kindergarten student, please pass this information along to them as well. Additionally, online registration is now open for the 2021/22 school year. Please check out the district website for information on how to register online, or make an appointment for assistance with in-person registration.

Please join Countrywood in helping the Tri-Community & Youth Agency (Tri CYA) support our neighbors in need. Tri CYA directly serves our South Huntington community through their Feed the Town program and active food pantry. They serve over 150 Huntington families per week and they need our help! From now through March 12th, we are accepting donations of shelf-stable food and toiletries to donate to the Tri CYA. There is a table set up in the main lobby for all donations. A huge thank you to 2nd-grade teacher, Ms. Kapps, for organizing this project, which will benefit so many in our community.

This Friday evening, starting at 6 pm, our PTA has organized a Virtual Family Fun Night featuring Magician Brian Richards. Please check out the PTA's flyer for more details and the Zoom log-on information. Also in support of this event, Mario's of Melville will be donating 20% of dinner orders, for Friday night (take out, delivery, or dine in), back to our wonderful PTA. Please mention Countrywood PTA when ordering.

School Board Notes – A Message from the Board of Education

It is difficult to believe that we are already beginning the 2021/2022 budget development process. Tonight's Board of Education meeting will provide the Budget Overview Presentation for next year's budget. We urge residents and staff to join us at 7:30 p.m. by clicking the link that will be provided on the website. The meeting will be live-streamed, and questions posed will be responded to through this live-stream, as well as those questions forwarded to: boe@shufsd.org

We look forward to your participation!
