### Food for Thought

“Life isn’t about finding yourself. Life is about creating yourself.”

~ George Bernard Shaw

The South Huntington School District is pleased to announce that Huntington **Medicenter** (<https://www.medicenterny.com>), under the direction of Robert E. Scully MD, FACP, has made a generous donation in support of district-wide student events and programs.

Located just 1/4 mile east of Walt Whitman High School at 234 West Jericho Turnpike, Huntington Medicenter’s phone number is **631-423-5400** and is open 7 days a week.

### Superintendent’s Corner

It’s hard to believe that we are entering the last few days of February, and springtime weather and activities are just around the corner. We have every confidence that these next 16 weeks will bring the same positive energy that characterized the start of our year, and look forward to following the success of students and staff alike. It is truly inspiring to visit our district buildings and see and feel the progress in each and every grade. There is a unique feeling of pride pulsating through our collective district veins as the special combination of excellence and empathy manifests at each and every turn. We welcome you to catch the growing spring fever and add your family’s unique chapter to our beautiful South Huntington story.

### News from South Huntington Educational Foundation, SHEF

SHEF is pleased to have had a record number of faculty mini grant applications this school year that provide further support to our teachers, who bolster and enrich our students’ experiences throughout the district. This year, SHEF awarded five faculty grants that will impact at least 2,000 students directly and immediately with room to grow over time. We are pleased to help roll out...

### News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

This is always a unique time of year for high school seniors and their parents, as the school year draws towards its conclusion, and students begin to solidify their post-high school education, career, and military plans. Our school district family enjoys celebrating each individual decision and looks forward to showcasing every student's unique post-secondary plans. There are hundreds of different roads to success, and the Class of 2020 is steadily finding their direction for the year(s) to come. Over the next several weeks, our Newsletter will include a preview of numerous college destinations, including but not limited to the list below. We also anticipate showcasing the future as our young men and women head off to our country's finest universities, study critically needed crafts and trades and don the Nation's uniform in defense of liberty.

### News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

At tonight's public Board of Education meeting, the administrative team will begin its presentation of the 2020-2021 budget development. While it is still very early in the process, things tend to move very quickly between now and the April 1st New York State budget deadline. Of course, a great deal of our internal decisions are predicated upon the New York State Aid allotment, and we will be relying heavily upon the advocacy of our New York State Senator and Assemblyman as they work to drive a fair share of state finances to our South Huntington Schools. We know that family schedules are hectic and will be posting all Board of Education budget presentation materials on the district website ([shufsd.org](http://shufsd.org)) the morning following each meeting.

### Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Special thanks to all of the teachers, administrators, and parents who attended this month's special-education transition services meeting. It is encouraging to see the productive home-to-school partnerships that exist in our district, and heartening to know that we have advocacy groups, such as SEPTA, operating for our students. Please think about participating in any one of your building or district-wide PTA's, and join the unique team that is helping to make South Huntington shine.

## News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Believe it or not, our winter athletic season has drawn to a close and spring sports are quickly approaching the horizon. In just a few days our fields and tracks will spring to life with the sights and sounds of baseball, softball, lacrosse, track and field, tennis, and badminton. We remind our student athletes to take care of their final forms online and invite you all to download the schedules off of our athletic website (<https://waltwhitmanhsstimsonms.schoolteams.com/>) and support our student athletes and coaches in their upcoming endeavors.

We do wish good luck to **Aniyah Walters** and **Gianna Paul** as they will compete in the State Winter Track Championships, March 7th, at Ocean Breeze in Staten Island.

## News from Mr. John Murphy, Principal of Walt Whitman High School

## News from Mr. Eddie Smith, Principal of Stimson Middle School

The Stimson Family hopes that the South Huntington community had a wonderful Winter Break! The week leading into the vacation Stimson participated in P.S. I Love You Day. On Friday, February 14th, Brooke Di Palma, its creator, spent the morning with our 7th and 8th grade students. During her presentation you could hear a pin drop, providing clear evidence for the power of her message of kindness and the importance of mental health. Again, we would like to thank the PTA, specifically Ms. Lynn Blaney, Mr. Gravina, and the SADD Club for all their hard work making the week's activities such a success. The day was capped off with a photo booth that was created by the Huntington Youth Bureau's Adventures for Life program.

This is a friendly reminder that the New York State Common Core Assessment in ELA is being administered March 24th through March 27th, and the New York State Common Core Assessment in Math is being administered April 20th through April 23rd. This year our students will once again be administered the New York State Common Core Assessments via Computer-Based Testing (CBT) in ELA and Math from a secure browser on their Chromebooks. Information on CBT, and test samples, are available at the following website: <https://ny.nextera.questarai.com/tds/#practice>.

The planning and administration of exams is challenging so we would ask that you inform us of your child's testing intent as soon as possible. I am happy to speak with you on the phone at (631) 812-3700 or in person if you have any questions about state exams and the role they play in your child's education. Please note 8th grade students who are currently taking a Regents course in Math and/or Science are exempt from taking the NYS Common Core Assessments.

## News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Silas Wood is back from our break rested, rejuvenated, and ready to roll!

While we are very much looking forward to visits on Tuesday and Thursday from SCPD's Officer Sabrina Pitch for a presentation to Silas Wood students on internet safety, a relatively "light" activity week offers an opportunity to look forward and mark our calendars for exciting events upcoming through the remainder of the school year.

Thursday, March 19th, promises an exciting and informative Spring Career Day, when family and friends of SW students/staff will be welcomed to discuss their careers during our "Wheel" classes—the who, what, why, when and how of their selected professions! Watch for the Sign-Up letter in backpacks this week!

This Friday, the 27th of February, is Silas Wood Popcorn Friday - - terrific popcorn treats on sale during all lunch periods for just a \$1 a bag!

For all those "leap lings" out there, enjoy your quadrennial birthday on Saturday, February 29th!

In closing, remember that Monday, March 2nd, we will be taking make-up photos, as well as team, club, and group photos at Silas Wood!

**News from Dr. Gayle Steele,  
Principal of Maplewood Intermediate School**  
Welcome Back! We hope everyone had an enjoyable Winter Break.

As part of the American Heart Association's Kids Heart Challenge, students have been engaged in lessons about how the heart works during physical education classes. They have learned how good nutrition and exercise help to keep the heart healthy. As a way to help raise money for the American Heart Association, all students had the opportunity to participate in our annual "Jump Rope for Heart" event. Thank you to all that were able to make a donation to this wonderful cause, and for bringing your child to school early for the activity. A special thank you to our wonderful physical education teachers, Mrs. Gross and Mr. Slovak, for making this year's "Jump Rope for Heart" a success. Their hard work and dedication is truly appreciated.

Our third graders are continuing their trips to the Makerspace at JKAO. This is a great opportunity for our students to be engaged in experiential learning. The remaining classes look forward to their time to participate and to extend their learning in their classrooms.

The PTA has sent home the invitation for Maplewood's Night Out. The event will take place on Friday, March 20th, at the Hilton Long Island in Melville at 7 pm. Join us for a great night of fun and raffles. All proceeds go to Maplewood's Arts in Education Program. Please see the invite for additional details. Hope to see many of you there!

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We continue to honor Black History Month daily, as our Kindergarten students close the month by sharing a special fact about someone from the world of Science, Music, Art, Sports or Entertainment.

On Tuesday, we began the first of our Kindergarten registration dates. We invite our families to attend our next registration session on Thursday, February 27th, (A-H), from 3:30 - 5:30 pm. We are looking forward to meeting our new families and seeing our returning families!

On Friday, we welcome Dr. Gellerman to Oakwood, as her team from Gellerman Orthodontics shares the importance of dental health. Dr. Gellerman enjoys sharing her expertise in a child-friendly way to inform our students about taking special care of their teeth!

**News from Mr. Mitchell Levy,  
Principal of Countrywood Primary Center**

Welcome back. We hope everyone had a wonderful week off with family and friends. It is hard to believe that this weekend we will already be turning our calendar to March.

A friendly reminder to our families and friends with students entering Kindergarten in the fall that registration has started, and we still have five upcoming dates for you to come and register. Those dates are February 27th, March 2nd, 5th, 16th, and 19th. Please call the school for specific times, as well as with any questions, or if you need a registration packet.

Earlier this week, our students enjoyed a dental health assembly

and giveaways to keep our teeth healthy from the Gellerman Orthodontic group. In addition, our first-grade classes enjoyed a trip to the Engeman Theater to see the production of Seussical, and our second-grade classes have enjoyed presentations from the Cornell Cooperative Program entitled Storm Water Superheroes. Students learned how various kinds of pollution make their way to the bay and ocean and how it impacts local marine life.

Looking ahead to next Tuesday, we will be holding our Reflections Ceremony at 6:30 pm, followed by our monthly PTA meeting at 7:30 pm. If your schedule allows, please come down and hear from our wonderful PTA and all of the fun and exciting activities, shows, and assemblies that they have planned for our school community.

Countrywood maintains a very active social-media presence. If you have not already done so, please check us out on Facebook, Instagram and Twitter to get a glimpse into the day in the life of a Countrywood student. Our posts make for excellent dinner conversation! We wish you and your family a wonderful week ahead.

**School Board Notes – A Message from the Board of Education**

This evening's Board of Education meeting will provide for both entertainment and important, informational presentations. The evening will kick off at 7:30 p.m. with the Stimson Middle School Dance Team performers showcasing their talent. Next on the agenda is the Elementary Grades K-5 Academic presentation that will focus on Balanced Literacy that provides core academic foundation for students. The four elementary principals will present and be available for questions/comments after the presentation concludes. Administration will then provide the 2020/2021 Budget Overview as we begin the budget process.

We look forward to this board meeting and certainly hope that residents and staff will avail themselves and join us. The meeting begins at 7:30 p.m. at the James Kaden Administrative Offices in the Leadership Conference Room.
