### Food for Thought

"In this life we cannot do great things. We can only do small things with great love."

-Mother Teresa

### Superintendent's Corner

I would like to thank all those who have completed the parent questionnaire relative to spring learning models. As mentioned in the various phone calls, the questionnaire was designed simply as an information gathering tool. The goal was to provide the building administrators with data on who might choose to return so they could accurately determine the social distance numbers. There is still a great deal for the Board of Education to consider, as we calculate social distances, monitor area infection rates, manage in-district cases, and confer with the State and County Health Departments, as well as the CDC. We will be presenting the data to the Board during the next two meetings.

### News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Last week, a Grade 6-12 Parent Survey for Instruction Models, was sent out. This information will help to inform future planning, and we ask that all parents kindly submit responses by March 16th.

We are anticipating clarity from the Board of Regents next week with regard to 3-8 Testing, as well as Regents Examinations. The Board of Regents is meeting on March 15th, and guidance should be forthcoming. We will provide an update as soon as possible.

There will be a virtual parent informational meeting for the Wildcat Summer Camps on Thursday, March 11th, at 6 pm.

**News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation**

We are off and running with the Fall 2 season. There are some new stipulations that parents should be aware of.

There are only TWO spectators permitted per athlete this season for all HOME games. Your child's coach will be, or already has, distributed two badges per player for entrance into the sporting event. There will also be a sticker with a specific color for your team as identification assistance for the various schools and their supervisors. For AWAY games, IF a school permits visitors, you must have your badge to attend. There may be some schools not accepting outside visitors, so please adhere to the list via a Google Doc link at the bottom of the page. There are NO AWAY indoor sport spectators permitted at ANY school in Section XI.

You may also be required to take a temperature test or fill out an attestation form for that school. Please be cooperative and respect their wishes.

I am also adding a LIVESTREAM Google Doc that lists all the different schools' Live Stream links. Some are free and some are through the NFHS Network (this is the one we use), which requires a sub-

## News from Mr. John Murphy, Principal of Walt Whitman High School

I wanted to provide parents with an update on AP exams that students completing AP coursework will be taking in May. After securing information provided by the College Board, discussing and evaluating each option with administration, department chairs, and AP teachers, we feel that the best opportunity for student success will be to administer Session 2 of the AP Exams (May 18-28). By administering the exams during Session 2, an additional two weeks of instructional time and review will be utilized to benefit our students. It is important to note that not all exams will be administered in the same format during Session 2 test administration. Within this administration, some exams will be digital, while others will be in traditional paper and pencil format. Students will be taking all digital exams at home, while paper and pencil exams will be administered in school. The College Board has tried to find a balance of consistency among both formats, while not compromising the exam integrity. We will be sending out information to parents in the coming weeks, but if you have any questions, please contact the WWHS Counseling Center at your convenience.

Walt Whitman would like to acknowledge and thank all Interact members who donated books last month. We collected 1,000 books for Hindi's Libraries. A special thank you to **Victoria Isernia** for organizing this wonderful event.

During two weeks in February, 8 DECA members competed virtually at the Annual New York DECA State Career Conference. All students put forward their best efforts toward their tests and role plays. **Gavin Bermudez** earned a top ten medal in the test for Sports & Entertainment Marketing. **Owen Connolly** won a top 10 medal for the test and a top 10 medal for his role play in Accounting Applications. Congratulations to all who participated. Great work, Walt Whitman DECA!

If your child is interested in being part of Girls Leaders Club, they should participate in Girls Sports Night. Registration is open to all girls. Visit Mrs. Mahoney's Google Site on the WWHS Website for important information and registration forms.

Last month, we celebrated Friendship February! Students enjoyed many activities focused on the qualities of friendship through stories, music and art. We will expand on that topic early in March, as we work with Zen Den to integrate mindfulness through stretching and physical activity. We will then shift to our next SEL topic - Media March! During the month, students will learn about maintaining an appropriate digital footprint along with other important digital citizenship skills through various classroom lessons. Our Birchwood family stresses the importance of kindness to others both in-person and virtually. Our culminating activity will be launching a new pen-pal program where we will get to apply these digital skills along with a Kindness Chain Challenge where we will work with the Kids for Peace organization to create the longest kindness paper-chain in the world!

Each year, South Huntington school teams unite to raise money for a very important cause - childhood cancer, and typically Mr. Keogh shaves his head as part of the annual event. This time around, we are

## News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Great job by Ms. Rasdall and company in last week's Lip Singing contest. They did a wonderful job representing Maplewood, and we are so proud of them. Thank you to the PTA Council for organizing and hosting a wonderful event for everyone to enjoy. All performances were great!

Thank you to Mrs. Davis and Thomas Ciravolo for coordinating the streaming of our Goldilocks trials. Any fifth grade parent that was not able to view the event live has been given the YouTube link to access a recording of the class performance. Please contact your child's teacher if you need this information.

We have completed our Jump Rope for Heart campaign. We raised over \$5,000. This means Mrs. Davis and two teachers will be slimed. Stay tuned for the date and time. There may be some additional surprises. Thank you to all for your donations and supporting the American Heart Association.

Don't forget that our PTA has organized a fundraiser in conjunction with La Nonna's Pizzeria. Families will have the opportunity to order pizza kits to be used at home for a fun family activity. Orders are due by March 15th. Please contact our PTA at [maplewoodpta345@gmail.com](mailto:maplewoodpta345@gmail.com) with any questions.

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Our Oakwood students and staff enjoyed our Read Across America week which was a wonderful way to motivate our children to love reading. Last week, during Library class, all of our students were able to take a walk down the main hall to read the story *Swimmy* by Leo Leon. Students added to this story about a special fish with artwork all around the pastel colored pages. Thank you, Ms. LeClaire for this wonderful learning extension!

Congratulations to our Oakwood Lip Sing Team, Ms. Stephanie Villanueva and Ms. Erica Perez Flowers for bringing the beautiful banner home! This dynamic duo raised the most amount of money for the PTA Scholarship Fund. Take a look...the banner now waves proudly in front of Oakwood. Job well done, Ms. Villanueva and Ms. Flowers! Your efforts have made a difference.

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Now that much of the snow has melted, our students are enjoying outdoor recess in the front loop. Weather permitting Mr. Barrett and Ms. Reichert are doing a wonderful Jump Rope unit with our students, socially distanced during Physical Education classes, on the back blacktop area. Please continue to send your children dressed for the weather, as we are trying to get them outside whenever possible.

A huge thank you to Mr. Slawitsky who beautifully represented Countrywood at last Friday's PTA Council Lip Sing contest. Great job Mr. Slawitsky.

A reminder from our PTA that our virtual Book Fair is currently taking place. Please reach out to the PTA at [CountrywoodPTA@gmail.com](mailto:CountrywoodPTA@gmail.com) with any questions. For those of you who have an incoming Kindergarten student, or know of a family with an incoming kindergarten student, please check out the district website on how to register your child. You can either complete the process completely online, or make an in-person appointment, where one of the staff will assist you in completing the process.

This evening, starting at 7:30 pm, will be a virtual Board of Education meeting. The district is currently in the process of laying out the proposed budget for the 2021/22 school year, and we invite you to log on and learn about next year's budget. Please continue to follow Countrywood on Facebook, Instagram, and Twitter to get a glimpse into all of the wonderful programs, projects, and activities currently taking place, we love sharing this with our families. We wish you a wonderful week ahead.

### School Board Notes – A Message from the Board of Education

Tonight's Board of Education meeting will begin at 7:30 p.m. and can be viewed by using the link that will be posted on the website. Our first item on the agenda is the Budget Work Session for the development of the 2021/2022 budget. We urge our residents and staff to view the live-stream, and should there be questions or comments, the Board will address those at the conclusion of the presentation, as well as during the Voice of the Resident. Under New Business on tonight's agenda is a very generous donation from the Staples in Huntington Station. The District is indeed very fortunate to receive over 250 backpacks filled to the brim with school supplies that will be distributed to students who would benefit from such benevolence. Our appreciation for this donation will be shared during the public meeting.
