### Food for Thought

"Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it." – Michael Jordan

### Superintendent's Corner

We wanted to update you on our ongoing practices, as well as recent developments regarding the Coronavirus (COVID-19). It is important to, once again, emphasize from the outset that there is no reason for panic within our community, and the calm, contemplative approach is most effective. As with past issues of concern, our School District family will be thoughtful in our reactions, while simultaneously maintaining important vigilance.

We already have, for preventative purposes, instituted daily custodial rounds, which includes the cleaning of all common surfaces (door knobs, railings, etc.) with Virex, which is the CDC approved anti-viral solution. We have also hired additional substitute custodial staff to apply the same daily cleaning procedures to all district buses, and have learned that our contracted bus companies are doing the same thing.

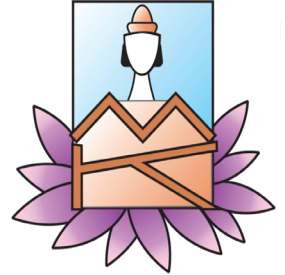

We also wanted to provide important information regarding our latest communication from the Health Department. This most recent letter requires school districts to report any students or staff members returning from countries currently identified by Level 2 (Japan) or Level 3 (China, Italy, Iran, or South Korea) Travel Restrictions. Health Department officials will immediately make contact with those students or staff members, as well as their families, of course, and provide them with all relevant health information, and inform them of the 14-day self-quarantine parameters. School district officials are then required to apprise the student or staff member that they are not to return to school for the 14-day period.

Updated information on the health and travel notices can be accessed at <https://wwwnc.cdc.gov/travel/notices>. It is strongly suggested that you pay close attention to these notices in advance of any upcoming vacations or travel. Please be reminded, as well, that the list of identified countries can change and should be referenced regularly.

Again, it is important to understand that we do not have any manifestations of the illness in our community at this point. It is also important to know that the Coronavirus will, in most cases, self-resolve. Nevertheless, we are watchful for any signs of the illness and taking any and all preventative measures to keep our community members safe and healthy.

An updated situation summary can be accessed at <https://suffolk-countyny.gov/Departments/Health-Services/Health-Bulletins/Novel>

Coronavirus. We will continue to provide district updates as often as needed.

**News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office**

As you have read in various Superintendent Corner messages, our district is engaged in a serious lobbying effort to secure fair and equitable state funding for our district. New York State Aid is a critical source of revenue, which has significant impacts upon the personnel and programs that we can offer in our schools. With this understanding, we have been reaching out to State lawmakers, meeting with press representatives and visiting Albany to make our case. We know that there are community groups looking to conduct similar advocacy and are making all relevant correspondence available for your review. You can find various letters to state lawmakers on the website under Announcements.

**News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia**

At tonight's Board of Education meeting, we will present the next installment of our 2020-2021 budget development program. We welcome you to join us at this public meeting, which will be held in the James Kaden Administrative Offices, at 7:30 PM. You can also find tonight's budget development material online on our website under the BOE tab immediately following tonight's meeting.

**Some Thoughts from Assistant Superintendent for Student Services April Poprilo**

Parents and guardians can choose to enroll their child in the district's UPK program, which is free to all age-eligible residents (four years old on or before December 1st). Registration for UPK is **by appointment** on the following dates and times: **April 21, 22, 23 (9:30 – 11:30 am) and April 27, 29, and May 1 (2 – 4 pm)**. Please contact the Registration Office to schedule an appointment, 631-812-3180/3181. Registration will take place at the James Kaden Administrative Offices (JKAO), 60 Weston Street, Huntington Station, NY 11746.

**News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation**

We are proud to announce that Walt Whitman track phenomenon, Gianna Paul, won the New York State Championship in the 300 m dash. Please join us in congratulating Gianna, as well as her outstanding coaches, and wonderfully supportive parents.

High School spring sports have begun this week.

**News from Mr. John Murphy,  
Principal of Walt Whitman High School**

Walt Whitman High School is proud to announce that WWHS Junior **Gianna Paul** captured her 2nd New York State Championship by winning the 300m dash in a time of 39.15 seconds. Gianna broke her own school record while setting a new Suffolk County record! Congratulations Gianna!

Walt Whitman High School would like to thank all the students who participated in what turned out to be a record-breaking Spring Blood Drive. 139 pints were collected! This was a momentous effort involving all of our Senior Class Officers, Captains and donors. We are very appreciative of the amount of blood collected. It was a great day of giving, and many lives in New York will be touched by our students' generosity. Special thank you to Mrs. Zamow and the Senior Class officers for organizing this wonderful bi-annual event.

The WWHS Latino Heritage Club is hosting the 3rd Annual Glow in the Dark Zumba Night this Friday, March 13th, at 5:30 pm in the South Cafeteria. This year's theme is "Represent your Country" so make sure to bring a flag representing your nationality. Latino Club members are selling student tickets for \$5, and teacher tickets for \$10.

World Down Syndrome Day is on March 21st! Join the Walt Whitman Ambassadors in collecting money throughout the month of March to support the National Down Syndrome Society (NDSS) which advocates for improved public policy, increased public resources, and services for people with Down Syndrome. Place any spare change in one of the collection boxes located around school. Leadership students will also be collecting during lunch periods. Write your name on a provided piece of paper for a chance to win an off-campus breakfast with Mr. Murphy. Together we can make some change!

Are you ready for this year's Lip Sync? The show is March 27th! Come and watch as the faculty take on the students in a hilarious parody of popular songs, or sign up and become a part of the fun. Students from all grades are invited to participate! Please see Mrs. Zamow, the Senior Class Adviser, if you have any questions.

Attention all students and parents. Does your child want to run for student government? Encourage them to get involved in their school by taking a leadership role. This is a reminder that all those running for Student Council Office, your application folders are due this Friday, March 6th! Help encourage them to be a part of student government.

Walt Whitman High School is conducting a canned food drive for Long Island Cares for the next two weeks. Collection bins are in the Main Office and in the Leadership Room, 519. Please bring in non-perishable food items over the next two weeks and support those in our area in need. Thank you!

**News from Mr. Eddie Smith,

shops with our 7th grade World Language students. Also, we would like to thank Ms. Sheila Buhse, School Nutrition Director, for serving culturally diverse meals this week. Ms. Buhse collaborated with Ms. Wyhowanec to develop the menu and immerse our students in a week of culinary fun. A tremendous thank you (especially for the burrito bowls)!

This is a friendly reminder that the New York State Common Core Assessment in ELA is being administered on March 26th and March 27th, and the New York State Common Core Assessment in Math is being administered April 22nd and April 23rd. This year our students will, once again, be administered the New York State Common Core Assessments via Computer-Based Testing (CBT) in ELA and Math from a secure browser on their Chromebooks. Information on CBT, and test samples, are available at the following website, <https://ny.nextera.questarai.com/tds/#practice>.

The planning and administration of exams is challenging, so we would ask that you inform us of your child's testing intent as soon as possible. I am happy to speak with you on the phone at (631) 812-3700, or in person, if you have any questions about state exams and the role they play in your child's education. Please note, 8th grade students who are currently taking a Regents course in Math and/or Science are exempt from taking the NYS Common Core Assessments

### News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Silas Wood students and staff are eagerly anticipating participation and support of the annual South Huntington UFSD St. Baldrick's Day event on Wednesday, March 11th, in aid of Childhood Cancer Research. With our student council helping our efforts by selling all-things-green to build donations, and our on-line donations increasing, prospective participants are getting ready to sport their "new looks"! We welcome any and all donations at <https://www.stbaldricks.org/teams/mypage/123537/2019/donors#content>

Silas parents please keep an eye out for our stimulating and innovative Cold Spring Harbor DNA Learning Center Field Trip Permission Slips in backpacks this Thursday! Trips will take place on various dates coming up in May. All information is included on the permission slips.

Delicious popcorn for sale during lunch periods on Friday, March 13th. Only \$1.00 for a generous bag of this fragrant and delicious popcorn treat!

Silas Wood joins together to promote Autism Awareness! Our "Silas Superhero" design T-shirt is a perfect way to promote Autism Awareness during the month of April. Students and staff will be encouraged to wear these T-shirts every Thursday throughout the month of April. Short-sleeve T-shirts are now on sale for only \$10 each. If you're interested in purchasing a T-shirt, please complete order form sent home earlier and also pasted in below; please return to SW Front Office by March 20th.

Ticket sales for our second-annual Silas Wood Family Outing to an exciting NYFCF Soccer Game are going fast! With over 24 million people playing soccer in the United States, the game is fast becoming one of the most popular sports in our nation behind only football, baseball, and basketball with debate as to the next most popular being soccer or ice hockey! (Silas Wood family votes for soccer!) We're all looking forward to enjoying our trip to Yankee Stadium, with lots of great soccer and family fun during this May 16th event. Flier below for your convenience.

Our fourth-grade classes have been visiting Oheka Castle this month. Oheka Castle is the second largest private residence in the country, and is right in our own school district. This field trip correlates with the fourth grade History of New York unit of study. The students have the opportunity to tour the historical grounds and learn about the castle's history. The students love discovering Oheka Castle's connection to Long Island and their own community. As the trip culminates, everyone enjoys sitting in the dining room, eating delicious cookies baked at the castle!

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Oakwood is marching along and stepping it up this week with many learning experiences for our students and staff!

This week, our professional developer, Enid Martinez, returns to Oakwood to further our teachers' knowledge of Reader's and Writer's Workshop. The benefit is seeing all of the reading and writing our students are doing! We encourage you take a moment to ask your child about their experiences in this personalized journey of creativity and self-expression.

Our Project Happiness theme for the month of March is *Being Kind*. Please continue to support our mission to spread kindness by discussing different ways in which we can be kind to others in and out of school. The students enjoy sharing all of the great examples of kindness!

Oakwood's SBM Committee invites our families to join us in a unique evening of learning through one-on-one STEM activities! Our STEM Family Fun Night is scheduled for Tuesday, March 31st, from 6:30 - 7:45 pm. It is sure to be a wonderful time, as each student who completes their mission is awarded a prize! Be sure to confirm your attendance using the flyer that was sent home.

We continue with our Kindergarten registration dates for the 2020-2021 school year. We invite our families to attend our next registration sessions on Monday, March 16th, (Q-Z), 5-7 pm, and Thursday, March 19th, (Q-Z), from 3:30-5:30 pm. We are looking forward to meeting our new families and seeing our returning families!

This week the students at Oakwood have been learning some new Square Dance moves! A special thank you to our Physical Education educators, Mr. Rosa and Mr. Russell, for teaching our students the particular techniques for Square Dancing. Also thank you to our Music educator, Ms. Pinelli, for adding in some live music for our students to get a full Square Dance experience! Please join us on Friday, March 13th, for the Oakwood PTA Family Dance at 7 pm. The students are excited to share their special dancing skills with you!

Wishing everyone a fantastic week ahead!

## News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Thank you to everyone who joined us at last Friday's PTA Book Fair and BINGO event. As always, our fabulous PTA went above and beyond and a great time was had by all. A very special thank you to Ms. Mitchell, Ms. Scileppi, Ms. Ramirez, Ms. Shlomo and Ms. Guerriere for coming out and joining us. On Saturday, it was wonderful to see

so many Countrywood families participating in the district's STEAM event at Birchwood.

On Monday morning, as our students came off their busses, they were greeted by *Clifford the Big Red Dog*, who joined us to promote our Scholastic Book Fair. Thank you again to the PTA and all of the hard-working volunteers for all that they do to make our Book Fair such a success. Also, on Monday and Tuesday, Countrywood teachers had professional development with Ms. Enid Martinez, who continues to work with our K-5 staff on the implementation of our Reader and Writer Workshop Program.

Earlier today, our teachers were engaged in learning about an exciting new technological tool to stay in touch with our families: *Google Sites*. These sites will be replacing the now-outdated e-Boards that have served us well over the past many years. Teachers will be slowly rolling out their new Google Sites, which will be fully operational for the 2020/21 school year. With that in mind, Ms. Njenga and I have created a main office Google Site which contains important school contact information, in addition to useful parent links and resources under the "Educational Resources" tab. Under this tab, you will find links to various educational websites and resources that your son/daughter uses in school and has access to via their "Clever" log-on (a reminder note with this logon information was sent home earlier this week). Later this evening, at the district office, will be the second of our Board of Education Budget work sessions. If your schedule allows, please come out and hear the latest on the 2020/21 budget process.

A friendly reminder to anyone who has an incoming Kindergarten student for the 2020/21 school year; our last two registration dates are on Monday, March 16th, from 5-7 pm, and then again on Thursday, March 19th, from 3:30-5:30 pm. If you have any questions or need a registration packet, please call the school and we will be happy to assist you.

Wishing you a safe and enjoyable week ahead.

### School Board Notes – A Message from the Board of Education

Tonight's Board of Education meeting is a dedicated Budget Work Session, an opportunity for residents and staff to view the development of the 2020/2021 budget.

There will also be a presentation from Johnson Controls regarding the Energy Performance Contract that will provide a review of photo-voltaic systems (solar canopies) for each of our school buildings and the potential savings to the District in moving forward in this direction that should prove to be both interesting and informative. We urge our residents to attend – start time is 7:30 pm in the Leadership Conference Room at the James Kaden Administrative Offices. We hope to see you there.
