Food for Thought

"If you want to lift yourself up, lift up someone else."

– Booker T. Washington

Superintendent's Corner

Thank you to all those who returned our parent questionnaire relative to instructional model options. We have been tallying that data throughout the day, and will be analyzing the results with the BOE at a Special Board Meeting to be held on this evening, March 17th, 2021. Staff, students, and members of the public can log onto the meeting at 7:30 p.m. from the link provided on the website.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

New York State has been seeking Federal approval for a waiver for Grades 3 through 8 testing, as well as Regents examinations. To date, this request has not been granted. On Monday the Board of Regents took several measures in the event their continued effort to obtain a waiver from the Federal Government is not fruitful.

These measures include the following:

With regards to Regents examinations, only the following four would be administered in June:

- Algebra I
- Earth Science
- Living Environment
- ELA

For Grades 3-8 testing in ELA, Math and Science, the following would occur:

- Only Session 1 of the assessments in Math and ELA are required to be administered.
- For Grades 4 and 8 Science, there would be a single session written test and no performance test component.

Principals from all Grades 3 through 12 will be in communication with parents shortly. Students, whose families opted for full remote learning, are not required to take state exams, but do have the option to do so and would coordinate that with the school. The district will continue to respect all parents' preferences with regarding to 3-8 testing.

The members of our Curriculum Office would like to wish the community a very happy St. Patrick's Day, and hope the luck of the Irish remains with you and your families for the year to come.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

with an overview of current revenues and expenditures as they relate to 2020-2021, as well as 2021-2022 instructional programs. You can find copies of the full presentations on the district website at shufsd.org, and, of course, join us for the next presentation at our regularly scheduled meeting on Wednesday, March 24th, 2021.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

We wanted to remind our community that the district website (shufsd.org) provides a convenient way to remain abreast of school activities, accomplishments, and schedules. A quick glance at the phone, tablet, or desktop offers a priceless window into the beautiful soul of our Wildcat family.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

It gives us great pleasure to report that our Varsity and Junior Varsity Fall Athletics (that seems strange to say in March) are up and running with athletes and coaches pouring their hearts into the effort. We look forward to welcoming our Stimson athletes and coaches back to the field on Monday, and know that there are great things on the horizon for our Wildcat teams.

News from the ARTS

I would like to take this opportunity to let you know of two very exciting ART Exhibitions that are taking place. We are proud that each of these exhibitions will feature works from our very own Walt Whitman students.

The Art League of Long Island is hosting a beautiful virtual art presentation of the *Go Ape Advanced Placement Student Exhibition 2021* (March 15 - April 2). Following are our Walt Whitman students and their works that will be on exhibit:

Alexander Coletti, Grade 12

"Objects in the Mirror Are Closer Than They Appear"

Jasmine Fradera, Grade 11

"Buckshot"

Michelle Mullin, Grade 12

"As a Hollow Soul"

Aniya Nicholson, Grade 11

"Keep Fighting"

To view these amazing artworks, please go to: <https://artleagueli.org/exhibitions/go-ape-advanced-placement-exhibit/>

Also, the Huntington Arts Council is hosting the High Arts Showcase in the Art Gallery on Main Street in Huntington. There will be a private reception held this Friday, March 19th, 4 – 7 p.m. The gallery is open to the general public, Tuesday through Friday, 11 a.m. – 4 p.m.

The following Walt Whitman students will have their artwork exhibited:

Carlos Alfaro, Nicholas Campanelli, Ashlin Hanley, Jessica Mangels, Daniella Padinha, and Paul Smitelli

Congratulations to our Walt Whitman artists who have worked so hard and who have been selected for these very prestigious ART exhibitions!

BRAVO TO ALL!

NATIONAL SCHOOL BREAKFAST WEEK

This week the South Huntington School Nutrition Program is celebrating the National School Breakfast week. The 2021 theme is "Score Big with Breakfast." This celebration gives School Nutrition Programs the opportunity to showcase their breakfast program and all that it has to offer children. The NSBP follows the same nutritional guidelines that we must adhere to with our lunch program.

Studies show that children who eat breakfast are more likely to:

- Reach higher levels of achievement in reading and math
- Score higher on standardized tests
- Have better concentration and memory
- Be more alert and maintain a healthy weight

The National School Breakfast Program also serves more than **14 million** children every school day—that's a crowd of cosmic proportions.

Many changes have occurred this year! All of our K-6 students now follow the "Breakfast in the Classroom" program. Meals are delivered and served to our children directly in the classroom. We have also brought movable "kiosks" to Stimson Middle School and Walt Whitman High School. Each change has taken a bit of adjustment time, but success is beginning to take shape as we add new items for our children to enjoy.

The NSLP provides a nutritious, easy way for our children to enjoy breakfast as they settle into their school day.

News from Mr. John Murphy,
Principal of Walt Whitman High School

The Whitman Dance team Kickats are participating in an Easter Food Drive in conjunction with St. Vincent de Paul to support those in need in our area. You can help by donating the following non-perishable items: boxed stuffing mix, instant potatoes, gravy, canned vegetables, canned fruit, cranberry sauce, brownie or cake mixes. Donations can be dropped off until March 24th at the Counseling Center, the Leadership Room or the Main Office.

The Interact Club will host a clothing drive all this week. Bring in gently used clothes, shoes and accessories of all different sizes to be donated to various organizations in the South Huntington community. Bring items to Student Services, Room 508, the Leadership room or the Main Office.

This Friday, at 7 p.m., tune in to the Xanadu-Collective Virtual Concert for a night of amazing music, poetry and dance. Whitman's talented students and faculty will deliver yet another stunning digital performance, and offer raffle tickets to win a new guitar with 3 free months of music lessons from Murphy's Music, a Nintendo Switch Game System, a flat screen TV, gift certificates to local restaurants and more. Your participation will celebrate art and music at Whitman, and your donation will support Whitman's literary magazine and recording studio club. Go to xanadulitmag.com to see the concert this Friday night at 7 p.m.!

Please support Whitman's Refuge as they provide supplies in the form of Easter baskets to our local senior citizens. We are in need of puzzle books, socks, blankets, Easter candy, lip balm, lotion, tissues and other toiletries. Donations can be dropped off at Mrs. Grady's office, Room 601 or the Main Office. Thank you for your support!

Don't forget that registration for Girls Sports Night is open to all 9th -12th grade girls. Visit Mrs. Mahoney's Google Site for important information and registration forms, or see her in Room 215 with any questions.

Congratulations to the Boys Volleyball team as they beat Shoreham Wading River on Saturday by a score of 3 sets to 0. The Team improves their record to 2-1. **Ryan Davis** earned Player of the Game honors during the win with 3 kills, 1 block and 5 aces. **Ben D'Agostino** led the team in digs with 6. Good job boys!

The Girls Swim team defeated William Floyd 80-61. The 200m freestyle relay team of **Emily Teplansky**, **Abigail Velazquez** and **Bianca Santaromana** placed 1st. Teplansky also won the 200m I.M. and the 100m freestyle.

Congratulations to our Girls JV Volleyball team as they defeated Connetquot two sets to one. **Noelle Decker** led the way with 11 kills and 10 digs. **Dani Probst** was dominant in the back row with 25 digs. **Sophia Swanson** was great at the net with 10 blocks and 8 kills. **Anastasia Novinski** sealed the win, serving to close out the final set. Congratulations girls on a hard fought victory.

News from Mr. Eddie Smith, Principal of Stimson Middle School

Attention all parents! Fall sports start this Monday, March 22nd. We are very excited about the return of sports and to see our student athletes on our fields. Please help us make sure this season is a success. We would ask all families to follow the directions listed below for student drop off. Just a reminder, that all students that are on their remote days must attend practice.

	Football	Boys Soccer	Girls Soccer	Boys XC	Girls XC	Girls Tennis	Field Hockey	Cheer

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Silas Wood is delighted to learn that we have, among our many talented students, a gifted writer by the name of **Kiernan Tardieu!** Kiernan was recently announced as the winner of Gellerman Orthodontics' "Tooth Fairy Tale Contest," which was offered as part of Dental Health Month. The entrants were tasked with writing a fairy tale about the adventures of the tooth fairy. Kiernan's story was a real page turner, which included the appearance of not only the tooth fairy, but also archenemy the tooth thief and a villain by the name of Dr. Cavity. Rest assured that a happy ending tied up Kiernan's tale! Congratulations Kiernan!

We would like to take this opportunity to remind students and parents of our teachers' "Office Hours" daily from 2:10 to 3:10 pm. We encourage you to reach out to faculty members via email or by telephone, for any questions you may have or for any needed information or assistance with classroom work, projects, etc. Please take advantage of this time that is provided for you!

While Silas Wood is awash in green for St. Patrick's Day this week, we are also enjoying the appearance of buds and blossoms not only on our grounds but also on our indoor displays. We have been able to enjoy the beautiful weather during outdoor recess, the first in many weeks, as well. Speaking of beautiful weather and the return to outdoor activities, all students should be reminded to take care when walking or biking on roadways, and to please refrain from texting or talking on their cell phones anytime that doing so could cause them to pay less attention than a situation might warrant.

News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

Birchwood's Night-In will take place on Thursday, March 25th, at 7:30 p.m. on Facebook Live.

The raffle basket list for the 95 amazing raffle baskets we were able to create this year were sent home and emailed to our families! By purchasing raffle tickets you can enter to win these amazing prizes while also supporting our Arts in Education programs. This is our largest and most profitable fundraiser of the year, and we are hoping we can count on you for your support!

All raffle entry forms are due by Tuesday, March 22nd. You just pay cash, check or Venmo, and then send us your raffle choices on the form sent home. We do the rest and hope you are a winner!

Thank you for supporting the students of Birchwood and your PTA!

Media March:

Last month, we celebrated Friendship February! Students enjoyed many activities focused on the qualities of friendship through stories, music and art. We will expand on that topic early in March as we work with Zen Den to integrate mindfulness through stretching and physical activity. We will then shift to our next SEL topic - Media March! During the month, students will learn about maintaining an appropriate digital footprint along with other important digital citizenship skills through various classroom lessons. Our Birchwood family stresses the importance of kindness to others both in-person and virtually. Our culminating activity will be launching a new pen-pal program where we will get to apply these digital skills along with a Kindness Chain Challenge where we will work with the Kids for Peace organization to create the longest kindness paper-chain in the world!

Each year, South Huntington school teams unite to raise money for a very important cause - childhood cancer, and typically, Mr. Keogh shaves his

Physical Education:

We have begun to use our Gymnasium for Physical Education Class when we are unable to get outside due to inclement weather. Due to social distancing guidelines we are able to only have one class in the gym at a time. We are keeping track of which classes use the gym so we can rotate classes. The students should be prepared to go outside every day, as the goal is to always try to get the students fresh air.

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Spring is right around the corner and our PTA is moving forward with a Spring Sprinkle Fundraiser! Information has been sent home regarding an "Egg My House" activity. All families will have an opportunity to purchase candy-filled plastic eggs that will be placed on your front lawn during the evening of April 3rd. Your child can participate in an Easter egg hunt the next morning. Orders are due by March 26th.

The PTA has also organized an online Spring Book Fair. Maplewood's book fair will be open from Monday, March 22nd through Sunday, April 4th. The website is provided on the notice that was sent home. As a kickoff to the book fair, we will be collecting gently used books that will be donated to The Book Fairies. All donated books can be brought in on Monday, March 22nd and Tuesday, March 23rd. In addition, a new book will be raffled off to a lucky Maplewood student each day during the week of March 22nd. Feel free to contact the PTA at maplewoodpta345@gmail.com for any questions regarding these fundraisers.

This week, we have started to allow classes to utilize the gym. One class will be allowed to use the gym at a time. Students will be spaced out twelve feet apart to accommodate social distancing. Classes will continue to go outside for physical education, weather permitting.

Since we have more students that have transitioned to in-person learning, more students are being dropped off and picked up. Thank you for your continued cooperation with the morning and afternoon procedures. Please continue to be mindful of social distancing protocols and remember to inform your child's teacher of any changes for pick-ups.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Did you know that purple is the color of Social Emotional Learning? Our Kindness Initiative continues at Oakwood and on Thursday, our students were greeted with large, purple balloon towers which were received by our students and staff with excitement and smiles. Also last week, our staff began sharing Kindness Quotes during our morning announcements. This is yet another reminder for our students to exhibit kindness throughout the year.

A special *THANK YOU* to our chefs in the cafeteria and our entire School Nutrition team for going above and beyond to celebrate National Breakfast Week. Last week, the team provided special items in students' breakfast bags to recognize National Breakfast Week, including stickers and pencils. Thank you for taking the extra time to put these items in our breakfast bags!

Another special *THANK YOU* to Dr. Gellerman Orthodontics and her staff for providing our students with goody bags containing dental hygiene products,

including a toothbrush, toothpaste, floss, and lip balm. The bags also contained a pen, hand sanitizer, as well as a coloring book. These items are certainly welcomed and very much appreciated. We thank you for your thoughtful generosity, Dr. Gellerman!

It has been a fun and exciting time at Oakwood this week as we begin to use our gymnasium! Our students are so happy to be in a new space, exercising and moving, while maintaining social distancing! We will be able to use this space when there is inclement weather or if the temperatures are too cold.

Kindergarten Registration continues for the 2021-2022 School Year. Please be sure to visit the South Huntington website for the Online Registration System to submit documents for registering your child for the 2021-2022 school year. If you have any questions, please feel free to reach out so we can assist you. We are looking forward to meeting our incoming students!

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us please see the information below:

Wishing all of our families a wonderful week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

This week Countrywood had an opportunity to present the Tri-CYA Food Pantry with all of the food and toiletries that our students and their families so generously donated over the last several weeks. We would like to thank Ms. Jessica Kapps for organizing this wonderful food drive that directly benefits those in our community in need.

A friendly reminder from our PTA that they have extended the virtual Book Fair through March 23rd. Please use the following link to order books: <https://www.scholastic.com/bf/countrywoodprimarycenter>.

Ordering through this link will help Countrywood earn books for the school.

In the past our wonderful PTA has hosted Countrywood's Night Out, which has been our building's biggest fundraiser of the year, raising money to bring in wonderful Cultural Arts and social and emotional programs and assemblies for our students. Due to COVID restrictions, sadly this year the event will not be able to take place. In order to continue to make sure that the PTA can continue to bring in these wonderful programs, they have come up with a daily calendar raffle with a winner drawn each day. A flyer was shared with our families, but please reach out to the PTA at CountrywoodPTA@gmail.com, if you would like more information or have any questions.

While this week has been a reminder that winter is not yet over, we are eagerly looking forward to the warmer temperature forecast for next week. As a reminder, please continue to send your children dressed for the day's weather, as we are making every effort to have recess and physical education classes outdoors. When the weather does not cooperate, we are starting to use our gymnasium for physical education classes. Mr. Barrett and Ms. Reichert are following all social distance protocols as we balance physical movement with the health and safety of all involved. In order to maintain a safe distance, only one class will participate in physical education in the gym, while the other class will have PE class in the classroom. Again, our goal is to get outside whenever possible, and the use of the gym will be reserved for those few remaining cold weather days as well as inclement weather days.

A friendly reminder that Kindergarten registration for the 2021/22 school

District PTA Council News

Spring planting season is just around the corner! The South Huntington Council of PTAs has partnered with White Post Farms to offer a collection of fine flowers, vegetables and hanging baskets. All proceeds will go towards scholarships for high school seniors. Purchases can be made through March 28, 2021, at shcouncil.memberhub.store, or via the paper order form sent home with students last week. Orders will be available for pick-up at Walt Whitman on Saturday May 8, 2021, from 11 am – 4 pm.

News from South Huntington Library

Seed Library: Spend a summer gardening with your family! The South Huntington Public Seed Library is now open. Families are invited to stop by the Adult Services Department to select up to five packages of vegetable seeds per visit. (Quantities and varieties are limited.) Plant your seeds, grow vegetables, and harvest seeds to return to the library for next year's crop. For more details, visit shpl.info/seed-library.
