### Food for Thought

"Tell me and I forget. Teach me and I remember. Involve me and I learn."  
-Benjamin Franklin

### Superintendent's Corner

At last week's Board meeting the trustees voted unanimously to return 12th grade students to full-time instruction on Monday, March 22nd, and will measure the health-related metrics at regular intervals with consideration given to returning the junior class to full-time instruction on Monday, April 12th, with further considerations to the remaining grades at regular intervals. The Board of Education further moved that full-remote learning will remain an option with the hybrid model, subject to re-evaluation at two-week intervals, with the expectation that students are required to attend school on their in-person hybrid days. The district administrative staff will provide regular reports to the Board of Education relative to all district buildings and grade levels.

### News from Deputy Superintendent

#### Dr. Joseph Centamore in the Curriculum Office

Birchwood, Maplewood, Silas Wood and Stimson will be communicating with parents this week with regards to Grades 3 through 8 New York State Assessments. While the State is still actively trying to obtain a waiver from the Federal Government, schools must plan as though the tests will proceed, though in modified (shortened) form. The first of the assessments, the English Language Arts, is scheduled to begin on April 20th. In the communication that is forthcoming, information on the State testing will be provided and parents will be asked to indicate their intentions with regards to their child's participation. Should a waiver be approved by the Federal Government, an updated communication will be sent to parents.

### News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

At tonight's (Wednesday's) Board of Education meeting we will be presenting the next segment of our 2021-2022 Budget Development series. Our goal for this Budget Workshop is to highlight the anticipated revenues and expenditures, and provide a window into financial planning for this coming year. It does appear that federal stimulus money of some sort will help mitigate losses by backfilling local and state treasuries. The hope (actually the expectation) is that the increased Federal support will eventually manifest in the form of New York State Aid, which provides direct support to our students, staff, and programs. Of course, there are

### Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The district's new online registration system allows parents the convenience of registering their child(ren) using the online registration (OLR) portal. Registration is open for the current and next school year, 2021-22. Parents can access the portal by going to the district website, click on the **Online Registration (OLR)** Info button, OR go to **District>Central Registration Information**. In order for our incoming kindergarten parents to be updated about upcoming events from Oakwood and Countrywood Primary Centers, we encourage parents to complete the registration process as soon as possible. Please feel free to contact the building about school-related questions, and your call will be directed to the appropriate personnel, Countrwood Primary Center, 631-812-3300 or Oakwood Primary Center, 631-812-3500. If at any point that you need assistance with the registration process, then you can schedule an appointment by accessing Central Registration's calendar. [Click here to schedule an appointment](#) (link: <https://dwut6.youcanbook.me>), email, [registration@shufsd.org](mailto:registration@shufsd.org) or call 631-812-3180.

All Silas Wood faculty and staff wish our Silas Superstars and their families a safe, happy, and enjoyable Spring Break! Stay well!

**News from Mr. Anthony Ciccarelli,  
Principal of Birchwood Intermediate School**

We have begun to use our gymnasium for Physical Education class when we are unable to get outside due to inclement weather. Due to social distancing guidelines, we are able to only have one class in the gym at a time. We are keeping track of which classes use the gym so we can rotate classes. The students should be prepared to go outside every day, as the goal is to always try to get the students fresh air.

The spring time weather is finally upon us. We are excited to be getting our students outside for recess, as well as Physical Education classes as often as possible, and are in the final planning stages of a safe way in which to re-open our playgrounds, in a limited way, after we return from the break. As soon as the specifics of the plan are finalized we will share them with our families.

Last month we celebrated Friendship February! Students enjoyed many activities focused on the qualities of friendship through stories, music and art. We will expand on that topic early in March as we work with Zen Den to integrate mindfulness through stretching and physical activity. We will then shift to our next SEL topic - Media March! During the month, students will learn about maintaining an appropriate digital footprint, along with other important digital citizenship skills through various classroom lessons. Our Birchwood family stresses the importance of kindness to others both in-person and virtually. Our culminating activity will be launching a new pen-pal program where we will get to apply these digital skills along with a Kindness Chain Challenge where we will work with the Kids for Peace organization to create the longest, kindness, paper-chain in the world!

Each year, South Huntington school teams unite to raise money for a very important cause - childhood cancer, and typically Mr. Keogh shaves his head as part of the annual event. This time around, we are going to try something new! We are asking all Birchwood students to get active! We are encouraging everyone to do something to keep their body's healthy - walking, yoga, bike-riding, whatever you enjoy! Then use the link below to post what you did and consider making a donation to help children battling cancer. We know together, we can do great things!

## News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

There is still time to purchase your eggs for the PTA's "Egg My House" fundraiser! Orders are due by March 26th. All families can purchase candy-filled plastic eggs that will be placed on your front lawn during the evening of April 3rd. This way, your child can wake up to an Easter egg hunt on Easter morning.

Our virtual Spring Book Fair is off to a great start! It is going on now through Sunday, April 4th. The website to purchase books is provided on the notice that was sent home. As a kickoff to the book fair, we collected gently used books on Monday, March 22nd, and Tuesday, March 23rd, which will be donated to The Book Fairies. In addition, a new book will be raffled off to a lucky Maplewood student each day during the week of March 22nd. Feel free to contact the PTA at [maplewoodpta345@gmail.com](mailto:maplewoodpta345@gmail.com) for any questions regarding these fundraisers.

We are fortunate that the weather has been quite agreeable and have been able to get students outside for physical education classes and recess. Unfortunately, recess activities have been limited due to health and safety concerns. However, we are in the process of planning a safe way to re-open our playground in a limited way for students to enjoy and begin to experience some normalcy during recreational time after the spring break. We will share more information as details become finalized.

Parent teacher conference dates have been set. May 6th, and May 11th, will be half days of school for students to allow for afternoon conferences. Students will be dismissed at 12:30 PM. May 19th will be our evening conferences from 6 PM – 8 PM. All conferences will be Virtual. Your child's teacher will reach out to you to schedule a time.

Don't forget to visit our Instagram page ([maplewood\\_shufsd](https://www.instagram.com/maplewood_shufsd)) for some great photos of what's happening at Maplewood!

We want to take the time to wish everyone a Happy Passover and Easter. We hope you get to safely spend some quality time with family and friends. Enjoy the break!

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Spring is in the air! Oakwood students have been enjoying the nicer weather in many ways. Teachers have used the outdoor spaces as learning classrooms while they take their students outside to read and learn. We are excited to be getting our students outside for recess, as well as Physical Education classes as often as possible, and are in the final planning stages of a safe way in which to re-open our playgrounds, in a limited way, after we return from the break. As soon as the specifics of the plan are finalized we will share them with our families. We know our students are anxious to get back on the equipment!

We are also excited to share that our 2nd Grade students will be participating in a Virtual Field Trip to Heckscher Museum in April. For the program, the students will be working on a project called "My Museum". The students will learn all about how to design a museum, the variety of mediums that can be displayed, and the different types of museums that

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

The spring time weather is finally upon us. We are excited to be getting our students outside for recess as well as Physical Education classes as often as possible, and are in the final planning stages of a safe way in which to re-open our playgrounds, in a limited way, after we return from the break. As soon as the specifics of the plan are finalized, we will share them with our families. We know our students are anxious to get back on the equipment!

Last year, thanks to Ms. Buhse and her team, Countrywood was lucky enough to receive some beautiful wooden planters in which we grew various vegetables. With the nice weather coming, a team of Countrywood staff are once again spearheading a Countrywood Garden team, and we are in the planning stages of what will grow best. We will then have various classes around the building help us with the planting, watering, weeding, and harvesting of our crops.

This Thursday, thanks to our wonderful PTA, all students are in for a treat when Brady Rhymer hosts a virtual assembly in the classrooms. Brady and his group have been a favorite of South Huntington for many years, and while we look forward to the day that we can invite them back into our building, we are excited to still have an opportunity for our students to experience his music and energy.

On behalf of myself and the entire Countrywood family, we would like to wish everyone a safe, restful, and enjoyable upcoming holiday break; we hope everyone enjoys quality time with family and friends. We look forward to seeing everyone when school re-opens on Tuesday, April 6th.
