Food for Thought

"Never let the fear of striking out keep you from playing the game."
– Babe Ruth

Superintendent's Corner

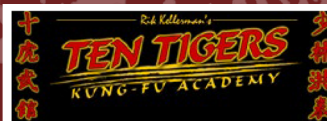

The month of March is finally here, and we know that warm temperatures and longer days are just around the corner. Springtime energy is starting to increase and we are working to juxtapose increased activity with safety and long-term preparation. Our goal is to remain thoughtful and balance the genuine desire for normalcy with recognition of our community's stubbornly high infection rate. Fortunately, our Wildcat family is avoiding much of the infighting that is dividing school districts throughout the region, and we continue to work through this pandemic in a cooperative manner. As we have said in many recent calls, there is a light at the end of the tunnel and brighter days are ahead if we remain focused and united in the effort.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Principal Murphy has fantastic news to share with regards to this school year's Walt Whitman High School's Principal's List, which requires a 95% or higher grade in all subjects. Despite the challenges of the pandemic, this year's senior class has 162 students eligible for the Principal's List. These senior Wildcats have certainly demonstrated tremendous resiliency and a steadfast commitment to their academic achievement. Congratulations to these students and their families. This is also a credit to the amazing work performed by the entire Whitman leadership, instructional, and support team, as over the past six years, this number has increased by nearly 100 students. One of the many wonderful aspects about the field of education is how interconnected everything is. Senior year is a culmination of 13 years of hard work. To that end, this is truly a celebration for every teacher, staff member and administrator in the district who has had to opportunity to work with our students.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

As we work through the 2021-2022 budget development process, please be reminded that any and all materials, ranging from the property tax report card to various public presentations can be found on the district website at shufsd.org. Simply log onto the website and find the Board of Education tab to the right of the second header on the page. Please also feel free to reach out to any of our district office administrators, should

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Our Student Services Department remains keenly aware of the social emotional ramifications of our current COVID world and wants very much to assist our students and staff as they navigate this unprecedented road. To this end, we remind our families that each of our schools are staffed with a Social Worker, Psychologist, and a Behavior Specialist who stand ready to help. We encourage our families to reach out to the support team, as well as teachers or administrators, if we can be of assistance.

Below, please find the contact information for these individuals in each of our buildings.

News from Mr. John Murphy,
Principal of Walt Whitman High School

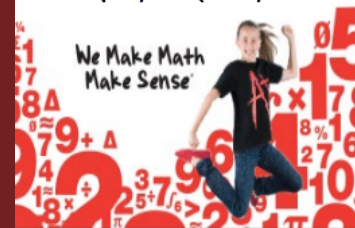

Walt Whitman High School is proud to announce some exciting news from Virtual Enterprise. One of the student created companies, LUKO, has advanced to the National round of the business plan competition. This means they are top 32 in the country and will have the opportunity to compete in April for the highest spot. Great work and good luck!

Whitman would like to announce that for the remainder of this school year, our Leadership classes will host *Spirit Days* each month, one on Thursday and one on Friday, to encourage and foster school spirit, school pride, and a little bit of cheer. We encourage all students and staff to participate in the fun. Our next *Spirit Days* are this Thursday and Friday, and the theme is Disney Day. Show your school spirit and dress Disney.

Feeling cooped up during virtual learning? The Leadership classes want to help. We know that being at home a lot can get old and leadership wants to help you be more productive with your free time. Each week leadership classes will offer a new idea for an activity you can participate in to make this time more interesting. This week, try to: **Watch a movie that you haven't seen in a while.**

Athletic News

Congratulations to the Varsity Bowling team as they etched its way into history by qualifying for the Suffolk County Championships for the 1st time in perhaps over 20 years...they're checking the record books for us. The team came into the tournament as an underdog, but took the fight to the field of teams ...climbing its way up from the 14th seed to finish 7th in the County. This is a great achievement for the team. Congratulations to all those involved this year....especially the seniors. Whether you were in the match lineup or not, the coaches hope that you all enjoyed yourselves and learned along the way. Congrats to all!

Congratulations to our Girls Varsity Basketball team on its 20 point victory over Ward Melville on Saturday. The girl's win gave them a chance at the County Title on Sunday vs. Longwood, but in the end fell short. This is the first finals appearance and back-to-back league titles in over 20 years for the girls. Congratulations to Seniors **Dana McGowan** and **Jenna Stockfeder** on all of their success on and off the court. Fortunately, the future is bright for the Wildcats, as they return 8 players from this year's team.

Whitman would also like to congratulate the Boys Swim Team on finishing 2nd in the County this season. Great job by all!

book includes a section for each grade (6th, 7th, and 8th), so all can and should upload your photos!

We are seeking photos of the following:

- Silas Wood 6th Graders & Stimson 7th Graders– any pictures from school events this past year (spirit days, Halloween, etc.). - Stimson 8th graders – any pictures listed above. We are also seeking pictures from last year when you were in 7th grade, as well as your 6th grade SW memories.
- We prefer group shots (especially for memories from prior years). We will consider students “selfies” and individual photos from this past year that are school related (please no vacations, day trips, outside sports teams, etc.).

Here’s how to get your photos in the yearbook!

- Go to <https://images.schoolannualonline.com/416174558>
- Click “Choose photos” and select the photos you wish to upload
- Each photo requires you to enter your first and last name and grade
- Enter information about the photo, so we know when and where it was taken. (ie: Current SW, Current SMS, SW 2019 Memories, SMS 2020 Memories) We need this information to sort the photos to the correct pages. Please start uploading your photos TODAY!

Last day to submit photos is Friday, March 26th.

We look forward to welcoming back all of our Fall Sports on March 22nd. If you have a child that is interested in playing soccer, football, field hockey, cross country, girls’ tennis, or cheerleading, please complete all the information in Final Forms on the district website by following the Athletics Link.

What do you expect from the month of March? The end of winter? The return of warm breezes? Crocuses poking their colorful heads out of the ground? Spending some time outdoors? For me, our staff, and our Silas Superstars, it is all of the above and much more.

So we greeted the soggy, foggy, sleepy-lion start to the month, trusting that as the weeks roll on, we will enjoy such wonderful spring-like events along with some nice, out-like-a-lamb springtime weather!

Our Jump Rope for Heart campaign will wrap up this week. Due to the challenges of having student's jump rope while following proper guidelines for health and safety, our classes will be participating in a dance challenge as the culminating activity. The deadline for donations has been extended to this Friday, so please consider contributing to this important cause, if you have not already done so. So far, we have raised \$4,000 for the American Heart Association. This means two teachers and our Assistant Principal, Mrs. Davis, will be slimed! If we raise \$7,000, I will be slimed, and if we raise \$10,000 our wonderful Superintendent, Dr. Bennardo, has agreed to be slimed as well. So keep those donations coming in.

We are also completing the Goldilocks trials this week. Our fifth graders did a great job with all of their performances. Thank you to our teachers and staff that helped to make this enjoyable for all!

Since most of the snow is melting and we have been experiencing some warmer temperatures, teachers and lunch staff will be taking students outside for some activities in the blacktop areas. So please remember to send your child to school dressed appropriately for the weather so they can enjoy some time outside with their class

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Oakwood's Kindness initiative continues! Our students were excited to participate in Kindness Week, and we would like to thank all of our students, staff and families who participated in the World Kindness Challenge by making paper chains designed with kindness in mind. We have learned that the challenge deadline has been extended, so if you still would like to submit the kindness paper links, you can send them in by Friday, March 26th. We will be continuing this positive initiative during the days, weeks and months to come.

This week, we are celebrating Read across America! The goal of this great week is to motivate our children to love reading. On Monday, we shared funny books, and on Tuesday, we read books by the famous author, Dr. Seuss. Some of our students and staff also wore fun Dr. Seuss shirts, hats or even Seuss socks. Wednesday brings Read a Shirt Day, where all are encouraged to wear shirts with positive messages or quotes. On Thursday, Be a Reading Buddy Day will encourage all to recommend a book to someone, and we wrap up the week on Friday with Free Reading Choice Day. All options are available for students to read anything they want like comic books, directions or even a cereal box. We hope everyone enjoys Read Across America Week.

We hope that you are all able to join us on Friday, at 7pm, for the long anticipated PTA Lip Sync Battle. We are eager to see all of the performances, but we are especially excited to see our very own Oakwood Stars sing, dance and groove to *Happy* from the movie *Despicable Me 3*. It is a night not to be missed....**Go Oakwood!**

Oakwood is posting new pictures on our social media accounts on Instagram and Twitter! We are very excited to share all of the wonderful things happening to enhance and build on our home-school connection! If you are interested in following us, please see the information below:

Wishing all of our families a warm and bright week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

It is hard to believe that we have turned the calendar to March already. We are hopeful that March will be a mild month, and our plan is to once again have our students go outside for both recess and Physical Education classes. Due to the fact that all of our grassy areas are either still snow-covered or extremely soggy and muddy, we are planning when the weather cooperates to hold physical education classes on the back blacktop, and hold our recess program in the front bus loop (which will be blocked off to traffic). Please be sure to send your children to school properly dressed for the day's weather and in footwear that is safe for physical activity.

Thank you to our wonderful PTA for last Friday's Family Fun Magic Show. It was great to see so many families logged on and enjoying not only some magic tricks, but also getting some "insider tips" on how to perform various magic tricks as well. We realize that these are unusual and challenging times for all, and appreciate all that our PTA has done to

continue to bring these family events to our Countrywood Family.

We also have our virtual monthly PTA meeting Tuesday night, March 2nd, at 7 pm. Please use your child's SHUFSD credentials to log on with google meet code CWPTA2020. We hope to see you there!

Our Countrywood PTA has teamed up with our Countrywood staff to celebrate our masked readers. Throughout the week our students will hear from various mystery readers from Countrywood, and each class will have an opportunity to guess which Countrywood staff member has been reading. Classes that guess correctly will be entered into a raffle where they can win prizes for their class. This fun event leads right into our March online Book Fair which is being held through March 18th. Please see the PTA flyer that was shared earlier this week with details and the QR Code.

If your schedule allows, please join in supporting our wonderful PTA Council this Friday evening, at 7 pm, for the Lip Sync Battle. One of our very talented Countrywood staff members will go up against staff from the other six South Huntington Schools. You can enjoy this virtual event from the comfort of your home and get to see who will be the winner as they lip-sync songs from popular movies. A huge thank you goes out to our very special Countrywood staff member who was kind enough to participate. Tune in later this week to find out who this mystery staff member is.

Looking ahead to next week, on Tuesday, March 9th, SHEF will be holding a virtual Countrywood and Maplewood BINGO night. Information is posted on Countrywood and SHEF's social media pages, as well as your child's Google Classroom. Please reach out to the office with any questions.

We wish you a safe, healthy, and wonderful week ahead.

News from South Huntington PTA Council

The South Huntington Council of PTAs is excited to present the first-ever district-wide Lip Sync Battle "Lip Sing for Scholarships" this Friday, March 5th, 2021, at 7 p.m. A link to the virtual event will be sent to all of our district families next week. Please be on the lookout!

The mystery performers have recorded their songs. We also have amazing sponsors lined up to support this event.

Voting is currently open! Visit: shcouncil.memberhub.store and click on the donation link to vote. Each vote is \$1.00. Give and vote as much as you like! Please make sure to let us know which school you are voting for so we can calculate the winner for bragging rights!

As a bit of an incentive to our amazing families, we are entering every vote into a raffle for a \$75 gift card to a local restaurant! The more you vote the more chances you have to win!

News from SEPTA – Maureen Basedow

The Special Education PTA would like to shout out a warm thank you to all the administrators and staff that helped and supported our parents/students with our last month's transition meeting. We appreciate your help. Please join us on March 16th, 2021 for our next virtual monthly PTA Meeting. Our faculty grant program is on the way. A link to our forms and applications is on our google site. Email will also be sent to building administrators. Thank you.
