**Food for Thought**  
“You may have a fresh start any moment you choose, for this thing that we call “failure” is not the falling down, but the staying down.” ~ Mary Pickford

**Superintendent’s Corner**  
On Monday’s return to daily in-person instruction, for those who chose to avail themselves of that option, the energy was high as our 6th, 8th, and 11th graders joined their elementary and senior counterparts in school. We continue to offer virtual and hybrid options for those who are more comfortable with that structure, and truly believe that health and safety confidence will grow as long as we continue to exercise the utmost caution with our protocols, and vaccinations expand throughout the region. We will, of course, keep you informed every step of the way.

We also want to take a moment to wish all those who are observing the holiday a Blessed Ramadan. We hope that you enjoy a generous Ramadan with rich, beautiful gifts throughout the month.

We wish our entire community the very best, and promise that we are trying very hard to pursue academic and co-curricular excellence, while simultaneously navigating what we hope are the concluding months of this COVID struggle.

Thank you all for your tremendous support during this unique year.

**News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office**  
The following is the schedule for students to return to full in-person instruction for families who have selected this option:

- Stimson Middle School – Grade 7 - April 19
- Walt Whitman High School – Grades 9 & 10 - April 26
- Oakwood/James Kaden – Pre-K - April 26

If you have a student in Grades 3 through 8, and have not yet responded to the State Assessment Selection that is on the district’s website homepage, please do so this week, as testing will begin on April 20th. If you have any questions, please feel free to contact your principal.

For Stimson and Whitman students, a communication was recently sent out from the building principals with regards to Regents examinations, as well as final exams. These letters are posted on the respective school website homepages. If you have any questions, please feel free to contact the school’s guidance department.

On Wednesday, April 20, 2021, the Board of Education will vote on the adoption of our 2021-2022 budget. The proposed spending plan will include a progressive and prudent integration of new funding from both New York State and Federal sources. As in the past, our goal is to use any additional funding to enhance education, contain tax increases, improve infrastructure, and reduce deficit spending. We welcome you to join us at the Board of Education meeting by logging onto [www.shufsd.org](http://www.shufsd.org) and follow the link for the live meeting.

Congratulations to Varsity Football for earning their first League Championship since 1984. The 35-14 win over previously unbeaten Lindenhurst lifted the Cats to the title. Whitman will host Longwood, Saturday afternoon, at 3 p.m. Spectators will only be allowed in with a pass.

Congratulations are also in order for head Varsity Boys Soccer coach John DiGiacomo, as he earned his 150th career victory Saturday. John's teams continue to excel on the pitch, and we wish them all the best as the playoffs begin this week.

Welcome Back!

Any way you say it, Silas Wood is delighted beyond words to have students (who so chose) return to full-time in- school learning on Monday, April 12th! After an extended homeroom, and some inspiring welcome-back activities, the day began in earnest. All our young scholars have jumped into each and every class with energy and enthusiasm, overjoyed to meet teachers and fellow students they might only know via Google Meets! We could not be more delighted to have them here!

Silas Wood's third quarter ended on Tuesday, April 13th. With the fourth quarter beginning on Wednesday, April 14th, students move into the last rotation of their four classes of our Curriculum Wheel. Having already enjoyed three of the four components (Art, Coding, Home & Careers, World Language), students are excited about beginning that last phase of the rotation!

In recognition of April as Autism Awareness Month, Silas Wood students and staff are encouraged to wear blue, possibly in the form of our Autism Awareness tee shirts, every Tuesday and Wednesday during this month!

## SEL (Social/Emotional Learning)

As we wrap up Media March, we are thrilled that our students will be able to apply their digital citizenship skills as they meet new pen pal friends shortly after spring break. Our SEL Team will then focus on our next theme - Autism Awareness April! This month's activities will create opportunities for Birchwood students to develop awareness of people with autistic spectrum disorder. Activities such as a puzzle piece craft, and "Wear Blue Spirit Day," will support our goal of teaching about acceptance! Additionally, students will be able to visit a virtual library with read-aloud books, games, and short video clips.

## News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Next week we will administer the NYS ELA Assessment to grades 3, 4 and 5 using the following schedule:

- Grade 3 - Tuesday, April 20th
- Grade 4 - Wednesday, April 21st
- Grade 5 - Thursday, April 22nd

If you have not already done so, please use the form that is posted on our district website to inform us of your intent regarding state testing. If you have notified us in writing of your request, you do not need to complete the form. Remote students have the option of taking the assessment in school. Please inform the main office if you would like to send your child to school for the exam so we can make the appropriate arrangements.

The PTA is busy planning and organizing the activities for our virtual Maplewood Night Out event scheduled for May 6th. Class parents/representatives have been collecting items for class baskets. Thank you to all for your contributions thus far. I hope you are able to join us for what I am sure will be an enjoyable evening.

We have many items in our lost and found that have not been claimed. With the nicer weather, students often take off their jackets when playing outside and sometimes forget them on the bench. So please remember to label your child's jackets and sweaters with their names, so we can return found items to the appropriate students.

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We hope everyone had a great week! At Oakwood we are continuing our work on being a "bucket filler," and learning how to make others feel special by being a caring person. Our students recently participated in an assembly, virtually, in a reading of *Have You Filled a Bucket Today? A Guide to Daily Happiness for Kids* by Carol McCloud. This children's book offers a novel approach to learning how to make yourself and others feel special. As we continue through the school year, we will be encouraging our students to fill each other's buckets. Please feel free to use this special terminology at home too!

We would like to thank our school Social Worker, Mr. Toledo, for his incredible efforts in organizing the partnership with the Tri-CYA to help deliver groceries to families in need. This community partnership is so important and special to all of us.

Looking ahead, please mark your calendars...our early release days (11:30 a.m. dismissal) for Parent/Teacher conferences will be May 6th, and May

Wishing everyone a week filled with sunshine!

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

It is hard to believe that we are approaching the 4th quarter of the school year. Our classroom teachers will be in touch in the very near future to schedule our virtual Spring Parent/Teacher conferences. May 6th and May 11th are designated as early release days for daytime conferences, and then we will have evening conferences on May 20th (with a regular day of instruction). In the meantime, as always, we invite you to reach out to your child's teacher at any time with any questions or concerns.

Last week we told you about a wonderful fundraiser taking place here at Countrywood. Cohen Children's Medical Center holds a very special place in our hearts here at Countrywood. One of our own students is currently battling cancer and receiving treatment, and we would like to give back to the programs and services that help support all of the patients at Cohen's. In order to show our love and support for our student and their family we are hosting "Countrywood's Ice Cream for a Cause." For \$12 you will receive 12 scoops of ice cream, 4 cones, and 3 toppings. Proceeds from this sale will go directly to benefit the programs at Cohen Children's Medical Center. A flyer went out last week, but if you have any questions or need a new copy of the flyer, simply email me or call the school and we will be happy to assist you. A huge thank you to everyone who has already generously donated and participated in this fundraiser in support of such a worthwhile cause.

We are excited to announce that our PTA will be hosting a virtual brain challenge game show night on Friday, April 23rd. Please be on the lookout for more information and the link to a Google Form to register. We thank our PTA for their hard work and creativity in coming up with fun, enjoyable activities despite of all of the COVID restrictions.

Last week we shared that we are in the process of getting Countrywood's Garden up and running for the Spring and Summer. A huge thank you to our SBM team and several dedicated teachers and staff who have been spending time late last week and early this week weeding and readying our flower and vegetable beds for planting in the very near future.

This time of year the weather is a bit unpredictable, and whenever possible we plan on having our students go outdoors for both Physical Education classes, as well as our recess program. With this in mind, please be sure that your child is dressed for the weather of the day. Our students are really enjoying the reopening of the playgrounds, and we look forward to continuing to bring back as much "normalcy" to our students as the year goes on. We are in the process of planning some of our "end of year" events, and will be communicating these processes and procedures in the very near future.

We wish you a wonderful week ahead!
