Food for Thought

America has believed that in differentiation, not in uniformity, lies the path of progress. It acted on this belief; it has advanced human happiness, and it has prospered. ~ Louis D. Brandeis

Superintendent's Corner

Our progressive return to a full-time instructional option continued this week with our 7th grade students joining their elementary, 6th, 8th, 11th, and 12th grade counterparts. Of course, we continue to monitor infection rates, transmission patterns, and surrounding community conditions with the plan of adding the 9th and 10th grade, and Pre-K option of full-time return on Monday, April 26th. It is no secret that conditions are improving and that good news is a direct result of the smart, disciplined approach that our school community has taken during this unprecedented time. We are incredibly appreciative of that cooperation and proud to serve with and among such an amazing learning family.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Saturday, April 24 - 2 p.m. and 7:30 p.m.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

At last night's Board of Education meeting the trustees voted to adopt the proposed 2021-2022 South Huntington Union Free School District Budget. This \$184,937,763 financial plan makes careful use of available resources to reduce the tax levy, support instruction, address COVID learning gaps, enhance facilities, and bolster savings. The full adoption presentation can be found at www.shufsd.org, and we welcome you to log on or call our offices if we can be of any assistance.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

The playoff train keeps rolling as Girls Volleyball, Boys Golf, and Football are still in the hunt for a championship this week. Volleyball heads to Ward Melville, and if successful, will earn a spot in the Final Four. Our Boys Golf team finishes the season hoping for a League Championship, as well as a spot in counties later this week. Football is one game away from a County Championship and faces the Colonials from William Floyd, Friday at 5 p.m. at the Lincoln Avenue Athletic Complex in Mastic Beach, NY.

Additionally, several individuals are qualifiers for Counties. For Gymnastics, it's **Carly McEntee** on Floor, Tennis serves up **Chelsea Carino**, and in the Pool for Swimming are sisters **Maria and Arianna Petkovits**, **Catherine Muller**, **Bianca Santaromana**, and **Emily Teplansky**.

While the season was only eight weeks long, the successes and memories from this "Fall" season will last forever.

Athletic News

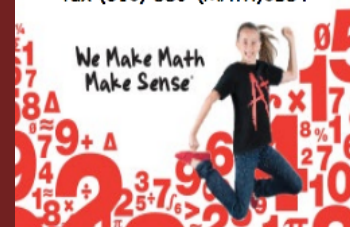

We are proud to announce that the Walt Whitman High School Varsity Football team had a convincing win of 30 - 6 against Longwood in the Suffolk County semi-final this past Saturday. Over the last two weeks the team has banded together and achieved something that has not been accomplished in almost thirty years. **Brandon Ivy's** 99 yard return of a fumble forced by **Rasahn Thompson** and **Liam Villanti** gave the Wildcats an early 14-0 lead. **Tim Hunter** scored a rushing touchdown and a receiving touchdown off a pass from **Nicholas Bottoni**. **AJ Evans** ran for 130 yards and a touchdown behind the offensive line of **Joe Robert**, **Logan Elmore**, **Diego Romeo**, **Logan Bermudez**, and **Liam Villanti**. The defense forced 6 turnovers, including a key interception by **Sean Bock**. Bock, along with **Steven Lainez Gomez**, **Dan Smith**, **Andrew Diaz**, **Joey Grasso** and **Jakub Plopta**, shut down Longwood all game long. **Josh Arevalo** added a 24-yard field goal and three extra points. Good luck to the Team as it travels to William Floyd on Friday, at 5pm, for the Suffolk County Championships! Being able to defeat teams such as Lindenhurst, Ward Melville, Sachem North and Longwood over the course of this year is amazing.

WWHS Varsity Golf continued its winning streak on Friday beating Commack at Crab Meadow. This has been an historic year for the Whitman Golf Team. This is the first Whitman Golf Team ever with an 8-match winning streak. The Wildcats will participate in the Suffolk County Golf Tournament on April 26th, at Smithtown Landing. Congratulations on a great season so far and good luck at the County Tournament.

Varsity Tennis player, **Chelsea Carino** won 2 rounds at the Division Individual Tournament, which advanced her to the County Individual Tournament and earned her All-County honors.

News from Mr. Eddie Smith, Principal of Stimson Middle School

Spring has certainly sprung at Stimson Middle School as we welcomed back a majority of our 7th and 8th grade students this week. Our Fall sports are in full swing with a tremendous amount of student athletes participating in them. It is so nice to hear the building buzzing and to see our hallways and classrooms returning to a level of normalcy with safety still being paramount. If your child is interested in participating in Spring sports, please complete the information in Final Forms as soon as possible. To access final forms please use the athletics tab on the district website.

Please be reminded that the New York State Mathematics Assessment will be administered to all students on May 4th. Similar to the last assessment, all students will take the assessment during home-room and then an abbreviated bell schedule will be followed for the remainder of the day. The testing session will end at approximately 9:30 a.m. If your child is not taking the assessment they may be dropped off in the rear of the building at 9:15am. If a student is in attendance during the assessment and is not taking the test, they will be expected to read quietly.

Please check the Parent Portal for 3rd Quarter Report Cards. If you have any questions or concerns, please contact the Guidance Office at Stimson at (631)812-3720.

SEL (Social/Emotional Learning)

As we wrap up Media March, we are thrilled that our students will be able to apply their digital citizenship skills as they meet new pen pal friends shortly after spring break. Activities such as a puzzle piece craft and "Wear Blue Spirit Day" will support our goal of teaching about acceptance! Additionally, students will be able to visit a virtual library with read-aloud books, games, and short video clips.

Students in various classes are celebrating Earth Day this week. Now more than ever we need to teach our students to appreciate the importance of taking care of our planet. Students have been reading, writing, researching and planting in their classrooms. Visit our Instagram page (maplewood_shufsd) for some great photos.

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We hope everyone is enjoying the nice weather. Our Oakwood students are truly enjoying the sunshine during recess, Physical Education class, as well as having learning opportunities outside.

Looking ahead, please mark your calendars...our early release days (11:30 a.m. dismissal) for Parent Teacher Conferences will be May 6th and May 11th. Evening conferences will be held on May 20th. More information from your child's teacher(s) will be forthcoming.

We would like to thank all of our families, staff, and businesses who have donated to Oakwood's upcoming Talent show and Fundraiser. Our PTA has been working diligently on preparing the list of class baskets, and we are very excited to participate in this fun family virtual event!

Count Oakwood in to register for Miles for Michael! We are so excited to keep the positive energy going. Sign up to be a part of this district-wide event, which is taking place over the course of two weeks, May 9th through May 23rd. Visit www.milesformichael.run to get all the latest information on this special event!

Our SBM team has launched the Kindness Goal for the week in our building-wide Kindness Initiative. This week our first goal is to focus on teaching students how to give a compliment to others. Our teachers and staff will be brainstorming ways we can give a compliment to others, and sharing the benefits of complimenting each other. Every class received a bucket and "bucket-filler pom-poms" for our teachers and staff to recognize big and small acts by an individual student or groups of students. Kindness is the Oakwood Way!

Kindergarten Registration continues for the 2021-2022 School Year. Please be sure to visit the South Huntington website for the Online Registration System to submit documents for registering your child for the 2021-2022 school year. If you have any questions, please feel free to reach out so we can assist you. We are looking forward to meeting our incoming students!

Wishing everyone a week filled with sunshine!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We are off to a great start to the week here at Countrywood. The students are all enjoying their outside time, both on the playground equipment, as well as during organized activities with our wonderful PE Recess teacher, Mr. G. A reminder to please continue sending your children dressed for the weather of the day, as well as with appropriate footwear, as whenever possible, we are getting outside for PE classes and recess.

our "Ice Cream for a Cause" Fundraiser and a reminder for those who have not yet participated, it's not too late. For \$12 you will receive 12 scoops of ice cream, three cups of toppings and 4 cones. Pick up will be on Thursday, April 29th, between 4 and 5:30 pm. This fundraiser is open to all students, families, and staff throughout the district and proceeds go to support the Cohen Children's Medical Center and all of the wonderful work that they do each and every day for children going through various illnesses. If you have any questions, or if you would like to participate, please feel free to call Countrywood at (631) 812-3300 for additional details.

This Thursday our students are in for a special treat, as our wonderful Countrywood PTA is bringing a virtual performance of the Prismatic Magic's Virtual Safari Laser Show. All students will have an opportunity on Thursday to view the show in their classroom and participate in a fun Q&A session consisting of one of their Laser Science Teachers answering common questions that children have about lasers.

A reminder to all families with children eligible for Kindergarten for the 2021/22 school year; registration is ongoing and details on how to complete the process online, or to schedule an appointment to register are available on the district website. As always, please call the school with any questions or if you need assistance with this process.

A reminder that both May 6th and 11th are early dismissal days for parent-teacher conferences, and that while May 20th is a regular day of instruction, we will have conferences that evening. Your child's classroom teacher will be in touch to schedule your conference date and time.

Please continue to follow Countrywood on Facebook, Instagram, and Twitter to get a glimpse into all of the wonderful programs, activities and learning that is taking place each and every day in our school building. We look forward to the day, hopefully in the near future, when we can re-open our physical building to our families and friends, but in the meantime we hope these pictures will bring a smile to your faces.

School Board Notes – A Message from the Board of Education

The Budget Adoption presentation concluded last evening with the Board of Education adopting the 2021/2022 budget of \$184,937,763 that includes a historical and significant increase in State Aid and a tax levy of .99%. The original executive state-aid proposal was \$39,510,899 with the legislative budget providing \$46,421,675—an increase of \$6,910,776 from the Governor's original proposal. Included within the budget is the purchase of 2 large buses and 2 mini-vans, additional academic pandemic response positions, a reduction in the use of District reserves, technology upgrades and enhancements, as well as much needed capital projects.

Board President Nicholas Ciappetta announced the three candidates running for the three available board trustee seats—Incumbents Edward J. Nitkewicz and Linda O. LaCara have submitted their candidate petitions, as has Mrs. Erin Meijer, a resident and parent in the District who has served on the Audit Committee for several years. Mr. Ciappetta thanked Board trustee Michele DeGaetano for her devoted service to the District these past nine years, as her term concludes June 30, 2021.

While reviewing the District owned properties currently for sale, Mr. Ciappetta announced the removal of the Chichester Road property
