### Food for Thought

The man who can keep a secret may be wise, but he is not half as wise as the man with no secrets to keep.

~ E. W. Howe

### Superintendent's Corner

As we return from holiday recess, there is great hope and optimism throughout the district. We have returned those seniors who are comfortable to full attendance, and have about 60% of our families availing themselves of that option. We understand that there are numerous variables involved with this type of decision and truly wish to support families in every possible way as they get more comfortable with regional conditions. **PLEASE NOTE** that the Board of Education will be meeting on Thursday, April 8, 2021 for the purpose of continued conversations regarding the option of gradual return for the remaining grades from 6-11. We welcome you to join us by logging onto [www.shufsd.org](http://www.shufsd.org) and follow the link to the board meeting.

### News from Deputy Superintendent Dr. Joseph Centamore Office of Instruction and Curriculum

A friendly reminder to our parents of students in Grades 3 through 8; if you have not done so already, please respond to the State Assessment Selection communication that was emailed by April 12th, so the building principals can plan accordingly. This selection is also posted on the district's website homepage. If you have any questions, please feel free to contact your principal.

### News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

In the ongoing effort to keep our students safe, Suffolk County has launched the "School Bus Stop Arm Program." This program equips Suffolk County School District buses, as well as contracted buses, such as Educational Bus, Inc., and Suffolk Transportation, Inc., with an automatic camera. The camera takes pictures when a vehicle passes a school bus while the stop sign is active. Passing a school bus while the stop sign is active is a violation of the "Stop Arm Law." (Section 1174 and 1174a NYS Vehicle and Traffic Law)

As of **May 1, 2021**, tickets will be issued to any vehicle passing a school bus with the stop arm engaged. This program is run by Suffolk County. The bus driver, school districts, and contractors, have no

## Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The Student Services Department is pleased to share a new community resource that can provide free and anonymous assistance to parents, students, staff, and community members adversely affected by the COVID-19 pandemic. This free service is provided by Empowerment Collaborative of Long Island (ECLI), which is a Project Hope provider; Project Hope is a FEMA-funded Crisis Counseling Service. ECLI serves to deliver short-term interventions and encourage linkages with other agencies to mitigate stress, develop coping strategies, and/or provide emotional support. ECLI staff is available to talk, listen, and support at no cost, anonymously and confidentially to individuals. For assistance, please call, 631-913-8655 or email, [projecthope@empowerli.org](mailto:projecthope@empowerli.org).

## News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

As the "Fall" season winds down, we want to thank the parents and families for helping us manage this difficult time. Your attention to the spectator rules that schools have been forced to adopt has been exemplary and could lead to a greater opening as the Spring nears.

Additionally, the pick-up/drop-offs that you have endured pay dividends as our athletes continue to excel with several teams either set or viewing for playoff spots.

Do not forget to catch any game live-streamed home or away by downloading the Section XI APP. We will be updating the list for the Spring in the near future.

## News from Mr. John Murphy, Principal of Walt Whitman High School

It was with great pleasure that Walt Whitman High School was able to honor students for achieving over a 1300 on the SAT, or 29 on the ACT, being designated as a Walt Whitman High School SAT/ACT Scholar. Over 60 of our current seniors were able to accomplish this task, despite the obstacles placed in their path over the last 14 months. The dedication and commitment they have shown is inspirational. On behalf of the faculty and staff here at Whitman we wanted to take this opportunity to congratulate these students on a job well done. All seniors fitting these criteria will have their name posted on a plaque to be permanently displayed in the front entrance of the high school. Congratulations to all!

National Lab! We look forward to working with our students on this exciting program, and to submitting our Silas Wood Fair winners to the BNL Fair for their event which takes place in June! Remember that these projects are due by Friday April 30; scoring will take place in the first week of May.

**News from Mr. Anthony Ciccarelli,  
Principal of Birchwood Intermediate School**

Thank you to the Birchwood PTA for a terrific **Birchwood Night-In** fundraiser. We appreciate the extra effort it took to create an event under our current circumstances. It once again shows the dedication and care you have for our Birchwood Community! We know because of your hard work, our students will be provided with wonderful activities and programs that will help them socially, emotionally and academically.

Please check your email for information sent out from the district and the school about upcoming New York State Testing. Please make sure you complete the form that was attached to the email or that is posted on the district website. **Please use this form rather than sending in letters to the building.**

SEL (Social/Emotional Learning)

As we wrap up Media March, we are thrilled that our students will be able to apply their digital citizenship skills as they meet new pen pal friends shortly after spring break. Our SEL Team will then focus on our next theme - Autism Awareness April! This month's activities will create opportunities for Birchwood students to develop awareness of people with Autistic Spectrum disorder. Activities such as a puzzle piece craft and "Wear Blue Spirit Day" will support our goal of teaching about acceptance! Additionally, students will be able to visit a virtual library with read-aloud books, games, and short video clips.

SPRING VIRTUAL PARENT/TEACHER CONFERENCES: Children will have early dismissal at 12:30 pm on the following days: Thursday, May 6th, and Tuesday, May 11th. Evening conferences will take place on Wednesday, May 19th, from 6-8pm. These conference days will provide you with an excellent opportunity to meet virtually with your child's teacher to discuss academic and social growth since your last meeting. We ask your cooperation in making every effort to keep your conference appointment. Please look to make an appointment with your child's teacher.

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

We hope that everyone was able to enjoy a restful and wonderful Spring break. It is great to have our students and staff in the building as we prepare to wrap up the school year. The Spring energy is high, and we are excited for the beautiful weather upon us. We have begun to get our students outside for recess, as well as Physical Education classes as often as possible. This week our playgrounds have reopened. Classes will be allowed to use the playground on a rotating basis and will continue to be able to sanitize their hands during their recess periods.

The week before break, our students participated in an assembly virtually in a reading of *Have You Filled a Bucket Today? A Guide to Daily Happiness for Kids* by Carol McCloud. This children's book offers a novel approach to learning how to make yourself and others feel special. A bucket filler is a person who is caring and makes others feel special. A bucket filler fills an invisible bucket. On the other hand, someone who hurts a person's feelings or makes them feel badly is a bucket dipper. As we continue through the school year, we will be encouraging our students to fill each other's buckets. Please feel free to use this special terminology at home too!

Looking ahead, please mark your calendars...our early release days (11:30 am dismissal) for Parent-Teacher Conferences will be May 6th, and May 11th. Evening conferences will be held on May 20th. More information from your child's teacher(s) will be forthcoming.

Kindergarten Registration continues for the 2021-2022 School Year. Please be sure to visit the South Huntington website for the Online Registration System to submit documents for registering your child for the 2021-2022 school year. If you have any questions, please feel free to reach out so we can assist you. We are looking forward to meeting our incoming students!

*Wishing everyone a week filled with sunshine!!!*

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Welcome Back! We hope everyone had a relaxing and enjoyable week and spent time both in person and virtually with friends and family members. It is hard to believe that we are already into April and closing out the third marking period.

With the nice weather upon us, students have been extremely excited to go up the back hill to the fields for their Physical Education classes, and as shared prior to the break, this week we were able to re-open our playgrounds to one class at a time. One walk around the playground during lunch/recess, and you could see the children smiling, even under their masks.

This Thursday our PTA will be hosting their April PTA Meeting starting at 7pm. If your schedule allows, please log on and join us to hear about all that our wonderful PTA has planned for our students.

Cohen Children's Medical Center holds a very special place in our hearts here at Countrywood. One of our own students is currently receiving treatment while battling cancer, and we would like to give back to the programs and services that help support all of the patients at Cohen's. In order to show our love and support for our student and their family we are hosting "Countrywood's Ice Cream for a Cause." For \$12 you will receive 12 scoops of ice cream, 4 cones, and 3 toppings. All proceeds from this sale will go directly to benefit the programs at Cohen Children's Medical Center. Please be on the lookout for this flyer in the days to come, or call Countrywood at 631-812-3300, and we will be happy to assist you.

Spring is in the air and our community is blooming all around! Countrywood is ready for the wonderful weather, and we are getting ready to kick-start spring with our own Countrywood vegetable and herb garden. A few years ago, Ms. Buhse helped launch this wonderful project, and we want to continue all that she started for us. A team of wonderful staff members is helping to coordinate this effort in order to help our students be able to experience the process of growing a garden from start to finish, and participating in so many learning experiences along the way. Students will be a part of every step and will soon want to grow their very own garden!

Please continue to check us out on Facebook, Instagram, and Twitter to see all that we have taking place at Countrywood. We wish you a wonderful week ahead!
