## Superintendent's Corner

We are thrilled to report that next year's school budget has been approved by an overwhelming margin. Please know that we recognize the vote of confidence and will never take your support for granted. Our team is determined to live up to your high expectations and make the community proud in the year to come.

## News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

At last night's Board of Education meeting, the district recognized those teachers who have successfully completed their probationary periods and have been granted tenured. We congratulate them on this exciting accomplishment and wish them well as what we anticipate will be long and wonderful careers in South Huntington.

Additionally, the district honored its 2020-2021 retirees. All of these teachers, support staff, and administrators were recognized for their many years of outstanding contribution to South Huntington's children and community. We thank them all for their dedication, as well as contributions, and wish them health and happiness in their retirement.

## K-5 Summer Learning Program

This summer the district is offering a K-5 Summer Learning Program to all South Huntington students. The summer program will be offered through both in-person learning and remote learning options. The program takes place mornings, from Monday, July 12th - Tuesday, August 17th (holiday-no classes: July 19th, 20th). Transportation is available for all students in the program for this summer.

This program is designed to address the "unfinished learning" as a result of the pandemic, and is intended to reinforce basic reading skills and strategies that are essential for students to maintain during the summer as they prepare for the new school year. Math support will also be provided. This will enable students to explore mathematical concepts and literacy in mathematics.

A letter to all families has been mailed to further explain the details of the program, and should be arriving in mail boxes soon, if not already received. If you have not received the mailing, please contact your school's main office.

The South Huntington Union Free School District offers a variety of summer camps for students entering Grades K-8. Click [here](#) to access schedules, tuition information, and registration. Please note that some of our summer camps are half-day programs and can be combined to make a full day experience!

**News from James Wright, Supervisor of Physical Education, Health, Athletics & Recreation**

It was an amazing week for the Wildcat athletes with Senior Grant Biederman pitching the first perfect game in at least 45 years for Whitman on Saturday. His 80-pitch, 11 strikeout performance was epic and especially special during this difficult time. Sunday provided the biggest news as we opened the paper and were greeted with **Brandon Ivy**, Junior Defensive Back and Wide Receiver gracing the cover of Newsday's All-Long Island pullout. Brandon was also named 1st team All-Long Island, being the 9th Cat to earn that distinction. As the pages turned, **Nick Bottoni** and **Liam Villanti**, also juniors and members of the League Champion Football team, were named to the 2nd team.

Not to be outdone, three more athletes received 1st team honors for their respective sports. Seniors **Rich Morel**, **Grace Weigele**, and Junior **Gianna Paul** secured 1st team All-Long Island honors for Boys' Soccer, Girls' Cross Country, and Girls' Soccer respectively. Not to be outdone, Boys' and Girls' Volleyball were represented on their sports 2nd team All-Long Island by Seniors **Tom**

## Biryla and Maggie Neiland.

We want to thank all the parents, coaches, support staff, and of course the athletes for making this a memorable "FALL 2" season.

### News from Mr. John Murphy, Principal of Walt Whitman High School

To all the Seniors who participated in Senior Follies on Friday night, Walt Whitman High School would like to say thank you for keeping our traditions alive during this very erratic year. You truly did an amazing job. It was wonderful to have the PAC filled with laughter once again and to see teachers, students and community members all under one roof sharing in the great things that make Whitman so special. Special thank you to Mrs. Zamow, our Senior Class Advisor, for all her work with our Seniors!

This is a reminder to all parents and students that NYSESLAT testing began this Wednesday and continues for the next few weeks. If your child is supposed to be taking this exam and does not know when their test will commence, we ask that you please contact the main office or check with any ENL teacher. This is an important examination and you must be in school on the days you will test and arrive at the location of the test exactly at the time you are scheduled. Good luck!

Ticket sales for both the Junior and Senior Proms will remain open until Thursday, May 20th. In addition, due to the revised COVID guidelines, students who wish to attend the prom with an outside guest can do so. Come to the Main Office for a guest permission slip and purchase your tickets as soon as possible. This is the final extension. Join us for a great night under the tent.

Attention all Whitman parents and community members. The Mercy Benefit Concert is live and outdoors this year on Friday, June 11th. Rock, folk, funk...hip hop...Tickets are \$10 and all proceeds will be donated to a local charity. Buy your tickets soon as they will sell out fast. If you have any questions, please contact the main office. We look forward to seeing you there.

The Wildcat Pantry is now open. Students who would like to order food from the food pantry can do so by scanning the QR code found on the Wildcat Pantry flyer posted in the hall in front of the main office, guidance, student services and teen center. You'll also see them randomly placed in the hallways. If you have questions about the Wildcat Pantry, email [wildcatpantry@shufsd.org](mailto:wildcatpantry@shufsd.org).

### News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Silas Wood will be conducting i-Ready Math Assessments on Friday, May 21st, followed by i-Ready Reading Assessments on Monday, May 24th. Teaming with our beloved NYCFC (New York City Football Club) and with Current Initiatives, Silas family and friends are asked to contribute laundry supplies and related items, as detailed in our flyer, with all donations gladly accepted from May 10th through June 11th. Please bring your donations directly to Silas Wood. Many thanks to one and all for your kind generosity!

Have your Silas students mark their calendars for Silas Wood's Second Annual FIELD DAY, which will take place on Thursday June 10th (rain date Friday, June 11th). All virtual and alternate-day hybrid students are invited to attend; please call our office to advise if they do wish to attend. (Please note that virtual and alternate-day hybrid students must arrange transportation, as buses cannot accommodate outside the regular schedule.) As events will take place throughout the day, all participants should plan on a full day at Silas. At Field Day, each homeroom team will rotate through five activities, earning points at each. Teams will work together to accumulate points in an effort to become the Field Day Winning Team.

## News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

Starting on Wednesday of this week, we are beginning a rotation of students eating lunch outdoors. When the weather cooperates, one class will eat lunch outdoors per lunch session. This will give each class an opportunity to have outdoor lunch on a rotating basis. The students will be bringing their district provided mats with them to sit on while they eat. If you would like to have your child bring their own towel back and forth to school to sit on for lunch, you may do so.

### Reminder

There is no school on Friday, May 28th and Monday, May 31st.

### SPRING VIRTUAL PARENT/TEACHER CONFERENCES:

Evening Conferences will take place on Wednesday, May 19th, from 6-8 p.m. This conference will provide you with an excellent opportunity to meet virtually with your child's teacher to discuss academic and social growth since your last meeting. We ask your cooperation in making every effort to keep your conference appointment. Please look to make an appointment with your child's teacher.

As the weather warms up, please have the children refrain from wearing beachwear to school. Please see BW's May Newsletter for specific information on this.

Kindness is blossoming just like the flowers outside Birchwood. Students have been participating in activities focused on spreading kindness and building acceptance of others. It has been so nice to hear our students paying compliments or giving friendly greetings to their teachers and each other.

## News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

### News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

The Oakwood PTA hosted *The Greatest Show on Earth* last Friday and it was a huge success! This pre-recorded talent show fundraiser brought smiles and fun to all of our families! After the talent show, the audience enjoyed tuning in to experience the great raffles and baskets. We thank our PTA and Oakwood staff for sharing this special evening.

The final date of Spring Parent Teacher Conferences is this Thursday, May 20th from 6-8pm. Our teachers have reached out to schedule this opportunity for you to hear about your child's progress this year. Please take the time to meet with our Oakwood teachers! Also, please note school is closed for students on May 28th and May 31st.

Say cheese...Oakwood Spring Photos have been rescheduled for Friday, May 21st. If you have any questions, please email [oakwood-primarypta@gmail.com](mailto:oakwood-primarypta@gmail.com)

Oakwood is finalizing end of the year activities and will communicate these upcoming events for our students soon. We are looking forward to sharing these fun activities with our Oakwood students as we approach the end of the year.

Our PTA generously donated purple Kindness T-shirts with a custom logo for all of our staff and students. We thank them for being such a strong support to further our building wide Kindness initiative. Please support kindness at Oakwood by having your child wear this shirt every Thursday.

Oakwood classes will begin having a rotation for students eating lunch outdoors when the weather cooperates. Our classes will begin the rotation Wednesday of this week. Our students will have an opportunity to eat lunch outdoors and enjoy some fresh air.

Kindergarten Registration continues for the 2021-2022 School Year. Please be sure to visit the South Huntington website for the Online Registration System to submit documents for registering your child for the 2021-2022 school year. If you have any questions, please feel free to reach out so we can assist you. We are looking forward to meeting our incoming students! We are reaching out to our families with this information to help with the screening process.

classes. A huge thank you to our PTA for generously setting up this wonderful program for our students. A brief walk into the gym yields students actively engaged and smiling under their masks to the beat of the music. This is also posted to the Physical Education Google Classroom for our virtual students to enjoy as well. Thank you to Mr. Barrett and Ms. Reichert for working with the PTA to bring this program in for all to enjoy!

On Monday and Tuesday, students took their third and final I-Ready diagnostic test in both reading and math. These scores will help to recalculate each student's I-Ready My Path lessons to provide lessons tailored to meet each child at his/her instructional level.

A reminder to those of you who have, or know of, an incoming Kindergarten-aged child, please be sure that if you have not already done so, that you register your child for kindergarten ASAP. In addition, if you have registered your child, please be sure to sign them up for a DIAL screening appointment. This screening is a valuable tool for the building to utilize when creating balanced Kindergarten classes. As always, should you have any questions, please don't hesitate to reach out to us at the school. We are in the final stages of arranging for a socially distanced, safe kindergarten parent orientation for June. As soon as the date and details are finalized, we will communicate this to our incoming Kindergarten families.

Starting on Wednesday of this week, we are beginning a rotation of students eating lunch outdoors. When the weather cooperates, one class will eat lunch outdoors per lunch session. This will give each class an opportunity to have an outdoor lunch one time each week for the remainder of the school year.

A reminder that this Thursday, from 6 pm – 8 pm will be the last of our virtual parent-teacher conferences of the year. Your child's classroom teacher should have already communicated your appointment time with you. Please reach out to your child's teacher should you have any specific questions or concerns.

As previously communicated, we are excited to once again offer field days to both in-person, as well as fully virtual students. Also, we have partnered with our PTA to offer a modified celebration for all 2nd graders. A School Messenger went out to all families with the dates and specifics of these plans.

While we look forward to the day when we can invite our families back into our school buildings, in the meantime, we would like to remind you to check us out on Facebook, Instagram and Twitter, where we post pictures from many of the wonderful activities, lessons and projects that our students and staff are engaged in on a daily basis.

### School Board Notes – A Message from the Board of Education

The welcome news of the successful passage of the budget and the accompanying propositions also brought the good news of Ms. Erin Meijer being elected to a three-year term as a South Huntington Board of Education member. Ms. Meijer's term commences on July 1, 2021, and will conclude on June 30, 2024. Ms. Meijer's genuine passion for public education, and especially for our South Huntington learning family, will be an asset in moving forward to the 2021/2022 school year.

The Board of Education also wishes to express their gratitude to Mrs. Michele DeGaetano for her dedicated service to the District for the past nine years. We hope to express this appreciation at our Board of Education meeting scheduled for June 16, 2021.
