Superintendent's Corner

It is always amazing to note how the month of May impacts schools and communities throughout our region. There is something special about this fifth month of the year that invariably renews our spirit and refills our spiritual tanks for the year to come. The curative power of longer days and increased sunshine are simply undeniable, and it is inspiring to know (both literally and figuratively) that every winter is followed by an equally powerful spring. Similarly, the toughest times in our lives make the good days even sweeter.

K-5 Summer Learning Program

This summer the district is offering a K-5 Summer Learning Program to all South Huntington students. The summer program will be offered through both in-person learning and remote learning options. The program takes place mornings, from Monday, July 12th - Tuesday, August 17th (holiday-no classes: July 19th, 20th). Transportation is available for all students in the program for this summer.

This program is designed to address the “unfinished learning” as a result of the pandemic, and is intended to reinforce basic reading skills and strategies that are essential for students to maintain during the summer as they prepare for the new school year. Math support will also be provided. This will enable students to explore mathematical concepts and literacy in mathematics.

A letter to all families has been mailed to further explain the details of the program, and should be arriving in mail boxes soon, if not already received. If you have not received the mailing, please contact your school's main office.

The South Huntington Union Free School District offers a variety of summer camps for students entering Grades K-8. Click [here](#) to access schedules, tuition information, and registration. News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

As previously discussed, the Board of Education has adopted the 2021-2022 Budget, which will be presented to the voters for approval on May 18th, 2021. Our task now is to share details of this spending plan with community members who might be interested in particular points in discussions. You can find the budget adoption presentation on our district website at Shufsd.org or call my office directly (631-812-3003) with questions.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Apply now for UPK 2021-22! The preschool program is free for district residents whose children are four years old on or before December 1, 2021. The application is currently posted on the district website, www.shufsd.org, and will remain open until Monday, May 17, 2021. In the event that there are more applications than seats for a specific location and session time, then a lottery will be held on Thursday, May 27, 2021. For questions regarding the preschool program, please email registration@shufsd.org.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

It is hard to believe there is a lull in the action, but it is only temporary. With the condensed seasons, there is a myriad of games every day starting this week and it will not stop until the middle of June. Please remember that spectators are restricted to two per athlete for the time being. As things change, hopefully we will be able to open up the stands to more fans, but in the meantime check out the live streams on the NFHS network for home and away games using this link. [Section XI Spring Livestreams](#)

Please join the Athletic Department in congratulating Coach Robin Rosa, as he was named League 2 Coach of the Year by the Suffolk County Football Coaches Association. This award is a reflection of the work put in by Coach Rosa and the entire staff to make it a dream season for Whitman Football as they earned League and Division titles. Stay tuned for player honors in the next addition.

News from Nutrition Services

CATERING IS OUR PASSION!!

Over the past few years the School Nutrition Program's catering program has continued to grow. This segment of our Nutrition Program allows us to be creative with food choices and presentation. It also provides the ability to introduce our program to both staff and community members in a different fashion.

Over recent months, SHNS has had to take the necessary break for COVID precautions. We have slowly begun our return in small steps. This past week, SHNS was invited to provide meals to all of the Special Education staff members of the district, courtesy of SEPTA. The theme was "Cinco de Mayo" and we sure had fun! We received wonderful feedback from the Special Education staff members, which really was special for us. It is always nice to see that the creative steps we take are well received.

Please call our department if you are interested in having a meal catered. Our goal for the 2021-2022 is to have a formal catering brochure for easier reference.

We are glad to be back catering.... We missed everyone. 

News from Mr. John Murphy, Principal of Walt Whitman High School

What Whitman High School would like to thank the Girls Leaders Organization and its advisor Mrs. Mahoney for an amazing girls Sports night last Friday. It has been a tradition here at Whitman for almost 70 years to have our female students participate in activities such as cheer, calisthenics, as well as other sporting events to see which group reigns supreme, maroon or white. Being this year that students have felt so disconnected from the school building, it was a nice change of pace to be able to have the girls participate in person, giving a sense of belonging and pride to our learning community.

Walt Whitman High School is proud to host its annual Senior Follies event on Friday, May 14th, and Saturday, May 15th, starting at 7 pm. We encourage all parents and community members to purchase a ticket and attend this night of non-stop humor as the students make fun of their favorite teachers during their time here at Whitman. If you have any questions about the event, please call the main office at 631-812-3800.

Attention Class of 2021... You've heard the rumors - and it's true! The Senior and Junior Prom will be held on June 16 & 17, 2021 here at Walt Whitman High School under a stunning tent, with professional decorations, a DJ, 3 photo booths, multiple dance floors and much more! Tickets are only \$80 each and will be on sale, cash only, in the Main Office today through Friday. A letter has been sent home with 2 permission slips - one general and one COVID test consent form allowing you to come in for a COVID test prior to the event. Both forms must be turned in when you purchase your ticket. Once you have purchased a ticket, you will receive an email for your table request. For those students that already have received their vaccine, or have antibodies from a previous positive test, your form will be removed upon receipt of documentation. We are extremely excited about being able to host this at Walt Whitman High School, as it promises to be a one-of-a-kind, memorable event! Buy your ticket today!

Because of the donations from our students and community, the Whitman Pantry has been able to collect a nice amount of food. Those students who would like to order food from the food pantry can do so by scanning the QR code found on the Wildcat Pantry found below. If you have any questions about the Wildcat Pantry, please email wildcatpantry@shufsd.org.

News from Mr. Eddie Smith, Principal of Stimson Middle School

It is hard to believe that our fall sports season is about to come to an end. It was certainly fast! Please be reminded to fill out Final Forms if you have a child that is interested in playing a spring sport. The season begins on May 10th. Spring sports include Boys' and Girls' Lacrosse, Boys' and Girls' Track and Field, Boys' Tennis, Baseball, and Softball.

I would also like to take a moment to wish our entire community a Happy Mother's Day! I hope the day is filled with sunshine, family, and laughter.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Happy Cinco de Mayo, and Happy Mother's Day wishes to all next Sunday! The entire Silas Wood faculty and staff continue to be impressed beyond words by the manner in which this year's group of students has persevered through the past twelve months, and their reputation as a spectacular group will remain long after they go to Stimson and beyond.

Parents of virtual students that will take the exam will be contacted by their teacher and the main office regarding a schedule.

We look forward to parent teacher conferences. May 6th and May 11th will be half days of school for students to allow for afternoon conferences. Students will dismiss at 12:30 pm. May 19th will be our evening conferences from 6pm - 8pm. All conferences will be virtual.

We are excited about our virtual Maplewood Night Out this Thursday, May 6th beginning at 7:00 pm. It will be a night of entertainment, food and fun. Our PTA has done an outstanding job putting this together for everyone to enjoy. Thank you for all your efforts!

Starting next week our students will once again travel to their Art, Library, and Music classes. In addition, when the weather cooperates, we are going to have students eat lunch outside, giving them another opportunity to get some fresh air and get out of their classrooms.

**News from Dr. Annie Michaelian,
Principal of Oakwood Primary Center**

This Thursday, (May 6th), our students will be dismissed at 11:30 a.m., for Parent/Teacher conferences. The next early dismissal day for conferences will be on Tuesday, May 11th. Evening conferences will be held on Thursday, May 20th, from 6-8 p.m. Please be sure to take this opportunity to hear about your child's progress this year.

We hope that you will log in for *The Greatest Show on Earth* coming on Friday, May 14th, at 6:30 p.m. This virtual family friendly event is sponsored by our wonderful PTA! This talent show fundraiser is sure to be a special fun event for all of our families. Be sure to take a look at the raffle basket packet that was sent home. There are well over 90 terrific baskets to be won!

We would like to thank our wonderful Oakwood PTA for the delicious lunch that they provided to all of our staff on Monday for Staff Appreciation week. Not only did they think of our amazing Oakwood staff on Monday, but shared their generosity with the Oakwood Family all week long! Your thoughtfulness and generosity are greatly appreciated and we thank you for your kindness.

We are excited to share that our students will be visiting their Art, Library, and Music classroom locations. Our Special Area classes will have individual seating for our students. In addition, when the weather cooperates, starting May 10th, we are going to have students eat lunch outside, giving them another opportunity to get some fresh air and to spend time out of their classrooms!

Oakwood is signing up for Miles for Michael and we are so excited to keep the positive energy going! Sign up to be a part of this district-wide event which is taking place over the course of two weeks,

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

As a great way to wrap up the year, we are excited to share that we will be holding our annual field day activities this June. While the events will look a bit different than in past years, we are excited to bring back more and more normalcy to our students. Please be on the lookout for a detailed letter explaining the plans for a safe, socially-distanced, yet fun and enjoyable, field day for our students. This event will also be open to our virtual students should they so desire to participate.

In addition, we are working with our wonderful PTA to have our 2nd Grade Celebration, again, in smaller groups and socially distanced, but still with a DJ, Pizza Party and fun games and activities. More details on this will be forthcoming to our 2nd grade families as well.

Starting next week, we are excited to share that students will once again travel to their Art, Library, and Music classes. Our Art Room and Library will have individual seats for students, and music will take place in the All Purpose Room with spaces marked off on the floor for each child. In addition, when the weather cooperates, we are going to have students eat lunch outside, giving them another opportunity to get some fresh air and get out of their classrooms.

A friendly reminder that this Thursday is the first of our early release dates for parent/teacher conferences. Busses will depart Countrywood at approximately 11:30 a.m., and we will begin our dismissal process at 11:15 a.m. Please be reminded that next Tuesday, May 11th is another early release date for conferences, and Thursday, May 20th will be our evening conferences between 6 – 8 p.m. All of these conferences are virtual. If you have any questions about your appointment date/time, please reach out directly to your child's classroom teacher.

Looking ahead to next week, please note that we will have our virtual May PTA meeting on Wednesday, May 12th at 7 p.m. If your schedule allows, please join us and hear from our PTA all of the wonderful activities they have planned for the remainder of the school year. Also, please note that next Thursday, May 13th, school will be closed for Ed Al-Fitr.

Thank you to all of our families for your flexibility this year as we have navigated these COVID challenges together. On behalf of myself and the entire Countrywood family, we would like to wish everyone a very happy Mother's Day this weekend. We hope that at least for one day
