Food for Thought

"The average person puts only 25% of his energy and ability into his work. The world takes off its hat to those who put in more than 50% of their capacity, and stands on its head for those few and far between souls who devote 100%." ~ Andrew Carnegie

Superintendent's Corner

We are truly in a season of celebration, as field days, award ceremonies, concerts, shows, and commencements all fill the air. It has been a long haul for the members of our learning family, and we promise to squeeze in every ounce of positive energy that the year has to offer. Please check the district calendar for a full listing of events, and join us if your schedules allow.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

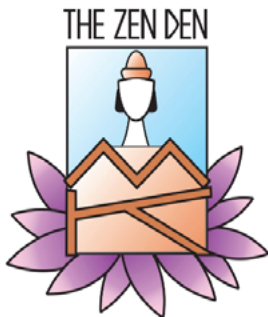

Thank you to all of the parents who have been volunteering to assist our staff with the numerous year-end activities. It is inspiring to work in a community that enjoys such a strong parent/staff partnership, and our students are very lucky to have such a dedicated team operating on their behalf.

Earlier this month, UPK offer letters for our half-day program were mailed to families. **If you received an offer letter, please remember to email registration@shufsd.org by Tuesday, July 6th to accept or decline your seat.** If you have any questions regarding the acceptance and/or registration process, please email registration@shufsd.org.

Kindergarten registration for the 2021-22 school year is ongoing. We encourage parents of children who will be 5 years old on or before December 1st to register now. Registration is necessary to ensure that incoming kindergarten parents receive updated notifications and information from their child's school, especially in preparation for September 2021. If you have any questions about the registration process for kindergarten, please email, registration@shufsd.org.

News from Nutrition Services

BARBECUES ARE BACK!

For many of us, an outdoor barbecue is a wonderful sign that summer is here. With the School Nutrition Services Program, the feeling is mutual.

This week we served our younger children at Birchwood's end-of-the-year Field Day, as well as our 9th and 10th grade students on their last full day of class. Regardless of our children's ages, the feeling of summer celebration has begun and SHNS was happy to be a part of the fun.

Thank you to the District PTA groups that have invited us to be part of these special events. It gives us the opportunity to showcase what we love to do...cook healthy, fun meals for our students.

The school year is winding down and BBQ's across America are just beginning. Enjoy!!

**News from Mr. John Murphy,
Principal of Walt Whitman High School**

As we continue to close out the 2020-2021 school year, Walt Whitman High School would like to personally thank all staff, students and community members that made this year such a tremendous success. Given the barriers and obstacles that were placed in our path over the course of this year, our students have not allowed themselves to be defined by these obstacles, and persevered with not only their own successes, but the success of others around them. We could not be prouder of a group of students than the ones that will be graduating in the next couple of weeks. On behalf of Walt Whitman, congratulations to all our seniors on this momentous occasion. We wish you the best in all that your future has in store for you.

Throughout the month of June, we continued to recognize the achievements of our students. On June 7th, we held our annual Military Breakfast, honoring those students entering the Military upon graduation. On June 8th we held our Theater Honor Society induction ceremony, followed by our National Honor Society induction on June 9th, and World Language Honor Society induction on June 10th. The week ended with our Senior Scholarship virtual award ceremony on June 11th.

We held our Freshman and Sophomore BBQs on June 14th and June 15th, providing a positive year-end experience for both students and teachers. Students enjoyed activities including dodgeball, a scavenger hunt, and kickball, followed by a barbecue with Mister Softee present. These events allowed us to bond with our Freshman and Sophomore students before the start of the next school year.

We were pleased to release Walt Whitman High School's Spring 2021 Concert on June 15th. This is a great time of year to look back and congratulate all the hard work that our performing arts students have put in here at the high school, as well as the tremendous commitment and dedication of our music teachers who've kept the students performing throughout, no matter the obstacles. We are so very proud of our talented students! We hope you enjoy the performances. Below is the link for Whitman's Spring Concert 2021:

News from Mr. Eddie Smith, Principal of Stimson Middle School

Just a friendly reminder that our 8th grade students have their breakfast on Friday morning at Stimson. The students will come to the Forum in three different sessions to grab a bite to eat, sign yearbooks, and get their 8th Grade T-Shirt. Later that evening WWHS will host our Bon Voyage Dance. It begins at 6 p.m. and will end at 8 p.m. It should be an amazing experience for our students. We have organized some backyard games, so even if your child does not dance, please encourage them to attend. Tickets are available during home-room, in the east side of the Forum, for \$10.

Yearbooks have been distributed to all students that purchased in advance. There are still a few available for purchase. If your child is interested in the yearbook, please send them in with \$25 cash, and have them stop in the main office.

I just wanted to take a moment to wish all the South Huntington Dads a Happy Father's Day! Enjoy the sunshine and man the grill.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Silas Wood's Second Annual Field Day was loads of fun and spirited entertainment! With Team 2 taking first place, the rest of our students showed their strong competitive team spirits by bringing their best efforts to the day, as well! The week was rounded out by a super-delish PTA-sponsored on-site visit by a soft-serve ice cream vendor on Friday – thanks to our PTA from every smiling student at Silas Wood! **There is simply no better PTA than the Silas-Stimson Team!**

Silas Wood students certainly took the Hawaiian proverb “**Noho me ka hau'oli**” (“**Be Happy!**”) much to heart at our spectacular **End-of-the-Year Luau Dinner Party Tuesday night!** Eating, playing, and dancing under the stars with your classmates and friends—what could be better? Thanks to all who attended with special thanks to those families who contributed their time, snacks, water, and dessert items to help make the night a success.

Here's something to look forward to: Stimson/Silas Wood Yearbooks will be distributed during Homeroom on Wednesday, June 16! Can't wait to see all those smiling faces!

Greetings Silas Wood Families and Friends Past, Present & Future! After a one-year hiatus from our Silas Wood Family Night, we are very excited to announce the return of one of Silas Wood's most loved and exciting traditions: The NYCFC (New York City Football Club) Silas Wood Family Outing! At this one-of-its-kind event, our Silas Wood group will be provided with excellent, all-us-together, seating! It's a chance to spend some quality time together under the stars, getting to know each other outside of our regular school setting, while we watch the stars of NYCFC vs. the MLS Cup Champion Columbus Crew team battle it out on the field! A special thanks to our Kindergarten teachers and staff for joining us for the evening. Remember, we will host an orientation for our Incoming Kindergarten students in August, and we will reach out with the details soon. We look forward to meeting our 'littles'!

Our Oakwood students are happy to celebrate the end of the year with many activities and celebrations. Besides the great plans that our staff has made for their classes, our PTA is making the days extra special for our Second Grade students by a Luau themed day with a DJ, party games and decorations. We look forward to sharing this fun time with

our students!

This week concludes our Kindness Initiative with a wonderful assembly brought to us by the PTA. Our students will watch a heartfelt and touching video about being kind, thoughtful and changing the impossible, to I'M Possible! It is a great program that includes real stories, clips from children's movies and celebrity interviews. We are really looking forward to this assembly taking place in every classroom for all of our students. Thank you to our PTA for making this event possible!

In even more exciting news, next week Brady Rhymer will return to the Oakwood field for a concert in the field! It is sure to be a great time and he has shared a link for our students to get ready for his concert. Please visit:

<https://soundcloud.com/bradyrhymer/sets/peace-love-and-buncee-buddies> to prepare for the show. Thank you to our PTA for providing this event for our students to enjoy!

Kindergarten Registration continues for the 2021-2022 School Year. Please be sure to visit the South Huntington website for the Online Registration System to submit documents for registering your child for the 2021-2022 school year. If you have any questions, please feel free to reach out so we can assist you. We are looking forward to meeting our incoming students! We are reaching out to our families with this information to help with the screening process!

Looking ahead...Remember that our last two days of school, June 24th and 25th, will be traditional early release days where we will dismiss students at 10:30 a.m., with a bus departure of approximately 10:45 from the school lot. Students will be served a cereal breakfast on these days. If you plan on picking up your child, please be sure to send in a note as soon as possible to your child's teacher to allow for a smooth dismissal.

Have a fantastic week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

The school year is coming to a close and we wanted to take a moment to thank all of our families for all their support and understanding as we have navigated these challenging times together. Our staff, students and families have worked collaboratively and collectively in order to keep the educational dial moving forward, while also keeping the health and safety of everyone at the forefront. We are certainly looking forward to a much more "normal" school year next year, and can't wait to reintroduce some of our favorite activities, events and celebrations, along with some new ones.

Last Thursday evening we held three separate Kindergarten parent orientation sessions, where we were heartened to see so many new

faces and many familiar ones as well, that will be joining us in September. Parents enjoyed hearing about all that Countrywood has to offer, and ended the program with a tour from many of our wonderful staff who were on-hand Thursday evening.

This week we hosted a virtual presentation for our Kindergarten students from the "Parents for Megan's Law" program. Students participated in an important and worthwhile presentation from this critically important agency.

Later this week we are excited for our second-graders, as they will end their three years at Countrywood with a huge celebration, complete with a DJ, Pizza party, and ices. A huge thank you to our PTA for all of their hard work setting up for this fun, celebratory event.

A reminder that next Thursday and Friday, June 24th, and 25th, we will be dismissing at 10:30 a.m., with busses departing Countrywood at 10:45 a.m. Please be sure to make arrangements for someone to be at the bus stop (or at the school) for these early dismissal days.

Please be sure to continue to check out our Facebook, Twitter and Instagram pages where we continue to post pictures from all of our various year-end celebrations and events.

School Board Notes – A Message from the Board of Education

The board meeting rescheduled from today, June 16th, to Friday, June 18th, will start at 6 p.m. in the PAC at Walt Whitman High School and **will be open to the public for the first time since March of 2020.** While we fully embrace the in-person attendance, our live-streaming feature will continue to assist with residents who prefer the convenience of watching the Board meeting from the comfort of their home. Friday night's meeting is the last meeting of the 2020/2021 school year, and we are so very grateful that we can resume having our residents participate in person. Additionally, this is the last board meeting for our board trustee Michele DeGaetano, who has spent the last nine years on the Board of Education. We will take the opportunity to thank her for her years of dedication and commitment to our South Huntington learning family, and we urge our residents and staff to join us in person for this special evening.
