## Food for Thought

"Kind hearts are the gardens; kind thoughts are the roots; kind words are the flowers; kind deeds are the fruits."  
- English Proverb

## Superintendent's Corner

It is hard to believe that we have turned the calendar page, and a bright, beautiful new month is upon us. It has been a long, cold year (both literally and figuratively), and the peaks of summer sunshine are welcome respites from the COVID haze. We welcome the return to normalcy and will work hard to provide students and parents with the maximum celebratory activity possible in the weeks to come. Our district staff is committed to showcasing our students' accomplishments, and there is an enhanced sense of pride and appreciation throughout our district schools.

## News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

On Tuesday, June 8th, the New York State Science assessment will be administered to 4th grade students in Birchwood and Maplewood Intermediate Schools, as well as 8th grade students who are not currently enrolled in a Regents science course (Earth Science or Living Environment) at Stimson Middle School. If you have any questions, please feel free to contact your student's teacher or the school's main office.

## News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

Dr. Bennardo and I have been working quite closely over these past several months to ensure a smooth transition in the Superintendent's Office. As my preparation for this new position continues, I welcome you to reach out with any questions, concerns, thoughts, or suggestions that might help us better serve our South Huntington people. Please feel free to email me at [vdelia@shufsd.org](mailto:vdelia@shufsd.org), or call 812-3001, so we can begin a dialogue to carry us through the new year.

## Some Thoughts from Assistant Superintendent for Student Services April Popilo

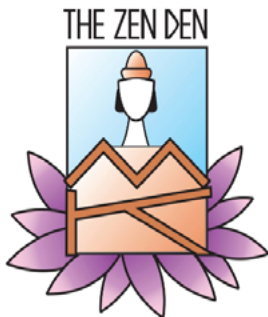

The UPK application period has closed and parents will receive an offer letter for a seat in the District's free preschool program. These letters will be sent to parent home addresses within the week. Parents must confirm their seat by Tuesday, July 6, 2021, by emailing [registration@shufsd.org](mailto:registration@shufsd.org). Additional information about the next steps for parents offered a preschool seat will be outlined in the letter.

Kindergarten registration for the 2021-22 school year is ongoing. Kindergarten screenings are already in progress, but you must be registered in order to schedule a screening appointment. If you have

## News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Our third and fourth graders will be participating in Field Day on Wednesday, June 2nd. Thank you to our physical education teachers, Mrs. Gross and Mr. Slovak, for giving our students the opportunity to participate in fun activities while promoting healthy exercise and good sportsmanship. This is always a fun day for everyone and we are so happy to bring this yearly tradition back.

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

There has been a buzz of excitement in the morning, as our Second Grade students have been happy to visit Birchwood to meet their Intermediate School Principal, Assistant Principal, teachers, and staff. Our students are looking forward to their third grade experience, coming in a matter of months. Thank you to Mr. Ciccarelli, Mr. Keogh and their staff for welcoming our rising 2nd Graders to Birchwood this week.

Our PTA generously donated cases of water for all the students for Field Day next Monday, Tuesday, and Wednesday. Remember, please have your child dressed in comfortable clothing and sneakers on their scheduled Field Day. Thank you, once again, to our PTA for their generous donation, and Mr. Russell and Mr. Rosa for making this special for our students.

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

It is hard to believe that we have turned the calendar to June. While the school year is coming to an end we have quite a bit of excitement still coming up. This week our second graders have had an opportunity to visit Maplewood (and in a few cases Birchwood) in order to learn about their new schools. Thank you to the Maplewood and Birchwood staff for offering our 2nd graders such a warm welcome to their new schools.

In addition, this Friday we are excited to have several Whitman seniors, who went through Countrywood, visit the school where their academic careers started over a decade ago. Thank you to Dr. Murphy and his administrative team for arranging this wonderful opportunity for both the Whitman seniors and our Countrywood students.

A reminder that our book fair kicks off this Friday, after school. The PTA has already shared our sign-up information; due to social distancing, we will be restricting the number of students and family members that can enter at one time. All classes will have an opportunity to visit the book fair, one class at a time, next Monday, Tuesday, or Wednesday. Next week also brings our much-anticipated Field Days. A huge thank you to Mr. Barrett and Ms. Reichert for organizing fun activities for our students in a safe fashion.

Over the last couple of weeks, we have been enjoying getting to meet many of our incoming Kindergarten students as they have come to the district office for their Speed DIAL screening. A friendly reminder that if you have a child, or know of a child, who will be eligible for Kindergarten for the 2021-22 school year, you go to the district website and register. As always, please reach out to the school with any questions, or if you need assistance in this process. Additionally, for those who have a student entering kindergarten for the 2021/22

school year, we will be holding an in-person parent/guardian information night on Thursday, June 10th. This event will include general school information, as well as a tour of Countrywood. In order to limit the sizes of the groups, we have shared out a link where we ask that families sign up in advance for a time slot. In addition, we are also offering a session being conducted in Spanish. Should you have any questions about this upcoming event, please reach out to the school.

As always, thank you for continuing to partner with us as we have navigated this challenging year together. Please continue to check out all that is going on at Countrywood on our various Social Media platforms (Facebook, Instagram & Twitter). We wish you a wonderful week ahead.
