Food for Thought

“Don’t cry because it’s over, smile because it happened.” ~ Dr. Seuss

Superintendent’s Corner

The school district family joins me in congratulating all of our students who have successfully concluded a very challenging year and are now moving up to the next grade and chapter of their lives. We offer special congratulations to the members of the Class of 2021, who will be crossing the graduation stage on Friday night. These incredible young men and women will continue to make us proud as they bring Wildcat pride to college, the United States military, and our nation’s workforce. We will never forget this amazing class that dealt with so much, while always maintaining their class and dignity.

News from Deputy Superintendent

Dr. Joseph Centamore in the Curriculum Office

On behalf of the Cabinet, I would like to take this opportunity to thank Dr. Bennardo for nine outstanding years of leadership and service to our school district, and for his guidance and friendship. He has forged a culture of family, unity, collaboration and high expectations. He would often say, “A rising tide lifts all boats.” This has proven true, as under his leadership, South Huntington was transformed into a model school district of excellence. We all wish him good health and further success as he continues his journey.

There are also many other people I want to thank...our teachers, support staff, chairs and administrators, parents and community, and especially our students. Despite the adversity of a global pandemic, our South Huntington educational community came through with flying colors. Resiliency, perseverance and determination are just a few words that come to mind. You were all truly Wildcat Strong!

Congratulations to our graduating Senior Class of 2021, and I wish everyone a happy, healthy, restful and fun summer!

As we close out the final days of school, below is the schedule that report cards will be available on the parent portal:

Countrywood, Oakwood, Birchwood and Maplewood: Friday afternoon, June 25th

Stimson and Walt Whitman: End of the day on Friday, June 25th

Silas Wood: Monday, June 28th

With regards to K-5 chromebook devices for all students (in-person and remote), please follow the drop-off schedule as provided by your child's building principal. For students who will be participating in the summer program remotely, a device pick-up schedule will be communicated by the summer program principal.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

The summer is always an interesting time in public education, as we typically work to close out a school year, while simultaneously beginning another. In touring the district this summer you will see our Wildcat camps, pre-season athletic practices and music rehearsals, and dozens of student leadership endeavors. You will also notice numerous summer maintenance projects, which are designed to address important infrastructure needs without disrupting the school year's academic flow. I will also be working with the team towards a smooth transition into the Superintendentcy, and look forward to continuing the open and honest communication that has come to characterize our South Huntington community.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Friendly reminder to families who received a UPK offer letter: If you received an offer letter, please remember to email registration@shfused.org by Tuesday, July 6th to accept or decline your seat. If you have any questions regarding the acceptance and/or registration process, please email registration@shufsd.org.

Kindergarten registration for the 2021-22 school year will continue throughout the summer. We encourage parents of children who will be 5 years old on or before December 1st to register now. Registration is necessary to ensure that incoming kindergarten parents receive updated notifications and information from their child's school, especially in preparation for September, 2021. If you have any questions about the registration process for kindergarten, please email, registration@shufsd.org.

On behalf of the Student Services leadership team and staff, I want to wish all of our families, students, faculty, and staff a happy, relaxing, and safe summer!

News from Mr. John Murphy,
Principal of Walt Whitman High School

Walt Whitman High School would like to wish all our students and faculty a safe and relaxing Summer. While this year has been a very confusing and stressful time, it is our hope that everyone at Whitman will get an opportunity to enjoy their family and friends, returning back next year under normal circumstances. I believe this year has taught us to appreciate the friends we have made and experiences we have had here at Whitman. We would also like to say goodbye to our graduating class and wish nothing but the best for them as they leave the halls of Whitman.

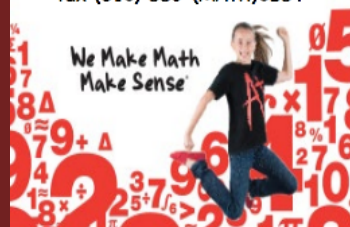

The Walt Whitman PTA is partnering with The Commencement Group to provide parents the opportunity to celebrate their student's graduation with flowers, t-shirts and graduation teddy bears, for purchase and pick-up on graduation day. Please use the attached link to pre-order your flowers and gifts, and they will be available for pickup before the ceremony on June 25th, 2021 at 7 p.m. Some items will be available for day-of purchase, but we strongly suggest pre-ordering. <https://www.thecommcement-group.com/waltwhitman/>

Walt Whitman High School is proud to announce our annual Video Yearbook day to be held outside on Whitman's school grounds, behind the South Cafeteria, on Thursday, June 24th, 2021. This annual tradition allows us to have a "Drive-In Style" VY experience. Grab a blanket, lawn chair and your friends, and watch your memories on the big screen. Remember, this will be the last Senior event before graduation. There is still time to make lasting memories and say goodbye to those lifelong friends before college. It is our hope that everyone is able to attend and be able to share in the last few moments as a Whitman Senior. If you have any questions at all about the event, please call the Walt Whitman Main Office at 631-812-3800.

As we discussed in previous letters, the New York State Education Department and Governor's Office have once again changed the protocols and procedures for large school ceremonies. In doing so, Walt Whitman High School will be able to host all students in one graduation ceremony. With the changes made, we have decided to follow most of our normal graduation procedures, with a few modifications for the health and safety of all. Graduates will be seated on the field with their classmates, and all spectators (including parents) will be located in and around the main bleacher area. Graduation ceremony will be approximately 120 minutes in length on Friday, June 25th, at 7 p.m., with a rain date of Saturday, June 26th, at 8:30 a.m. The graduation ceremony will also be live-streamed for family and friends. News from Mr. Eddie Smith, Principal of Stimson Middle School

The Stimson educational family would like to take this opportunity to thank our entire school community for your patience, understanding, and support during this quite unique school year. We faced many challenges, but did it together. I have never been so grateful to be part of such an amazing school community. I hope that this summer is filled with laughter, fun, and relaxation. To our 8th grade class, I wish each and every one of you the best. I know there are great things on the horizon. We look forward to opening our doors next school year once again to an amazing group of students, staff, and school community. Happy summer!

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

The staff and student body of Silas Wood join me in bidding a fond farewell to Dr. Bennardo with our boundless thanks for all he has done for our District! As A.A. Milne's Christopher Robin said, this will never really be goodbye for most certainly Dr. Bennardo will, forevermore, remain friendly with us all (with some poetic license in transforming Milne's "bears" into wildcats): "...but, of course, it isn't really Good-bye, because the Forest will always be there... and anybody who is Friendly with Wildcats can find it." — **The House at Pooh Corner**

Thanks to all from the Silas Wood family and from our friends who benefitted from our Laundry Project Supply Drive! Your generosity went far in making some difficult lives just that bit easier for many in need.

Greetings Silas Wood Families and Friends Past, Present & Future! After a one-year hiatus from our Silas Wood Family Night, we are very excited to announce the return of one of Silas Wood's most loved and exciting traditions: The NYCFC (New York City Football Club) Silas Wood Family Outing! At this one-of-its-kind event, our Silas Wood group will be provided with excellent, all-us-together, seating! It's a chance to spend some quality time together under the stars, getting to know each other outside of our regular school settings, while we watch the stars of

News from Dr. Gayle Steele, Principal of Maplewood Intermediate School

Thank you to everyone for your support throughout this challenging school year. We did it! It was so nice to see our year end with events that brought us back to some normalcy.

Student Chromebooks are being collected, so please make sure to return the Chromebook chargers to school. We will be collecting Chromebooks from our virtual students using the following schedule:

- Monday, June 28th – 10 a.m. – 2 p.m. and 4 – 6 p.m.
- Tuesday, June 29th – 10 a.m. – 2 p.m. and 4 – 6 p.m.
- Wednesday, June 30th – 10 a.m. – 2 p.m.

Congratulations to our retiree, Mrs. Mary Gross! She has been the physical education teacher at Maplewood for the past twenty-seven years. We thank her for her service and dedication to our Maplewood community. She will be missed!

It has been a pleasure serving you as principal at Maplewood Intermediate School for the past two years. Although I have thoroughly enjoyed my time here, I am excited to be moving on to my new role as Assistant to the Superintendent of Elementary Education beginning July 1, 2021. The support of this community has been monumental for me professionally and personally, which is why this was a tough decision. However, the fact that I am able to continue my career path in South Huntington makes the transition easier. I am excited to be part of an administrative team that remains focused on the success of students and is passionate about our work to continue to make South Huntington a place of excellence.

Thank you for your continued support and dedication to the students of South Huntington. Have a wonderful summer!

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Our Oakwood students have enjoyed celebrating the end of the year with many activities and celebrations. We thank the PTA for all of their hard work in supporting our students throughout the year, as well as the end of the year activities!

We thank Brady Rhymer for joining us on Tuesday, providing Oakwood with a special virtual performance for all of our students! The PTA also purchased shutter shades in bright colors for every student to enjoy! The students had fun using them during this culminating concert!

Please be reminded that our last two days of school, June 24th, and 25th, will be traditional early release days, where we will dismiss students at 10:30 a.m., with a bus departure of approximately 10:45 from the school lot. Students will be served a cereal breakfast on these days. If you plan on picking up your child, please be sure to send in a note as soon as possible to your child's teacher to allow for a smooth dismissal.

Oakwood would like to take this opportunity to say thank you to our students, staff and families for the tremendous support and dedication given throughout the 2020-2021 school year! We are so proud of our students for believing and achieving this year! We hope this summer brings joy, relaxation and spending time with family and friends. Have a safe and healthy summer, Oakwood! Best of luck to our Oakwood Second Graders moving on to Birchwood! We will miss you, and we know you will do great things!

On a special note, we thank all of our Oakwood and District retirees for their dedication and years of service to making a difference in South Huntington! Wishing everyone well and best wishes!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

An important reminder that Thursday and Friday are early dismissal days. We begin dismissal at 10:30 a.m., with busses expected to depart Countrywood at approximately 10:45.

Before everyone heads off to start their well-deserved summer vacation, we wanted to take a moment and thank all of our families and students for all of your trust, collaboration, flexibility, and understanding, as we navigated one of the most challenging times in our lives together. To say that the last year and a half has been challenging is certainly an understatement, but I can't even begin to tell you how proud I am of our students, staff, families and community for always

working together to give our students as much normalcy, in a safe environment as we possibly could. I am lucky to work with a group of educators who truly love their students and community and challenged themselves each and every day to come up with new, creative and exciting ways to reach our students. There are certainly some “silver linings” that came out of COVID... our students and staff learned new ways to communicate in a virtual environment, and it taught us all that if we work together we can accomplish anything.

For those of you who are leaving us for Maplewood, Birchwood or other schools, please always remember your time here at Countrywood. For everyone else, we wish you a safe, happy, restful and enjoyable summer. We will be in touch over the summer with details of our plans for the upcoming school year. As always, we are here for you throughout the summer, so please feel free to call or email with any questions or concerns.

On behalf of the entire faculty and staff - THANK YOU! Stay safe, be well, and enjoy the upcoming summer vacation!

School Board Notes – A Message from the Board of Education

While most of you are aware, Superintendent Dave Bennardo will be retiring with his last day on June 30th, and as such, this will be the last newsletter with our Superintendent at the helm.

As was addressed at Dr. Bennardo’s celebration on Monday night, it was during his tenure as Superintendent of Schools that the District added numerous advanced placement courses and many other college-level courses, increased the graduation rate including diplomas with advanced certifications, and dramatically improved test scores among all demographics. We have faith that this direction will continue, and we thank Dr. Bennardo for solidly guiding us in this manner for the past nine years. At the retirement celebration, our board president expressed the fine qualities that Dr. Bennardo brought to our South Huntington learning family—his magnetic personality, superior communication skills, his ability to develop and nurture relationships, and his 24-hour, 7-days per week work ethic—all contributing to making these past nine years perhaps the finest in our 95-year history.

Whether you are a parent in the District or an employee, his calming nature and leadership ability put you at ease. We were introduced to his leadership skills right from the start with Hurricane Sandy, only to be so very grateful that it was his voice we heard daily during the pandemic these past 15 months.

The Board of Education offers their deepest appreciation and gratitude for the past nine years with Dr. Bennardo, and we wish him good health and happiness as he enters the next chapter of his life.
