### Food for Thought

"If you would like to live in a community in which you can have pride, then dedicate yourself in a spirit of humility and your responsibilities in that community."

### Superintendent's Corner

Although the school year pace has slowed a bit, there is still plenty of positive energy throughout our wonderful district. Our Wildcat Camps are in full swing with athletic, STEM, and discovery activity bringing special energy to our fields, courts, classrooms, and labs. Our teams and clubs are also immersed in pre-season preparation, as everyone from our athletes and coaches, to Wildcat Band members and directors, prepare for the year to come.

At the same time, our building teams are working hard to welcome nearly 6,000 students and 1,000 staff members through the doors in September, and the buildings and grounds are being cleaned and polished from top to bottom. Scholastic preparation is also churning in high gear as our administrators, counselors, and clerical teams prepare the academic programs that will continue our students' steady climb to excellence.

We look forward to this next chapter in our district's rich history, and plan to use every minute of available time ensuring success.

### News from Deputy Superintendent/Business Dr. Joseph Centamore in the Curriculum Office

School safety plans are currently being reviewed and updated. This summer, there is drainage, paving and masonry work occurring throughout the district. All buildings are being cleaned and prepared for the start of the school year.

### News from Assistant Superintendent for Instruction & Curriculum, Dr. John Murphy

Hello and Happy Summer to all of our South Huntington families. It is my hope that this summer has brought some truly needed rest and relaxation for all our parents and students, charging our batteries, and preparing ourselves for the upcoming 2021-2022 school year. I'm very honored to reach out to you as the new Assistant Superintendent for Curriculum and Instruction. Myself, along with my counterpart, Dr. Steele, have been working tirelessly over the summer to ensure that we have a smooth transition to what will hopefully be a traditional school year. The last two years have definitely given us some academic gaps that we need to address and work on to ensure that our students are successful in all grade levels. Our focus for the

first part of the 2021-2022 school year will be on providing a thorough and intensive academic recovery plan that will allow our students to be successful at all grade levels. Please know that if you have any questions or concerns regarding curriculum, at any of the building levels, we are here to help, and can be reached at 631-812-3101. Again, thank you and please enjoy the rest of your summer.

In an effort to see parents and community members apprised of new developments and information regarding their child's academic status, we encourage everyone to utilize the Infinite Campus Parent Portal. This portal will allow you to check on things, such as your child's upcoming schedule, which is now available to be seen at the high school, and will be shortly released for the Middle School. This portal also allows parents to monitor attendance and academic progress throughout the year. If you are not familiar with the Infinite Campus Parent Portal and would like to learn more, we ask that you please contact either your child's school or the curriculum office at 631-812-3100.

**Chromebooks. Chromebooks. Chromebooks.** To better prepare for the upcoming school year, we would like to reach out to all parents regarding the status of their child's Chromebook. Given that the district has provided every child in South Huntington with a Chromebook, we want to make sure that on the first day of school everyone's Chromebook is in working order. Over the next few weeks we ask that you please charge and check the status of your child's Chromebook to make sure it is in proper working order. If there is a problem with their Chromebook, we ask that you please contact the district office at 631-812-3101.

With many of our summer school programs halfway completed, it is important to remind all parents about the benefits of attendance with regards to academic progress and preparing students for the new year. While the pandemic has definitely changed the structure of summer school this year, the need to ensure regular attendance in person or virtual is important. This remediation will allow students the ability to start the school year in a positive way. We ask that you please continue to encourage your child to attend all summer school programs, especially if it is in person, on a regular basis. We look forward to seeing your child in their respective school building at the start of the new school year. As always, if you have questions, please contact your child's principal at any time.

**News from Assistant to the Superintendent for Elementary Education, Dr. Gayle Steele**

Hello South Huntington Families! I hope you are all enjoying a wonderful summer. I am happy to reach out to you from my new position as Assistant to the Superintendent for Elementary Education. Dr. John Murphy and I have been working closely with building administration to further develop our plans for addressing any unfinished learning that may have resulted from the pandemic. Our focus on academic recovery in the 2021-2022 school year will be at the forefront of curriculum and designed to support students and staff in continuing our quest for excellence.

Our Summer Learning Program is up and running. We are fortunate to have over 700 students attending. Thank you all for your understanding of the work and planning that went into making this a positive educational experience for our students. We are fortunate to have the

Mrs. Jane Holmes, Principal  
Ms. Jessica Farmer, Coordinator at Countrywood  
Ms. Andrea Lopez, Coordinator at Oakwood

Please feel free to reach out to them or the Office of Curriculum and Instruction with any questions.

Thank you to those families that have registered their child/children for our Tutorcats Program. Tutorcats is a program where Walt Whitman High School student leaders will be available to provide small group tutoring sessions for our elementary students to help them practice various literacy skills, such as comprehension, decoding, and fluency. There will be eight sessions that will be held at the Maplewood Library. The coordinator for this program is Mrs. Elizabeth Weiss. Feel free to contact the Office of Curriculum and Instruction with any questions.

Enjoy the rest of summer!

## News from Information Technology, Reanna Fulton

Hello South Huntington!

I am excited to have joined South Huntington for the 2021-2022 school year. There are some exciting changes in the Information Technology department I would like to share. First, we have been transitioning from School Messenger to [ParentSquare](#) for school communication. This program will help to increase ease of communication between parents/guardians, staff, students and schools. Next, we are launching [ClassLink](#) as our official Single Sign On. ClassLink allows students a variety of log-in options, while also maintaining essentially needed cybersecurity. Students will soon have access to one login launchpad where they can access all of their needed programs. Lastly, IT help tickets can now be submitted using [GetHelpIT](#). Any student or staff member can log in with their Google account and submit a ticket which automatically routes to their building technicians for service.

## News from Mr. Kenneth Costa, Principal of Walt Whitman High School

I would like to take this opportunity to introduce myself as the new Walt Whitman High School Principal. Over the past three decades I have proudly served my country and several diverse school districts across Suffolk County. My educational experiences as a social studies teacher, Dean of Students, Assistant Principal and previous High School Principal afforded me the opportunity to grow as an educator, develop my global perspective, and embrace the ever-changing educational landscape. As a Walt Whitman alumna, I am proud and honored to have the opportunity to serve our school community and work with all of you to continuously move our district forward. For the past several weeks I have immersed myself in the Whitman culture and learned more about our South Huntington students, teachers, staff, and the programs we offer. From an "outside perspective," I am proud to report that South Huntington's programs and dedication to our students is second to none! My door will always be open to you and your families, and I look forward to meeting you at our academic, cultural, musical, artistic, and athletic events that take place throughout the year. If you have any questions or concerns, please do not hesitate to contact me at 631-812-3804.

Our Coding and Design Camp and Summer Science Research Camps are thriving with future Walt Whitman science and research students. Our Wildcat cubs are benefiting from these camps, and they are participating in a variety of science-based activities. In addition to the science camps, the Wildcat Summer Camp series is going well with hundreds of campers on campus for the past several weeks. Students of all ages have been "braving the heat" and enjoying the various sport and activity sessions. These are amazing events to witness and a joy to see all of the students participating. I am impressed by the amount of staff members and students that work over the summer to ensure your child has a memorable experience.

We are in the midst of planning our Freshman and Sophomore orientations that will take place during the week of August 23, 2021. The final date will be announced as soon as possible, via a districtwide phone call and email blast. We are planning a special experience for orientation, which will include a guest speaker, small group activities, a tour of the building, a grade-level prize for each student, and more. For those students who cannot attend their grade-level orientation,

In addition to the Freshman and Sophomore Orientations, we are in the midst of planning our Wildcat Welcome Back Event for all students following the week of September 14, 2021. This will be a special event welcoming back all of our students from the summer break and celebrating our return to school. Throughout the summer we formed a committee of faculty, staff, and parent volunteers who are working together to create something memorable for our Whitman family. More information regarding the Wildcat Welcome Back Event is forthcoming.

I thank you in advance for supporting all of our students, and please remember to support our various parent/student organizations and boosters. On behalf of the faculty and staff of Walt Whitman High School, we wish you a happy and healthy summer.

### News from Mr. Eddie Smith, Principal of Stimson Middle School

I hope that the students of Stimson and their families are enjoying the summer so far!

As much as we are enjoying summertime, the staff of Stimson always looks forward to the start of a new school year. This year we will be beginning with a Welcome Back Bash for all of our students. This event will take place in the month of September, with details to follow. The planning is underway and promises to be an exciting and fun-filled adventure for all!

As always, information regarding the upcoming school year will be mailed out in early August.

Stay cool and enjoy the long days of summer!

### News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

The last day of school at Silas Wood featured our annual goodbye Drive Away with the entire staff gathering to see our 2020-2021 Silas Superstars off on their way to Stimson, with not a dry eye in the crowd!

We are certain this group of fantastic students will do a great job next year and on into the future.

No sooner did the doors close at the end of school, and our ace custodial staff got to work readying the building for the next school year. This summer, Silas is very pleased to welcome our new Head Custodian John Burke, Jr. Mr. Burke jumped right into the Silas Wood family, as he and the rest of our custodial staff got right to work on spiffing up the entire Silas campus!

## News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

We are getting ready to start the 2021/22 year with a BANG! Birchwood is excited to be part of a district-wide Welcome Back "WILDCAT PAWTY" for our students. Each of the district's buildings will be holding their own fun festivities. This "Paw"ty will take place during the school day, and students will always be under the watchful eye of their classroom teachers and support staff. More details will be forthcoming on the festivities! Our Committee is working hard to plan a wonderful event with a variety of games and activities for the children.

### News from Mr. William Hender, Principal of Maplewood Intermediate School

I would like to take this opportunity to thank everyone that has made me feel so welcome in my first few weeks here as Principal of Maplewood, and introduce myself to those I have not yet met. Throughout the past 22 years in Education, I have had the privilege of being both an elementary teacher and administrator, most recently as a principal within the Eastport-South Manor School District, where I worked with students in Grades 3-6. I am honored and humbled to now be the new principal of your school, and look forward to getting to know each and every family.

You will soon find out that I am someone who believes very strongly in family and the joy of learning. I believe in working together as a team to ensure that each and every student has the access and opportunity to succeed in all areas. During the next few weeks, please be on the look-out for various events, where both students and their families will have a chance to meet me and learn more about each other before the start of the school year.

I do hope everyone is enjoying their summer and spending time with family and friends. Here at Maplewood Intermediate School we have been very busy getting ready for a new and exciting school year. Please know that if any students are experiencing anxiety about returning to school this fall, our social worker, Mrs. Carroll, has organized a wonderful summer program to assist, and you can email her directly for more information at [jcarroll@shufsd.org](mailto:jcarroll@shufsd.org).

Lastly, we are getting ready to start the 2021/22 year with a BANG! Maplewood is excited to be part of a district-wide Welcome Back "WILDCAT PAWTY" for our students. Each of the district's buildings will be holding their own fun festivities. This "Paw"ty will take place during the school day, and students will always be under the watchful eye of their classroom teachers and support staff. More details will be forthcoming on the festivities. Our committee is working hard to plan a wonderful event with a variety of games and activities for the children.

### News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

Happy Summer to all of our Oakwood families! We hope that you have been able to enjoy the warm days and are relaxing in the sunshine!

As the summer moves on, Kindergarten registration continues! Please be sure to register your child for our incoming class as soon as possible. If you'd like to share information about your child that will help us to get to know your child better, please email [amichaelian@shufsd.org](mailto:amichaelian@shufsd.org) or [mcolon@shufsd.org](mailto:mcolon@shufsd.org). You may also feel free to take some time to view the *Countdown to Kindergarten* presentation that is located on the District website, [shufsd.org](http://shufsd.org). Click on the many features posted in the presentation to learn more about our wonderful South Huntington District and your new Oakwood home.

Oakwood is proud to host South Huntington's Summer Learning Program this summer. We have students from all of our District's schools joining us through August 17th! It is great to see many of our former Oakwood students visit us. Students are happy to be with us, and we look forward to a productively fun summer!

We hope all of our families continue to enjoy the summer. We encourage all of our students to continue reading and learning this summer!

**News from Mr. Mitchell Levy,  
Principal of Countrywood Primary Center**

We hope that everyone's summer is off to a nice start and that everyone is enjoying quality time with family and friends. Countrywood has been full of action throughout the month as the ESY (Extended School Year) and the Summer Learning Program have been buzzing with students and excitement as we continue to work together to achieve both academic, as well as social and emotional goals for all involved. Thank you to Ms. Daniello, Ms. Farmer, and Ms. Holmes for all of their hard work in running and organizing these programs at Countrywood. It's great to see so many students and families taking advantage of these wonderful district programs.

In the office, we are hard at work getting classes and schedules ready for September. Our custodial staff has been summer cleaning our building, and we thank them for all of their efforts. We are anxiously awaiting guidance from the Governor's office and the State Education Department to be able to finalize our routines, and we promise that we will be in touch later in the summer with all of the details. We know that our incoming Kindergarten parents are anxiously awaiting word on our orientation plans, and we promise to have that information to you as soon as the guidelines are established.

We are getting ready to start the 2021/22 year with a BANG! Countrywood is excited to be part of a district wide Welcome Back "WILD-CAT PAWTY" for our students. Each of the district's buildings will be holding their own fun festivities. This "Paw"ty will take place during the school day, and students will always be under the watchful eye of their classroom teachers and support staff. More details will be forthcoming on the festivities. Our committee is working hard to plan a wonderful event with a variety of games and activities for the children. To our students: As you spend time with your family and friends, please continue to find a few minutes to read and keep your skills sharp. Find a good book that interests you, and either read it to yourself, or find a relative or friend who can read it to you. Please continue to enjoy your summer, and know that we are here in the office should you have any questions. We are only a phone call or email away.

We will be in touch in the coming weeks with details about our plans for the opening of school, as well as details about the Welcome Back Bash! Until then, stay safe, be well, and ENJOY the summer!
