Food for Thought
"The beginning is the most important part of the work." ~ Plato

Superintendent's Corner
We are blessed with one of the few professions that offers a new beginning with each and every year. Although there are certain similarities to every opening, the "deck is ultimately reshuffled" every year, as 7,000 unique students and staff join with tens of thousands of parents and family members to create a unique 2021-2022 chemistry. While the local, national, and even international controversies, precipitated by a virus that is largely out of our human control, are impossible to deny, we remain committed to stressing the positive energy associated with September's opening. Our goal is to return all students and staff to daily instruction as well as a full array of athletic, artistic, and community service activities. Our success will be predicated upon a cooperative approach to the unknown, which stresses both safety and full activity, and respects the diverse opinions of our beautifully diverse community.

We look forward to serving your families with energy and empathy, and truly believe that 2021-2022 will be an amazing year for our learning family.

**News from Deputy Superintendent/Business
Dr. Joseph Centamore**

Facilities
The health and safety of our students and staff is always paramount. With this in mind, our Facilities Department is actively putting the finishing touches on their cleaning and maintenance efforts, as we welcome back our staff on Monday, and our students on Wednesday. We thank the department for their outstanding efforts this summer. Extensive daily cleaning protocols will remain in effect all school year. Parking lot drainage upgrades at Birchwood and Maplewood have occurred, and the new Stimson parking lot is being readied for use. All classrooms will continue to utilize air scrubbers with a MERV-16 rating. These devices are also being placed in areas such as the cafeterias. To promote more outdoor activity, and to expand the footprint of our cafeterias during the lunch periods, tents are being provided at all schools.

Transportation
Bus passes are being mailed this week. District as well as contract service bus drivers are performing their practice runs. Like our schools, health and safety remains a focus and protocols will continue to be in place. Being responsive to our community is a priority. If you have any transportation questions, please feel free to contact (631) 812-3088.

Marching Band
We're excited to report that the Walt Whitman High School Marching Band kicked off their 2021-2022 season with their annual Marching Band camp that ran from August 9th through August 15th. There was a wonderful turnout, as over 50 students attended this summer's camp. Our student per-

formers worked diligently to prepare for this year's show entitled, Dia de Los Muertos. The band has three competitions on Long Island, beginning in Brentwood on Sunday, September 19th. They will host their Home Show on Saturday, October 9th.

News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy and Dr. Gayle Steele Academic Recovery Plan

In an effort to assist parents and students with the learning gap presented over the last 18 months, the South Huntington School District is implementing a plan that will allow students to be provided needed support and remediation to lessen those gaps. As we progress this year, we ask parents to please keep a lookout for information from their child's school regarding new learning opportunities and extracurricular programs that will assist them in building on their current skill sets. In addition to this, Walt Whitman High School was recently provided the opportunity to implement learning labs in all four core subject areas. These learning labs will not only assist those students identified as being in need of academic services, it will also be open to all students who are struggling with current coursework during their lunch periods. We will continue to provide more information as it becomes available.

I-Ready, ThinkCERCA and Albert IO

South Huntington School District is proud to announce three programs that will assist us in our academic recovery efforts, providing needed tutorials and benchmarking to assess current student understanding. I-Ready Math, ThinkCERCA and Albert IO are three programs specifically designed to address learning gaps presented during this pandemic.

The program I-Ready Math is a diagnostic program that allows teachers and schools to effectively assess the current comprehension levels of students within the current math curriculum. The I-Ready program has been utilized as an assessment measure within the South Huntington Schools, grades kindergarten through eighth grade. While this will continue, the information collected will be utilized with greater efficacy to address and model current instructional practices.

With regards to THINKCerca and Albert IO, these programs are specifically used at the secondary level for English and Social Studies. Both of these programs provide students and parents the opportunity to complete lessons and assignments, both at home and in the classroom, utilizing a digital platform focused on student deficiencies in understanding and retention. Albert IO not only provides these services to students struggling, but also is a phenomenal learning platform at all levels of learning (Regents, Advanced Placement, College-Level). We ask all parents to please continue to be on the lookout for further information regarding these three programs during the upcoming year to better assist their child.

ParentSquare/IC Parent Portal for Student Attendance

While both students and parents are overjoyed at the prospect of returning to a traditional learning environment, student attendance has become problematic. While the last 18 months certainly gave reason for many of these absences, there is a definitive need for the district to focus their efforts on combating student attendance issues and providing support for parents on the benefits of their child attending school regularly. One of the programs brought in by the South Huntington School District to address this issue is ParentSquare. ParentSquare is a communication device that not only allows the district to send out information to a variety of groups, it also allows a constant flow of communication between teachers, students, and parents. In addition to this, ParentSquare will be utilized by each school to communicate daily student attendance to keep parents informed. This will work in combination with the Infinite Campus Parent Portal, providing the most up-to-date and accurate information to parents. It is our hope that this additional resource will allow our students to transition back to a traditional school setting. We ask that all parents continue to utilize the IC Parent Por-

Current Curriculum Initiatives: Kindergarten to 5th Grade

At the Elementary level, South Huntington has been planning professional development opportunities for staff as we roll into our academic recovery phase. Throughout the year, teachers will be participating in workshops that will enhance instruction in all the K-5 content areas outlined below.

ELA

We will continue to support teachers with the Balanced Literacy Approach to Instruction in K-5 classrooms. This approach to instruction allows for learning opportunities through interactive read-alouds, reading and writing mini-lessons, shared reading, phonics, spelling and word study. Students will engage in conversation about their reading and writing as they deepen their understanding of different instructional contexts.

Mathematics

We are in the second year of our implementation of the I-Ready Mathematics program. (Formerly known as Ready Class Mathematics). Students will continue to have opportunities to be engaged in rigorous opportunities that will build their conceptual understanding and procedural fluency. Teachers will support students in discourse-driven routines as they collaborate, discuss and clarify strategies with their peers.

Science

Students will continue to be engaged in scientific discovery through the Amplify Science Program. This program allows for hands-on investigation with literacy-rich activities. Students will read, write and think about different scientific phenomena, and be empowered to think like scientists and engineers.

Social Studies

We will continue to utilize the Integrated Social Studies/ELA Curriculum provided by Putnam Northern Westchester BOCES. This curriculum is based on the NYSED Social Studies Framework.

We are excited about these opportunities to foster a strong learning environment for our students and look forward to a great year!

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Preschool Parents - Welcome to the 2021-22 school year! Program placement letters have been mailed to confirm preschool children's enrollment in the half or full-day program and teacher. The first day for preschool classes at James Kaden Administrative Offices (JKAO), Oakwood Primary School, and Silas Wood is September 1st. If you have any questions regarding your child's placement at any of these locations, please email registration@shufsd.org.

K-12 registration for the 2021-22 school year is still ongoing. The first day of school is getting close and I encourage parents who need to enroll their children to make an appointment as soon as possible. Parents/guardians can schedule an appointment by going to www.shufsd.org and click on the "Central Registration and Information" page. You can also email registration@shufsd.org.

On behalf of the Student Services leadership team and support staff, I want to wish all of our families, students, faculty, and staff a wonderful and safe new school year!

News from David Barth, Supervisor of Physical Education, Health, Athletics & Recreation

The Fall athletics sports season is under way at Walt Whitman High School with over 400 student-athletes participating! We have a full slate of games and tournaments scheduled against teams throughout Section XI, and I know the coaches and student-athletes are excited to be back on the field of play!

Fall sports at Stimson are set to begin on Thursday, September 9, 2021. Student registration is now open and can be completed through Final Forms (<https://southhuntington-ny.finalforms.com>). The school nurses will be at Stimson to receive your updated health examinations on August 25th and 26th from 2-8 p.m. If you have any questions, please contact the Athletics Office. Go Wildcats!

News from Sheila's Food Corner

MEALS ARE FREE!!!

The Free meal program continues this school year!

Breakfast and Lunch meals are free to all South Huntington students. Legislation was passed, which has made free meals available to school districts throughout the country. The offer began last school year and will continue to be in effect through June, 2022.

What a wonderful time for you to have your children give our School Nutrition program a try. We strive to provide the freshest, most nutritious, and at the same time, best tasting meal options to your children during the course of the school day. Your children are our "clients," and we wish to provide them the best school nutrition has to offer.

Meals are offered in the classrooms, in hallway kiosks, and along the serving lines. There are many avenues that are available when you participate in our Nutrition Program.

Our menus are on display each month on the South Huntington website under "Quick Links." In addition, follow us on Facebook (South Huntington Nutrition Services) and Instagram (shschoolnutritionservices). These sites will keep you up-to-date on all of the wonderful meals we are serving both our children and our community.

We look forward to seeing your families again!

News from Mr. Kenneth Costa, Principal of Walt Whitman High School

As we approach the end of August, the high school is buzzing with anticipation of a new school year. This past week we held our Freshman and Sophomore orientations, with over four hundred students and parents in attendance. "Willie the Wildcat" was here making his presence known early in the school year.

The students and parents participated in a dynamic presentation from world-renowned motivational speaker, Ed Gerety. Mr. Gerety brought a message of compassion, empathy, respect, goal-setting, and leadership that every student and parent could relate to. We are looking forward to promoting the lessons learned during the day through student events

and staff development. Following the assembly, the students broke out into smaller family groups, where they created their own Class of 2024 or Class of 2025 tie-dyed shirts, played a BINGO icebreaker game, and toured the high school. A special thank you to our student leaders, high school teachers, administrators, and the Walt Whitman PTA for assisting in the planning, sponsorship, and execution of the day. Our student leaders were paired with teacher mentors who demonstrated what it means to be a Wildcat by emulating the character traits shared by Mr. Gerety. Following the presentation, all students had a taste of what it means to be a Wildcat and experience Whitman pride. For those students who were unable to attend, you will be provided with a Class of 2024 or Class of 2025 tie-dyed t-shirt at your grade-level assembly once the school begins.

As the days are getting shorter we are reminded that September 1st is around the corner. Please let this serve as a reminder that summer assignments are coming due, and the mad rush for school supplies is coming. Don't wait for the last day of summer to complete your school work or begin planning for the upcoming year. The Parent Portal in Infinite Campus is open for you to view your schedule. It is always a good idea to either take a photo of your schedule or print it out for the first day of school. Our guidance counselors are in for the remainder of the summer, should you have any questions or concerns regarding your schedule or assignments.

Our fall sport season has begun, and the students in the hallways and on the fields bring with it a familiar sound. For the first time in a long time we are anticipating a spectacular fall season with talented athletes and memorable competitions. Please come out this fall to support all of our fall sports and show your Whitman Pride by wearing your spirit gear on game days.

Planning for the "Wildcat Welcome Back 'Pawty'" will commence the first week of school, which is a special event welcoming all of our students from the summer break and celebrating our return to school. Throughout the summer we formed a committee of faculty, staff, and parent volunteers who are working together to create something memorable for our Whitman family during the Spirit Week leading up to Homecoming 2021. More information regarding the "Wildcat Welcome Back 'Pawty'" will be shared as plans are finalized.

I thank you in advance for supporting all of our students, and please remember to support our various parent/student organizations, WWPTA, SEPTA, and Boosters. On behalf of the faculty and staff of Walt Whitman High School, we wish you a happy and healthy summer.

**News from Mr. Eddie Smith,
Principal of Stimson Middle School**

Our school community would like to formally welcome our new and returning families. On Tuesday, August 31st, Stimson will hold its annual 7th Grade Orientation. There will be two sessions for students. Our first 9-10 a.m. session will be all students with the last name A-L, and the 1-2 p.m. session will be all students with the last name M-Z. All students will report directly to their homerooms where their teachers will greet them. During this time any parent that is interested can report to the forum for a meet and greet with the Stimson administrative team. This will also be a great opportunity to order Spirit Wear and to join the PTA, SEPTA, and Booster Club. Tables for each will be set up in the courtyard in the rear of the building.

We ask that all of our students arrive the first day of school with a charged Chromebook, a notebook, and something to write with. During the first couple of days of school our teachers will inform their students if they need any specific items.

If you have not already done so, please download the ParentSquare application for your smartphone. Stimson will be using ParentSquare to communicate all information this year. We are confident it will help you stay informed and streamline communication.

On Tuesday this week Silas students enjoyed an informative Meet and Greet, meeting friends, old and new, touring the building to find their classrooms, and meeting staff. It was wonderful to share in their anticipation and excitement.

In preparation for the upcoming school year, we ask that all parents ensure that your Infinite Campus Parent Portal is fully accessible. Use of the Portal allows you access to your child's daily academic progress, as well as important information such as attendance, grades, report cards, etc.

We will follow a special class-time schedule for the first three days of school, resuming our regular class-time schedule when we return from the long weekend break on Thursday, September 9th.

By this time, all incoming Silas families were provided two Silas Summer Mailings - - the July mailing (on pale blue paper), which included the Silas School Supply List, as well as very important information from our school nurse, Mrs. Wulfken. Our more recent August mailing (on pale yellow paper), which encloses student schedules, also provided information on important upcoming dates, and much more.

Your child should bring completed Emergency Contact Cards (sent with blue packet in July) to hand in to their homeroom teacher on the first day of school. To help facilitate our process of Chromebook distribution at Silas Wood in September, please use the link below to fill out our Chromebook agreement with your child. Bus passes, scheduled for mailing this week, should be in your hands by Monday. Please double check bus stop location, bus number, and bus arrival times. To be sure your child is picked up appropriately, please have them at their bus stop at least ten minutes before the scheduled bus pick-up time. During the first few days of school, as drivers become accustomed to their routes, please keep in mind that buses may run a bit late for the morning pick-up and afternoon drop off.

<https://forms.schoolsourcetech.com/SouthHuntington/5to6CB/index.html>

For those driving their children to school, please note the following very important procedures. Please do not enter the driveway area located in the front of the school building. During regular times of arrival and/or dismissal, you may drop-off /pick-up on the side of the building in the area at the end of Harding Place, near the Transportation Building. Please instruct your child to walk on the side of the parking lot. Avoid having any children cross the parking lot during drop-off or pick-up. Drop-off and/or pick-up as efficiently as possible, as there will be many parents behind you waiting to do the same; be very careful when pulling in or out. You must always wait for buses to turn

off their flashing lights before passing any school bus. It is illegal to pass a bus with its flashing lights on.

"You can find magic wherever you look. Sit back and relax; all you need is a book!" - Dr. Seuss

A thought in closing: Studies have shown that children who read during the summer are less likely to experience the "summer slide" effect—that is, loss of any of the skills which they gained during the previous school year. There is still time to reach out to our fantastic South Huntington Public Library (145 Pidgeon Hill Road, Huntington Station 631-549-4411) for library hours, to learn about their great programs—and to have your Silas Superstar check out a summertime read (or even two). Then, when school starts in September, encourage our students to stop by my office and let me know what they read and what they liked most about their books.

See you all on Wednesday, September 1st.

**News from Mr. Anthony Ciccarelli,
Principal of Birchwood Intermediate School**
Welcome Back to all of our Birchwood Family.

Our Birchwood Family would like to welcome all our staff, students and parents back to school. We are looking forward to spending a successful 2021-2022 school year together. We can't wait to see our students. All of us at Birchwood are excited to welcome back our wonderful students and get started on a year filled with friends, fun, and fantastic learning. We hope everyone enjoyed the summer!

Thank you to our amazing custodial crew, along with all of our summer helpers, for getting Birchwood ready for the upcoming school year. The building looks amazing.

**News from Mr. William Hender,
Principal of Maplewood Intermediate School**
We are so excited here at Maplewood for the start of the new school year. Our custodial and clerical staff have been working to ensure a great opening. The outdoor tented eating area will certainly be the highlight of the new year.

This year you will see many familiar faces, but also a few new faces, as we welcome the following staff members to our building:

- Jessica Ventura - 5th grade Dual Language Stand-alone
- James Tomeo - 3rd grade Teacher
- Kelly Crocco - Mathematics Coach
- Lisett Ventura Diaz - Physical Education Teacher
- Janine D'Elia - Educational Technology Integration Coach
- Marisa Palmieri - Reading Teacher (MW & CW)
- Jennifer Rodgers - S/C Reading Teacher (MW & BW)

As we welcome our students back to school we have many activities planned to help students feel welcomed and part of their new classrooms. Our beginning of the year motto will include, "Make a friend, and be a friend," as we focus on the social and emotional learning of all students.

As a reminder, please check out our new updated website, where you can find supply lists as well as a link to your teacher's webpage. Enjoy your last few days of summer, and we look forward to seeing everyone on Wednesday, September 1st.

**News from Dr. Annie Michaelian,
Principal of Oakwood Primary Center**
Oakwood Primary Center is eager with excitement to welcome our staff and students back to school on September 1st, for the 2021-2022 school

year. We begin our year with an orientation on August 31st, to welcome our Kindergarten students to the building and offer them an opportunity to meet their teacher, see their classroom, and experience their first day as a Wildcat. Remember, this event is for the Kindergarten student and one adult. Be sure to check the mailing that was sent home with specific information regarding your child's orientation time. Our teachers are certainly excited to meet their incoming students.

Our District has partnered with ParentSquare to provide communication to and from the District, the Oakwood office and your child's teacher(s). Oakwood will be utilizing this new tool throughout the year. We hope that all of our families sign up for this important tool to keep the home and school connection vibrant and ongoing.

The PTA School Supply pick-up is scheduled for this Thursday, August 26th, from 8-10 a.m., at the Oakwood cafeteria for our families who ordered school supplies this spring. To pick up your supplies, drive through the middle of the Oakwood parking lot to the cafeteria door, and our great PTA will be there to give you the school supplies. If you were not able to order school supplies for the upcoming school year, our school supply lists are available on our Oakwood website <https://www.shufsd.org/schools/oakwood-primary-school>, and you can also find them in the summer mailing.

We encourage all of our families to consider joining and participating in the Oakwood PTA this year. Our PTA does a fantastic job with planning activities and supporting our students and staff every year. Their membership information can also be found in your summer mailing.

The Oakwood Family is happy and excited to begin another great school year and welcome all of our students and families back to school. If you have any questions, please feel free to reach out to us, because, of course, "we're in this together!"

**News from Mr. Mitchell Levy,
Principal of Countrywood Primary Center**

It is hard to believe that we are approaching the last few days of August. We hope that you and your family have had a safe, restful, and enjoyable summer. Here at Countrywood our staff has been hard at work preparing for the 2021/22 school year. Our custodial crew has done an unbelievable job getting all of the rooms, hallways, and offices cleaned, waxed, and ready for the opening of school. Our teachers, clerical staff, and support staff have been getting their offices and classrooms ready to welcome 600 students to Countrywood on September 1st!

Our Kindergarten teachers, support staff, and building administration anxiously await our Kindergarten Parent/Child orientation on Tuesday, August 31st. One of the highlights of our year is getting to see the excited look on the faces of approximately 200 new Kindergarteners as they step foot into our school building for the first time.

While this has certainly been a less than conventional summer, please know that we have taken the utmost care in creating a plan to keep our students, staff, and families as safe as possible while continuing to move both the academic, as well as social and emotional dial forward. As always, Ms. Njenga and I stand ready to partner with you. Please reach out to the school with any questions or concerns. We hope that you enjoy the remainder of the summer, and we look forward to meeting all of our incoming Kindergarten students and parents on Tuesday, August 31st, and everyone on Wednesday, September 1st, when the school year officially begins.
