Food for Thought

"Whatever you are, be a good one." — Abraham Lincoln

Superintendent's Corner

Today's tour of our district revealed an energy and enthusiasm that only the first day of school can bring. The fresh haircuts, new backpacks and wide-eyed smiles are just the antidote for our often depressing national news, and our students and staff are poised to place their unique signatures on this new year. We are all well aware of the legacy of excellence that has been building in South Huntington Schools, and look forward to continuing this forward progress in the year to come. There is a bright, beautiful journey ahead, and we welcome you to join us as our students, staff, and parents join hands to write the finest chapter in our district's history.

I want to take a moment and wish all of our faculty, staff, students, and community members who are celebrating, a very Happy Rosh Hashanah. May the year to come bring good health and happiness to your families.

News from Deputy Superintendent/Business Dr. Joseph Centamore

Transportation

With the first few days under their belt, the Transportation Department is working collaboratively with each of the building administrations to fine tune student pick-ups and arrivals. They are also working diligently to address parental inquiries in a timely fashion. If you have any questions, please contact the Transportation Center at (631) 812-3088.

Music

Walt Whitman's **Angela Shedlow** has been selected for flute for the NYSSMA All-State Symphony Orchestra. Angela was also chosen as a Piccolo Alternate. **Gianna Vozza** was also selected as a Flute and Piccolo All-State Alternate. Both band students are instructed by Mr. Hoffman.

In Choir, Whitman's **Haylee Caserta** has been selected All-State Mixed Choir as a soprano. **Edward Pena** was selected as an All-State Alternate. Mr. Altinel is their Choir instructor.

The NYSSMA All-State Performing Ensemble(s) will take place in Rochester, beginning December 2nd. We congratulate all of our student performers on these prestigious accomplishments.

Nutrition Program

We are very excited to report that under the direction of Ms. Sheila Buhse, the Birchwood dining room has been wonderfully transformed with vibrant colors and positive words to inspire our children. Currently, Silas Wood is undergoing a similar transformation.

News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy & Dr. Gayle Steele Office of Curriculum & Instruction

We are extremely excited to welcome everyone back to school for the 2021-2022 school year. It has been an exciting summer to say the least, getting the information and protocols necessary to have all our students return to full in-person learning. As we have traveled the district, looking at the various buildings to ensure that they are ready, we are happy to say that the classrooms look fabulous and that the schools have come to life with excitement as we all embark on this journey towards academic recovery. We truly hope that each and every student finds success this year and

promise to provide the necessary support and encouragement for this to occur. We here at South Huntington are determined to provide students every opportunity to succeed.

iReady testing in September: K-8 Grade

As we return to some normalcy within our traditional school structure, all students, K-8, will take the Fall iReady Diagnostic within the first few weeks of school. These results, along with other classroom assessments/observations, will provide teachers with important data regarding each child's academic levels. This will help guide classroom instruction and individualized instruction as we move through the curriculum, allowing us to pinpoint student deficiencies and make sure that teachers' lessons focus on areas of need. Given that every school is different with their implementation of the iReady testing, additional information for each grade will be shared at the Curriculum Nights at each school.

Program Orientations/Curriculum Nights in September

It is our pleasure to announce that our elementary buildings will be holding their annual Curriculum Nights during the month of September. Parents/Guardians have the option of attending Curriculum Nights in person or virtually. Those parents that will be participating virtually will receive an email from their child's school providing the sign-on procedures. **For those attending in person, we will be following the CDC guidelines for social distancing, which is a minimum of 3 feet of distance between each individual. Therefore, we ask that families try to limit the number of in-person attendees to one parent/guardian per student.**

Program Orientation/Curriculum Nights are scheduled as follows:

School	Date/Time
Birchwood/Maplewood Grade 5	Thursday, September 2nd at 7:00 pm
Birchwood/Maplewood Grade 4	Monday, September 13th at 7:00 pm
Birchwood/Maplewood Grade 3	Tuesday, September 14th at 7:00 pm
Countrywood/Oakwood Grade 2	Monday, September 20th at 7:00 pm
Countrywood/Oakwood Grade 1	Tuesday, September 21st at 7:00 pm
Countrywood/Oakwood Kindergarten	Thursday, September 23rd at 7:00 pm
Stimson Middle School	Monday, September 20th at 7:00 pm
Silas Wood 6th Grade Center	Tuesday, September 21st at 7:00 pm
Walt Whitman High School Grade 9-12	Thursday, September 23rd at 7:00 pm

Each building will be sending out information specific to their Curriculum Nights in the days to come. As always, if you have any questions, please contact your child's principal.

ParentSquare/IC Parent Portal for Student Attendance

While the last 18 months certainly gave reason for many of these absences, there is a definitive need for the district to focus their efforts on combating student attendance issues and providing support for parents on the benefits of their child attending school regularly. One of the programs brought in by the South Huntington School District to address this issue is ParentSquare. ParentSquare is a communication device that not only allows the district to send out information to a variety of groups, it also allows a constant flow of communication between teachers, students and parents. In addition to this, ParentSquare will be utilized by each school to communicate daily student attendance to keep parents informed. This will work in combination with the Infinite Campus Parent Portal, providing the most up-to-date and accurate information to parents. It is our hope that this additional resource will allow our students to transition back to a traditional school setting. We ask that all parents continue to utilize the IC Parent Portal to look up attendance and current academic coursework, while also utilizing ParentSquare to communicate with their child's teachers. If you have any questions at all about the ParentSquare app, please contact the Office of Curriculum and Instruction at 631-812-3100.

South Huntington Parents' Guide to Technology - Grades K-12

Please see the links below for a copy of the parents' guide for technology that is being provided to assist everyone to understand how some of the district's technology applications will work with student devices at home and at school.

[Final Parent Technology Guide English 2021.pdf](#)

News from David Barth, Supervisor of Physical Education, Health, Athletics & Recreation

The Fall Athletics season is underway at Walt Whitman High School, and all teams are preparing to start game play. All events taking place in the North Gym, South Gym, and on the Turf Field will be live streamed on the NFHS Network (www.NFHSNetwork.com). Visit www.SectionXI.org for the most up-to-date game schedule.

Fall sports at Stimson are set to begin on Thursday, September 9, 2021. Student registration is now open and can be completed through Final Forms (<https://southhuntington-ny.finalforms.com>).

If you have any questions, please contact the Athletic Office. Make sure to follow our Supervisor of Physical Education, Health, Athletics and Recreation on both Twitter and Instagram (@WaltWhitmanAD) for updates and highlights from the season. Go Wildcats!

A CHILD'S ENVIRONMENT IS IMPORTANT!

After a school year of our children spending their entire day in the classroom, what a wonderful welcome sight to see the kids back in the cafeteria at lunchtime.

The physical environments our children are exposed to during their school day is so important. Bright, exciting, and positive wall space doesn't just come from their classrooms. Our School Nutrition Program has begun to address another important day space for our kiddos - our cafeterias. We have plans to "refresh" three of our cafeterias for our children this season, and are extremely excited to introduce you to our first finished room at Birchwood!

I hope your children love the updates as much as SHNS does. Stay tuned for our next "refresh" SilasWood!!

News from Mr. Kenneth Costa, Principal of Walt Whitman High School

It is official, school is open, and we are off to a great start. It was especially nice to see all of our students and staff return to full instruction. It has been a long road thus far, but we are hopeful that brighter school days lie ahead. We understand that the first couple of days have been challenging during arrival in the morning, and I assure you we are working to streamline the process on a regular basis. We are encouraging our students to utilize district transportation, since this would limit the traffic coming onto campus. If you choose to drive your student to campus, please use the student drop-off area at the base of Paumonok Drive or in front of the North Gym.

For those students who were unable to attend the Freshman/Sophomore Orientation in August, we will set aside several dates over the next couple of weeks where students can create their own Class of 2025/2024 T-shirt.

In order for our Seniors and Juniors with a valid Class D to park on campus and obtain a parking sticker, they must be in possession of a valid New York State Class D License, and submit the parking permission slip to security or Mrs. Hirsch-Beckman. A parking sticker will be issued once we have a copy of a valid Class D license and the permission slip. You can obtain a parking sticker either before school starting at 7 am, OR during your lunch periods. **Any student with a junior license or Class DJ will not be permitted to drive on campus.** If you park illegally on campus with a Class DJ license, you may have your parking sticker suspended for a full academic quarter once your license turns into a NYS Class D Senior License. Please be aware starting on **Friday, September 9, 2021 students without a parking sticker will no longer be allowed to park on campus.** After *September 10, 2021* you will have to come and retrieve a parking sticker packet (located in the main office). After your packet is reviewed by Ms. Hirsch-Beckman, you will be contacted for your sticker.

Upcoming events and dates:

- Underclass photos will take place during the school day on September 13th and 14th.
- WWPTA Meeting will be held in the HS Library on September 14, 2021 at 7 p.m.
- Program Orientation Night will be in a hybrid model for parents with the option of either in-person or joining virtually on September 23, 2021 from 7 – 9 p.m. More information regarding class links and the format will be sent out via ParentSquare.

I thank you in advance for supporting all of our students, and please remember to support our various parent/student organizations and boosters. On behalf of the faculty and staff of Walt Whitman High School, we look forward to having our students return for the 2021/22 school year.

As we embark on another school year together, the Stimson family would like to welcome all of our new and returning Wildcats. The beginning of every school year is exciting, creating opportunities for our students to make new friends, meet new teachers and administrators, and work hard to build a stronger school community. If you have not already done so, please download the ParentSquare app on your cell phone. We will be using it to communicate with our families throughout the school year.

As we officially start to transition out of summer into the fall season, many of our student athletes will participate in interscholastic sports. If you have not already done so, please register your child using Final Forms. All this information can be found on the Athletics Homepage.

Boys' and Girls' Cross Country will hold a general interest meeting this Friday, September 3rd, from 3:00-3:30 p.m. in the East Forum. All students interested should attend. If you have any questions, please contact Coach Sherman via email, at rsherman@shufsd.org, or Coach Wolf, at swolff@shufsd.org.

Football will hold a general interest meeting on Thursday, September 2nd, from 3-4 p.m., in the large Gymnasium. This will just be an informational meeting. Tryouts will begin on Thursday, September 8th. Pick up will be at 5:15. All athletes interested in trying out for the team should wear shorts, t-shirts, and cleats or sneakers. Please make sure that all your forms (parents and students) have been signed and the nurse has your physical paperwork. If you have not yet had a physical you need to schedule one ASAP and get that paperwork to the nurse. If you have any questions, please contact Coach Naggar via email at maggar@shufsd.org, or Coach Barbosa at sbarbosa@shufsd.org.

Boys' Soccer will hold a mandatory meeting on Thursday, September 2nd, immediately after school in the West Forum. Please arrange for transportation home at 3:45 p.m. If your child has not completed the registration on Final Forms, please do so immediately. If you have any questions, please contact Coach Goldman via email at sgoldman@shufsd.org.

Girls' Tennis has a mandatory meeting on Thursday, September 2nd, immediately after school in room 208. Please arrange for transportation home at 3:45. If you have not yet registered on Final Forms, please do so before the meeting.

Girls' Soccer has an informational meeting for all girls looking to try out for the soccer team, this Friday, September 3rd, from 3 to 3:30 p.m. in room 316. Please have your child bring a plain white t-shirt and a black marker.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

The Silas Wood faculty and staff have been busy, busy, busy getting ready for the first day of school. Our new group of Silas Superstars will be welcomed into classrooms featuring brand-new lockers, sinks, cabinets, and other equipment. Our cafeteria has been renovated into a joyful, welcoming, bright and vibrant space.

Welcome to new Silas Wood staff members, Nicholas Costa, Juliana Iavarone, Laura Ortiz, and Sarah Wyhowanec, along with new Permanent Subs, Isabelle Bifulco, Jack Daniello, Riquelmi Galindo, and David Somar. Also new to our staff are Asma Saleem and our new Head Custodian, John R. Burke.

To get started on the right foot this school year, all students should make a point of charging their chromebooks each afternoon, ensuring that they arrive at school with a fully-charged computer each day.

It is with something of a jolt that we realize we will soon arrive at the twentieth anniversary of the memorable date of 9/11/2001. At his inaugural, more than forty years before the attacks, President John F. Kennedy said, "Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty." Indeed, our Nation proved his words to be not only apt but truly prophetic. In the space that existed between the Twin Towers before September 11, 2001, the following is inscribed on a concrete wall: **"No day shall erase you from the memory of time."** Recognizing the importance of commemorating this historic date in our Nation's history, on Friday September 10th, we will speak to the concepts of heroism, hope, resiliency, survival, and good citizenship. As a school community, **Friday, September 10, 2021** will be a "Red, White and

Blue" day. Students and staff are encouraged to wear these colors to demonstrate national pride. We will commemorate the day as a school community, as we stand for the Pledge of Allegiance, followed by a brief statement regarding the importance of the day. I will then invite students and staff to stand for a moment of silent meditation and reflection. I encourage you to discuss the significance of 9/11 with your child. Remember that their emotions and feelings deserve to be acknowledged and addressed in a loving, comforting manner. Encourage them to talk about their feelings, help them to put any concerns into perspective, and reassure them about the future.

Also new at Silas this year, we are all very happy to have two classes of the Scope Universal Pre-K program located within two of our classrooms. These youngest students are adding a joyful overlay to an already wonderful place for the Silas Wood 6th Grade Students to call home for the next school year. Welcome one and all!

If you have not already done so, please be sure to return Emergency Response Cards to Homeroom Teachers. Silas Superstars should remember to bring your school supplies when school resumes after the holiday break on Thursday, September 9th. Best wishes to one and all for a happy Labor Day, and best wishes to our friends who are observing Rosh Hashanah on Tuesday and Wednesday. We look forward to seeing everyone when we return on Thursday, refreshed and ready to jump back into the new school year.

News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

We want to thank all our staff and students for a terrific first couple of days of school. We are happy to have all our students back in the hallways so we can greet them. It was a wonderful feeling to have our hallways full of children!

Thank you for your patience as we navigate through the arrival and dismissal procedures.

Please join us either in person or virtually for our Curriculum Nights. Information about how to participate was sent home. All Curriculum Nights begin at 7pm.

Grade 5 September 2
Grade 4 September 13
Grade 3 September 14

Please remember these nights are meant for you to meet the teacher and get an overview of what will be going on in class this year. If you need to speak to the teacher directly about your child, please schedule an appointment.

News from Mr. William Hender, Principal of Maplewood Intermediate School

We are so happy to have all the students back in the halls of Maplewood this week. The classrooms are alive with welcome back activities, and the students are getting to know all their new classmates and teachers. Our teachers and staff are eagerly awaiting our Curriculum Nights, where they will have an opportunity to meet everyone and present their goals for the upcoming year.

Please mark your calendars accordingly for the following Curriculum Nights:

- Grade 5 **Thursday, September 2nd**
- Grade 4, Mrs. Shapiro, Mr. Winters **Monday, September 13th**
- Grade 3 & Mrs. Lettieri **Tuesday, September 14th**

The schedule for each evening will include:

- 6:30 PM** - Special Area and Support Teachers Meet and Greet
- 7:00 PM** - Meet and Greet with Mr. Hender and Ms. Davis in the Cafeteria
- 7:15 PM** - Meet with the Classroom Teachers (Live Stream Option available)

We are also pleased to announce that this year parents may attend our Curriculum Nights either in-person or virtually through our live stream. We look forward to wrapping up a great first week here at Maplewood Intermediate School.

ter! The youngest members of the Oakwood family were so happy to meet their teacher and spend some time in their classroom. A special thank you to all of our Kindergarten teachers for always displaying your talents and greeting our incoming families with your special charm.

Please be sure to send in a note if you are planning on picking up your child from Oakwood. We use this information to plan for a smooth dismissal and allow for your child to end their day in a predictable and calm manner. Also, if you are dropping off your child at arrival, it is important that you are pulled over on West 22nd Street with your hazard lights engaged on your vehicle.

The School Nutrition Office has sent home information regarding the Nutrition program for the 2021-2022 school year. They are requesting that you complete the eligibility application even though breakfast and lunch are free for the year. Please submit applications by October 20th. If you have any questions, please reach out to the School Nutrition Program director, Ms. Sheila Buhse, at sbuhse@shufsd.org. She is very helpful and always willing to answer your questions.

We hope that all of our families sign up for ParentSquare, an important communication tool to keep the home and school connection ongoing. You can download the app to your cellphone, follow the prompts to be set up to receive messages from your child's teacher(s), the Oakwood Main Office and the District.

As stated previously, we encourage all of our families to consider joining and participating in the Oakwood PTA this year! Our PTA does a fantastic job with planning activities and supporting our students and staff every year.

The Oakwood Family is happy to begin another great school year and welcome all of our students and families back to school. If you have any questions, please feel free to reach out to the main office.

Have a wonderful week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Welcome back! We hope everyone had a safe, restful, and enjoyable summer! While the weather may not have cooperated as much as we might have hoped, our staff did a wonderful job creating a smooth opening of school for our students and families. A huge thank you goes out to all of our staff who worked so hard to get the school ready. A special thank you to our custodial staff, who worked around the clock, making sure that the classrooms, offices, and hallways were set, shiny, and ready to welcome everyone back. Thank you to everyone for your cooperation and patience as we navigated the first few days of school together. As always, we are here to partner with you and work together to provide your child and your entire family with a first-class experience at Countrywood.

On Tuesday we held our Parent/Child Kindergarten Orientation. It was wonderful to meet many of our newest Countrywood families. We know you will love it here, and are so happy to welcome your family to our Countrywood family.

Yesterday saw, for the first time in well over a year, all of our staff and students back in person. It was heartwarming to hear the excitement as students came off of the busses and out of their cars and entered the school building after their summer vacation. They excitedly shared with their friends and staff all that they had been up to. I know that I speak for the entire staff when I say that seeing everyone back in school brought a huge smile to our collective faces.

We are very proud of all that takes place here at Countrywood and proudly showcase it on not only the district Social Media sites but on Countrywood's sites as well. Please check it out:

Facebook: www.facebook.com/CountrywoodPrimaryCenter
Instagram: [countrywood_primary_center](https://www.instagram.com/countrywood_primary_center)
Twitter: [@Countrywood_PC](https://twitter.com/Countrywood_PC)

We are looking forward to a wonderful year ahead. As always, if we can be of any assistance, please do not hesitate to contact us at the school.

A friendly reminder that school will be closed next Monday, Tuesday and Wednesday and will re-open on Thursday, September 9th.

We wish you a wonderful weekend ahead.

School Board Notes – A Message from the Board of Education

While we begin this school year with COVID-19 still at the forefront of our minds, it is critical to note that Wednesday, September 1st, was the first time that we had a “traditional” school day since March of 2020. These past eighteen months have challenged us like never before, but our school district always rises to the occasion, and this pandemic provided us another opportunity to demonstrate our resiliency and toughness. While we will be providing solely in-person instruction, we continue to take every precaution and spare no expense to establish a safe work and learning environment.

As we begin anew, our district welcomes new faces and familiar faces to new places. That change begins at the top with our first new superintendent in nearly a decade and continues throughout our school administration and faculty and staff. We have new cabinet members, principals and assistant principals, dozens of first-year teachers and support staff. While the turnover may be greater than in previous years, the expectations are as lofty as ever, and our commitment to excellence remains unparalleled.

We are, however, not immune to the challenges posed by the interrupted learning environment of the past eighteen months. This impact also extends beyond academics to the mental health and well-being of our students. South Huntington is not alone in the need to provide remediation, but few districts are prepared to attack the unfinished learning challenge as aggressively. The Board of Education, with the support of our community, has devoted unprecedented resources to ensure that the pandemic does not produce a new achievement gap. Indeed, at our next Board of Education meeting scheduled for September 9, 2021, Dr. Vito D’Elia and his team will detail an ambitious plan to address the varied consequences of unfinished learning.

However, no plan can be implemented without the support of each of our hundreds of employees. Our facility and staff remain our most important and valuable resource, and we need to rely on their expertise more than ever. We assure you that these challenges will be met with laser-like focus on the mission and goal.

SHSEF

News from SEPTA – Maureen Basedow

Happy 1st day of school for all our families, staff, students and administrators. Special Education PTA wishes you all an exciting, successful year of learning and good health. Please join us and become a member. <https://shsepta.memberhub.store>. A membership form will be included in this newsletter. Come and meet the new Special Education PTA Board on Wednesday, September 29th, 2021 at 7 p.m., at the James Kaden Administration Offices.

District PTA Council News

The SH Council of PTAs would like to welcome all of our parents, staff and especially students back to school! We encourage all of our SH families to support their building PTA's by becoming a member. The few dollars it costs to become a PTA Member is the best way you can help support our schools. The SH PTA's work throughout the year to provide cultural arts performances, character-building assemblies and curriculum enhancing programs for all students from Pre-K-12th grade. In addition, our PTA's provide a vital link between home and school, to help foster the best education environment possible for students of all ages and abilities. Our PTA units always welcome new volunteers and ideas. Please check the district calendar for the first meeting date for your school, as well as our Special Education PTA that serves all buildings. You can find more information about our PTA's on the district website at <https://www.shufsd.org/parents/south-huntington-pta>.

We look forward to working together. Let's Go Wildcats!

The Weeks to Come
