Food for Thought

"Well done is always better than well said."

~ Ben Franklin

Superintendent's Corner

It is always a pleasure to tour our district schools and feel the energy that envelops the South Huntington family. Our visits this past week revealed the sights and sounds of quality instruction and accentuated the strong academic commitment that underpins our district mission.

Of course, our scholastic work must always be complemented by a genuine commitment to social-emotional health, and we cherish the positive student and staff relationships that characterize our school community. We are also blessed with remarkably supportive parents and remain keenly aware that school-to-home partnerships remain a critical component of our work. In essence, it is the teamwork that makes South Huntington special, and we are dedicated to promoting our student-centered message in the weeks to come.

Important Note: We realize that National Health and Safety protocols are evolving as new discoveries emerge, but please know that it is important to remain home when awaiting COVID test results. Please help us keep everyone healthy and safe by following that procedure at home.

News from Deputy Superintendent/Business Dr. Joseph Centamore

In theater, auditions have begun for Walt Whitman High School's Main Stage Drama Production, *The Crucible*, under the direction of Ms. Radin. Performances will be held on November 19th and 20th.

The Whitman Marching Band had a successful opening performance in Brentwood this past weekend. For many of the student performers it was their first competition in close to two years. The band made a strong impression upon the panel of judges, earning 3rd in the division class. The panel also complimented the band's overall musical skills, as well as its drill and percussion writing. The next Marching Band competition is Sunday, September 26th in Copiague.

News from Assistant Superintendent for Curriculum & Instruction, Dr. John Murphy & Dr. Gayle Steele

Congratulations to Oakwood Primary Center for having the highest percentage of students who finished this year's Summer Reading Challenge at the South Huntington Public Library. Although it was done a little differently this year, we are so proud of our students for participating in this event. We look forward to Oakwood receiving the trophy.

We would like to thank all our parents and community members for attending their child's curriculum nights over the last two weeks. All nights were well-attended both in-person and virtually. The ability to see a child's teacher can be instrumental in paving the way for positive communication and an overall positive experience for your child within the school year. That connection between the teacher and parent only helps and ensures that all students get the support and structure that they deserve. Given the issues faced over the last 18 months, we were happy to be able to continue this important part of our educational program, and look forward to additional opportunities this year to welcome families into our classrooms, while still providing the ability for parents, who are unable to come in person, a chance to meet the teacher and learn more about the classroom that their child attends.

After-school and Extracurricular Activities in South Huntington

With the start of the new school year, South Huntington is focused on providing our students the ability to participate in after-school and extracurricular activities at all building levels. This may include Coding Club, Intramurals, and Musical Theater at the elementary level, as well as a variety of clubs and activities at both the middle school and high school. These activities give our students time to explore ideas outside the classroom, while fostering an environment for healthy socialization with their peers. Within these school events, we will follow all Department of Health guidelines for all activities, as the health and safety of our students remains a priority. Please look for information in the weeks to come regarding these activities from your building Principals. For secondary schools, please see the links below to access clubs and activities:

WWHS Clubs and Activities - [WWHS Clubs & Activities](#) | [SHUFSD](#)
Stimson Clubs and Activities - [Stimson Middle School Clubs](#)

Curriculum Pamphlets/Guides available for parents

In an effort to provide parents the ability to know what's being taught in their child's classroom, the South Huntington Office of Curriculum and Instruction has worked with the primary school buildings throughout the district to provide a curriculum pamphlet that provides detailed information on topics and units of study within each core curriculum area. Please see the list below to access this information. We will be sending out the intermediate school curriculum guides in the near future. If you have any questions at all, we ask that you either contact your child's Principal or the office of Curriculum and Instruction at 631-812-3100.

Reminder: ParentSquare/IC Parent Portal

This is a reminder to all parents about the district's use of the new communication system, ParentSquare. ParentSquare is a communication device that not only allows the district to send out information to a variety of groups, it also allows a constant flow of communication between teachers, students and parents. In addition to this, ParentSquare will be utilized by each school to communicate daily student attendance to keep parents informed. This will work in combination with the Infinite Campus Parent Portal, providing the most up-to-date and accurate information to parents. It is our hope that this additional resource will allow our students to transition back to a traditional school setting. We ask that all parents continue to utilize the IC Parent Portal to look up attendance and current academic coursework, while also utilizing ParentSquare to communicate with

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

The Adult and Continuing Education course offerings are now available for Fall 2021. All available courses are scheduled to be in person, and will follow health/safety COVID protocols. Registration forms are accessible through the District's website, www.shufsd.org. Forms can be mailed to, or dropped off, at the James Kaden Administrative Offices. The first class is scheduled to begin on October 8th, so register soon! For registration questions, please call, 631-812-3102.

The first Special Education PTA (SEPTA) meeting is scheduled on Wednesday, September 29, 2021, 7 p.m., at the James Kaden Administrative Offices. During this meeting, parents will have an opportunity to meet Ms. Michelle Siragusa, the district-wide Transition and Vocational Specialist. Ms. Siragusa joins the Student Services team to serve as a resource for the special needs student community in grades pre-K-12. For every student with a disability, whether it is transitioning from CPSE to CSE, or post-secondary planning to life as an adult, requires thoughtful planning and collaborative partnership between the family, school, and community agencies to ensure smooth and successful outcomes. Please join SEPTA on September 29th, at 7 p.m., to learn more about the transition planning supports that are available.

News from David Barth, Supervisor of Physical Education, Health, Athletics & Recreation

Games at both Walt Whitman High School and Stimson Middle School are underway! We have over 600 student-athletes competing this fall and representing the South Huntington district throughout Suffolk County. We had 9 athletes at Walt Whitman High School recognized by Newsday as top players on Long Island in their respective sports: **Nicholas Bottoni** (Football), **Brandon Ivy** (Football), **Liam Villanti** (Football), **Gianna Paul** (Soccer), **Carly McEntee** (Gymnastics), **Jordyn Nicholls** (Gymnastics), **Angel Catalan** (Soccer), **Steven Flores** (Soccer), **Tyler Phillips** (Volleyball). Congratulations!

Visit our Athletics website for updated scores, coaches contact information and more. For the most up-to-date game schedules, please visit Section XI's website at www.SectionXI.org. All events taking place in the Walt Whitman North Gym, South Gym, and on the Turf Field will be live-streamed on the NFHS Network (www.NFHSNetwork.com). Make sure to follow the Athletics department's Twitter and Instagram accounts (@WaltWhitmanAD) for updates and highlights from the season. Go Wildcats!

News from Mr. Kenneth Costa, Principal of Walt Whitman High School

At the closing of our first full week of school, we continue to be impressed by our students understanding and sensitivity to this year's COVID mandates. We understand the challenges some of our students are facing with in-person instruction. If your child is having any difficulty with their return to school, please take advantage of our counseling services. Our guidance counselors, social workers, and psychologists are available to all of our students throughout the day. Should you or your child need to utilize any of our counseling services, please call our Student Services Center at (631) 812-3938.

I thank you in advance for supporting all of our students, and please remember to support our various parent/student organizations and boosters.

“Be curious, not judgmental.” ~ Walt Whitman

News from Mr. Eddie Smith, Principal of Stimson Middle School

Myself, along with all of the teachers at Stimson Middle School, would like to thank the parents of our students for enthusiastically participating in our Curriculum Night. It was wonderful to have you, our parents and guardians at home virtually, and in the building, following your child's schedule and meeting their teachers.

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

This is certainly a busy time at the Silas Wood 6th Grade Center!

A tremendous thank you to all our families for attending (in-person or virtually) the Silas Wood Curriculum Night, which took place on Tuesday September 21st. We are very happy to report great attendance at this wonderful event -- providing a way to connect our teachers' names to their faces for our families, as well as vice versa, plus an invaluable opportunity to learn about what our Silas Superstars will be offered this school year. Thanks to all for doing a great job.

Silas Superstars enjoyed our first Team Meetings of the school year. At these motivational meetings, they learned a lot of interesting information about extracurricular activities and about exciting activities and events that will be available to them. September 20-24 is START WITH HELLO week at Silas Wood, sponsored by Sandy Hook Promise. START WITH HELLO is a program that, via a variety of projects and discussions, teaches children how to be more socially inclusive and connected to each other. START WITH HELLO asks students, educators, parents, and other community leaders who interact with children to take steps in class, the lunchroom and/or other times in their day to be inclusive and connected. Among in-school activities, students are tracing their hand on construction paper and writing their pledge to “Start with Hello,” and color/decorating those hands. Example: “Why I Start with Hello”: (some examples may include: “to help others,” “so that no one feels left out,” or “because I am a leader in my community.”) Students are encouraged to share their responses with

their class, bringing wonderful results from this worthwhile project.

This Friday, September 24th is School Photo Day at Silas Wood. Photo Day, sponsored by our PTA, is always an exciting event, as our students show up sporting their brightest smiles and most positive attitudes. Photo sessions will take place during our students P.E. or Music class; photo sessions are held on the stage in our gymnasium. Class Act Photo Order forms were sent home last week and should accompany students on Photo Day.

As you may know, i-Ready Testing provides a diagnostic assessment designed to provide teachers with actionable insight into student needs, offering a complete picture of student performance and growth. We will be administering the i-Ready Reading Diagnostic on Thursday, September 30th and the i-Ready Math Diagnostic on Friday, October 1st. These will be administered via student Chromebooks. All students are reminded to please be certain to fully charge their Chromebooks every day—this is especially important prior to these Diagnostic sessions! Our school-day periods will be adjusted for the days of the i-Ready Diagnostics, so we are providing our adjusted bell schedule for your reference.

We ask any families that have not yet returned their student's Emergency Contact cards or required Proof of T-dap immunization to kindly have your child turn these important items in to their homeroom teacher. Enjoy the beautiful weather. Stay safe, stay well.

News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

Please consider being part of our wonderful Birchwood PTA. A flyer was sent home with information about how to join. Be on the lookout for the MOVIE NIGHT FLYER; Movie Night is on September 24th.

Please label your children's jackets, sweatshirts, lunch bags, water bottles, etc. This will help us return your child's items back to you.

Welcome back! We are excited to kick off the 2021/22 school year with our Birchwood friends! Just a few things to get the year started:

Membership

Membership is now open. Join the PTA at bit.ly/BirchwoodPTA or scan the code below to help build a strong community here at Birchwood. Your dues help the PTA bring amazing Arts in Ed programs, school photos, Friday Night Fun, Book Fair, Holiday Boutique, Yearbook, Field Day and so much more to our school family!

Spiritwear

Show your Birchwood pride! Orders can be placed from now until September 17th by scanning the QR code below or by going to bit.ly/BirchwoodPTA.

Outdoor Movie Night

The Birchwood PTA is excited to welcome you back to Birchwood for an Outdoor Movie Night on Friday, September 24th at 7pm. More information to follow next week.

Website

Check out our website today and throughout the year at bit.ly/BirchwoodPTA for membership, Spiritwear, and to stay up to date on all the latest BWPTA happenings.

News from Mr. William Hender, Principal of Maplewood Intermediate School

This week our 5th-grade students have been hitting the high seas aboard the Yankee III, as they learn about different habitats and complete some fishing in the process. Students and staff have already come back to school telling stories of the gigantic fish they caught or “the one that got away.” Our 3rd-grade students have been making memories of their own in the classroom while they explore forces in motion, and our 4th-graders have been busy with math activities such as number riddles. The school year is off to a great start and everyone is very excited to be back.

Students this week are also participating in the i-Ready Diagnostic Testing in both Reading and Mathematics. The results of these exams will not only show areas in which students may require additional support, but will also help create each student’s “learning path” for digital learning and instruction. Once all of our paths are set, we will be tracking our weekly goal of 45 minutes of online instruction, at home, each week.

Lastly, just a reminder to please make sure to label your child’s water bottle and other belongings so they can be returned instead of contributing to our lost and found. We look forward to another great week at Maplewood where we celebrate “Every Child, Every Chance, Every Day.”

News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

It’s been a fantastic week filled with successful Curriculum Nights marking the beginning of a new year! Oakwood parents had the opportunity to meet our wonderful and dynamic teachers and staff to get a snapshot of the curriculum and exciting activities planned for the year. This Thursday, September 23rd, concludes our Curriculum Night series with welcoming our Kindergarten parents. We cannot wait to meet you.

Remember to sign up for ParentSquare, an important communication tool to keep the home and school connection ongoing. You can download the app to your cell phone, follow the prompts to be set up to receive messages from your child’s teacher(s), the Oakwood Main Office and the District.

This week our students will be engaged in their Fall i-Ready Reading and Math Diagnostic assessments. These student-friendly assessments provide quality information to identify areas where our students are excelling and areas to further support. Teachers use this important information to guide their instruction for their students in the classroom.

Special news from the South Huntington Public Library...we are proud to share that Oakwood Primary Center had a very successful response to the South Huntington Public Library Summer Reading Challenge, marking the highest percentage of students who finished this year’s program. We are so proud of our readers! Congratulations to all who participated in this special program.

Oakwood is still collecting family photos for our Family Photo Gallery. We are working on a fun project and need your help. We are asking you to bring in one 4x6 picture to display in our Hallway Family Photo Gallery. The picture can include either your family or someone who is special to you.

The Oakwood Fall PTA Book Fair has been a success this week and will continue until September 24th. Our students are enjoying the in-person experience as they shop for new, fresh reads in our Library.

Thank you to our amazing PTA for all of their help and support in setting up this wonderful opportunity. Visit our Book Fair homepage to learn more and get started with eWallet and online shopping: <https://www.scholastic.com/bf/oakwoodbf>

We are looking forward for many more wonderful days ahead!

Have a fantastic week!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Our week is off to a great start here at Countrywood. It is nice to finally be in a flow for the new school year, and we are all looking forward to our first full week of school. Thank you to all of our first- and second-grade families who joined us both in-person, as well as virtually, for our Curriculum Nights so far this week. We look forward to meeting and welcoming our Kindergarten families Thursday evening. Thank you to our teachers, service providers and support staff who we trust have provided our families with a snapshot of the year ahead. We value our strong home-to-school partnership and thank you for your ongoing support. As always, should you have any questions or concerns, please reach out to your child's teacher, Ms. Njenga or I.

Earlier this week all of our students took the Fall i-Ready Diagnostic. This assessment gives us valuable information about each student in the areas of ELA and Mathematics and will set each student on their own individualized "My Path" through the i-Ready platform. Each child will be expected to complete activities that are customized to their skill set multiple times during the week, in school, as well as, in some cases, at home. One of the strengths of the i-Ready platform is the ability for it to create an individualized learning plan for each student based on his/her i-Ready diagnostic.

Looking ahead to next week we invite you to join us, either in person or virtually, for the first PTA meeting of the 2021/22 school year on Monday, September 27th, at 7 p.m., here at Countrywood. We look forward to partnering with our wonderful PTA to bring many fun and exciting activities back to our students this school year. Come hear from our PTA representatives, building administration, and teacher representatives about the year ahead.

We wish you a wonderful week ahead.

School Board Notes – A Message from the Board of Education

The Board of Education meeting scheduled for tonight, September 22, 2021, starts at 7:30 p.m. and is open to the public and will be live-streamed as well. The link to the live stream can be secured on the website in the early evening. On the agenda this evening is a recognition of the District's Tutorcat Program--this program began this past summer with students from Walt Whitman High School volunteering their time to provide small group tutoring sessions for some of our elementary students. The focus was on practicing literacy skills, such as comprehension, decoding and fluency. This initiative was another way to provide support with the academic recovery plan. Fifteen high school students participated, and the result was 35 elementary students eager to have this opportunity that was both fun and productive! Also on the agenda this evening is a presentation that will showcase both the in-house work of our Custodial, Grounds and Maintenance Departments, as well as work completed by capital and contracted vendors during the late spring and summer months. Directly after these presentations, the Board of Education will move into the business portion of the agenda.
