“The strongest oak of the forest is not the one that is protected from the storm and hidden from the sun. It’s the one that stands in the open where it is compelled to struggle for its existence against the winds and rains and the scorching sun.” - - Napoleon Hill

Superintendent’s Corner

There’s no question that the international pandemic, coupled with the 24/7 news coverage, makes it difficult to envision a “COVID-free” existence.

Our South Huntington team understands this reality and is taking steps to ensure recognition of the numerous accomplishments that are already starting to fill the new school year. Please tune into the website (Shufsd.org), as well as our Facebook (facebook.com/southhuntingtonufsd/) and Instagram (instagram.com/south-huntingtonschools/), to see and hear the good news about our students and staff.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Walt Whitman High School is proud to report that just under 80% of our students who participated in the Advanced Placement program earned college-level credit on the 2020 AP exams. It’s remarkable to note that, despite the increased AP class enrollment, which has hundreds more students participating in college classes, the overall credit percentage continues to climb, as more of our young men and women “rise to the occasion” and prove ready to embrace college-level work.

We are also pleased to announce that the Grade Book feature in the Parent Portal is being rolled out for students in grades 6 through 12. Students and parents will now be able to view posted, graded assignments, and homework progress. This “real time” information will replace the traditional progress reports. Parents can access Grade Book by signing into their Infinite Campus Portal account and find the menu *Assignments* and *Grade Book Updates*, which are now visible. *Assignments* gives a list of all student projects as

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

Thank you all for your patience as we adjust to the transportation dynamics during these initial weeks of school. We were able to address the vast majority of concerns and are making steady progress with our new contracted provider (Educational Transportation). Please know that we want very much to be responsive and will continue to adjust accordingly.

Some Thoughts from Assistant Superintendent for Student Services April Poprilo

Earlier this week, parent(s)/guardian(s) received via email a link to access the **Social-Emotional Wellness Screener** (available in English and Spanish). This screener is not a diagnostic, rather an informational tool for Student Services team members, i.e. social workers, school psychologists and behavior specialists, to identify and respond to individual and/or collective social-emotional needs of students in their respective buildings. Completion of the form is voluntary. Please note the form will only accept responses for one child at a time. All responses are confidential and will only be shared with the support team members and administrators at your child's building. The screener link will be available on the district website and will remain open until **Friday, October 2, 2020**. In the meantime, if parent(s)/guardian(s) have an immediate question or concern, then please contact your child's school so you can be directed to a Student Services team member.

News from Dr. James Wright, Supervisor of Physical Education, Health, Athletics & Recreation

Off-season workouts have begun at Walt Whitman High School. Please check with your coach for days and times. You must be signed up on Final Forms for the sport you are interested in.

News from Mr. John Murphy, Principal of Walt Whitman High School

In keeping with last year, we have decided to continue creating videos of current events and activities at Whitman in order to keep parents better informed. To access this video, please click on the link:

News from Mr. Eddie Smith, Principal of Stimson Middle School

I hope this communication finds all our Stimson families doing well. Just a reminder for all parents of fully remote students - All classroom materials **MUST** be picked up by the end of next week. Please come to the main entrance between 9 am and 1 pm, and a staff member will give you their classroom materials. These materials are critically important to your child's success and must be picked up as soon as possible.

In reaction to Covid-19 safety precautions, we have revamped our *Curriculum Night* to a "virtual" online format.

The Stimson Middle School Virtual Curriculum Night will take place on Wednesday, September 30th.

Virtual Curriculum Night will commence at 7 pm on September 30th. Parents should follow their child's schedule by visiting each of their child's teacher's Google Site pages (link below). Each teacher will offer a short (approximately five to seven minute) video to introduce themselves and outline the courses they teach. In these videos, teachers will explain their expectations, procedures, curriculum, communication methods, use of Google Classroom, Google Meet (including etiquette and procedures), tools they will be using, grading policies, assessments and more that parents and families may expect this school year.

As always, the cooperation and assistance of all our Stimson families is greatly appreciated. Thank you, in advance, for taking the time to join us for our Virtual Curriculum Night!

News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade School

Now in our third week back to school, Silas Wood students and staff are settling in beautifully! With gratifying ease, we have all become accustomed to the precautionary safety measures that have been put in place. Our students continue to impress with the maturity and dignity of their adjustment to our "new normal!" In this busy week, we have enjoyed having school photos taken and now look forward to a presentation of our "Getting Ready for the Diagnostic" slide show to take place during our extended home-room this Friday. This slide show will give our students confidence to approach their i-Ready Reading test on Wednesday, September 30th, as well as their i-Ready Math test coming on Thursday, October 1st. As you may know, i-Ready provides a diagnostic assessment designed to provide teachers with actionable insight into student needs, offering a complete picture of student performance and growth.

Thursday - October 1st - Second Grade

We are looking forward to officially welcoming our families back to school!

News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Countrywood's remote learning has been in full swing during our closure. If you haven't already had an opportunity to do so, please check out our social media pages to get a glimpse into all of the wonderful, creative, and fun ways that our students are participating virtually. We are very excited to be reopening our physical school building later this week and hope that we have gotten our "bump in the road" out of the way. We know that this closure was a major inconvenience to our learning family, and thank everyone for their patience, cooperation, and kind words during the process.

Yesterday I shared, via School Messenger, that we will be holding virtual back-to-school night meetings next week; Kindergarten on Tuesday, September 29th, 1st grade on Wednesday, September 30th, and 2nd grade on Thursday, October 1st. I will be sharing our details on the special area and support staff Google Meet codes in the coming days. While these events will be far from our traditional nights, it will allow you to hear directly from your child's classroom teacher about the curriculum and the year ahead. We hope you can join us from a distance for this worthwhile evening.

As we get ready to get back into our routines, a friendly reminder to those who will be picking up their children at dismissal time, please have your "gold pick-up pass" displayed on the passenger side of your car, these pick-up passes have helped us shave off 10+ minutes during dismissal, and we appreciate everyone's cooperation.

Thank you again to everyone for your flexibility, understanding, and cooperation as we navigated this challenge together. We can't wait to see everyone back at Countrywood later this week!

News from the Board of Education

It is with an enormous amount of pride that we share with the South Huntington learning community that our own Board trustee—Edward J. Nitkewicz—will be honored by the New York State School Boards Association with their prestigious President's Award. This notable recognition is granted to individuals that have made significant contributions toward the betterment of public education in New York State. Mr. Nitkewicz will be honored in a virtual presentation during the 2020 NYSSBA Annual Convention & Education Expo in October. The news was shared by the New York State

School Boards Association in their On Board newspaper on Monday, September 21, 2020. The full article appears on our website.

Mr. Nitkewicz has served on the Board of Education since 2009, and has worked tirelessly for the District in this capacity, as well as outside organizations focused on assisting children with Autism and other special needs. Fred Langstaff, President of the New York State School Boards Association, summed it up perfectly in the article featuring this story. He shared, "Ed is the culmination of everything you think a good school board member and dad should be. His deep devotion to ensuring that all students with disabilities have the opportunity to excel in the public school system is a shining example for all of us as school board members."

Congratulations to Mr. Nitkewicz, and thank you for being the beacon of light for so many—students, parents and staff members.

News from South Huntington Educational Foundation, SHEF

Many thanks to all those who came out for our first fundraiser last week at Chipotle. Stay tuned for more like this, where we can support a local business and do something together even when we're apart!

In celebration of World Gratitude Day this week, SHEF celebrates all those who are doing their part and then some, helping one another and supporting each other throughout our Wildcat family. Here's to you ~ You're Doing a Good Job... with love from SHEF.
