### Food for Thought

"I haven't failed. I've just found 10,000 ways that won't work."

- Thomas Edison

### Superintendent's Corner

It is hard to believe that the first month of school will soon be behind us. It is no secret that a "return to normalcy" was the primary focus of this year's opening, and we are inspired by the renewed energy that characterizes our district schools. We are committing to closing any learning gaps that resulted from the COVID disruption and are working on academic recovery plans in every district school. In other words, we are trying to determine exactly where students should be at this point in their scholastic journey, and use additional staff and resources to ensure that they meet and even exceed those lofty expectations. Our South Huntington children deserve the very best, and we have every intention of ensuring that academic recovery is followed by continued growth both inside and outside the classroom walls. Together, we can erase the COVID gaps and continue our students' individual and South Huntington's collective rise to excellence.

### News from Deputy Superintendent/Business Dr. Joseph Centamore

#### Music

The Walt Whitman Marching Band had another successful competition this past Sunday in Copiague, earning 1st place overall in their division for their performance entitled "Dia de los Muertos." They also earned top marks in the Ensemble Visual category. The band's hard work continues to pay off. Their next competition is Sunday, October 2nd at Malverne.

We are also very excited to share that **Marc Malafronte** has been accepted into SCMEA All County Jazz Ensemble on guitar. Congratulations on a wonderful accomplishment!

#### National Custodian's Day

This Sunday is National Custodian's day. We thank all of our custodians, as well as everyone in all of the areas throughout our Facilities Department for the wonderful services they provide to South Huntington's students, staff and community. The services provided by our custodial, maintenance, and grounds teams were highlighted during a presentation at last week's Board of Education meeting. The quality of our schools, offices and grounds fosters an environment conducive to learning and teaching; one that is safe, welcoming and engaging.

After-school and Extracurricular Activities in South Huntington

With the start of the new school year, South Huntington is focused on providing our students the ability to participate in after-school and extracurricular activities at all building levels. This may include Coding Club, Intramurals, and Musical Theater at the elementary level, as well as a variety of clubs and activities at both the middle school and high school. These activities give our students time to explore ideas outside the classroom, while fostering an environment for healthy socialization with their peers. Within these school events, we will follow all Department of Health guidelines for all activities, as the health and safety of our students remains a priority. Please look for information in the weeks to come regarding these activities from your building Principals.

For secondary schools, please see the links below to access clubs and activities:

Curriculum Pamphlets/Guides available for parents  
In an effort to provide parents the ability to know what's being taught in their child's classroom, South Huntington Office of Curriculum and Instruction has worked with the primary school buildings throughout the district to provide a curriculum pamphlet that provides detailed information on topics and units of study within each core curriculum area. Please see the list below to access this information. We will be sending out the intermediate school curriculum guides in the near future. If you have any questions at all, we ask that you either contact your child's principal or the office of Curriculum and Instruction at 631-812-3100.

Parent Workshops on Technology  
In an effort to provide our parents with the best possible information with regards to technology, South Huntington School District is creating a series of parent/guardian workshops designed to engage and inform parents/guardians about the changes in current technology in the district. Information via virtual sessions on such items as ParentSquare, Infinite Campus Parent Portal, Classlink, and Google Classroom will be provided to parents, as well as how to effectively utilize these services to better understand what your child is doing in school. We will be sending this information out to all parents/guardians in the coming weeks, and encourage all parents/guardians to attend. As always, if you have any questions, please feel free to contact the Office of Curriculum and Instruction at (631) 812-3100.

i-Ready Testing

In the coming weeks, all students, Kindergarten through 8th grade, will be participating in i-Ready diagnostics testing to determine the current learning levels, as well as yearly goals of growth for each student. i-Ready is a diagnostic tool that assists teachers in assessing student progress to provide the proper support necessary for student success. This tool can truly allow for teachers to ascertain each student's learning needs and adjust instruction to fit their individual needs.

Congratulations to the winners of our **Summer Reading Club Bookmark Contest**. In June, our librarians wanted to get students excited about summer reading and invited them to create artwork for bookmarks. ### News from Sheila's Food Corner

### BREAKFAST IS IMPORTANT!

Breakfast is often documented as the most important meal of the day for everyone. Tag that along with our belief that "Hungry Kids Cannot Learn," and we know we have an issue at hand. We have found our Middle and High School students tend to leave home without eating breakfast because of the early hour and time crunch. On the plus side of the equation? This school year all students are provided a breakfast meal **Free** of charge; what better time to address this dilemma.

Beginning October 12th, the SHNS program will introduce large breakfast kiosks to the Middle and High Schools. We are excited to "revamp" our food choices to give our kiddos nutritional and still tasty meal varieties. There will always be cold food choices available and a rotation of one hot choice per day. Fresh fruit will be available and parfaits will be introduced as well. The kiosks are placed in the high traffic areas of both buildings and the Grab and Go concept works

The high school boys and girls volleyball teams are sponsoring a "Dezy Day" on Thursday, October 7, 2021, in support of the Dezy Strong Foundation. Please see the attached flyer for more information.

PTA "Wildcat Bash" and fundraisers  
DEZY DAY for our Boys and Girls JV Volleyball Game  
Thursday, October 7, 2021

Every day is a great day. A day we can appreciate all the things that we GET to do. When Dezy was diagnosed with Stage 4 kidney cancer he embodied the "We Get To" outlook and realized how important it is to have a strong mind and a strong body.

He made it his mission to help as many people as possible to live everyday with the same outlook. Athletics was a huge part of Dezy's life and he wanted to help his fellow athletes remember to never take a single day for granted that they get to play sports.

Today, the DezyStrong Foundation carries on Dezy's legacy with athletics through the Play DezyStrong program. Through this program, athletes are taught what it means to be DezyStrong while supporting his Foundation.

Our athletes will play the DezyStrong way - With a strong mind, a strong body, and an appreciation of how fortunate they are that they GET to be a part of something special.

We are asking each player to purchase a shirt to wear during warm up and as a spectator cheering on the other game.

We would be very grateful if we could get 100% participation in this event.

Shirt is orange with blue writing  
(Small Medium Large X-Large)

Please return \$15.00 (cash only) in an envelope labeled with your name and shirt size, to Coach Layer (boys) or Coach Casarella (girls) by Monday, 9/27. Thank you in advance for your participation and support of this great cause. We look forward to a successful event!

The Senior Class is sponsoring their annual Blood Drive on November 5, 2021 in the PAC. Eligible students will be able to give blood during the day in support of our local blood banks.

The high school is proud to announce that two of our graduating seniors were nominated for the News 12 Scholar Athlete Award. Congratulations to **Gianna Paul** and **Liam Villanti** for their nomination. Go Wildcats!

This past Friday, Walt Whitman High School hosted its first home Varsity Football game of the 2021 season. We had nearly 1,000 students, parents, and staff participating in the "White Out" to support our football program, and the debut of the first-ever student cheer section appropriately called "The Den." The Wildcats had an impressive win over Sachem East HS, and it was a memorable evening for all. We are looking forward to an even bigger support base for our Homecoming events, beginning with Spirit Week on October 18th, and culminating with the Homecoming Football game on October 23rd. We would love to see that same student participation and support for all of our athletic teams, musical events, and the arts. We are all Wildcats!

I thank you in advance for supporting all of our students, and please remember to support our various parent/student organizations and boosters.

"Be curious, not judgmental."  
- Walt Whitman

*"A book is a gift you can open again and again."* – Garrison Keillor  
It's time for the Fall Silas Wood Book Fair. The Scholastic Book Fair will take place Tuesday, October 5, 2021 through Thursday, October 7, 2021 in our Gymnasium. Please join us in promoting the joy and importance of reading during this school fund-raising event. Please remember to calculate the NYS sales tax of 8.625% into your calculations when providing money for your child. Our Book Fair is equipped to accept cash, check, and credit cards. You may also provide your child with money by setting up the "Scholastic E-Wallet" on line; this is done with a credit card. Please note that any unused E-Wallet funds will remain in your account for a future fair or can be used online - - the balance is NOT refundable. If paying by check, please make the check payable to Silas/Stimson PTA; please make sure your phone number is provided and that your child's name is on the memo. If you have any questions or would like to volunteer at the Book Fair, please contact Dayna Cioffi at [smsswptaloo@gmail.com](mailto:smsswptaloo@gmail.com) The PTA is seeking volunteers to help us set up the Book Fair on Monday, October 4th, at 3 pm, as well as during the fair on Tuesday through Thursday for help with student sales and restocking. If you are available to help, or have any questions, please contact the PTA at [smsswptaloo@gmail.com](mailto:smsswptaloo@gmail.com) Thank you, and Happy Reading!

Reminder that school will be closed on Monday October 11th, as we observe the Columbus Day holiday.

## News from Mr. Anthony Ciccarelli, Principal of Birchwood Intermediate School

The 5th grade Track & Field meet originally scheduled for October 19, 2021 will be moved to April, 2022. This event will be the culminating activity for our Physical Education Track & Field unit, and provide all 5th grade students the opportunity to compete in a fun-filled day of events. More information to come.

Thank you to our PTA for a wonderful Movie Night event. We understand the tremendous undertaking these events take to plan and appreciate the effort on behalf of the Birchwood Family.

Birchwood PTA Book Fair - October 12th – 15th. Your teacher will share the specific date your child is attending the Book Fair.

Birchwood Photo Day - October 6th – 7th. Your teacher will share the specific date your child is having their photo taken.

Join the Birchwood PTA by October 1st to be entered in a raffle to win tickets to Hershey Park. There will be two drawings, one winner will receive four tickets, and one winner will receive three tickets. Join at [bit.ly/BirchwoodPTA](http://bit.ly/BirchwoodPTA).

### News from Mr. William Hender, Principal of Maplewood Intermediate School

We continue to have a wonderful time being back at school with all our friends at Maplewood Intermediate School. Students are settling into their routines and are enjoying all the activities that have started. The hallways are now filled with music, as our band and orchestra lessons have begun. Here at Maplewood we are all actively participating in Maggie's Challenge. Students have been sharing their challenges and have been purchasing teal bracelets for \$1. For more information about this wonderful organization, please go to [maggie-smission.org](http://maggie-smission.org).

We are also pleased to announce that this year we will have an enhanced Track and Field Day for our 5th graders. The 5th grade Track & Field meet originally scheduled for October 19, 2021 will be moved to April, 2022. This event will be the culminating activity for our Physical Education Track & Field unit and provide all 5th grade students the opportunity to compete in a fun-filled day of events. More information to come.

### News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

This week began with our first and very successful Oakwood PTA meeting. The evening was filled with positive energy and excitement for the wonderful plans ahead for this year. If you have not joined the Oakwood PTA, please consider becoming a member. Please help the PTA reach their highest goal in membership this year.

This Friday evening the PTA is hosting the Welcome Back Celebration at Oakwood. The celebration is set with RSVP's gathered by the PTA for students to enjoy a craft, a snack, and dancing to songs played by the DJ. As previously shared, unfortunately walk-ins will not be able to be accommodated for this event. We can't wait to see you from 6-7 pm on October 1st.

Remember to sign up for ParentSquare, an important communication tool to keep the home and school connection ongoing. You can download the app to your cell phone, follow the prompts to be set up to receive messages from your child's teacher(s), the Oakwood Main Office, and the District.

Oakwood is still collecting family photos for our Family Photo Gallery. We are working on a fun project and need your help. We are asking you to bring in one, 4x6 picture, to display in our Hallway Family Photo Gallery. The picture can include either your family or someone who is special to you.

Thank you to all of our families for sending in a note when picking up your child from school. It is important to know in advance if a child is getting picked up and not boarding the bus home. This provides a safe and smooth dismissal process.

Enjoy the sunshine and have a great week.  
#theoakwoodway

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

Thank you to everyone who joined us for our first PTA meeting of the year this past Monday night. It was wonderful to have parents participating both in person as well as virtually. We are very excited, after a year and a half, to be able to bring back many of our wonderful PTA events, with some COVID safety modifications in place. Please be

on the lookout for information about our upcoming Halloween-themed PTA evening on Friday, October 15th. As this is always a very popular event, we have rented lights, and will be holding the evening outdoors so as not to have to turn anyone away. Details to follow from the PTA.

We are very excited to announce that our Mental Health team is now complete. Ms. Lorraine Martinez came on board as our new Behavior Specialist this past Monday. Ms. Martinez comes to us from DDI (Developmental Disabilities Institute), where she most recently served as one of their Behavior Specialists. We are very excited to welcome Ms. Martinez to our Countrywood Family!

As we get ready to turn the calendar to October, we wanted to share that plans are underway to once again be able to hold our ever popular Halloween Parade. As long as the weather cooperates, and we can hold the event outdoors, it will be open to spectators. Details on the specifics of this to follow in the near future. Additionally, we will be holding our annual Pumpkin Hunt on Thursday, October 21st; additional details on this will be shared with you in the very near future.

Another sign of a return to more normalcy was the return of our AIS Reading and AIS Math groups, something that we were not able to provide last year. If your child is being supported by one of our AIS staff you have already been informed. As always, these groups are being evaluated and reevaluated, and our staff will be in touch, if any changes are necessary.

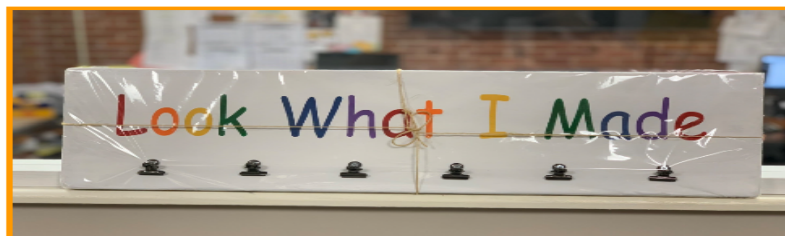

As always, we are here to support our families and students. Please reach out if you have any questions or concerns. We wish you a wonderful week ahead.
