Food for Thought

"The beginning is the most important part of the work."

~ Plato, The Republic

Superintendent's Corner

I hope your families had a nice, smooth transition back into the school year. It was really a pleasure watching our staff and students interact during this opening week as positive energy literally filled the air. We thank everyone for their patience as we shook off the summer cobwebs and procedures gradually fell into place. There is an incredibly strong home-to-school connection in our school community and great things are on the horizon for the year to come.

News from Deputy Superintendent Dr. Joseph Centamore in the Curriculum Office

Thank you to all of the parents who joined us at this week's Curriculum Nights. Thank you, as well, to the teachers and building teams for providing such welcoming, informative presentations for our district families. These curriculum nights establish the foundation of a home-to-school connection that fuels success and encourages growth throughout the year. We encourage all of our families to attend these evenings and stay in touch with your teachers, administrators, and support staff throughout the year.

News from Assistant Superintendent for Business and District Operations Dr. Vito D'Elia

We want to thank the members of the community for their patience and understanding during our opening week transportation operations. We understand there have been some "hiccups" with routes and bus stops, and promise that we are working diligently to smooth things out and ensure that our 6000+ students are transported safely and efficiently to and from school. To this end, we will be working closely with our new bus company and internal transportation director to correct problems and provide you and your family the services you deserve.

News from Mr. Eddie Smith, Principal of Stimson Middle School

What a great start to the 2019 school year! I would like to thank our entire custodial team, including Mr. Reginald Betts, Stimson's Head Custodian, for getting our building ready for our students and staff this year. The hallways are sparkling, the lockers are clean, and our classrooms are ready for a new year providing a space for our students to flourish.

Attention all parents! Stimson's daily announcements can be found on the Stimson Homepage. Please check this link daily for all the “happenings” at Stimson. Also, please join us this Tuesday, September 10th, at 7 p.m., for our Curriculum Night. The evening will provide you with an opportunity to walk your child's Day 1 schedule and meet all their teachers. All students will be given an updated schedule on Tuesday for you to use. We love them, but middle schoolers can be a bit forgetful, so please ask them when they get home on the 10th for the copy.

If you have not already done so, please follow Stimson on Twitter [@HenryLStimsonMS](https://twitter.com/HenryLStimsonMS).

We look forward to a wonderful school year!

You will make us all proud and you will be proud of yourselves. Parents, you will know that we are here to support you and your children as they begin this journey towards finding out who they are and what they can do. Welcome to the 2019-2020 school year.

The South Huntington Council of PTA's includes Executive Board members of the PTA Council, PTA Presidents and Delegates from all PTA units in our district, as well as school district Administrators and representatives from the Board of Education and Teacher's Association. Our monthly meetings, which are open to the public, take place at the James Kaden Administrative Offices.

Together we work to promote educational excellence in the South Huntington School District, engage in community service projects, including scholarships for high school seniors, and build stronger PTA's through education and cooperation.

Please feel free to join us at our meetings. All are welcome, and it is a great opportunity for you to learn about what is going on in our school district! Have a great year!

Booster Club

The Wildcat Booster Club is dedicated to support all athletes in the High School and Middle School. In order to do this, we need parents and students to support our mission by volunteering and or becoming a member.

Attached is a membership flyer, along with a coupon for Modell's (good thru 9/30), that will save you 15%, and Modell's will donate an additional 5% to the Wildcat Booster Club.
